ANNOUNCEMENT BY THE SPEAKER PRO TEMPORE

The SPEAKER pro tempore (during the vote). There are 2 minutes remaining.

The result of the vote was announced as above recorded.

A motion to reconsider was laid on the table.

REPORT ON RESOLUTION PROVIDING FOR CONSIDERATION OF H.R. 5771, TAX INCREASE PREVENTION ACT OF 2014, AND PROVIDING FOR CONSIDERATION OF H.R. 647, ACHIEVING A BETTER LIFE EXPERIENCE ACT OF 2014

Mr. SESSIONS, from the Committee on Rules, submitted a privileged report (Rept. No. 113-643) on the resolution (H. Res. 766) providing for consideration of the bill (H.R. 5771) to amend the Internal Revenue Code of 1986 to extend certain expiring provisions and make technical corrections, and for other purposes, and providing for consideration of the bill (H.R. 647) to amend the Internal Revenue Code of 1986 to provide for the tax treatment of ABLE accounts established under State programs for the care of family members with disabilities, and for other purposes, which was referred to the House Calendar and ordered to be printed.

SUPPORT ABLE ACT OF 2014

(Mr. FITZPATRICK asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. FITZPATRICK. Mr. Speaker, I rise to urge the House to pass the Achieving a Better Life Experience Act of 2014, also known as the ABLE Act.

The ABLE Act would help ease the strain on those with physical and mental disabilities by allowing the creation of tax-free savings accounts. These savings accounts would work a lot like the popular 529 college savings plans.

The accounts could be used to pay for life expenses such as education, housing, and transportation. In other words, this bill levels the playing field for those with disabilities who cannot make use of tax-free college savings plans by giving families an alternative tax-free account that they can use.

It is also important to note that the bill doesn't take away any other benefits that those with disabilities might be entitled to; rather, it would serve as a supplement, giving these families the flexibility to achieve a better life.

This bill has a tremendous amount of bipartisan support. The ABLE Act is an opportunity for this Congress to show that we can work together to make a real difference in the lives of American families.

Mr. Speaker, this bill is about empowering those with disabilities and their families, and I urge that the House and Senate pass the ABLE Act, so that the President can sign it into law before the end of the year.

IMPERIAL EDICT FROM THE WHITE HOUSE

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, he said, "I'm the President. I'm not king. I can't do these things by myself."

That was President Obama in 2010. That was then; this is now. The lawless administration continues to ignore Congress in order to go it alone and implement his own authoritarian agenda. The latest illegal kingly edict is that he will disregard immigration law, orally change the rules, grant legal status, and give work permits to millions of foreign undocumented nationals.

These actions show the administration is more interested in jobs for illegal foreign nationals in America than Americans in America. That is why Congresswoman BLACK and I have introduced the Separation of Powers Act.

This legislation would prohibit the use of funds for granting deferred action, green cards, work permits, or other immigration relief to people not lawfully present in the U.S.

Most importantly, it would allow Congress to exercise its check on the out-of-control White House that treats the Constitution as a mere suggestion instead of the law. The President says he is not the emperor of the United States, but his actions show otherwise. America doesn't need a king; otherwise, we would have kept King George.

And that is just the way it is.

The SPEAKER pro tempore (Mr. MESSER). Members are reminded to refrain from engaging in personalities toward the President.

WORLD AIDS DAY

(Ms. LEE of California asked and was given permission to address the House for 1 minute.)

Ms. LEE of California. Mr. Speaker, yesterday marked World AIDS Day and more than 30 years since the first discovery of AIDS in the United States.

As the cofounder of the HIV/AIDS caucus, I am proud to say that we have made great strides in combating the AIDS epidemic here in our own country and throughout the world. Contracting HIV is no longer the death sentence that it once was, but much more remains to be done.

A recent report by UNAIDS found that we have 5 years to break the epidemic for good or risk it rebounding out of control. We cannot allow the gains we have made in fighting for an AIDS-free generation to be lost, and we can eradicate AIDS if we devote proper resources to the fight both here and abroad.

We must reduce the stigma surrounding the disease by strengthening educational and outreach activities to help prevent millions of new HIV cases worldwide. We must also provide the science-based comprehensive sex education that has proven to reduce the spread of sexually transmitted diseases, and we must repeal laws that promote discrimination and hate.

Mr. Speaker, now is the time to take bold action to create a world that is free from HIV and AIDS. I urge my colleagues to join me in working to achieve an AIDS-free generation.
