STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. KAINE:

S. 2341. A bill to amend title 10, United States Code, to enhance the authority for members of the Armed Forces to obtain professional credentials; to the Committee on Armed Services.

Mr. KAINE. Mr. President, since taking office, one of my highest priorities has been finding solutions to the unemployment rate among American veterans. We proudly in Virginia proclaim a tighter connection with the American military than any other State—and I know 99 or 98 other Senators would argue with me about that, but 1 in 9 Virginians is a veteran. Virginia has 27 military installations, including the largest naval base in the world in Norfolk, and all marine officers are trained at Quantico. Virginia's map is a map of Virginia's military history: Yorktown, where the Revolutionary War ended; Appomattox, where the Civil War ended, and other Civil War battlefields; and the Pentagon, where one of the two attacks on 9/11 occurred.

Our servicemembers in Virginia and nationally make a tremendous sacrifice for our country, and we have to have a commitment to honor these sacrifices and demonstrate to service men and women the same degree of commitment as they have demonstrated to our country.

That is what makes the unemployment rate among our veterans so troubling. Veterans who are exiting military service in the Iraq and Afghan war era—especially enlisted men and women who may not have college degrees—have an unemployment rate significantly higher than the national average. In fact—a statistic that when I heard it really stunned me—between the fiscal year 2001 and 2012, the Department of Defense spent \$9.6 billion on unemployment insurance payments—\$9.6 billion in payments to men
