Mr. CONNOLLY. Mr. Speaker, I rise to join the Burke Volunteer Fire and Rescue Department, which is hosting its 66th Annual Installation of Officers Banquet, and in thanking its volunteers for filling an essential role in keeping the community safe.

The Burke Volunteer Fire and Rescue Department was founded in January 1948, and for more than 6 decades it has provided life-saving fire suppression/prevention and emergency medical/rescue services to the residents of Burke, Fairfax County, and the surrounding communities. It also provides, houses, and maintains firefighting and emergency medical equipment; provides opportunities for professional growth and development for the membership; and maintains and fosters a strong viable organization.

HONORING THE 50TH ANNIVERSARY OF THE GEORGIA SOCIETY OF HOSPITAL ENGINEERS

**HON. AUSTIN SCOTT**

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 7, 2014*

Mr. AUSTIN SCOTT of Georgia. Mr. Speaker, I am honored today to recognize the 50th anniversary of the Georgia Society for Hospital Engineers (GSHE). It is appropriate at this milestone to reflect on and celebrate the importance and achievements of this organization.

On October 1, 1964, the Georgia Hospital Association (GHA) launched the GSHE at a meeting in Macon, GA. The GSHE owes much of its success to the strong foundation laid by the original charter members: Billy Wise, Dewey Moon, Wendell White, Jerry Adams, Darryl Goodwin, Mahlon Hill, and the first GSHE president, Mr. P.J. Wise. These men showed extraordinary foresight and wisdom as they established a forum for hospital engineers, supervisors, maintenance managers, and other hospital and medical center personnel from across the state to meet and share ideas on improving patient care.

Throughout the years, the GSHE has offered a number of programs to increase efficiency and efficacy in hospitals. The earliest programs included "helping hand" and "special tools" which allowed hospital engineers to offer assistance and resources to one another. As innovative technology plays an increasingly major role in health care, the GSHE continues to help hospitals keep up with new technologies and provide exceptional care for citizens across Georgia.

With Mr. William A. Elrod at the helm serving as the 50th president of the GSHE, the organization maintains the same objective of the original charter members, to unite hospital engineers so that they might collaborate and learn from one another. Mr. Speaker, please join me on behalf of the great people of Georgia in wishing the GSHE many more years of continued success in transforming the delivery of healthcare.

HONORING SUE MAGNER

**HON. PETER J. ROSKAM**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 7, 2014*

Mr. ROSKAM. Mr. Speaker, I rise today to recognize Sue Magner, an outstanding volun-

teer of AARP from Illinois. Recently, Sue was named the first ever winner of the AARP Director's Award for Distinguished Service. This award is given to an outstanding volunteer who consistently exceeds what is asked of them and provides exceptional service to the community.

Sue Magner preforms many different activities as an AARP driver safety volunteer. She is an instructor, trainer, and VMIS data manager.

During her time at AARP, Sue has jumped at the challenge of familiarizing new volunteers with computer systems knowledge and computer-based technology and is always looking for new methods on how best to teach incoming volunteers and optimize their experience.

Sue's colleagues report that she is eager to answer any coworker's questions and does everything she is asked with a smile. Her kindness and ability to help others is truly commendable. Through hard work and tireless dedication, Sue Magner has helped make a difference in countless lives.

Mr. Speaker, and my distinguished colleagues of the House, please join me in congratulating Sue Magner on receiving this distinct honor and wishing her many future successes as she continues her work with AARP.

IN MEMORY OF CHIEF ROBERT KNIGHT OF THE SAYVILLE FIRE DEPARTMENT

**HON. PETER T. KING**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, May 7, 2014*

Mr. KING of New York. Mr. Speaker, today I rise on behalf of the Long Island delegation to offer our heartfelt condolences to the family, friends and loved ones of Robert "Bobby" Knight, former Chief of the Sayville Fire Department of Suffolk County, New York. Congressmen BISHOP, ISRAEL, MCCARTHY and I had the sincere pleasure of working with Chief Knight on important fire services issues that directly impacted the safety and wellbeing of our constituents. His tireless service to the firefighter community has been invaluable, and his counsel was always sought by lawmakers. He honorably served with the Sayville Department for 35 years. He was also a former member of the East Hampton Fire Department, 1975–1979, and the North Patchogue Fire Department, 1968–1969.

Bobby was loved by everyone who knew him. His selfless commitment to the safety and security of our state was evident in his work as the Legislative Committee Chairman for the Firemen's Association of the State of New York. He passed in the Line of Duty doing what he loved—advocating for the needs of our first responders. I know myself and many of my delegation colleagues met with him just hours before his unexpected passing. He didn't feel well, but he was more concerned with carrying the message of the Long Island firefighters than he was for his own well being. We have lost a true advocate and friend.
