SAFE CLIMATE CAUCUS

(Mr. WAXMAN asked and was given permission to address the House for 1 minute.)

Mr. WAXMAN. Mr. Speaker, on Friday, the world's best scientists rendered a conclusive verdict: climate change is real, it is caused by human activity, and its consequences will be catastrophic.

What the scientists are telling us is that evidence is now just as strong that carbon pollution is causing climate change as is the claim that cigarettes cause cancer. They are sounding the
