

views of the Capitol and congressional office buildings, under the same conditions as those in Union Square. Such areas might include Independence Avenue on the House side, and Constitution Avenue on the Senate side.

No policy or security reason exists to justify the limit of commercial filming and photography of the Capitol complex to only one location, Union Square, particularly considering that permits are necessary. The blanket selection of only one location for such filming raises serious First Amendment issues. People are regularly seen on East Capitol Street (east of 2nd street), where they get a full view of the Capitol building taking pictures, demonstrating how arbitrary it is to limit commercial filming to Union Square.

My bill would allow commercial filming and photography from areas with views of the Capitol and congressional buildings that are under the jurisdiction of the Capitol Police, in addition to Union Square, which is located directly west of the Capitol. In addition, the Capitol Police would have the authority to charge a fee to cover any costs incurred by the Architect of the Capitol as a result of the issuance of the permit, to be deposited into the Capitol Trust Account. The Capitol Trust Account was established to accept proceeds from any fees collected for commercial filming permits for Union Square. Amounts in the Capitol Trust Account would be available without fiscal year limitation for such maintenance, improvements, and projects with respect to the Capitol grounds as the Architect of the Capitol considers appropriate, subject to the approval of the Committees on Appropriations of the House of Representatives and Senate.

Vistas of the U.S. Capitol are among America's most iconic. Limiting commercial filming and photography of the Capitol, an important vehicle for telling the nation's story, does not serve the American people. Indeed, most of the world's people know our country and revere our system of government largely through commercial photography and films of the Capitol, which symbolizes our democracy at work. Commercial films and photographs of the Capitol, the seat of our democracy, are perhaps the best modern vehicles for telling the nation's story and showcasing its democratic system of government. My bill would enable appropriate, permitted commercial filming and photography of the Capitol, and would create economic benefits for the nation, the city, and private business.

I urge support of this bill.

EVERY WORLD PROBLEM DOES  
NOT HAVE AN AMERICAN SOLUTION

**HON. JOHN J. DUNCAN, JR.**

OF TENNESSEE

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 13, 2014*

Mr. DUNCAN of Tennessee. Mr. Speaker, President Kennedy, in a 1961 speech at the University of Washington, said:

... We must face the fact that the United States is neither omnipotent or omniscient—that we are only six percent of the world's population—that we cannot impose our own will upon the other 94 percent of mankind—that we cannot right every wrong or reverse each adversity—and that therefore there cannot be an American solution to every world problem.

Today we are less than four percent of the world's population and we are over 17.5 trillion dollars in debt.

Many people are trying to prove that they are great world statesmen and are supporting policies that will commit us to spend billions we do not have on Ukraine.

I wish everyone would read a recent book called *Ike's Bluff* by Evan Thomas. This book is about the foreign policy of President Eisenhower and explains that he stayed out of many situations that were worse than what is going on in Ukraine, because he did not have to prove that he was a great military leader or world statesman.

We should have trade and tourism, and cultural and educational exchanges with other countries, and help to a limited extent during humanitarian crisis.

But we cannot be the policemen of the world. The Ukrainians are going to have to solve their own problems, and we need to start taking better care of our own Country and our own people.

HONORING GLORIA CRUZ

**HON. JOSÉ E. SERRANO**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 13, 2014*

Mr. SERRANO. Mr. Speaker, today I rise to honor the contributions and efforts of Ms. Gloria Cruz, a resident of the Bronx and an advocate for reducing gun violence by enacting sensible gun safety laws. Since 2005, she has served as the Bronx President of the Million Mom March, and she has been tireless in her advocacy for the children, and all residents, of the Bronx. After 9 years of incredible effort, she will be stepping back from her volunteer duties.

Ms. Cruz's forceful advocacy over the years has been in honor of her niece, who sadly, was a victim of gun violence. Naiesha Pearson was killed in the Bronx at the age of 10 by a stray bullet—her life cut short in an instant by a senseless act of violence. This tragedy shocked everyone in our community, but for Gloria, it was a call to action.

Since that time, she has been a leading voice in our borough and state for stronger gun laws. Ms. Cruz established Bronx chapter for New Yorkers Against Gun Violence, and organized an annual Bronx Million Mom March. She has tirelessly worked to get illegal guns off our streets, to increase background checks, and to create safe neighborhoods for our children. She has comforted the families of other victims of gun violence, and stood by law enforcement in their efforts to reduce gun crimes. The breadth and depth of her advocacy work has been truly amazing.

Last year, I had the honor to invite Ms. Cruz as my guest to the President's State of the Union address. During the speech, the President eloquently and passionately outlined the need for common sense improvements to our nation's gun control laws. For many years, Gloria Cruz has brought that same message to both the Bronx and to New York City.

Mr. Speaker, through her work, Ms. Cruz has been an inspiration and mentor to many, and a comfort to those who have lost loved ones as a result of gun violence. She has truly honored Naiesha's memory in all of her work.

I ask that my colleagues join me in honoring Gloria Cruz for all that she has done to help make the Bronx a safer place for our children.

CONGRATULATING THE VILLAGE  
OF SCHILLER PARK ON THEIR  
CENTENNIAL ANNIVERSARY

**HON. MIKE QUIGLEY**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, March 13, 2014*

Mr. QUIGLEY. Mr. Speaker, I rise today to honor the Village of Schiller Park, Illinois, which is celebrating its 100th Anniversary.

The village just outside the City of Chicago incorporated in 1914 as Kolze was later named Schiller Park in 1926. Although several areas were annexed into the village during the 1920s and 1930s, few homes were built. In 1932, Julia Kolze, daughter-in-law of the founder, became the first woman village president or mayor in Illinois. Her avowed strategy was to employ kitchen table economics, running government on a budget the way she ran her household.

Today, Schiller Park is home to over 11,000 residents, hundreds of businesses, numerous schools and religious institutes, and a variety of parks and recreational facilities. They strive for that small town feeling while located in a great metropolitan area which is incorporated in their motto: "Small town feel with a world at its touch."

The Village of Schiller Park is a prime example of what any community should be. They provide services to residents of all ages. For the past six years, Schiller Park has hosted "Make a Difference Day," an initiative to engage members of the community in acts of kindness to benefit seniors and disabled residents of the village. These projects include leaf raking, yard cleaning, or running simple errands for their elderly and disabled neighbors. Schiller Park also hosts a wide range of events such as Family Fun Day, car shows,
