

Whereas more than 70 percent of young people in the United States envision starting a business or pursuing an entrepreneurial endeavor as adults;

Whereas positive outcomes for youth who participate in entrepreneurship education programs include improved academic performance, increased critical thinking skills, and heightened occupational aspirations;

Whereas to maintain the position of the United States as a world economic leader, government, entrepreneurs, institutions of higher education, and businesses of all sizes must be united in a comprehensive effort to welcome and cultivate entrepreneurial activities in the United States;

Whereas entrepreneurs face significant barriers that the Federal Government must work to reduce so that all entrepreneurs in the United States have a chance at success;

Whereas entrepreneurship is the best offense for economic progress and the finest defense against the status quo for the United States; and

Whereas the third Tuesday of November would be an appropriate date to designate as “National Entrepreneurs Day”: Now, therefore, be it

*Resolved*, That the Senate—

(1) supports the designation of “National Entrepreneurs Day”;

(2) recognizes the considerable contributions of entrepreneurs to the United States; and

(3) honors those entrepreneurs who ignite innovation and inspire the next generation.
