The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution authorizes the Chair to accord priority in recognition to Members who have preprinted their amendments in the Congressional Record. The resolution provides one motion to recommit with or without instructions.

The resolution provides for consideration of H.R. 4487, the Legislative Branch Appropriations Act, 2015, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Committee on Appropriations. The resolution waives all points of order against consideration of the bill and provides that the bill shall be considered as read. The resolution waives all points of order against provisions in the bill for failure to comply with clause

2 of rule XXI. The resolution makes in order only those amendments to H.R. 4487 printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. The resolution waives all points of order against the amendments printed in this report. The resolution provides one motion to recommit with or without instructions.

Section 3 of the resolution provides that pending the adoption of a concurrent resolution on the budget for fiscal year 2015, the amounts provided for current law mandatory budget authority and outlays contained in the statement of the Chair of the Committee on the Budget of the House of Representatives in the Congressional Record dated April 29, 2014, shall be considered for all purposes in the House to be allocations to the Committee on Appropriations under section 302(a) of the Congressional Budget Act of 1974.

Section 4 of the resolution provides that during consideration of H.R. 4486 and H.R. 4487 pursuant to this resolution, the suballocations printed in House Report 113–425 shall be considered for all purposes in the House to be suballocations under section 302(b) of the Congressional Budget Act of 1974.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of H.R. 4486 includes a waiver of clause 4(c) of rule XIII, which prohibits consideration of a general appropriations bill reported by the Committee on Appropriations from being considered in the House until the third calendar day on which printed hearings of the Committee on Appropriations thereon have been available to Members.

The resolution includes a waiver of points of order against provisions in H.R. 4486 for failure to comply with clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because the bill contains unauthorized appropriations and legislative provisions.

The waiver of all points of order against consideration of H.R. 4487 includes a waiver of section 3(d)(5) of H. Res. 5 of the 113th Congress, which prohibits the consideration of a general appropriations bill unless it includes a spending reduction account. While the bill includes an account with the appropriate caption, the account fails to comply with the definition of a spending reduction account because the bill and the account specifically exclude Senate items as is customary to preserve comity between the Houses.

The resolution includes a waiver of points of order against provisions in H.R. 4487 for failure to comply with clause 2 of rule XXI, which prohibits unauthorized appropriations or legislative provisions in an appropriations bill. This waiver is necessary because the bill contains unauthorized appropriations and legislative provisions.

Although the resolution waives all points of order against the amendments to H.R. 4487 printed in this report, the Committee is

not aware of any points of order. The waiver is prophylactic in nature.
