

While Parrish scored the championship game's debut shot, the Pirates responded with incredible energy leading by 21 points at half-time. The Pirates' suffocating defense left the opponent scoreless for more than six minutes. The Pirates held Parrish to 37 points overall, tallied 8 steals, retrieved 21 defensive rebounds and blocked four shots. Tournament MVP Jacob Winston finished the game with 21 points, 9 of which came from behind the 3-point arc. Winston grabbed 10 rebounds and Senior Andrew Rogers scored 18 points while LaDarius Brinson scored 10. Overall, the Pirates were 15-of-16 at the foul line.

Winning the state championship reflects the combined efforts of the coaches, players and supporters. I would like to commend the team, Coach Earl Taylor and his coaching staff. Members of the team include: Darian Adams, LaDarius Brinson, Tommy Burton, Keondre Davis, Taylor McCurdy, Andrew Rogers, Roderic Scott, and Jacob Winston.

At the conclusion of the game MVP Player Jacob Winston told reporters, "We try to be a defensive-minded team, but all the dunks and stuff is just a result of that," he said. "Coach Taylor's always taught us to play hard whatever's going on. The dunks and 3s come from defense."

St. Jude's has collected AHSAA state championships in 5 different decades with titles in 1973, 1977, 1985, 1998, 2006, 2008, 2013 and 2014. The team also won two state championships as members of the AIAA before 1968. As the daughter of a high school basketball coach, I know the Pirates' success is the result of the combined efforts of not only the players and the coaching staff, but also the support of the St. Jude faculty and staff and the entire community.

I am honored to represent such a talented group of young men, their dedicated coaching staff and proud community. As I declare the 7th Congressional District as the "District of Champions," the St. Jude Pirates represents one of our very best. On behalf of the 7th Congressional District, the State of Alabama and this nation, I ask my colleagues to join me in congratulating the accomplishments of the St. Jude Pirates for their victory in the 1A Alabama State Championship.

Congratulations! Go Pirates!

EMPLOYEE APPRECIATION DAY

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. PRICE of North Carolina. Mr. Speaker, March 7 is Employee Appreciation Day. I rise today to mark my appreciation for the staff members who so ably help me serve the people of North Carolina's Fourth Congressional District.

My staff are model public servants. They work long hours and late nights. Every year, the staffers working in my North Carolina district offices help thousands of constituents, and all of our local communities, navigate federal agencies. They help me reach out to local businesses and educational institutions to ensure their needs are represented in Washington. Every year, my Washington, D.C. office staff researches thousands of pieces of legislation. They help me hear and respond to hundreds of thousands of constituent communications. They help constituents arrange tours, and they join me in meetings with constituent groups, local and State representatives, universities and businesses on every issue imaginable. The list of tasks my staff helps accomplish could go on and on, but most importantly, they help ensure that the people of the Fourth District have a voice in the people's House.

The previous year has been a challenging one for congressional staff. Congressional staffers were not immune from the unnecessary and mindless across-the-board sequestration spending cuts that affected so many programs that invest in our people, ensure our strength and security, and protect our poorest citizens. Like employees of many executive departments, my staff endured furloughs and reduced pay over the previous year. I truly admire the all-hands-on-deck approach my staff took to maintain a high-level of constituent service in the face of these challenges, and their efforts to ensure sequestration was replaced and critical programs were fully funded once again.

In recognition of their dedication and diligence, I would like to include in CONGRESSIONAL RECORD the name of each staffer currently employed by my office.

Nadia Alston, Sonia Barnes, Jean-Louise Beard, Nora Blalock, Andrew High, Asher Hildebrand, James Hunter, Tracy Lovett, Sean Maxwell, William Munn, Cassie Rice, Kate Roetzer, Dave Russell, Laura Thrift, Jackson Tufts, Justin Wein, Robyn Winneberger.

I would also like to extend special thanks to the staffers who have departed my office over the previous year and to include their names in the RECORD. I want them to know that their years of dedicated service strengthened our district and our State, and that their hard work did not go unnoticed or unappreciated. I wish them well as they pursue new and promising opportunities.

Robin Bolash, Sandra Massenburg, Beau Mills, Teresa Saunders, Kate Schisler.

I am grateful, Mr. Speaker, for the effort that my staff continues to put forth and for the op-

portunity Employee Appreciation Day offers to say thank you.

RECOGNIZING FIRE CHIEF
EDMOND LEWIS

HON. TOM REED

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. REED. Mr. Speaker, I rise today to recognize Edmond Lewis, Chief of the Monterey Volunteer Fire Department in Beaver Dams, New York.

Mr. Lewis has served as a member of the Monterey Volunteer Fire Department for an impressive 36 years. He assumed the position of Chief last year and was faced with the enormous task of overcoming a dire financial situation which nearly forced the fire department into bankruptcy. In addition to the financial challenges, when he began his tenure as chief, the department had fewer than twelve members and no junior recruits.

Chief Lewis has never stopped fighting for the department or his community throughout the recovery process. His leadership has been vital in restoring the integrity, financial solvency, and strength of the Monterey Volunteer Fire Department. Through his guidance, the department has increased its ranks to 54 members, including 14 junior firefighters. The hard work and dedication of Chief Lewis has restored the fire department to a position of capably protecting public safety in the community.

Edmond Lewis exemplifies selfless service and true leadership. His generosity and willingness to assist anyone in need has earned him the highest level of respect throughout Schuyler County. Mr. Lewis regularly extends a helping hand beyond his duties at the fire department by volunteering at a local food bank and preparing meals at the Office for the Aging.

I commend Mr. Lewis for all the great work he has done, and will continue to do, at the Monterey Volunteer Fire Department and in our community. He is a selfless and generous individual who has made countless positive contributions to New York's 23rd Congressional District, and I am proud to recognize him today.

IN RECOGNITION OF DARWIN L. CURLS FOR HIS DEDICATED CA- REER OF PUBLIC SERVICE

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 6, 2014

Mr. CLEAVER. Mr. Speaker, I rise today to recognize one of our own. On Friday, March 7, 2014, Mr. Darwin Lenard Curls is retiring from my office after serving the past nine years for the Fifth Congressional District as the Director of Community Affairs and dedicating nearly half-a-century of public service to our community.

Born on October 17, 1943, to a family of public servants, Darwin learned at an early age the importance of giving back to his community. His parents, Fred and Velma Curls raised Darwin and his five siblings to help those less fortunate. His father was a pioneer for civil and political rights in our community and was one of the original founders of Freedom Incorporated, an African-American political organization, based in Kansas City, Missouri. Darwin observed his father's efforts to better the community, such as with his fight against restrictive covenants in residential neighborhoods in our community. His brother,

Phil Curls, went on to become a State Senator and President of Freedom Inc. Along with Darwin's help, Freedom rose to be known as one of the most potent political organizations in the United States. Darwin remembers well his father's saying "make it happen", and took to heart those words by dedicating his life to making things happen. Make-no-mistake, through his career of action and advocacy in our great state of Missouri, Darwin has been the embodiment of the "Show me State".

As a young man, Darwin attended De La Salle Military Academy, before earning his Bachelor of Arts degree from Park College. He eventually found his calling when he landed a position with the Blue Hills Homes Corporation—a community development corporation focused on improving neighborhoods in the urban core thru creating quality housing opportunities. Darwin spent nearly 23 years with Blue Hills.

In 1994, Darwin chose to run for public office and was elected overwhelmingly for the Kansas City Missouri School Board. During a challenging time for the School District, Darwin brought much-needed, common sense approaches to ensure children were given the best opportunities to succeed. After retiring from the School Board, he accepted a Trustee position with the Kansas City Public School Retirement System where he served for 16 years to ensure the employees of the Kansas City School District were treated fairly thru their retirement.

In 1999, Darwin joined the Congressional staff of my predecessor, Representative Karen McCarthy. He served for five years, handling casework and outreach. After a brief stint with Swope Community Builders, I asked Darwin to join me shortly after my election. He started on February 1, 2005 as my Director of Community Affairs. In that capacity, Darwin has overseen the office's casework, helping constituents with issues dealing with the Internal Revenue Service, Social Security Administration, Housing and Urban Development, and much more. He has helped hundreds of individuals traverse the challenges of the federal bureaucracy, helping people to receive back payments, or keep their housing. He was always available to constituents, sometimes just lending a shoulder during their time in need. Equally valuable, he has been an integral part of our outreach efforts, regularly providing remarks at meetings and events on behalf of the office. Over the years, I have relied heavily on his insights and feedback about our community and their concerns, as he has always had his fingers on the pulse of our District.

Darwin has been married for forty-five years to his wife, Sandra, and they are blessed to have three amazing children and seven grandchildren. Their daughter, Shalonn "Kiki" Curls, is continuing the family tradition of public service as a State Senator.

Mr. Speaker, please join me in recognizing and honoring Mr. Darwin Curls for a lifetime of dedicated service to our community. While he embraces this next phase of life in retirement, I wish to thank him for his guiding counsel over the years. He has served as a role model to many in our office and in the African-American community. The lives of hundreds of constituents he has helped, our neighbors, community, and Missouri's Fifth Congressional District, have been enhanced because he chose to "make it happen."
