

poverty guideline, but the majority of households have income well below the maximum: 83% of SNAP households have gross income at or below 100% of the poverty guideline this translates into incomes of \$19,530 for a family of 3 in 2013. These households receive about 91% of all benefits.

These are the people who we know the majority will leave behind if we allow a piece meal approach to managing the CR process.

The clean CR passed by the Senate ensures that all the employees of the federal government are paid and that important things like our parks are open and our children are fed.

Mr. Speaker, instead of exempting certain groups and persons from the harm caused by a government shutdown, we should instead be focused on reopening the government as soon as possible.

Texas will soon begin experiencing the impact of cutbacks in the \$64.7 billion in federal spending that it receives annually, including the loss of:

\$518 million in federal highway funds;

\$411 million for interstate highway maintenance;

\$130 million in home energy assistance for the poor;

\$71 million, in Homeland Security grants;

\$55 million in coordinated border infrastructure and \$97 million in federal doption assistance;

For these reasons, we cannot wait for the majority to discover all of the reasons why we have a federal government or the importance and purpose of each agency.

We have to pass a clean CR as soon as possible.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Texas (Mr. CULBERSON) that the House suspend the rules and pass the joint resolution, H.J. Res. 72.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. CULBERSON. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, this 15-minute vote on the motion to suspend the rules and pass House Joint Resolution 72 will be followed by 5-minute votes on the motions to suspend the rules and pass House Joint Resolution 71 and House Joint Resolution 70.

The vote was taken by electronic device, and there were—yeas 264, nays 164, not voting 4, as follows:
