

nation infrastructure a D grade. That is unacceptable for the greatest country in the world.

Transportation and Infrastructure funding is absolutely critical to the nation, and, if properly funded, serves as a tremendous economic and job creator. In fact, Department of Transportation (DOT) statistics show that for every \$1 billion invested in transportation infrastructure, 44,000 jobs are created, as is \$6.2 billion in economic activity.

So, as the Transportation & Infrastructure committee prepares the next transportation reauthorization bill, I hope we can develop a long term bill with dedicated funding source for all modes of transportation so we can improve our nation's infrastructure, create jobs and improve the economy, and provide new and innovative transportation options for the traveling public.

(Mr. MCCARTHY of California asked and was given permission to address the House for 1 minute.)

Mr. MCCARTHY of California. Madam Speaker, I want to advise all Members that additional votes are possible today. We will send out information as soon as it is possible.

Mr. HOYER. Will the gentleman yield?

Mr. MCCARTHY of California. I yield to the gentleman from Maryland.

Mr. HOYER. I thank the gentleman.

We are going to have to call some Members back. They already left on the representation that this was the last vote of the day. I would imagine you have some Members that are in that category themselves.

CELEBRATING THE 75TH ANNIVERSARY OF LITTLE LEAGUE BASEBALL

(Mr. MARINO asked and was given permission to address the House for 1 minute.)

Mr. MARINO. Mr. Speaker, I rise today to recognize the 75th anniversary of Little League Baseball.

Little League was founded by Carl Stotz in my hometown of Williamsport,

Pennsylvania, in 1938. Little League's success is because of the dedication of the volunteers, coaches, organizers, and especially youth that participate in this organization around the world.

For the past 75 years, Little League timelessly worked to grow the support of baseball and participation of youth in physical activity. Since its inception, over 35 million kids have participated in Little League baseball, with currently 2.4 million children playing in more than 80 countries around the world in over 7,000 programs.

This year, some of these 11- and 12-year-old boys and girls will join in South Williamsport, Pennsylvania, to celebrate their accomplishments as they play in the 68th Little League World Series.

I am honored to offer my congratulations to Little League Baseball.

I commend the League for continuing to promote the ideals of fair play, sportsmanship, and teamwork; providing a solid foundation of skills and ethics that will assist these children for the rest of their lives.

I am honored to offer my congratulations to all the participants, coaches, volunteers, sponsors, and organizers of Little League and Honor their dedication to the sport of baseball and the improvement of youth around the world.
