^{114TH CONGRESS} **H. R. 1301**

AN ACT

- To direct the Federal Communications Commission to amend its rules so as to prohibit the application to amateur stations of certain private land use restrictions, and for other purposes.
 - 1 Be it enacted by the Senate and House of Representa-
 - 2 tives of the United States of America in Congress assembled,

1 SECTION 1. SHORT TITLE.

2 This Act may be cited as the "Amateur Radio Parity3 Act of 2016".

4 SEC. 2. FINDINGS.

5 Congress finds the following:

6 (1) More than 730,000 radio amateurs in the 7 United States are licensed by the Federal Commu-8 nications Commission in the amateur radio services. 9 (2) Amateur radio, at no cost to taxpayers, pro-10 vides a fertile ground for technical self-training in 11 modern telecommunications, electronics technology, 12 and emergency communications techniques and pro-

13 tocols.

(3) There is a strong Federal interest in the effective performance of amateur stations established
at the residences of licensees. Such stations have
been shown to be frequently and increasingly precluded by unreasonable private land use restrictions,
including restrictive covenants.

(4) Federal Communications Commission regulations have for three decades prohibited the application to stations in the amateur service of State and
local regulations that preclude or fail to reasonably
accommodate amateur service communications, or
that do not constitute the minimum practicable regulation to accomplish a legitimate State or local pur-

pose. Commission policy has been and is to require
 States and localities to permit erection of a station
 antenna structure at heights and dimensions suffi cient to accommodate amateur service communica tions.

6 (5) The Commission has sought guidance and 7 direction from Congress with respect to the applica-8 tion of the Commission's limited preemption policy 9 regarding amateur service communications to private 10 land use restrictions, including restrictive covenants.

11 (6) There are aesthetic and common property 12 considerations that are uniquely applicable to private 13 land use regulations and the community associations 14 obligated to enforce covenants, conditions, and re-15 strictions in deed-restricted communities. These con-16 siderations are dissimilar to those applicable to State 17 law and local ordinances regulating the same resi-18 dential amateur radio facilities.

19 (7) In recognition of these considerations, a
20 separate Federal policy than exists at section
21 97.15(b) of title 47, Code of Federal Regulations, is
22 warranted concerning amateur service communica23 tions in deed-restricted communities.

24 (8) Community associations should fairly ad-25 minister private land use regulations in the interest

1 of their communities, while nevertheless permitting 2 the installation and maintenance of effective outdoor amateur radio antennas. There exist antenna de-3 4 signs and installations that can be consistent with 5 the aesthetics and physical characteristics of land 6 and structures in community associations while ac-7 commodating communications in the amateur radio 8 services.

9 SEC. 3. APPLICATION OF PRIVATE LAND USE RESTRIC10 TIONS TO AMATEUR STATIONS.

(a) AMENDMENT OF FCC RULES.—Not later than
120 days after the date of the enactment of this Act, the
13 Federal Communications Commission shall amend section
14 97.15 of title 47, Code of Federal Regulations, by adding
15 a new paragraph that prohibits the application to amateur
16 stations of any private land use restriction, including a
17 restrictive covenant, that—

18 (1) on its face or as applied, precludes commu-19 nications in an amateur radio service;

20 (2) fails to permit a licensee in an amateur
21 radio service to install and maintain an effective out22 door antenna on property under the exclusive use or
23 control of the licensee; or

24 (3) does not constitute the minimum practicable25 restriction on such communications to accomplish

the lawful purposes of a community association seek ing to enforce such restriction.

3 (b) ADDITIONAL REQUIREMENTS.—In amending its
4 rules as required by subsection (a), the Commission
5 shall—

6 (1) require any licensee in an amateur radio
7 service to notify and obtain prior approval from a
8 community association concerning installation of an
9 outdoor antenna;

10 (2) permit a community association to prohibit
11 installation of any antenna or antenna support
12 structure by a licensee in an amateur radio service
13 on common property not under the exclusive use or
14 control of the licensee; and

15 (3) subject to the standards specified in para-16 graphs (1) and (2) of subsection (a), permit a com-17 munity association to establish reasonable written 18 rules concerning height, location, size, and aesthetic 19 impact of, and installation requirements for, outdoor 20 antennas and support structures for the purpose of 21 conducting communications in the amateur radio 22 services.

1SEC. 4. AFFIRMATION OF LIMITED PREEMPTION OF STATE2AND LOCAL LAND USE REGULATION.

3 The Federal Communications Commission may not
4 change section 97.15(b) of title 47, Code of Federal Regu5 lations, which shall remain applicable to State and local
6 land use regulation of amateur service communications.

7 SEC. 5. DEFINITIONS.

8 In this Act:

9 (1)COMMUNITY ASSOCIATION.—The term "community association" means any non-profit man-10 11 datory membership organization composed of owners 12 of real estate described in a declaration of covenants 13 or created pursuant to a covenant or other applica-14 ble law with respect to which a person, by virtue of 15 the person's ownership of or interest in a unit or 16 parcel, is obligated to pay for a share of real estate 17 taxes, insurance premiums, maintenance, improve-18 ment, services, or other expenses related to common 19 elements, other units, or any other real estate other 20 than the unit or parcel described in the declaration.

(2) TERMS DEFINED IN REGULATIONS.—The
terms "amateur radio services", "amateur service",
and "amateur station" have the meanings given

2 eral Regulations.

Passed the House of Representatives September 12, 2016.

Attest:

Clerk.

114TH CONGRESS H. R. 1301 2D Session H. R. 1301

AN ACT

To direct the Federal Communications Commission to amend its rules so as to prohibit the application to amateur stations of certain private land use restrictions, and for other purposes.
