UNANIMOUS CONSENT REQUEST—H.R. 3474

Mr. MCCONNELL. Madam President, is the next vote in order on the underlying tax extender bill?

The PRESIDING OFFICER. The next vote will be on the motion to invoke cloture on amendment No. 3060 to the tax extenders bill.

Mr. MCCONNELL. Thank you, Madam President.

The American people actually need to know what is happening in their Senate. This body exists to ensure that the citizens of this country have a say in what our government does. The Senate is supposed to be the citadel of our democracy, the place where we guarantee that no one in the country is cut out of the legislative process. The whole purpose of this body is to make sure that nobody is left out or left behind.

Yet today we have a Democratic majority that has turned this body literally on its head. Instead of preserving the Senate's prerogatives, they have systematically weakened or destroyed them all together. They have turned the Senate into a graveyard of good ideas and open democratic debate.

It is a gag order on the American people we represent. Instead of robust, freewheeling debates about the important issues of the day, we get bizarre monologues about the Democrats' latest villain.
