

honorably since their existence. They are on watch today in places around the world. That's why we need to fully fund the Air Force Reserve and National Guard like we do the regular military.

There should be no shutdown for these volunteers that protect American. Pass the National Guard and Air Force Reserve funding bill and keep Lieutenant Colonel Aguilar flying.

And that's just the way it is.

POLITICAL PROCESS

(Mr. RYAN of Ohio asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. RYAN of Ohio. Mr. Speaker, we hear a lot from our Republican friends about funding for NIH and these pediatric research programs where dozens of children can get cancer treatment, and they make a big deal about it. On our side, we want to make sure every child in the United States has access to health care in case they get cancer.

We hear from the other side: We want to open the World War II Memorial so that veterans can have access to the memorial. But if that veteran's spouse or that veteran's child may have cancer or not have health care, we're saying, as Americans, that we should cover every American. Isn't that what they fought and died for, justice for all, and health care justice for all? And we hear from the other side: They're shutting down the government.

I was against the Iraq war. The Iraq war was unaffordable. The Iraq war was unpopular. Fifty-eight percent of the American people were against the Iraq war. Democrats didn't shut down the government.

Use the political process—which we did, and won the House back in '06, won the Presidency in '08, and wound down the Iraqi war. That's how you govern in democracy.

Two hundred-plus years we have been governing in this country through a political process. You wrap yourselves in the flag, and then you don't use the democratic process.

AFFORDABLE CARE ACT

(Mr. CLYBURN asked and was given permission to address the House for 1 minute.)

Mr. CLYBURN. Mr. Speaker, I would like to acquaint you and my colleagues with Mr. Butch Matthews, a 61-year-old former small businessman from Little Rock, Arkansas, who used to wake up every morning at 4 a.m. to deliver canned beverages to retailers before retiring in 2010.

A lifelong Republican, he was heavily skeptical of the Affordable Care Act when it first passed. "I did not think ObamaCare was going to be a good plan; I did not think it would help me at all" is what he said. But after a little research, he has now found out that he can get a better plan than he al-

ready had and at the same time save \$13,000 a year.

When he was asked what would he say to people who are skeptical about the plan, Mr. Matthews says this: "I would tell them to learn more about it before they start talking bad about it."

Mr. Speaker, he is still a real strong Republican, but he says: I'm very happy this came along.

MR. SPEAKER, OPEN THE GOVERNMENT

(Mr. PALLONE asked and was given permission to address the House for 1 minute.)

Mr. PALLONE. Mr. Speaker, I have heard my colleagues on the Republican side of the aisle say that they want to keep the government open. Well, it's simply not true, Mr. Speaker.

Look, let's face it: the Republicans are in charge of this House. It's Speaker BOEHNER and the Republican leadership that shut the government down. They could simply bring up the Senate resolution that would keep the government open at any time now, today or any time, and the government would reopen.

So I don't want to hear this constant rhetoric that, oh, the Republicans want to keep the government open. It's simply not true. They are in charge. They have the responsibility. Speaker BOEHNER has the responsibility to bring up a clean resolution that would keep this government open.

Now, I have heard that our appropriators—and you listen to NANCY PELOSI. They have said that we have agreed to the government spending levels on the other side of the aisle, so that's not the issue here. There is no issue anymore about how much we're going to spend. It's simply that Republicans want to close the government down because of the Affordable Care Act. It should not be linked in any way.

If anybody suggests this is not a problem, 22 percent of the gross national product is dependent upon the Federal Government. This is having a negative impact on our economy.

Mr. Speaker, open the government again.

PAY OUR GUARD AND RESERVE ACT

Mr. YOUNG of Florida. Mr. Speaker, pursuant to House Resolution 370, I call up the bill (H.R. 3230) making continuing appropriations during a Government shutdown to provide pay and allowances to members of the reserve components of the Armed Forces who perform inactive-duty training during such period, and ask for its immediate consideration.

The Clerk read the title of the bill.

The SPEAKER pro tempore. Pursuant to House Resolution 370, the bill is considered read.

The text of the bill is as follows:

H.R. 3230

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the "Pay Our Guard and Reserve Act".

SEC. 2. CONTINUING APPROPRIATIONS FOR PAY AND ALLOWANCES FOR CERTAIN RESERVE COMPONENT MEMBERS OF THE ARMED FORCES.

(a) IN GENERAL.—There are hereby appropriated for fiscal year 2014, out of any money in the Treasury not otherwise appropriated, for any period during which interim or full-year appropriations for fiscal year 2014 are not in effect such sums as are necessary to provide pay and allowances to members of the reserve components of the Armed Forces (as named in section 10101 of title 10, United States Code) who perform inactive-duty training (as defined in section 101(d)(7) of such title) during such period.

(b) TERMINATION.—Appropriations and funds made available and authority granted pursuant to this section shall be available until whichever of the following first occurs: (1) the enactment into law of an appropriation (including a continuing appropriation) for any purpose for which amounts are made available in this section; (2) the enactment into law of the applicable regular or continuing appropriations resolution or other Act without any appropriation for such purpose; or (3) January 1, 2015.

The SPEAKER pro tempore. The bill shall be debatable for 30 minutes, equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations.

The gentleman from Florida (Mr. YOUNG) and the gentleman from Indiana (Mr. VISCLOSKEY) each will control 15 minutes.

The Chair recognizes the gentleman from Florida.

GENERAL LEAVE

Mr. YOUNG of Florida. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days in which to revise and extend their remarks and include extraneous material on H.R. 3230, and that I may include tabular material on the same.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Florida?

There was no objection.

Mr. YOUNG of Florida. Mr. Speaker, I yield myself 3 minutes.

Mr. Speaker, the Pay Our Guard and Reserve Act would fix a simple drafting error that existed in H.R. 3210, the Pay Our Military Act.

This bill was intended to appropriate funding so that all of our servicemembers, Active Duty, Guard, and Reserve, will receive their paychecks on time and without interruption during the government shutdown.

As most of you know, our Guard and Reserve members perform two kinds of training throughout the year: annual training, which occurs for 2 weeks a year; and Inactive Duty for Training, which is commonly referred to as weekend drill.

While H.R. 3210 appropriated funding for pay and allowances for servicemembers who perform active service during the shutdown, it mistakenly omitted pay and allowances for performing inactive duty training or weekend drill.

This was a simple technical drafting error in the legislation.
