

Mr. President, I yield the floor.

The PRESIDING OFFICER. The majority leader.

Mr. REID. Mr. President, I will be very brief.

My friend talks about the left-leaning Senators. Three of the Democratic Senators who sponsored this legislation could be called anything but leaning left: LANDRIEU, MANCHIN, and WARNER. That brings a smile to anyone's face.

It is a fiction that we haven't had votes to debate energy policy. We have had trouble having bills because of the obstruction of the Republicans. But we voted on the Keystone matter before we did the budget debate where we had over 100 votes. That was last year. So we debated Keystone last year, we had a vote on it, and we are willing to have another vote on it.

It is my understanding we are now going to enter into debate on whatever people want to talk about for the next hour, and I understand we are going to have a series of votes at 3:45 p.m.

I ask unanimous consent that all remaining time postcloture on the motion to proceed be yielded back.

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.

The question is on agreeing to the motion to proceed.

The motion was agreed to.
