PURPOSE OF THE BILL

The purpose of H.R. 2799 is to establish the Wildlife and Hunting Heritage Conservation Council Advisory Committee to advise the Secretaries of the Interior and Agriculture on wildlife and habitat conservation, hunting, and recreational shooting.

BACKGROUND AND NEED FOR LEGISLATION

On August 17, 2007, President George W. Bush signed Executive Order 13443, Facilitation of Hunting Heritage and Wildlife Conservation. The order directs federal agencies to “facilitate the expansion and enhancement of hunting opportunities and the management of game species and their habitat.”

On February 4, 2012, Secretary of the Interior Ken Salazar and Secretary of Agriculture Tom Vilsack announced the creation of a new Wildlife and Hunting Heritage Conservation Council. This Council was administratively established under the authorities of the Fish and Wildlife Act of 1956, the Federal Land Policy and Management Act of 1976, the National Forest Management Act of 1976, the National Wildlife Refuge System Improvement Act of 1997 and Executive Order 13443. It is comprised of 18 discretionary members and six ex officio members (the Association of Fish and Wildlife Agencies, Farm Service Agency, Natural Resources Conservation Service, the Bureau of Land Management, the U.S. Fish and Wildlife Service and the U.S. Forest Service). The discretionary members are appointed by the Secretaries of the Interior and Agriculture to serve three-year terms. The Council meets twice a year, the members serve without pay but may be reimbursed for travel and per diem, the annual operating costs are estimated at \$300,000 per year, their meetings are open to the public under the terms of the Federal Advisory Committee Act and their duties are strictly advisory.

No council member may have a direct financial interest in an agreement, claim, contract, lease, or engage in litigation with the Departments of the Interior or Agriculture. In addition, individuals currently registered as federal lobbyists may not be appointed to serve on the Council. The Council held its inaugural meeting on October 4–5, 2010, in Washington, DC. At the recent meeting on September 17–18, 2013, the agenda included discussions about wildlife health and disease, the Farm Bill, the Sportsmen’s Act, and wild horses and burros on public lands.

H.R. 2799 would statutorily establish the Wildlife and Hunting Heritage Conservation Council Advisory Committee whose duties would include implementing Executive Order 13443 and providing advice to the Secretaries of the Interior and Agriculture on policies to conserve agricultural lands, forest lands, grasslands, rangelands and wetlands; to promote opportunities to hunt on federal lands; to recruit new hunters and shooters; to increase public awareness of the importance of wildlife conservation; and encourage coordination among the hunting and shooting sports community with the states, tribes and federal government.

The key differences between this measure and the existing Conservation Council are: a maximum of 16 rather than 18 discretionary members, and seven rather than six ex officio members by adding the Director of the National Park Service. The discretionary members shall include at least one representative from a state fish and wildlife agency, game bird hunting organization, wildlife conservation organization, big game hunting organization, tourism, outfitter or guiding industry, firearms or ammunition manufacturing industry, the hunting and shooting equipment retail indus-

try, tribal resources management organization, agriculture industry and ranching industry.

In addition, members would be appointed by the Secretaries for a term of four rather than three years, no officer or employee of the federal government can be named as a discretionary member, and the existing Advisory Committee is abolished.

During consideration of H.R. 2799, the Natural Resources Committee adopted an amendment by voice vote offered by Congressman John Fleming. The amendment increased the number of discretionary members by adding a representative of a waterfowl hunting organization and stipulating that non-governmental representatives may rather than shall be reimbursed for certain expenses such as travel and lodging to attend a Council meeting.

COMMITTEE ACTION

H.R. 2799 was introduced on July 23, 2013, by Congressman Robert E. Latta (R-OH). The bill was referred to the Committee on Natural Resources, and within the Committee to the Subcommittee on Fisheries, Wildlife, Oceans, and Insular Affairs. The bill was also referred to the Committee on Agriculture. On August 2, 2013, the Subcommittee on Fisheries, Wildlife, Oceans, and Insular Affairs held a hearing on the bill. On October 30, 2013, the Natural Resources Committee met to consider the bill. The Subcommittee on Fisheries, Wildlife, Oceans, and Insular Affairs was discharged by unanimous consent. Congressman John Fleming (R-LA) offered an amendment designated .001 to the bill; the amendment was adopted by voice vote. No further amendments were offered and the bill, as amended, was then adopted and ordered favorably reported to the House of Representatives by voice vote.

COMMITTEE OVERSIGHT FINDINGS AND RECOMMENDATIONS

Regarding clause 2(b)(1) of rule X and clause 3(c)(1) of rule XIII of the Rules of the House of Representatives, the Committee on Natural Resources' oversight findings and recommendations are reflected in the body of this report.

COMPLIANCE WITH HOUSE RULE XIII

1. Cost of Legislation. Clause 3(d)(1) of rule XIII of the Rules of the House of Representatives requires an estimate and a comparison by the Committee of the costs which would be incurred in carrying out this bill. However, clause 3(d)(2)(B) of that rule provides that this requirement does not apply when the Committee has included in its report a timely submitted cost estimate of the bill prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974. Under clause 3(c)(3) of rule XIII of the Rules of the House of Representatives and section 403 of the Congressional Budget Act of 1974, the Committee has received the following cost estimate for this bill from the Director of the Congressional Budget Office:

H.R. 2799—Sportsmen's Heritage and Recreational Enhancement Act

H.R. 2799 would establish a committee to advise the Secretaries of the Interior and Agriculture on issues related to wildlife con-

servation and hunting. The bill also would abolish the Wildlife and Hunting Heritage Conservation Council (WHHCC), an existing body that performs similar activities to those that would be performed by the committee established under the bill. CBO estimates that implementing the legislation would have no significant net impact on the federal budget. Enacting H.R. 2799 would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply.

Based on information provided by the U.S. Fish and Wildlife Service regarding the costs of administering the WHHCC, CBO estimates that administering the advisory committee established under the bill would cost roughly \$300,000 a year, assuming appropriation of the necessary amounts. Those funds would be used to hire a full-time employee to handle administrative duties for the committee and to reimburse members of the committee for travel and lodging expenses related to committee activities. CBO also estimates that any costs associated with administering the committee would be offset by reductions in spending subject to appropriation to fund activities of the WHHCC, which would be abolished under the bill.

H.R. 2799 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would impose no costs on state, local, or tribal governments.

The CBO staff contact for this estimate is Jeff LaFave. The estimate was approved by Theresa Gullo, Deputy Assistant Director for Budget Analysis.

2. Section 308(a) of Congressional Budget Act. As required by clause 3(c)(2) of rule XIII of the Rules of the House of Representatives and section 308(a) of the Congressional Budget Act of 1974, this bill does not contain any new budget authority, spending authority, credit authority, or an increase or decrease in revenues or tax expenditures. CBO estimates that implementing the legislation would have no significant net impact on the federal budget.

3. General Performance Goals and Objectives. As required by clause 3(c)(4) of rule XIII, the general performance goal or objective of this bill is to establish the Wildlife and Hunting Heritage Conservation Council Advisory Committee to advise the Secretaries of the Interior and Agriculture on wildlife and habitat conservation, hunting, and recreational shooting.

EARMARK STATEMENT

This bill does not contain any Congressional earmarks, limited tax benefits, or limited tariff benefits as defined under clause 9(e), 9(f), and 9(g) of rule XXI of the Rules of the House of Representatives.

COMPLIANCE WITH PUBLIC LAW 104–4

This bill contains no unfunded mandates.

COMPLIANCE WITH H. RES. 5

Directed Rule Making. The Chairman does not believe that this bill directs any executive branch official to conduct any specific rule-making proceedings.

Duplication of Existing Programs. This bill does not establish or reauthorize a program of the federal government known to be duplicative of another program. Such program was not included in any report from the Government Accountability Office to Congress pursuant to section 21 of Public Law 111–139 or identified in the most recent Catalog of Federal Domestic Assistance published pursuant to the Federal Program Information Act (Public Law 95–220, as amended by Public Law 98–169) as relating to other programs. However, this bill replaces an existing administratively created advisory council with a reformulated statutory advisory council.

FEDERAL ADVISORY COMMITTEE STATEMENT

The functions of the proposed advisory committee authorized in the bill are not currently being nor could they be performed by one or more agencies. This bill establishes by statute and modifies an advisory council created by executive action.

PREEMPTION OF STATE, LOCAL OR TRIBAL LAW

This bill is not intended to preempt any State, local or tribal law.

CHANGES IN EXISTING LAW MADE BY THE BILL, AS REPORTED

DISSENTING VIEWS

H.R. 2799 would establish the Wildlife Hunting and Heritage Conservation Council Advisory Committee to serve as counsel to the Departments of the Interior and Agriculture on policies that benefit recreational hunting and wildlife resources. We have heard in testimony from the U.S. Fish and Wildlife Service that this Council already exists: President Obama established the Wildlife and Hunting Heritage Conservation Council by executive order in 2010.

As the Fish and Wildlife Service mentioned in responding to a question for the record of the August 2 subcommittee hearing on this bill, the legislation dilutes the voice of hunters by dropping required representation from three hunting outreach and education groups, and sportsmen and women at-large, and replacing them with required representation from the firearms, ranching and agriculture industries. There are more than 50 Federal Advisory Councils that address agricultural and ranching issues, but the Council this bill seeks to replace is the only group that provides a voice solely for the hunting community.

In addition to stacking the deck against conservation and exempting the Council from the Federal Advisory Committee Act's transparency requirements, this bill would eliminate the flexibility this President or others in the future have to adjust the composition, structure, or function of the Committee to respond to the needs of hunting and conservation interests. For these reasons, we oppose H.R. 2799 as reported.

Dear Chairman Hastings:

Thank you for the opportunity to review the relevant provisions of the text of H.R. 2799, the Sportsmen's Heritage And Recreational Enhancement (SHARE) Act.

As you are aware, the bill was primarily referred to the Committee on Natural Resources, while the Agriculture Committee received an additional referral.

I recognize and appreciate your desire to bring this legislation before the House in an expeditious manner and, accordingly, I agree to discharge H.R. 2799 from further consideration by the Committee on Agriculture. I do so with the understanding that by discharging the bill, the Committee on Agriculture does not waive any future jurisdictional claim on this or similar matters. Further, the Committee on Agriculture reserves the right to seek the appointment of conferees, if it should become necessary.

I ask that you insert a copy of our exchange of letters into the Congressional Record during consideration of this measure on the House floor.

Thank you for your courtesy in this matter and I look forward to continued cooperation between our respective committees.

Sincerely,

Dear Mr. Chairman:

Thank you for your letter regarding H.R. 2799, the Sportsmen's Heritage and Recreational Enhancement (SHARE) Act. As you know, the Committee on Natural Resources ordered reported the bill, as amended, on October 30, 2013. A copy of the amended bill text was forwarded to your staff. I appreciate your support in bringing this legislation before the House of Representatives, and accordingly, understand that the Committee on Agriculture will forego action on the bill.

The Committee on Natural Resources concurs with the mutual understanding that by foregoing consideration of H.R. 2799 at this time, the Committee on Agriculture does not waive any jurisdiction over the subject matter contained in this or similar legislation. In addition, should a conference on the bill be necessary, I would support your request to have the Committee on Agriculture represented on the conference committee. Finally, I would be pleased to include your letter and this response in the bill report filed by the Committee on Natural Resources, as well as in the *Congressional Record* during floor consideration, to memorialize our understanding.

Thank you for your cooperation.
