JANUARY 14, 2014.—Referred to the House Calendar and ordered to be printed

Mr. COLE, from the Committee on Rules,
submitted the following

R E P O R T

[To accompany H. Res. 458]

The Committee on Rules, having had under consideration House Resolution 458, by a record vote of 9 to 4, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

Section 1 of the resolution provides for the consideration of the Senate amendments to H.R. 3547. The resolution makes in order a single motion offered by the chair of the Committee on Appropriations or his designee that the House concur in the Senate amendment to the title and concur in the Senate amendment to the text with an amendment inserting the text of Rules Committee Print 113-32 in lieu of the matter proposed to be inserted by the Senate. The resolution waives all points of order against consideration of the motion. The resolution provides that the Senate amendments and the motion shall be considered as read. The resolution provides one hour of debate on the motion equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations.

Section 2 of the resolution provides that upon adoption of the motion specified in Section 1 of the resolution, House Concurrent Resolution 74 shall be considered as adopted.

Section 3 of the resolution provides that the chair of the Committee on Appropriations may insert in the Congressional Record not later than January 16, 2014, such material as he may deem explanatory of the Senate amendments and the motion specified in Section 1 of the resolution.

Section 4 of the resolution provides that on any legislative day during the period from January 17, 2014, through January 24, 2014: the Journal of the proceedings of the previous day shall be considered as approved; and the Chair may at any time declare the House adjourned to meet at a date and time to be announced by the Chair in declaring the adjournment.

Section 5 of the resolution provides that the Speaker may appoint Members to perform the duties of the Chair for the duration of the period addressed by section 4 of the resolution.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the motion, includes the following:

Clause 7 of rule XVI, requiring that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. Provisions contained in Rules Committee Print 113–32 are not germane to the underlying measure.

Clause 10 of rule XXI, prohibiting the consideration of a bill if it has the net effect of increasing mandatory spending over the five- or ten-year period. The waiver is necessary because of the cost associated with provisions addressing medically retired military personnel and survivor benefit plan recipients.

Section 302(c) of the Congressional Budget Act, prohibiting consideration of an appropriation measure until that committee has made its sub-allocation under section 302(b).

Section 306 of the Congressional Budget Act, prohibiting consideration of legislation within the jurisdiction of the Committee on the Budget unless referred to or reported by the Budget Committee.
