1ST SESSION

H. R. 1507

To incentivize State support for postsecondary education and to promote increased access and affordability for higher education for students, including Dreamer students.

IN THE HOUSE OF REPRESENTATIVES

MARCH 19, 2015

Mr. POLIS (for himself and Mr. CASTRO of Texas) introduced the following bill; which was referred to the Committee on Education and the Workforce, and in addition to the Committee on the Judiciary, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

A BILL

To incentivize State support for postsecondary education and to promote increased access and affordability for higher education for students, including Dreamer students.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Investing in States
5 to Achieve Tuition Equality for Dreamers Act of 2015”
6 or “IN STATE Act of 2015”.

1 **SEC. 2. FINDINGS AND PURPOSES.**

2 (a) FINDINGS.—Congress makes the following find-
3 ings:

4 (1) The non-partisan Congressional Budget Of-
5 fice found that comprehensive immigration reform
6 would reduce the national deficit by billions,
7 strengthen Social Security solvency, increase the
8 number of jobs, and raise Gross Domestic Product.

9 (2) According to a report by the Partnership
10 for a New American Economy, in 2010 more than
11 40 percent of Fortune 500 companies were founded
12 by immigrants or their children, generating a com-
13 bined revenue of \$4,200,000,000,000.

14 (3) Thousands of deferred action childhood ar-
15 rival students graduate from high schools in the
16 United States every year but only a small fraction
17 of those students enroll in higher education.

18 (4) Many jobs in the 21st century economy re-
19 quire some form of postsecondary education.

20 (5) Education provides an important pathway
21 to the middle class; college graduates have higher
22 earnings and lower unemployment rates than their
23 less educated peers.

24 (6) Since 2008, States are spending 28 percent
25 less per student in higher education, and tuition and
26 fees continue to rise. The increased costs are being

1 shifted to students and student loan debt continues
2 to grow.

3 (7) Investments in higher education provide
4 youth a ladder to achieving the American dream.

5 (b) PURPOSES.—The purposes of this Act are to—

6 (1) allow States to provide immigrant students
7 timely and affordable access to higher education;

8 (2) incentivize States to maintain support for
9 higher education; and

10 (3) promote increased access and affordability
11 to postsecondary education for students through
12 State need-based financial aid.

13 **SEC. 3. AMERICAN DREAM GRANTS.**

14 (a) IN GENERAL.—Subpart 4 of part A of title IV
