

Mountain, an issue my State vehemently opposes and I have diligently fought to block and defund in Congress, I simply cannot support his nomination.

I have worked closely with our congressional delegation over the past 8 years to fight efforts from outsiders to force nuclear waste on the State of Nevada. That includes defunding DOE efforts to advance the project and diligently questioning all DOE and Nuclear Regulatory Commission, NRC, nominees on their perspective regarding long-term nuclear waste storage. The 2012 Blue Ribbon Commission Report on America's Nuclear Future provides a path forward for safe, responsible nuclear waste storage so our Nation can move beyond Yucca Mountain once and for all. My litmus test for any nominee involved in nuclear waste disposal programs is support of the consent-based approach recommended in that report.

Mr. Hezir's nomination comes before the Senate today without one hearing in the Energy and Natural Resources Committee. It is the unique responsibility we hold as United States Senators to carefully examine nominees for influential positions in the executive branch, like the CFO at the DOE—providing advice and consent. As a member of the Senate Committee on Energy and Natural Resources, that has jurisdiction over this position at the Department of Energy, I take this responsibility seriously and deeply regret that I was not afforded that opportunity given the importance of this position.

Nevadans have the right to be safe in their own backyards. I recognize the need to address the problem of spent nuclear fuel, but Nevada, a State without any nuclear powerplants, should not bear the sole burden of long-term storage of the Nation's nuclear waste. I have strong concerns about the high amount of uncertainty that could create a dangerous situation for the surrounding communities and environment, and I simply do not trust the Federal Government to appropriately manage the proposed Yucca Mountain facility.

Without the opportunity to carefully question Mr. Hezir in the nomination process, I can only assume he will continue his advocacy on behalf of Yucca Mountain within the DOE. For this reason, I oppose Mr. Hezir's nomination to be Chief Financial Officer at the Department of Energy and encourage my colleagues to do the same.

Mr. DURBIN. Mr. President, I yield back the time.

The ACTING PRESIDENT pro tempore. Without objection, all time is yielded back.

Mr. JOHANNIS. I ask for the yeas and nays.
