

helped conduct reconnaissance patrols and targeted enemy troops and armor and gun emplacements in Tunisia and Libya.

When General Patton assumed command of the U.S. II Corps, he had key elements of his former command transferred to his new command, including Bob and most of the scout platoon. Under the command of General Patton, the U.S. II Corps took on Rommel's famed Afrika Korps and defeated the Germans in two key battles.

In November 1943, Bob was injured in the line of duty. He was sent for recuperation to an Army hospital in Palm Springs, California. Following his recuperation, Bob returned to serve on limited duty and was transferred to the 9025th Technical Service Unit at Fort MacArthur, where he served until his discharge in October 1945.

During his time in the Army, Bob rose to the rank of staff sergeant and served in campaigns in Tunisia, Sicily, and Italy. He was awarded the Combat Infantry's Badge, the Purple Heart, the Good Conduct Medal, the European-Africa-Middle Eastern Campaign Medal, and the World War II Victory Medal.

Bob spent the rest of his life serving his community with the same tenacity and devotion with which he served in the Army. He was elected to the Chowchilla Union High School (CUHS) Board of Education and the Chowchilla Water District. He also served as a Director for the Federal Land Bank and was a member of the Chowchilla Spring Festival and the CUHS Ag Advisory. He was a Past Commander and Life Member of the Veterans of Foreign Wars Post 9896 and American Legion Post 148 in Chowchilla. He and his wife Lillian had four children, six grandchildren, and one great-grandchild.

Mr. Speaker, I ask my colleagues to join me in paying tribute to the life and service of Mr. Robert Danieli, who was a shining example of the tenacity, courage, and dedication embodied by a serviceman.

HONORING MS. KATHERINE S.
JOHNSON

HON. BENNIE G. THOMPSON

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. THOMPSON of Mississippi. Mr. Speaker, I rise today to honor a remarkable student in Clarksdale, Mississippi.

Katherine S. Johnson is the daughter of Ms. Veda Johnson and granddaughter of Mrs. Katherine Johnson. She is a native of Clarksdale, Mississippi and is currently a student at Clarksdale High School.

Katherine comes from a community called the "brick yard" which has a strong gang presence. Her phenomenal relationship with her grandmother who loved and nurtured her assisted in her upbringing.

As she entered her teenage years, she put aside the valuable lessons taught by her grandmother, and it was very easy for her to assimilate herself to what was going on in her neighborhood.

As Katherine matriculated to Clarksdale High School as a freshman, she found herself becoming better acquainted with the principal than her teachers due to fighting, truancy, and a lack of respect for authority.

However, Mrs. Katherine, her grandmother and namesake, was there at the school to check on her and steer her back on the right path.

Although behaviorally, Katherine strayed, academically she maintained very respectable grades and became a member of the Marching Wildcats. These activities helped make a difference in her maturation.

Desiring a greater academic challenge in her sophomore year she enrolled in all Advanced Placement classes which the Clarksdale Municipal School District offered. She was promoted to section leader in the school band and will graduate with the title of Honors with Distinction during commencement exercises on May 22, 2014.

The unfortunate situation is that her beloved grandmother and namesake will not be there to witness the fruits of her labor due to recently passing. It will be difficult for Katherine to bask in the glow of her well-deserved accomplishments without the major cornerstone of her support system not being there; but in her honor, she will continue to strive to be the awesome young lady that Mrs. Johnson loved, nurtured, and encouraged her to become.

Mr. Speaker, I ask my colleagues to join me in recognizing Katherine S. Johnson, an amazing student for her dedication to succeed.

CONGRATULATING CARLOS HARRISON ON HIS BOOK CHRONICLING THE STORY OF HERO STREET IN SILVIS, ILLINOIS

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mrs. BUSTOS. Mr. Speaker, I rise today to congratulate Carlos Harrison on his excellent work telling the story of Hero Street in Silvis, Illinois.

Carlos is a Pulitzer Prize winning journalist, editor and author whose most recent book brought him to a small street in my district. The twenty-two Mexican-American families living on Second Street in Silvis, Illinois sent fifty-seven of their children to fight in World War II and Korea. In total, over 100 men and women from those one and a half blocks have served in the US Armed Forces. No other area of comparable size in the country has had so many men and women in uniform, and in honor of them, the street was renamed Hero Street USA in 1967.

Carlos's book, *The Ghosts of Hero Street: How One Small Mexican-American Community Gave So Much in World War II and Korea*, will be released on May 6th with an event in Silvis at Hero Street Park, which is dedicated to the eight sons of Hero Street who lost their lives in those two conflicts. It is fitting that he will celebrate with the community, because the story of Hero Street is not just about those who fought and gave their lives, but also about the perseverance and values of the families and community they left behind in Silvis.

Mr. Speaker, I'd like to thank Carlos Harrison for telling the important and inspirational story of the families of Hero Street and the fifty-seven brave young men who put their lives on the line to serve their country and fight to protect the American Dream.

COMMEMORATING
REPRESENTATIVE JIM OBERSTAR

HON. PETER A. DeFAZIO

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. DeFAZIO. Mr. Speaker, today we gather to honor Congressman Jim Oberstar, a true gentleman of the House who ably represented Minnesota's 8th District for 36 years. He was a fixture of the Transportation and Infrastructure Committee starting as staff in the 1960s and 1970s, and then as a member and finally Chairman from 2007 to 2011. I was blessed to work, and sometimes ride, alongside Jim for many years.

As a tireless advocate on transportation issues, Jim earned well-deserved admiration in many circles, including in my home state of Oregon. He accompanied me on tours as an advocate for increased infrastructure investment. Jim truly understood the importance of the investment as a way to create American jobs, improve safety, and build roads and bridges to accommodate a 21st Century economy. His passion and leadership are evident in projects across the country.

Jim was also an avid cyclist, and I am grateful I had the opportunity to show him my state in 2007 during the Cycle Oregon event. He was one tough athlete, easily outpacing cyclists half his age.

Like many people in Washington, DC, Minnesota and beyond, I feel fortunate to consider Jim not only a colleague, but a friend and a mentor. I only wish he had lived long enough to share all of his knowledge with the rest of us.

My sympathy goes out to his loved ones, including his wife, Jean.

HONORING THE SERVICE OF
STEWART ROLLER

HON. JIM COSTA

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. COSTA. Mr. Speaker, I rise today to recognize Mr. Stewart Roller for serving the United States of America honorably during the Vietnam War. Stewart's commitment to the American people and 30 years of service to the U.S. Navy deserves to be commended.

Stewart was born in 1939 in Parsons, Kansas. He received a bachelor's degree from Baker University in 1961 and enrolled in the School of Dentistry at the University of Missouri, where he received his Doctor of Dentistry Science degree in 1965.

Instead of joining a lucrative dentistry firm, Stewart entered active duty just as the war in Vietnam was beginning to escalate. He completed Field Medical Training at Camp Pendleton and was commissioned as a lieutenant in the U.S. Navy Reserve.

As part of the U.S. Navy, Stewart was assigned to provide medical support for the Third Marine Division in Vietnam. Stewart served as an assistant division dental officer and provided emergency medical aid to wounded Marines, while also performing regular services.

Stewart provided support for the 3rd and 4th Marine Regiments during Operation Hastings,

their first major operation against the North Vietnamese Army, in July 1966. Operation Prairie followed in October 1966, where casualties mounted for the medical staff. Stewart's service was vital during this operation where more than 1,400 Marines were killed and more than 9,000 were wounded.

After serving in Vietnam for thirteen months, Stewart returned to the States and served as an Assistant Dental Officer. In July 1968, he transferred to the Naval Reserve, where he continued to serve as an Assistant Dental Officer and was promoted to Training Officer, Executive Officer, and Staff Dental Officer.

In 1981, Stewart assumed duties as the Department Head for the Naval Reserve at Naval Air Station Lemoore. In the following years, Stewart was promoted to Commanding Officer for the Naval Reserve Hospital at Naval Air Station Lemoore and served as Staff Dental Officer for the Reserve Readiness Command of Region Twenty.

From July 1988 to September 1991, Stewart served as Commanding Officer for the Naval Reserve Dental Clinic in San Francisco. During his tenure, productivity per provider rose dramatically.

After 30 years of service in the U.S. Navy, Stewart retired with the rank of Captain. For his service, he was awarded the Presidential Unit Citation, the Navy Unit Citation, the National Defense Service Medal, the Vietnam Service Medal, the Vietnam Campaign Medal with Device, the Vietnamese Cross of Gallantry Unit Citation with Frame, 30-Year Naval Reserve Award, and Expert Rifle and Expert Pistol Awards.

In 2003, the Governor appointed Stewart to the rank of Colonel in the California State Military Reserve. Stewart received additional awards, including the California State Military Reserve Meritorious Achievement Medal and Military Reserve Service Ribbon.

Stewart is a Life Member of the Chowchilla Veterans of Foreign Wars Post 9896 and a Life Member of the San Francisco Dental Society, Dental Association, and American Dental Association.

While serving in the reserve, Stewart also engaged in a private dental practice in San Francisco. He subsequently served for more than seven years as a staff dentist at the Valley State Prison for Women.

Mr. Speaker, I ask my colleagues to join me in recognizing the service of Mr. Stewart Roller for his dedication to our country. He is a source of pride for our Central Valley and the entire nation.

RECOGNIZING DEBORAH HERSMAN FOR HER SERVICE AS CHAIRMAN OF THE NATIONAL TRANSPORTATION SAFETY BOARD

HON. GERALD E. CONNOLLY

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. CONNOLLY. Mr. Speaker, I rise to recognize the distinguished tenure of Deborah Hersman, who is leaving as Chairman of the National Transportation Safety Board after serving 10 years on the Board and five years as chairman.

Ms. Hersman, 43, is a resident of Lorton, Virginia, in my district. She is the daughter of

a retired Air Force Brigadier General and spent much of her childhood abroad before her family settled in Northern Virginia, where she attended Chantilly High School. While in college at Virginia Tech, Ms. Hersman interned in the office of Congressman Bob Wise of West Virginia. After graduation, she returned to Congressman Wise's office, ultimately serving as a senior legislative aide. After several years working on the House side, she joined the staff of the Senate Committee on Commerce, Science, and Transportation, where she rose to the position of Staff Director.

In 2004, President George W. Bush appointed Ms. Hersman to a 5-year term on the NTSB. President Obama reappointed her in 2009 and also nominated her as Chairman, making her the youngest person to serve in that role at age 39. Ms. Hersman has presided over the NTSB during a very active period for the organization. She has presided over a number of high-profile accident investigations, including the collision of two Metro Red Line trains, the airplane crash involving Senator Ted Stevens in 2010, and the collision between two freight trains in Oklahoma in 2012. In the face of all those tragedies, and dozens more, Ms. Hersman displayed remarkable poise and provided a reassuring presence with her calm, confident leadership.

In addition to her investigatory duties, Ms. Hersman helped to broaden the mission of the NTSB. She focused not just on what happened after a tragedy, but also what the government could do to prevent such tragedies from occurring in the first place. By focusing on behaviors that cause transportation accidents, like fatigue and intoxication, Ms. Hersman helped shape the NTSB into a more proactive organization. She recently announced she is leaving public service to become president and chief executive officer of the National Safety Council.

Mr. Speaker, I urge my colleagues to join me in recognizing Deborah Hersman for her tremendous service to our nation. I commend her for all the work she has done to keep our roadways, railways, and airspace safe for all Americans. I offer my heartfelt congratulations to Ms. Hersman on her accomplishments, and I wish her and her family all the best in her future endeavors.

EXPATRIATE HEALTH COVERAGE CLARIFICATION ACT OF 2014

SPEECH OF

HON. CHRIS VAN HOLLEN

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 29, 2014

Mr. VAN HOLLEN. Mr. Speaker, I rise today in opposition to the latest version of H.R. 4414, the Expatriate Health Coverage Clarification Act of 2014. I want to commend my colleague JOHN CARNEY on his efforts to address the needs of expatriate health care plans and to ensure that the jobs created by managing these plans remain in the United States. However, the bill, in its current form, would create more problems than it resolves. As you know, the Affordable Care Act established new coverage standards and protections for millions of Americans, including that they cannot be denied coverage for pre-

existing conditions nor have their benefits capped at arbitrary annual and lifetime limits. Unfortunately, the bill contains potential loopholes that could weaken coverage for many families and immigrant workers who live in the United States. While I do believe the text of the bill has been improved since its initial consideration, there is still more work to be done. According to the Statement of Administration Policy, the Administration echoes our concerns and it remains willing to work with Congress to find a reasonable solution. I hope my colleagues in the Senate will make the necessary changes in order to resolve this matter as quickly as possible.

CONGRATULATING THE BURLESON FAMILY

HON. MARK MEADOWS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. MEADOWS. Mr. Speaker, I rise today to recognize Brooke, Adam, and Holland Burleson of Spruce Pine, North Carolina. The Burleson family has inspired a community and proven that we all can make a difference.

On April 26, 2014, the Burleson family organized the first-annual Run for Holland 5k and 1 Mile Fun Run. They organized the race to raise funds and awareness for families with children who have been diagnosed with Down Syndrome and other special needs. There was overwhelming support in the small community of Spruce Pine, with over 290 participants and more than 8,000 dollars raised.

Inspired by the birth of their daughter, Holland, on August 2, 2013, Brooke and Adam Burleson have gone above and beyond in shining light on this issue. Just months before Holland was born, Adam and Brooke found out their daughter had a very high chance of having Down Syndrome. In the months after, they found strength from other parents in their community. The Burleson family is now reciprocating those efforts.

This family is a true inspiration for us all. They have not only faced adversity, but conquered it by helping other families going through similar situations. They have taught us that no matter what situation God gives you, He can give us the strength to overcome it.

Mr. Speaker, I am proud to congratulate the Burleson family and the Spruce Pine community for their commitment to helping others. It is truly an honor to represent them in Congress.

HON. PATRICK MURPHY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 6, 2014

Mr. MURPHY of Florida. Mr. Speaker, I rise today to honor 23 high school seniors from the Treasure Coast and Palm Beaches of Florida for their commendable decision to enlist in the
