

items to Broward County's homeless and needy.

She also worked to connect countless numbers of South Floridians with legal aid, veteran's services, Medicaid assistance, and emergency shelters.

She has capably led the Jubilee Center over the past decade and raised it to new heights.

It is worth noting that Volunteer Broward recently honored the Center as the "Agency of the Year" for all volunteer groups serving Broward County.

This is a tribute to Michele's tireless and fierce leadership.

She always demanded the best from herself and those around her in the service of others.

Poverty and despair can be powerful forces in society, but they certainly met their match when confronted by Michele's force of will to bring hope to others.

It is also not surprising that before her tireless efforts at the Jubilee Center, she served our community through her ministry work as a pastor.

Anyone who has ever worked with her will tell you that Michele was driven by an astounding love for people.

I and many of my Congressional District Office staff as well as my children, have had the honor of joining Michele every year to help the Jubilee Center serve Thanksgiving dinner to the less fortunate in our community—a job Michele did with grace and pride.

This year on Thanksgiving we will again gather to help our community—Michele Venable's community.

I am sure that we will all be missing Michele's warm smile and bright disposition.

But we honor her memory if we carry on her amazing commitment to helping those less fortunate in our community.

In this way her spirit of compassionate altruism lives on and inspires others to walk in her footsteps.

In this time of Thanksgiving, I give thanks for Michele Venable and a life well lived in service to our South Florida community.

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor the outstanding career and accomplishments of Dr. Meredith Carter. For more than three decades, Dr. Carter has served as an educator, nonprofit administrator, member of the Hamilton County Council and so much more.

Born on May 27, 1939, in Cutler, Indiana, Dr. Carter is a lifelong Hoosier. After graduating from Cutler High School, Dr. Carter

Dr. Carter began his tenure on the Hamilton County Council on January 1, 1983. Along with his academic achievements and 32 years as an elected official, Dr. Carter is a fixture in the Hoosier education and development communities. Dr. Carter taught for eight years in the public school system before completing a 38 year distinguished tenure as a professor, administrator and chancellor with Ivy Tech Community College. NATIONAL CAREER DEVELOPMENT MONTH

HON. JAMES R. LANGEVIN

OF RHODE ISLAND

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 19, 2014

Mr. LANGEVIN. Mr. Speaker, I rise today in honor of National Career Development Month.

In conversations with businesses across my home state of Rhode Island, I have been hearing a constant refrain: Employers have job openings but are unable to find local, skilled workers with the expertise necessary to fill the open positions. Meanwhile, job seekers find it hard to acquire these skills without the proper training, a vicious cycle that continues to hold back our economy.

As Co-Chair of the bipartisan Career and Technical Education Caucus, closing the skills gap is one of my top priorities. In order to match students with the skills they need, I have introduced the bipartisan Counseling For Career Choice Act. This bill would help to make sure that school counselors and students know of the full range of options available to them post-graduation. By tracking
