3 (1) Family engagement in a child’s education
4 raises student achievement, improves behavior and
5 attendance, decreases drop-out rates, and improves
6 the emotional and physical well-being of children.

7 (2) Families are critical determinants of chil-
8 dren’s school readiness as well as of students’ deci-
9 sion to pursue higher education.

10 (3) Effective family engagement is a great
11 equalizer for students, contributing to their in-
12 creased academic achievement, regardless of parents’
13 education level, ethnicity, or socioeconomic back-
14 ground.

15 (4) Research on school improvement has identi-
16 fied meaningful partnerships with families and com-
17 munities as 1 of 5 critical ingredients necessary to
18 turnaround chronically low-performing schools.

19 (5) Positive benefits for children, youth, fami-
20 lies, and schools are maximized through effective
21 family engagement that—

1 (A) is a shared responsibility in which
2 schools and other community agencies and or-
3 ganizations are committed to reaching out to
4 engage families in meaningful ways and families
5 are committed to actively supporting their chil-
6 dren’s learning and development;

7 (B) is continuous across a child’s life from
8 birth to young adulthood; and

9 (C) reinforces learning that takes place in
10 all settings.

11 (b) PURPOSE.—The purpose of this Act is to increase
12 student success and foster school improvement by
13 strengthening families’ engagement in the education of
14 their children.
