SEC. 3. RULE MAKING.

(a) Section 553(a) of title 5, United States Code, is amended by striking "(a) This section applies" and inserting "(a) APPLICABILITY.—This section applies".

(b) Section 553 of title 5, United States Code, is amended by striking subsections (b) through (e) and inserting the following:

"(b) RULE MAKING CONSIDERATIONS.—In a rule making, an agency shall make all preliminary and final factual determinations based on evidence and consider, in addition to other applicable considerations, the following:

"(1) The legal authority under which a rule may be proposed, including whether a rule making is required by statute, and if so, whether by a specific date, or whether the agency has discretion to commence a rule making.

"(2) Other statutory considerations applicable to whether the agency can or should propose a rule or undertake other agency action.

"(3) The specific nature and significance of the problem the agency may address with a rule (including the degree and nature of risks the problem poses and the priority of addressing those risks compared to other matters or activities within the agency’s jurisdiction), whether the problem warrants new agen-
cy action, and the countervailing risks that may be
posed by alternatives for new agency action.

“(4) Whether existing rules have created or
contributed to the problem the agency may address
with a rule and whether those rules could be amend-
ed or rescinded to address the problem in whole or
part.

“(5) Any reasonable alternatives for a new rule
or other response identified by the agency or inter-
ested persons, including not only responses that
mandate particular conduct or manners of compli-
ance, but also—

“(A) the alternative of no Federal re-
spoonse;

“(B) amending or rescinding existing
rules;

“(C) potential regional, State, local, or
tribal regulatory action or other responses that
could be taken in lieu of agency action; and

“(D) potential responses that—

“(i) specify performance objectives
rather than conduct or manners of compli-
ance;

“(ii) establish economic incentives to
encourage desired behavior;
“(iii) provide information upon which choices can be made by the public; or

“(iv) incorporate other innovative alternatives rather than agency actions that specify conduct or manners of compliance.

“(6) Notwithstanding any other provision of law—

“(A) the potential costs and benefits associated with potential alternative rules and other responses considered under section 553(b)(5), including direct, indirect, and cumulative costs and benefits and estimated impacts on jobs (including an estimate of the net gain or loss in domestic jobs), wages, economic growth, innovation, economic competitiveness, and impacts on low income populations;

“(B) means to increase the cost-effectiveness of any Federal response; and

“(C) incentives for innovation, consistency, predictability, lower costs of enforcement and compliance (to government entities, regulated entities, and the public), and flexibility.

“(e) ADVANCE NOTICE OF PROPOSED RULE MAKING FOR MAJOR RULES, HIGH-ImpACT RULES, NEGATIVE-ImpACT ON JObs AND WAGES RULES, AND RULES INVOLV-
ING NOVEL LEGAL OR POLICY ISSUES.—In the case of a rule making for a major rule, a high-impact rule, a negative-impact on jobs and wages rule, or a rule that involves a novel legal or policy issue arising out of statutory mandates, not later than 90 days before a notice of proposed rule making is published in the Federal Register, an agency shall publish advance notice of proposed rule making in the Federal Register. In publishing such advance notice, the agency shall—

“(1) include a written statement identifying, at a minimum—

“(A) the nature and significance of the problem the agency may address with a rule, including data and other evidence and information on which the agency expects to rely for the proposed rule;

“(B) the legal authority under which a rule may be proposed, including whether a rule making is required by statute, and if so, whether by a specific date, or whether the agency has discretion to commence a rule making;

“(C) preliminary information available to the agency concerning the other considerations specified in subsection (b);
“(D) in the case of a rule that involves a novel legal or policy issue arising out of statutory mandates, the nature of and potential reasons to adopt the novel legal or policy position upon which the agency may base a proposed rule; and

“(E) an achievable objective for the rule and metrics by which the agency will measure progress toward that objective;

“(2) solicit written data, views or argument from interested persons concerning the information and issues addressed in the advance notice; and

“(3) provide for a period of not fewer than 60 days for interested persons to submit such written data, views, or argument to the agency.

“(d) NOTICES OF PROPOSED RULE MAKING; DETERMINATIONS OF OTHER AGENCY COURSE.—(1) Before it determines to propose a rule, and following completion of procedures under subsection (c), if applicable, the agency shall consult with the Administrator of the Office of Information and Regulatory Affairs. If the agency thereafter determines to propose a rule, the agency shall publish a notice of proposed rule making, which shall include—

“(A) a statement of the time, place, and nature of public rule making proceedings;
“(B) reference to the legal authority under which the rule is proposed;

“(C) the terms of the proposed rule;

“(D) a description of information known to the agency on the subject and issues of the proposed rule, including but not limited to—

“(i) a summary of information known to the agency concerning the considerations specified in subsection (b);

“(ii) a summary of additional information the agency provided to and obtained from interested persons under subsection (c);

“(iii) a summary of any preliminary risk assessment or regulatory impact analysis performed by the agency; and

“(iv) information specifically identifying all data, studies, models, and other evidence or information considered or used by the agency in connection with its determination to propose the rule;

“(E)(i) a reasoned preliminary determination of need for the rule based on the information described under subparagraph (D);

“(ii) an additional statement of whether a rule is required by statute; and
“(iii) an achievable objective for the rule and metrics by which the agency will measure progress toward that objective;

“(F) a reasoned preliminary determination that the benefits of the proposed rule meet the relevant statutory objectives and justify the costs of the proposed rule (including all costs to be considered under subsection (b)(6)), based on the information described under subparagraph (D);

“(G) a discussion of—

“(i) the alternatives to the proposed rule, and other alternative responses, considered by the agency under subsection (b);

“(ii) the costs and benefits of those alternatives (including all costs to be considered under subsection (b)(6));

“(iii) whether those alternatives meet relevant statutory objectives; and

“(iv) why the agency did not propose any of those alternatives; and

“(H)(i) a statement of whether existing rules have created or contributed to the problem the agency seeks to address with the proposed rule; and

“(ii) if so, whether or not the agency proposes to amend or rescind any such rules, and why.
All information provided to or considered by the agency, and steps to obtain information by the agency, in connection with its determination to propose the rule, including any preliminary risk assessment or regulatory impact analysis prepared by the agency and all other information prepared or described by the agency under subparagraph (D) and, at the discretion of the President or the Administrator of the Office of Information and Regulatory Affairs, information provided by that Office in consultations with the agency, shall be placed in the docket for the proposed rule and made accessible to the public by electronic means and otherwise for the public’s use when the notice of proposed rule making is published.

“(2)(A) If the agency undertakes procedures under subsection (c) and determines thereafter not to propose a rule, the agency shall, following consultation with the Office of Information and Regulatory Affairs, publish a notice of determination of other agency course. A notice of determination of other agency course shall include information required by paragraph (1)(D) to be included in a notice of proposed rule making and a description of the alternative response the agency determined to adopt.

“(B) If in its determination of other agency course the agency makes a determination to amend or rescind an existing rule, the agency need not undertake additional
proceedings under subsection (c) before it publishes a notice of proposed rule making to amend or rescind the existing rule.

All information provided to or considered by the agency, and steps to obtain information by the agency, in connection with its determination of other agency course, including but not limited to any preliminary risk assessment or regulatory impact analysis prepared by the agency and all other information that would be required to be prepared or described by the agency under paragraph (1)(D) if the agency had determined to publish a notice of proposed rule making and, at the discretion of the President or the Administrator of the Office of Information and Regulatory Affairs, information provided by that Office in consultations with the agency, shall be placed in the docket for the determination and made accessible to the public by electronic means and otherwise for the public’s use when the notice of determination is published.

“(3) After notice of proposed rule making required by this section, the agency shall provide interested persons an opportunity to participate in the rule making through submission of written data, views, or arguments with or without opportunity for oral presentation, except that—

“(A) if a hearing is required under paragraph (4)(B) or subsection (e), opportunity for oral presen-
tation shall be provided pursuant to that require-
ment; or

“(B) when other than under subsection (e) of
this section rules are required by statute or at the
discretion of the agency to be made on the record
after opportunity for an agency hearing, sections
556 and 557 shall apply, and paragraph (4), the re-
quirements of subsection (e) to receive comment out-
side of the procedures of sections 556 and 557, and
the petition procedures of subsection (e)(6) shall not
apply.

The agency shall provide not fewer than 60 days for inter-
ested persons to submit written data, views, or argument
(or 120 days in the case of a proposed major or high-
impact rule).

“(4)(A) Within 30 days of publication of notice of
proposed rule making, a member of the public may peti-
tion for a hearing in accordance with section 556 to deter-
mine whether any evidence or other information upon
which the agency bases the proposed rule fails to comply
with the Information Quality Act.

“(B)(i) The agency may, upon review of the petition,
determine without further process to exclude from the rule
making the evidence or other information that is the sub-
ject of the petition and, if appropriate, withdraw the pro-
posed rule. The agency shall promptly publish any such determination.

“(ii) If the agency does not resolve the petition under the procedures of clause (i), it shall grant any such petition that presents a prima facie case that evidence or other information upon which the agency bases the proposed rule fails to comply with the Information Quality Act, hold the requested hearing not later than 30 days after receipt of the petition, provide a reasonable opportunity for cross-examination at the hearing, and decide the issues presented by the petition not later than 60 days after receipt of the petition. The agency may deny any petition that it determines does not present such a prima facie case.

“(C) There shall be no judicial review of the agency’s disposition of issues considered and decided or determined under subparagraph (B)(ii) until judicial review of the agency’s final action. There shall be no judicial review of an agency’s determination to withdraw a proposed rule under subparagraph (B)(i) on the basis of the petition.

“(D) Failure to petition for a hearing under this paragraph shall not preclude judicial review of any claim based on the Information Quality Act under chapter 7 of this title.

“(e) HEARINGS FOR HIGH-IMPACT RULES.—Following notice of a proposed rule making, receipt of com-
ments on the proposed rule, and any hearing held under subsection (d)(4), and before adoption of any high-impact rule, the agency shall hold a hearing in accordance with sections 556 and 557, unless such hearing is waived by all participants in the rule making other than the agency. The agency shall provide a reasonable opportunity for cross-examination at such hearing. The hearing shall be limited to the following issues of fact, except that participants at the hearing other than the agency may waive determination of any such issue:

“(1) Whether the agency’s asserted factual predicate for the rule is supported by the evidence.

“(2) Whether there is an alternative to the proposed rule that would achieve the relevant statutory objectives at a lower cost (including all costs to be considered under subsection (b)(6)) than the proposed rule.

“(3) If there is more than one alternative to the proposed rule that would achieve the relevant statutory objectives at a lower cost than the proposed rule, which alternative would achieve the relevant statutory objectives at the lowest cost.

“(4) Whether, if the agency proposes to adopt a rule that is more costly than the least costly alternative that would achieve the relevant statutory ob-
jectives (including all costs to be considered under subsection (b)(6)), the additional benefits of the more costly rule exceed the additional costs of the more costly rule.

“(5) Whether the evidence and other information upon which the agency bases the proposed rule meets the requirements of the Information Quality Act.

“(6) Upon petition by an interested person who has participated in the rule making, other issues relevant to the rule making, unless the agency determines that consideration of the issues at the hearing would not advance consideration of the rule or would, in light of the nature of the need for agency action, unreasonably delay completion of the rule making. An agency shall grant or deny a petition under this paragraph within 30 days of its receipt of the petition.

No later than 45 days before any hearing held under this subsection or sections 556 and 557, the agency shall publish in the Federal Register a notice specifying the proposed rule to be considered at such hearing, the issues to be considered at the hearing, and the time and place for such hearing, except that such notice may be issued
not later than 15 days before a hearing held under subsection (d)(4)(B).

“(f) Final Rules.—(1) The agency shall adopt a rule only following consultation with the Administrator of the Office of Information and Regulatory Affairs to facilitate compliance with applicable rule making requirements.

“(2) The agency shall adopt a rule only on the basis of the best reasonably obtainable scientific, technical, economic, and other evidence and information concerning the need for, consequences of, and alternatives to the rule.

“(3)(A) Except as provided in subparagraph (B), the agency shall adopt the least costly rule considered during the rule making (including all costs to be considered under subsection (b)(6)) that meets relevant statutory objectives.

“(B) The agency may adopt a rule that is more costly than the least costly alternative that would achieve the relevant statutory objectives only if the additional benefits of the more costly rule justify its additional costs and only if the agency explains its reason for doing so based on interests of public health, safety or welfare that are clearly within the scope of the statutory provision authorizing the rule.

“(4) When it adopts a final rule, the agency shall publish a notice of final rule making. The notice shall include—
“(A) a concise, general statement of the rule’s basis and purpose;

“(B) the agency’s reasoned final determination of need for a rule to address the problem the agency seeks to address with the rule, including a statement of whether a rule is required by statute and a summary of any final risk assessment or regulatory impact analysis prepared by the agency;

“(C) the agency’s reasoned final determination that the benefits of the rule meet the relevant statutory objectives and justify the rule’s costs (including all costs to be considered under subsection (b)(6));

“(D) the agency’s reasoned final determination not to adopt any of the alternatives to the proposed rule considered by the agency during the rule making, including—

“(i) the agency’s reasoned final determination that no alternative considered achieved the relevant statutory objectives with lower costs (including all costs to be considered under subsection (b)(6)) than the rule; or

“(ii) the agency’s reasoned determination that its adoption of a more costly rule complies with subsection (f)(3)(B);
(E) the agency’s reasoned final determination—

(i) that existing rules have not created or contributed to the problem the agency seeks to address with the rule; or

(ii) that existing rules have created or contributed to the problem the agency seeks to address with the rule, and, if so—

(I) why amendment or rescission of such existing rules is not alone sufficient to respond to the problem; and

(II) whether and how the agency intends to amend or rescind the existing rule separate from adoption of the rule;

(F) the agency’s reasoned final determination that the evidence and other information upon which the agency bases the rule complies with the Information Quality Act;

(G) the agency’s reasoned final determination that the rule meets the objectives that the agency identified in subsection (d)(1)(E)(iii) or that other objectives are more appropriate in light of the full administrative record and the rule meets those objectives;
“(H) the agency’s reasoned final determination that it did not deviate from the metrics the agency included in subsection (d)(1)(E)(iii) or that other metrics are more appropriate in light of the full administrative record and the agency did not deviate from those metrics;

“(I)(i) for any major rule, high-impact rule, or negative-impact on jobs and wages rule, the agency’s plan for review of the rule no less than every ten years to determine whether, based upon evidence, there remains a need for the rule, whether the rule is in fact achieving statutory objectives, whether the rule’s benefits continue to justify its costs, and whether the rule can be modified or rescinded to reduce costs while continuing to achieve statutory objectives; and

“(ii) review of a rule under a plan required by clause (i) of this subparagraph shall take into account the factors and criteria set forth in subsections (b) through (f) of section 553 of this title; and

“(J) for any negative-impact on jobs and wages rule, a statement that the head of the agency that made the rule approved the rule knowing about the findings and determination of the agency or the Ad-
ministrator of the Office of Information and Regulatory Affairs that qualified the rule as a negative impact on jobs and wages rule.

All information considered by the agency in connection with its adoption of the rule, and, at the discretion of the President or the Administrator of the Office of Information and Regulatory Affairs, information provided by that Office in consultations with the agency, shall be placed in the docket for the rule and made accessible to the public for the public's use no later than when the rule is adopted.

“(g) EXCEPTIONS FROM NOTICE AND HEARING REQUIREMENTS.—(1) Except when notice or hearing is required by statute, the following do not apply to interpretive rules, general statements of policy, or rules of agency organization, procedure, or practice:

“(A) Subsections (c) through (e).

“(B) Paragraphs (1) through (3) of subsection (f).

“(C) Subparagraphs (B) through (H) of subsection (f)(4).

“(2)(A) When the agency for good cause, based upon evidence, finds (and incorporates the finding and a brief statement of reasons therefor in the rules issued) that compliance with subsection (c), (d), or (e) or requirements to render final determinations under subsection (f) of this
section before the issuance of an interim rule is impracti-
cable or contrary to the public interest, including interests of national security, such subsections or requirements to render final determinations shall not apply to the agency’s adoption of an interim rule.

“(B) If, following compliance with subparagraph (A) of this paragraph, the agency adopts an interim rule, it shall commence proceedings that comply fully with subsections (d) through (f) of this section immediately upon publication of the interim rule, shall treat the publication of the interim rule as publication of a notice of proposed rule making and shall not be required to issue supple-
mental notice other than to complete full compliance with subsection (d). No less than 270 days from publication of the interim rule (or 18 months in the case of a major rule or high-impact rule), the agency shall complete rule making under subsections (d) through (f) of this sub-
section and take final action to adopt a final rule or re-
scind the interim rule. If the agency fails to take timely final action, the interim rule will cease to have the effect of law.

“(C) Other than in cases involving interests of na-
tional security, upon the agency’s publication of an interim rule without compliance with subsection (c), (d), or (e) or requirements to render final determinations under sub-
section (f) of this section, an interested party may seek immediate judicial review under chapter 7 of this title of the agency’s determination to adopt such interim rule. The record on such review shall include all documents and information considered by the agency and any additional information presented by a party that the court determines necessary to consider to assure justice.

“(3) When the agency for good cause finds (and incorporates the finding and a brief statement of reasons therefor in the rules issued) that notice and public procedure thereon are unnecessary, including because agency rule making is undertaken only to correct a de minimis technical or clerical error in a previously issued rule or for other noncontroversial purposes, the agency may publish a rule without compliance with subsection (c), (d), (e), or (f)(1)–(3) and (f)(4)(B)–(F). If the agency receives significant adverse comment within 60 days after publication of the rule, it shall treat the notice of the rule as a notice of proposed rule making and complete rule making in compliance with subsections (d) and (f).

“(h) ADDITIONAL REQUIREMENTS FOR HEARINGS.—When a hearing is required under subsection (e) or is otherwise required by statute or at the agency’s discretion before adoption of a rule, the agency shall comply with the requirements of sections 556 and 557 in addition to
the requirements of subsection (f) in adopting the rule and
in providing notice of the rule’s adoption.

“(i) DATE OF PUBLICATION OF RULE.—The required
publication or service of a substantive final or interim rule
shall be made not less than 30 days before the effective
date of the rule, except—

“(1) a substantive rule which grants or recognizes an exemption or relieves a restriction;
“(2) interpretive rules and statements of policy;
or
“(3) as otherwise provided by the agency for good cause found and published with the rule.

“(j) RIGHT TO PETITION.—Each agency shall give an interested person the right to petition for the issuance,
amendment, or repeal of a rule.

“(k) RULE MAKING GUIDELINES.—(1)(A) The Administrator of the Office of Information and Regulatory Affairs shall establish guidelines for the assessment, including quantitative and qualitative assessment, of the costs and benefits of proposed and final rules and other economic issues or issues related to risk that are relevant to rule making under this title. The rigor of cost-benefit analysis required by such guidelines shall be commensurate, in the Administrator’s determination, with the economic impact of the rule.
“(B) To ensure that agencies use the best available techniques to quantify and evaluate anticipated present and future benefits, costs, other economic issues, and risks as accurately as possible, the Administrator of the Office of Information and Regulatory Affairs shall regularly update guidelines established under paragraph (1)(A) of this subsection.

“(2) The Administrator of the Office of Information and Regulatory Affairs shall also issue guidelines to promote coordination, simplification and harmonization of agency rules during the rule making process and otherwise. Such guidelines shall assure that each agency avoids regulations that are inconsistent or incompatible with, or duplicative of, its other regulations and those of other Federal agencies and drafts its regulations to be simple and easy to understand, with the goal of minimizing the potential for uncertainty and litigation arising from such uncertainty.

“(3) To ensure consistency in Federal rule making, the Administrator of the Office of Information and Regulatory Affairs shall—

“(A) issue guidelines and otherwise take action to ensure that rule makings conducted in whole or in part under procedures specified in provisions of law other than those of subchapter II of this title
conform to the fullest extent allowed by law with the procedures set forth in section 553 of this title; and

"(B) issue guidelines for the conduct of hearings under subsections 553(d)(4) and 553(e) of this section, including to assure a reasonable opportunity for cross-examination. Each agency shall adopt regulations for the conduct of hearings consistent with the guidelines issued under this subparagraph.

"(4) The Administrator of the Office of Information and Regulatory Affairs shall issue guidelines pursuant to the Information Quality Act to apply in rule making proceedings under sections 553, 556, and 557 of this title. In all cases, such guidelines, and the Administrator’s specific determinations regarding agency compliance with such guidelines, shall be entitled to judicial deference.

"(l) INCLUSION IN THE RECORD OF CERTAIN DOCUMENTS AND INFORMATION.—The agency shall include in the record for a rule making, and shall make available by electronic means and otherwise, all documents and information prepared or considered by the agency during the proceeding, including, at the discretion of the President or the Administrator of the Office of Information and Regulatory Affairs, documents and information communicated by that Office during consultation with the Agency.
“(m) Monetary Policy Exemption.—Nothing in subsection (b)(6), subparagraphs (F) and (G) of subsection (d)(1), subsection (e), subsection (f)(3), and subparagraphs (C) and (D) of subsection (f)(5) shall apply to rule makings that concern monetary policy proposed or implemented by the Board of Governors of the Federal Reserve System or the Federal Open Market Committee.”.

SEC. 4. AGENCY GUIDANCE; PROCEDURES TO ISSUE MAJOR GUIDANCE; PRESIDENTIAL AUTHORITY TO ISSUE GUIDELINES FOR ISSUANCE OF GUIDANCE.

(a) In general.—Chapter 5 of title 5, United States Code, is amended by inserting after section 553 the following new section:

“§553a. Agency guidance; procedures to issue major guidance; authority to issue guidelines for issuance of guidance

“(a) Before issuing any major guidance, or guidance that involves a novel legal or policy issue arising out of statutory mandates, an agency shall—

“(1) make and document a reasoned determination that—

“(A) assures that such guidance is understandable and complies with relevant statutory
objectives and regulatory provisions (including any statutory deadlines for agency action);

“(B) summarizes the evidence and data on which the agency will base the guidance;

“(C) identifies the costs and benefits (including all costs to be considered during a rule making under section 553(b) of this title) of conduct conforming to such guidance and assures that such benefits justify such costs; and

“(D) describes alternatives to such guidance and their costs and benefits (including all costs to be considered during a rule making under section 553(b) of this title) and explains why the agency rejected those alternatives; and

“(2) confer with the Administrator of the Office of Information and Regulatory Affairs on the issuance of such guidance to assure that the guidance is reasonable, understandable, consistent with relevant statutory and regulatory provisions and requirements or practices of other agencies, does not produce costs that are unjustified by the guidance’s benefits, and is otherwise appropriate.

Upon issuing major guidance, or guidance that involves a novel legal or policy issue arising out of statutory man-
dates, the agency shall publish the documentation required
by subparagraph (1) by electronic means and otherwise.

“(b) Agency guidance—

“(1) is not legally binding and may not be re-
lied upon by an agency as legal grounds for agency
action;

“(2) shall state in a plain, prominent and per-
manent manner that it is not legally binding; and

“(3) shall, at the time it is issued or upon re-
quest, be made available by the issuing agency to in-
terested persons and the public by electronic means
and otherwise.

Agencies shall avoid the issuance of guidance that is in-
consistent or incompatible with, or duplicative of, the
agency’s governing statutes or regulations, with the goal
of minimizing the potential for uncertainty and litigation
arising from such uncertainty.

“(c) The Administrator of the Office of Information
and Regulatory Affairs shall have authority to issue guide-
lines for use by the agencies in the issuance of major guid-
ance and other guidance. Such guidelines shall assure that
each agency avoids issuing guidance documents that are
inconsistent or incompatible with, or duplicative of, the
law, its other regulations, or the regulations of other Fed-
eral agencies and drafts its guidance documents to be sim-
ple and easy to understand, with the goal of minimizing
the potential for uncertainty and litigation arising from
such uncertainty.”.

(b) CLERICAL AMENDMENT.—The table of sections
for chapter 5 of title 5, United States Code, is amended
by inserting after the item relating to section 553 the fol-
lowing new item:

“553a. Agency guidance; procedures to issue major guidance; authority to issue
guidelines for issuance of guidance.”.

SEC. 5. HEARINGS; PRESIDING EMPLOYEES; POWERS AND
DUTIES; BURDEN OF PROOF; EVIDENCE;
RECORD AS BASIS OF DECISION.

Section 556 of title 5, United States Code, is amend-
ed by striking subsection (e) and inserting the following:

“(e)(1) The transcript of testimony and exhibits, to-
gether with all papers and requests filed in the proceed-
ing, constitutes the exclusive record for decision in accordance
with section 557 and shall be made available to the parties
and the public by electronic means and, upon payment of
lawfully prescribed costs, otherwise. When an agency deci-
sion rests on official notice of a material fact not appear-
ing in the evidence in the record, a party is entitled, on
timely request, to an opportunity to show the contrary.
“(2) Notwithstanding paragraph (1) of this sub-
section, in a proceeding held under this section pursuant
to section 553(d)(4) or 553(e), the record for decision
shall also include any information that is part of the
record of proceedings under section 553.

“(f) When an agency conducts rule making under this
section and section 557 directly after concluding pro-
ceedings upon an advance notice of proposed rule making
under section 553(c), the matters to be considered and
determinations to be made shall include, among other rel-
evant matters and determinations, the matters and deter-
minations described in subsections (b) and (f) of section
553.

“(g) Upon receipt of a petition for a hearing under
this section, the agency shall grant the petition in the case
of any major rule, unless the agency reasonably deter-
mines that a hearing would not advance consideration of
the rule or would, in light of the need for agency action,
unreasonably delay completion of the rule making. The
agency shall publish its decision to grant or deny the peti-
tion when it renders the decision, including an explanation
of the grounds for decision. The information contained in
the petition shall in all cases be included in the adminis-
trative record. This subsection shall not apply to rule mak-
ings that concern monetary policy proposed or imple-
