[Strike out all after the enacting clause and insert the part printed in italic]

AN ACT
Making appropriations for energy and water development and related agencies for the fiscal year ending September 30, 2016, and for other purposes.

1   Be it enacted by the Senate and House of Representa-
2   tives of the United States of America in Congress assembled,

★(Star Print)
That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for energy and water development and related agencies for the fiscal year ending September 30, 2016, and for other purposes, namely:

**TITLE I—CORPS OF ENGINEERS—CIVIL**

**DEPARTMENT OF THE ARMY**

**Corps of Engineers—Civil**

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

**INVESTIGATIONS**

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related needs; for surveys and detailed studies, and plans and specifications of proposed river and harbor, flood and storm damage reduction, shore protection, and aquatic ecosystem restoration projects; and related efforts prior to construction; for restudy of authorized projects; and for miscellaneous investigations; and, when authorized by law,
surveys and detailed studies, and plans and specifications of projects prior to construction, $110,000,000 (increased by $1,000,000), to remain available until expended.

CONSTRUCTION

For expenses necessary for the construction of river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related projects authorized by law; for conducting detailed studies, and plans and specifications, of such projects (including those involving participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such detailed studies, and plans and specifications, shall not constitute a commitment of the Government to construction); $1,631,000,000 (increased by $3,000,000) (increased by $1,000,000) (reduced by $10,000,000) (increased by $10,000,000), to remain available until expended; of which such sums as are necessary to cover the Federal share of construction costs for facilities under the Dredged Material Disposal Facilities program shall be derived from the Harbor Maintenance Trust Fund as authorized by Public Law 104–303; and of which such sums as are necessary to cover one-half of the costs of construction, replacement, rehabilitation, and expansion of inland waterways projects shall be derived from the In-
land Waterways Trust Fund, except as otherwise specifically provided for in law.

MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for flood damage reduction projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized by law, $275,000,000, to remain available until expended, of which such sums as are necessary to cover the Federal share of eligible operation and maintenance costs for inland harbors shall be derived from the Harbor Maintenance Trust Fund.

OPERATION AND MAINTENANCE

For expenses necessary for the operation, maintenance, and care of existing river and harbor, flood and storm damage reduction, aquatic ecosystem restoration, and related projects authorized by law; providing security for infrastructure owned or operated by the Corps, including administrative buildings and laboratories; maintaining harbor channels provided by a State, municipality, or other public agency that serve essential navigation needs of general commerce, where authorized by law; surveying and charting northern and northwestern lakes and connecting waters; clearing and straightening channels; and removing obstructions to navigation, $3,058,000,000 (increased by $36,306,000), to remain available until ex-
pended, of which such sums as are necessary to cover the
Federal share of eligible operation and maintenance costs
for coastal harbors and channels; and for inland harbors
shall be derived from the Harbor Maintenance Trust
Fund; of which such sums as become available from the
special account for the Corps of Engineers established by
the Land and Water Conservation Fund Act of 1965 shall
be derived from that account for resource protection, re-
search, interpretation, and maintenance activities related
to resource protection in the areas at which outdoor recre-
ation is available; and of which such sums as become avail-
able from fees collected under section 217 of Public Law
104–303 shall be used to cover the cost of operation and
maintenance of the dredged material disposal facilities for
which such fees have been collected. Provided, That 1 per-
cent of the total amount of funds provided for each of the
programs, projects, or activities funded under this heading
shall not be allocated to a field operating activity prior
to the beginning of the fourth quarter of the fiscal year
and shall be available for use by the Chief of Engineers
to fund such emergency activities as the Chief of Engi-
eeers determines to be necessary and appropriate, and
that the Chief of Engineers shall allocate during the
fourth quarter any remaining funds which have not been
used for emergency activities proportionally in accordance
with the amounts provided for the programs, projects, or activities.

**REGULATORY PROGRAM**

For expenses necessary for administration of laws pertaining to regulation of navigable waters and wetlands, $200,000,000 (reduced by $424,000), to remain available until September 30, 2017.

**FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM**

For expenses necessary to clean up contamination from sites in the United States resulting from work performed as part of the Nation's early atomic energy program, $104,000,000, to remain available until expended.

**FLOOD CONTROL AND COASTAL EMERGENCIES**

For expenses necessary to prepare for flood, hurricane, and other natural disasters and support emergency operations, repairs, and other activities in response to such disasters as authorized by law, $34,000,000, to remain available until expended.

**EXPENSES**

For expenses necessary for the supervision and general administration of the civil works program in the headquarters of the Corps of Engineers and the offices of the Division Engineers; and for costs of management and operation of the Humphreys Engineer Center Support Activity, the Institute for Water Resources, the United States
Army Engineer Research and Development Center, and
the United States Army Corps of Engineers Finance Cen-
ter allocable to the civil works program, $180,000,000 (re-
duced by $1,000,000), to remain available until September
30, 2017, of which not to exceed $5,000 may be used for
official reception and representation purposes and only
during the current fiscal year. Provided, That no part of
any other appropriation provided in this title shall be
available to fund the civil works activities of the Office
of the Chief of Engineers or the civil works executive di-
rection and management activities of the division offices:
Provided further, That any Flood Control and Coastal
Emergencies appropriation may be used to fund the super-
vision and general administration of emergency oper-
ations, repairs, and other activities in response to any
flood, hurricane, or other natural disaster.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY
FOR CIVIL WORKS

For the Office of the Assistant Secretary of the Army
for Civil Works as authorized by 10 U.S.C. 2304(b)(3),
$4,750,000 (increased by $30,000,000) (reduced by
$30,000,000), to remain available until September 30,
2017: Provided, That not more than 25 percent of such
amount may be obligated or expended until the Assistant
Secretary submits to the Committees on Appropriations
of both Houses of Congress a work plan that allocates at least 95 percent of the additional funding provided under each heading in this title (as designated under such heading in the report of the Committee on Appropriations accompanying this Act) to specific programs, projects, or activities.

GENERAL PROVISIONS—CORPS OF ENGINEERS—CIVIL

(INCLUDING TRANSFER OF FUNDS)

Sec. 101. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by this Act;

(4) reduces funds that are directed to be used for a specific program, project, or activity by this Act;

(5) increases funds for any program, project, or activity by more than $2,000,000 or 10 percent, whichever is less; or
(6) reduces funds for any program, project, or activity by more than $2,000,000 or 10 percent, whichever is less.

(c) The Corps of Engineers shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

Sec. 102. None of the funds made available in this title may be used to award or modify any contract that commits funds beyond the amounts appropriated for that program, project, or activity that remain unobligated, ex-
1 except that such amounts may include any funds that have
2 been made available through reprogramming pursuant to
3 section 101.

Sec. 103. The Secretary of the Army may transfer
4 to the Fish and Wildlife Service; and the Fish and Wildlife
5 Service may accept and expend, up to $4,700,000 of funds
6 provided in this title under the heading “Operation and
7 Maintenance” to mitigate for fisheries lost due to Corps
8 of Engineers projects.

Sec. 104. None of the funds made available in this
9 or any other Act making appropriations for Energy and
10 Water Development for any fiscal year may be used by
11 the Corps of Engineers to develop, adopt, implement, ad-
12 minister, or enforce any change to the regulations in effect
13 on October 1, 2012, pertaining to the definitions of the
14 terms “fill material” or “discharge of fill material” for the
15 purposes of the Federal Water Pollution Control Act (33
16 U.S.C. 1251 et seq.);

Sec. 105. None of the funds made available in this
19 or any other Act making appropriations for Energy and
20 Water Development for any fiscal year may be used by
21 the Corps of Engineers to develop, adopt, implement, ad-
22 minister, or enforce any change to the regulations and
23 guidance in effect on October 1, 2012, pertaining to the
24 definition of waters under the jurisdiction of the Federal

Sec. 106. None of the funds made available by this Act may be used to require a permit for the discharge of dredged or fill material under the Federal Water Pollution Control Act (33 U.S.C. 1251, et seq.) for the activities identified in subparagraphs (A) and (C) of section 404(f)(1) of the Act (33 U.S.C. 1344(f)(1)(A), (C)).

Sec. 107. As of the date of enactment of this Act and each fiscal year thereafter, the Secretary of the Army shall not promulgate or enforce any regulation that prohibits an individual from possessing a firearm, including an assembled or functional firearm, at a water resources development project covered under section 327.0 of title 36, Code of Federal Regulations (as in effect on the date of enactment of this Act), if—

(1) the individual is not otherwise prohibited by law from possessing the firearm; and

(2) the possession of the firearm is in compliance with the law of the State in which the water resources development project is located.
SEC. 108. No funds in this Act shall be used for an open lake placement alternative of dredged material, after evaluating the least costly, environmentally acceptable manner for the disposal or management of dredged material originating from Lake Erie or tributaries thereto, unless it is approved under a State water quality certification pursuant to 33 U.S.C. 1341.

TITLE II—DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, $9,874,000, to remain available until expended, of which $1,000,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission: Provided, That of the amount provided under this heading, $1,300,000 shall be available until September 30, 2017, for expenses necessary in carrying out related responsibilities of the Secretary of the Interior: Provided further, That for fiscal year 2016, of the amount made available to the Commission under this Act or any other Act, the Commission may use an amount not to exceed $1,500,000 for administrative expenses.
BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:

WATER AND RELATED RESOURCES
(INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activities, including the operation, maintenance, and rehabilitation of reclamation and other facilities; participation in fulfilling related Federal responsibilities to Native Americans; and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian tribes, and others, $948,640,000 (increased by $2,000,000), to remain available until expended, of which $22,000 shall be available for transfer to the Upper Colorado River Basin Fund and $5,899,000 shall be available for transfer to the Lower Colorado River Basin Development Fund, of which such amounts as may be necessary may be advanced to the Colorado River Dam Fund: Provided, That such transfers may be increased or decreased within the overall appropriation under this heading: Provided further, That of the total appropriated, the amount for program activities that can be financed by the Reclamation Fund or the Bureau of Reclamation
special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: Provided further, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which the funds were contributed: Provided further, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: Provided further, That of the amounts provided herein, funds may be used for high-priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706.

CENTRAL VALLEY PROJECT RESTORATION FUND

For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of the Central Valley Project Improvement Act, $49,528,000, to be derived from such sums as may be collected in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(e)(3), and 3405(f) of Public Law 102–575, to remain available until expended: Provided, That the Bureau of Reclamation is directed to assess and collect the full amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102–575: Provided further, That none of the funds made available under this heading may be used for
the acquisition or leasing of water for in-stream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION

(INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, $37,000,000, to remain available until expended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: Provided, That funds appropriated herein may be used for the Federal share of the costs of CALFED Program management: Provided further, That CALFED implementation shall be carried out in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.

POLICY AND ADMINISTRATION

For expenses necessary for policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the five regions of the Bureau of Reclamation, to remain available until September 30, 2017, $59,500,000, to be derived from the
Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377. Provided, That not more than 25 percent of such amount may be obligated or expended until Reclamation complies with congressional and statutory direction related to Technical Memorandum 8140–CC–2004–1 ("Corrosion Considerations for Buried Metallic Water Pipe") and the associated pipeline reliability study. Provided further, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.

ADMINISTRATIVE PROVISION
Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed five passenger motor vehicles, which are for replacement only.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR
Sec. 201. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—
(1) creates or initiates a new program, project, or activity;
(2) eliminates a program, project, or activity;
(3) increases funds for any program, project, or activity for which funds have been denied or restricted by this Act,
(4) restarts or resumes any program, project or activity for which funds are not provided in this Act, unless prior approval is received from the Committees on Appropriations of both Houses of Congress;

(5) transfers funds in excess of the following limits—

(A) 15 percent for any program, project or activity for which $2,000,000 or more is available at the beginning of the fiscal year; or

(B) $300,000 for any program, project or activity for which less than $2,000,000 is available at the beginning of the fiscal year;

(6) transfers more than $500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category; or

(7) transfers, when necessary to discharge legal obligations of the Bureau of Reclamation, more than $5,000,000 to provide adequate funds for settled contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments.
(h) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

(c) For purposes of this section, the term "transfer" means any movement of funds into or out of a program, project, or activity.

(d) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

Sec. 202. (a) None of the funds appropriated or otherwise made available by this Act may be used to determine the final point of discharge for the interceptor drain for the San Luis Unit until development by the Secretary of the Interior and the State of California of a plan, which shall conform to the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters.

(b) The costs of the Kesterson Reservoir Cleanup Program and the costs of the San Joaquin Valley Drainage Program shall be classified by the Secretary of the
Interior as reimbursable or nonreimbursable and collected until fully repaid pursuant to the "Cleanup Program—Alternative Repayment Plan" and the "SJVDP—Alternative Repayment Plan" described in the report entitled "Repayment Report, Kesterson Reservoir Cleanup Program and San Joaquin Valley Drainage Program, February 1995," prepared by the Department of the Interior, Bureau of Reclamation. Any future obligations of funds by the United States relating to, or providing for, drainage service or drainage studies for the San Luis Unit shall be fully reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

SEC. 203. The Secretary of the Interior, acting through the Commissioner of Reclamation, shall—

(1) complete the feasibility studies described in clauses (i)(I) and (ii)(II) of section 103(d)(1)(A) of Public Law 108–361 (118 Stat. 1684) and submit such studies to the appropriate committees of the House of Representatives and the Senate not later than December 31, 2015;

(2) complete the feasibility studies described in clauses (i)(II) and (ii)(I) of section 103(d)(1)(A) of Public Law 108–361 and submit such studies to the appropriate committees of the House of Representa-
tives and the Senate not later than November 30, 2016;

(3) complete the feasibility study described in section 103(f)(1)(A) of Public Law 108–361 (118 Stat. 1694) and submit such study to the appropriate committees of the House of Representatives and the Senate not later than December 31, 2017; and

(4) provide a progress report on the status of the feasibility studies referred to in paragraphs (1) through (3) to the appropriate committees of the House of Representatives and the Senate not later than 90 days after the date of the enactment of this Act and each 180 days thereafter until December 31, 2017, as applicable. The report shall include timelines for study completion; draft environmental impact statements; final environmental impact statements; and Records of Decision.

TITLE III—DEPARTMENT OF ENERGY

ENERGY PROGRAMS

Energy Efficiency and Renewable Energy

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for energy efficiency and renewable energy activities in carrying out
the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $1,657,774,000 (reduced by $4,000,000) (increased by $4,000,000) (increased by $9,000,000) (increased by $2,000,000), to remain available until expended: Provided, That of such amount, $150,000,000 shall be available until September 30, 2017, for program direction.

Electricity Delivery and Energy Reliability

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for electricity delivery and energy reliability activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $187,500,000, to remain available until expended: Provided, That of such amount, $27,000,000 shall be available until September 30, 2017, for program direction.

Nuclear Energy

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for nuclear
energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $936,161,000, to remain available until expended: Provided, That of such amount, $80,000,000 shall be available until September 30, 2017, for program direction including official reception and representation expenses not to exceed $10,000.

For Department of Energy expenses necessary in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, and for conducting inquiries, technological investigations and research concerning the extraction, processing, use, and disposal of mineral substances without objectionable social and environmental costs (30 U.S.C. 3, 1602, and 1603), $605,000,000, to remain available until expended: Provided, That of such amount $120,000,000 shall be available until September 30, 2017, for program direction.
NAVAL PETROLEUM AND OIL SHALE RESERVES

For Department of Energy expenses necessary to carry out naval petroleum and oil shale reserve activities, $17,500,000, to remain available until expended. Provided, That, notwithstanding any other provision of law, unobligated funds remaining from prior years shall be available for all naval petroleum and oil shale reserve activities.

STRATEGIC PETROLEUM RESERVE

For Department of Energy expenses necessary for Strategic Petroleum Reserve facility development and operations and program management activities pursuant to the Energy Policy and Conservation Act (42 U.S.C. 6201 et seq.), $212,030,000, to remain available until expended.

NORTHEAST HOME HEATING OIL RESERVE

For Department of Energy expenses necessary for Northeast Home Heating Oil Reserve storage, operation, and management activities pursuant to the Energy Policy and Conservation Act (42 U.S.C. 6201 et seq.), $7,600,000, to remain available until expended.

ENERGY INFORMATION ADMINISTRATION

For Department of Energy expenses necessary in carrying out the activities of the Energy Information Administration, $117,000,000, to remain available until expended.
NON-DEFENSE ENVIRONMENTAL CLEANUP

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for non-defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $229,193,000; to remain available until expended.

URANIUM ENRICHMENT DECONTAMINATION AND DECOMMISSIONING FUND

For Department of Energy expenses necessary in carrying out uranium enrichment facility decontamination and decommissioning, remedial actions, and other activities of title H of the Atomic Energy Act of 1954, and title X, subtitle A, of the Energy Policy Act of 1992, $625,000,000; to be derived from the Uranium Enrichment Decontamination and Decommissioning Fund; to remain available until expended, of which $32,959,000 shall be available in accordance with title X, subtitle A, of the Energy Policy Act of 1992.

SCIENCE

For Department of Energy expenses including the purchase, construction, and acquisition of plant and cap-
ital equipment, and other expenses necessary for science activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or facility or for plant or facility acquisition, construction, or expansion, and purchase of not more than 17 passenger motor vehicles for replacement only, including one ambulance and one bus; $5,100,000,000, to remain available until expended: Provided, That of such amount, $181,000,000 shall be available until September 30, 2017, for program direction:

NUCLEAR WASTE DISPOSAL

For nuclear waste disposal activities to carry out the purposes of the Nuclear Waste Policy Act of 1982 (Public Law 97–425), including the acquisition of real property or facility construction or expansion; $150,000,000, to remain available until expended, and to be derived from the Nuclear Waste Fund: Provided, That of the amount provided under this heading, $5,000,000 shall be made available to affected units of local government, as defined in section 2(31) of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101(31)), to support the Yucca Mountain geologic repository, as authorized by such Act.
For Department of Energy expenses necessary in carrying out the activities authorized by section 5012 of the America COMPETES Act (Public Law 110–69), $280,000,000, to remain available until expended: Provided, That of such amount $28,000,000 shall be available until September 30, 2017, for program direction.

Such sums as are derived from amounts received from borrowers pursuant to section 1702(b) of the Energy Policy Act of 2005 under this heading in prior Acts, shall be collected in accordance with section 502(7) of the Congressional Budget Act of 1974: Provided, That, for necessary administrative expenses to carry out this Loan Guarantee program, $42,000,000 is appropriated, to remain available until September 30, 2017: Provided further, That $25,000,000 of the fees collected pursuant to section 1702(h) of the Energy Policy Act of 2005 shall be credited as offsetting collections to this account to cover administrative expenses and shall remain available until expended, so as to result in a final fiscal year 2016 appropriation from the general fund estimated at not more than $17,000,000: Provided further, That fees collected under section 1702(h) in excess of the amount appropriated for
administrative expenses shall not be available until appropriated. Provided further, That the Department of Energy shall not subordinate any loan obligation to other financing in violation of section 1702 of the Energy Policy Act of 2005 or subordinate any Guaranteed Obligation to any loan or other debt obligations in violation of section 609.10 of title 10, Code of Federal Regulations.

Advanced Technology Vehicles Manufacturing Loan Program

For Department of Energy administrative expenses necessary in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $6,000,000, to remain available until September 30, 2017.

Departmental Administration

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), $247,420,000 (reduced by $1,000,000) (reduced by $3,000,000) (reduced by $36,720,000) (reduced by $2,000,000) (reduced by $9,000,000) (reduced by $2,000,000) (reduced by $1,000,000) (increased by $1,000,000), to remain available until September 30, 2017, including the hire of passenger motor vehicles and official reception and representation expenses not to exceed $30,000, plus such addi-
tional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): Provided, That such increases in cost of work are offset by revenue increases of the same or greater amount: Provided further, That moneys received by the Department for miscellaneous revenues estimated to total $117,171,000 in fiscal year 2016 may be retained and used for operating expenses within this account, as authorized by section 201 of Public Law 95–238, notwithstanding the provisions of 31 U.S.C. 3302: Provided further, That the sum herein appropriated shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation from the general fund estimated at not more than $130,249,000: Provided further, That of the total amount made available under this heading, $31,297,000 is for Energy Policy and Systems Analysis:

Office of the Inspector General

For expenses necessary for the Office of the Inspector General in carrying out the provisions of the Inspector General Act of 1978, $46,000,000 (increased by $424,000), to remain available until September 30, 2017.
ATOMIC ENERGY DEFENSE ACTIVITIES

NATIONAL NUCLEAR SECURITY ADMINISTRATION

Weapons Activities

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for atomic energy defense weapons activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $8,713,000,000, to remain available until expended: Provided, That $92,000,000 shall be available until September 30, 2017, for program direction.

DEFENSE NUCLEAR NONPROLIFERATION

(INCLUDING RESCISSION OF FUNDS)

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion,
$1,918,000,000 (reduced by $13,802,000) (increased by $10,000,000) (increased by $3,802,000), to remain available until expended: Provided, That funds provided by this Act for Project 99–D–143, Mixed Oxide Fuel Fabrication Facility, and by prior Acts that remain unobligated for such Project, may be made available only for construction and program support activities for such Project. Provided further, That of the unobligated balances from prior year appropriations available under this heading, $10,394,000 is hereby rescinded: Provided further, That no amounts may be rescinded from amounts that were designated by the Congress as an emergency requirement pursuant to a concurrent resolution on the budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

NAVAL REACTORS

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction, or otherwise) of real property, plant, and capital equipment, facilities, and facility expansion, $1,320,394,000 (increased by $2,426,400), to remain available until expended: Provided, That $43,500,000 shall be available until September 30, 2017, for program direction.
FEDERAL SALARIES AND EXPENSES

For expenses necessary for Federal Salaries and Expenses in the National Nuclear Security Administration, $388,000,000 (reduced by $2,500,000), to remain available until September 30, 2017, including official reception and representation expenses not to exceed $12,000.

ENVIRONMENTAL AND OTHER DEFENSE ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses necessary for atomic energy defense environmental cleanup activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, and the purchase of not to exceed one fire apparatus pumper truck and one armored vehicle for replacement only, $5,055,550,000, to remain available until expended: Provided, That of such amount $281,951,000 shall be available until September 30, 2017, for program direction.
Defense Uranium Enrichment Decontamination and Decommissioning (including transfer of funds)

For an additional amount for atomic energy defense environmental cleanup activities for Department of Energy contributions for uranium enrichment decontamination and decommissioning activities, $471,797,000, to be deposited into the Defense Environmental Cleanup account which shall be transferred to the “Uranium Enrichment Decontamination and Decommissioning Fund”.

Other Defense Activities

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses, necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $767,570,000, to remain available until expended: Provided, That of such amount, $253,729,000 shall be available until September 30, 2017, for program direction.
POWER MARKETING ADMINISTRATIONS

BONNEVILLE POWER ADMINISTRATION FUND

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93–454, are approved for the Shoshone Paiute Trout Hatchery, the Spokane Tribal Hatchery, the Snake River Sockeye Weirs and, in addition, for official reception and representation expenses in an amount not to exceed $5,000: Provided, That during fiscal year 2016, no new direct loan obligations may be made.

OPERATION AND MAINTENANCE, SOUTHEASTERN POWER ADMINISTRATION

For expenses necessary for operation and maintenance of power transmission facilities and for marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, $6,900,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended: Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944, up to $6,900,000 collected by the Southeastern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain
available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administra-
tion: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $0. Provided further, That, notwithstanding 31 U.S.C. 3302, up to $66,500,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

Operation and Maintenance, Southwestern Power Administration

For expenses necessary for operation and mainte-
nance of power transmission facilities and for marketing electric power and energy, for construction and acquisition of transmission lines; substations and appurtenant facili-
ties; and for administrative expenses; including official recep-
tion and representation expenses in an amount not to
exceed $1,500 in carrying out section 5 of the Flood Control Act of 1944 (16 U.S.C. §25s), as applied to the Southwestern Power Administration; $47,361,000, to remain available until expended. Provided, That notwithstanding 31 U.S.C. 3302 and section 5 of the Flood Control Act of 1944 (16 U.S.C. §25s), up to $35,961,000 collected by the Southwestern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Southwestern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $11,400,000: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $63,000,000 collected by the Southwestern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that
are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

CONSTRUCTION, REHABILITATION, OPERATION AND MAINTENANCE, WESTERN AREA POWER ADMINISTRATION

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, $307,714,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended, of which $302,000,000 shall be derived from the Department of the Interior Reclamation Fund: Provided, That notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 4 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to $214,342,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so
as to result in a final fiscal year 2016 appropriation estimated at not more than $93,372,000, of which $87,658,000 is derived from the Reclamation Fund: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $352,813,000 collected by the Western Area Power Administration pursuant to the Flood Control Act of 1944 and the Reclamation Project Act of 1939 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses):

FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND

For operation, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, $4,490,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June 18, 1954 (68 Stat. 255); Provided, That notwithstanding the provisions of that Act and of 31 U.S.C. 3302, up to
$4,262,000 collected by the Western Area Power Administration from the sale of power and related services from the Falcon and Amistad Dams shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the hydroelectric facilities of these Dams and associated Western Area Power Administration activities. Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $228,000. Provided further, That for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred. Provided further, That for fiscal year 2016, the Administrator of the Western Area Power Administration may accept up to $460,000 in funds contributed by United States power customers of the Falcon and Amistad Dams for deposit into the Falcon and Amistad Operating and Maintenance Fund, and such funds shall be available for the purpose for which contributed in like manner as if said sums had been specifically appropriated for such purpose. Provided further, That any such funds shall be available without further appropriation and without fiscal year limitation for use by the Commissioner of the United States
Section of the International Boundary and Water Commission for the sole purpose of operating, maintaining, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at these Dams in accordance with agreements reached between the Administrator, Commissioner, and the power customers.

FEDERAL ENERGY REGULATORY COMMISSION

SALARIES AND EXPENSES

For expenses necessary for the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, official reception and representation expenses not to exceed $3,000, and the hire of passenger motor vehicles, $319,800,000, to remain available until expended: Provided, That notwithstanding any other provision of law, not to exceed $319,800,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2016 shall be retained and used for expenses necessary in this account, and shall remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2016 so as to result in a final fiscal year 2016 appropriation from the general fund estimated at not more than $0.
GENERAL PROVISIONS—DEPARTMENT OF

ENERGY

(INCLUDING TRANSFER AND RESCISSIONS OF FUNDS)

Sec. 301. (a) No appropriation, funds, or authority
made available by this title for the Department of Energy
shall be used to initiate or resume any program, project,
or activity or to prepare or initiate Requests For Proposals
or similar arrangements (including Requests for
Quotations, Requests for Information, and Funding Op-
portunity Announcements) for a program, project, or ac-
tivity if the program, project, or activity has not been
funded by Congress.

(b)(1) Unless the Secretary of Energy notifies the
Committees on Appropriations of both Houses of Congress
at least 3 full business days in advance, none of the funds
made available in this title may be used to—

(A) make a grant allocation or discretionary
grant award totaling $1,000,000 or more;

(B) make a discretionary contract award or
Other Transaction Agreement totaling $1,000,000
or more, including a contract covered by the Federal
Acquisition Regulation;

(C) issue a letter of intent to make an alloca-
tion, award, or Agreement in excess of the limits in
subparagraph (A) or (B); or
(D) announce publicly the intention to make an
allocation, award, or Agreement in excess of the lim-
its in subparagraph (A) or (B):

(2) The Secretary of Energy shall submit to the Com-
mittees on Appropriations of both Houses of Congress
within 15 days of the conclusion of each quarter a report
detailing each grant allocation or discretionary grant
award totaling less than $1,000,000 provided during the
previous quarter.

(3) The notification required by paragraph (1) and
the report required by paragraph (2) shall include the re-
cipient of the award, the amount of the award, the fiscal
year for which the funds for the award were appropriated,
the account and program, project, or activity from which
the funds are being drawn, the title of the award, and
a brief description of the activity for which the award is
made.

(e) The Department of Energy may not, with respect
to any program, project, or activity that uses budget au-
thority made available in this title under the heading "De-
partment of Energy—Energy Programs," enter into a
multiyear contract, award a multiyear grant, or enter into
a multiyear cooperative agreement unless—
(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or

(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future year budget authority and the Secretary notifies the Committees on Appropriations of both Houses of Congress at least 3 days in advance.

(d) Except as provided in subsections (e), (f), and (g), the amounts made available by this title shall be expended as authorized by law for the programs, projects, and activities specified in the “Bill” column in the “Department of Energy” table included under the heading “Title III—Department of Energy” in the report of the Committee on Appropriations accompanying this Act.

(e) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program, project, or activity funding level to increase or decrease by more than $5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.
(f) None of the funds provided in this title shall be available for obligation or expenditure through a re-programming of funds that—

   (1) creates, initiates, or eliminates a program, project, or activity;

   (2) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

   (3) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(g)(1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health; the environment; welfare; or national security.

   (2) The Secretary of Energy shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver.
Sec. 302. The unexpended balances of prior appropriations provided for activities in this Act may be available to the same appropriation accounts for such activities established pursuant to this title. Available balances may be merged with funds in the applicable established accounts and thereafter may be accounted for as one fund for the same time period as originally enacted.

Sec. 303. Funds appropriated by this or any other Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414) during fiscal year 2016 until the enactment of the Intelligence Authorization Act for fiscal year 2016.

Sec. 304. None of the funds made available in this title shall be used for the construction of facilities classified as high-hazard nuclear facilities under 10 CFR Part 830 unless independent oversight is conducted by the Office of Independent Enterprise Assessments to ensure the project is in compliance with nuclear safety requirements.

Sec. 305. None of the funds made available in this title may be used to approve critical decision-2 or critical decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds...
$100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.

Sec. 306. Notwithstanding section 301(e) of this Act, none of the funds made available under the heading “Department of Energy—Energy Programs—Science” may be used for a multiyear contract, grant, cooperative agreement, or Other Transaction Agreement of $1,000,000 or less unless the contract, grant, cooperative agreement, or Other Transaction Agreement is funded for the full period of performance as anticipated at the time of award.

Sec. 307. (a) None of the funds made available in this or any prior Act under the heading “Defense Nuclear Nonproliferation” may be made available to enter into new contracts with, or new agreements for Federal assistance to, the Russian Federation.

(b) The Secretary of Energy may waive the prohibition in subsection (a) if the Secretary determines that such activity is in the national security interests of the United States. This waiver authority may not be delegated.

(c) A waiver under subsection (b) shall not be effective until 15 days after the date on which the Secretary submits to the Committees on Appropriations of both
Houses of Congress, in classified form if necessary, a report on the justification for the waiver.

SEC. 308. (a) Notification of Strategic Petroleum Reserve Drawdown.—None of the funds made available by this Act or any prior Act, or funds made available in the SPR Petroleum Account, may be used to conduct a drawdown (including a test drawdown) and sale or exchange of petroleum products from the Strategic Petroleum Reserve unless the Secretary of Energy provides notice, in accordance with subsection (b), of such exchange, or drawdown (including a test drawdown) to the Committees on Appropriations of both Houses of Congress.

(b)(1) Content of Notification.—The notification required under subsection (a) shall include at a minimum—

(A) the justification for the drawdown or exchange, including—

(i) a specific description of any obligation under international energy agreements; and

(ii) in the case of a test drawdown, the specific aspects of the Strategic Petroleum Reserve to be tested;

(B) the provisions of law (including regulations) authorizing the drawdown or exchange;
(C) the number of barrels of petroleum products proposed to be withdrawn or exchanged;

(D) the location of the Strategic Petroleum Reserve site or sites from which the petroleum products are proposed to be withdrawn;

(E) a good faith estimate of the expected proceeds from the sale of the petroleum products;

(F) an estimate of the total inventories of petroleum products in the Strategic Petroleum Reserve after the anticipated drawdown;

(G) a detailed plan for disposition of the proceeds after deposit into the SPR Petroleum Account; and

(H) a plan for refilling the Strategic Petroleum Reserve, including whether the acquisition will be of the same or a different petroleum product.

(2) Timing of notification.—The Secretary shall provide the notification required under subsection (a)—

(A) in the case of an exchange or a drawdown, as soon as practicable after the exchange or drawdown has occurred; and

(B) in the case of a test drawdown, not later than 30 days prior to the test drawdown.
(e) **Post-Sale Notification.**—In addition to reporting requirements under other provisions of law, the Secretary shall, upon the execution of all contract awards associated with a competitive sale of petroleum products, notify the Committees on Appropriations of both Houses of Congress of the actual value of the proceeds from the sale.

(d)(1) **New Regional Reserves.**—The Secretary may not establish any new regional petroleum product reserve unless funding for the proposed regional petroleum product reserve is explicitly requested in advance in an annual budget submission and approved by the Congress in an appropriations Act.

(2) The budget request or notification shall include—

(A) the justification for the new reserve;

(B) a cost estimate for the establishment, operation, and maintenance of the reserve, including funding sources;

(C) a detailed plan for operation of the reserve, including the conditions upon which the products may be released;

(D) the location of the reserve; and

(E) the estimate of the total inventory of the reserve.
Sec. 309. Of the amounts made available by this Act for “National Nuclear Security Administration—Weapons Activities”, up to $50,000,000 may be reprogrammed within such account for Domestic Uranium Enrichment, subject to the notice requirement in section 301(e).

Sec. 310. (a) Unobligated balances available from appropriations for fiscal years 2005 through 2010 are hereby permanently rescinded from the following accounts of the Department of Energy in the specified amounts:

(2) “Energy Programs—Electricity Delivery and Energy Reliability”, $900,000.

(3) “Energy Programs—Nuclear Energy”, $1,665,000.

(4) “Energy Programs—Fossil Energy Research and Development”, $12,064,000.

(6) “Power Marketing Administrations—Construction, Rehabilitation, Operation and Maintenance, Western Area Power Administration”, $4,832,000.

(b) No amounts may be rescinded by this section from amounts that were designated by the Congress as an emergency requirement pursuant to a concurrent reso-
Title IV—Independent Agencies

Appalachian Regional Commission

For expenses necessary to carry out the programs authorized by the Appalachian Regional Development Act of 1965, notwithstanding 40 U.S.C. 14704, and for expenses necessary for the Federal Co-Chairman and the Alternate on the Appalachian Regional Commission, for payment of the Federal share of the administrative expenses of the Commission, including services as authorized by 5 U.S.C. 3109, and hire of passenger motor vehicles, $95,000,000, to remain available until expended.

Defense Nuclear Facilities Safety Board

Salaries and Expenses

For expenses necessary for the Defense Nuclear Facilities Safety Board in carrying out activities authorized by the Atomic Energy Act of 1954, as amended by Public Law 100–456, section 1441, $29,900,000, to remain available until September 30, 2017.

Delta Regional Authority

Salaries and Expenses

For expenses necessary for the Delta Regional Authority and to carry out its activities, as authorized by the Delta Regional Authority Act of 2000, notwith-
standing sections 382C(b)(2), 382F(d), 382M, and 382N of said Act, $12,000,000, to remain available until expended.

**Denali Commission**

For expenses necessary for the Denali Commission including the purchase, construction, and acquisition of plant and capital equipment as necessary and other expenses, $10,000,000, to remain available until expended; notwithstanding the limitations contained in section 306(g) of the Denali Commission Act of 1998: Provided, That funds shall be available for construction projects in an amount not to exceed 80 percent of total project cost for distressed communities, as defined by section 307 of the Denali Commission Act of 1998 (division C, title III, Public Law 105–277), as amended by section 701 of appendix D, title VII, Public Law 106–113 (113 Stat. 1501A–280), and an amount not to exceed 50 percent for non-distressed communities.

**Northern Border Regional Commission**

For expenses necessary for the Northern Border Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $3,000,000, to remain available until expended: Provided, That such amounts shall be available for administrative expenses;
notwithstanding section 15751(b) of title 40, United States Code.

SOUTHEAST CRESCENT REGIONAL COMMISSION

For expenses necessary for the Southeast Crescent Regional Commission in carrying out activities authorized by subtitle V of title 40, United States Code, $250,000, to remain available until expended.

NUCLEAR REGULATORY COMMISSION

SALARIES AND EXPENSES

For expenses necessary for the Commission in carrying out the purposes of the Energy Reorganization Act of 1974 and the Atomic Energy Act of 1954, $1,003,233,000, including official representation expenses not to exceed $25,000, to remain available until expended, of which $25,000,000 shall be derived from the Nuclear Waste Fund: Provided, That of the amount appropriated herein, not more than $9,500,000 may be made available for salaries, travel, and other support costs for the Office of the Commission, to remain available until September 30, 2017, of which, notwithstanding section 201(a)(2)(c) of the Energy Reorganization Act of 1974 (42 U.S.C. 5841(a)(2)(c)), the use and expenditure shall only be approved by a majority vote of the Commission: Provided further, That revenues from licensing fees, inspection services, and other services and collections estimated at
$862,274,000 in fiscal year 2016 shall be retained and used for necessary salaries and expenses in this account, notwithstanding 31 U.S.C. 3302, and shall remain available until expended: Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2016 so as to result in a final fiscal year 2016 appropriation estimated at not more than $140,959,000: Provided further, That of the amounts appropriated under this heading, $10,000,000 shall be for university research and development in areas relevant to their respective organization’s mission, and $5,000,000 shall be for a Nuclear Science and Engineering Grant Program that will support multiyear projects that do not align with programmatic missions but are critical to maintaining the discipline of nuclear science and engineering.

OFFICE OF INSPECTOR GENERAL

For expenses necessary for the Office of Inspector General in carrying out the provisions of the Inspector General Act of 1978, $12,136,000, to remain available until September 30, 2017: Provided, That revenues from licensing fees, inspection services, and other services and collections estimated at $10,060,000 in fiscal year 2016 shall be retained and be available until September 30, 2017, for necessary salaries and expenses in this account, notwithstanding section 3302 of title 31, United States
Provided further, That the sum herein appropriated shall be reduced by the amount of revenues received during fiscal year 2016 so as to result in a final fiscal year 2016 appropriation estimated at not more than $2,076,000. Provided further, That of the amounts appropriated under this heading, $958,000 shall be for Inspector General services for the Defense Nuclear Facilities Safety Board, which shall not be available from fee revenues.

NUCLEAR WASTE TECHNICAL REVIEW BOARD

SALARIES AND EXPENSES

For expenses necessary for the Nuclear Waste Technical Review Board, as authorized by Public Law 100–203, section 5051, $3,600,000, to be derived from the Nuclear Waste Fund, to remain available until September 30, 2017.

OFFICE OF THE FEDERAL COORDINATOR FOR ALASKA NATURAL GAS TRANSPORTATION PROJECTS

For expenses necessary for the Office of the Federal Coordinator for Alaska Natural Gas Transportation Projects pursuant to the Alaska Natural Gas Pipeline Act, $1,000,000, to remain available until September 30, 2017: Provided, That any fees, charges, or commissions received pursuant to section 106(h) of the Alaska Natural Gas Pipeline Act (15 U.S.C. 720d(h)) in fiscal year 2016 in
excess of $2,402,000 shall not be available for obligation until appropriated in a subsequent Act of Congress.

GENERAL PROVISIONS—INDEPENDENT AGENCIES

Sec. 401. The Nuclear Regulatory Commission shall comply with the July 5, 2011, version of Chapter VI of its Internal Commission Procedures when responding to Congressional requests for information.

TITLE V—GENERAL PROVISIONS

Sec. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

Sec. 502. (a) None of the funds made available in title III of this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the report of the Committee on Appropriations accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Govern-
ment may provide goods or services to another department, agency, or instrumentality.

(b) None of the funds made available for any department, agency, or instrumentality of the United States Government may be transferred to accounts funded in title III of this Act, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the report of the Committee on Appropriations accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(c) The head of any relevant department or agency funded in this Act utilizing any transfer authority shall submit to the Committees on Appropriations of both Houses of Congress a semiannual report detailing the transfer authorities, except for any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality, used in the previous 6 months and in the year-to-date. This report shall include the amounts transferred and the purposes for which they were transferred, and shall not replace or
modify existing notification requirements for each author-
ity.

Section 503. None of the funds made available by this Act may be used in contravention of Executive Order No. 12898 of February 11, 1994 (Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations).

Section 504. None of the funds made available by this Act may be used to conduct closure of adjudicatory functions, technical review, or support activities associated with the Yucca Mountain geologic repository license application, or for actions that irrevocably remove the possibility that Yucca Mountain may be a repository option in the future.

Section 505. None of the funds made available by this Act may be used to further implementation of the coastal and marine spatial planning and ecosystem-based management components of the National Ocean Policy developed under Executive Order No. 13547 of July 19, 2010.

Spending Reduction Account

Section 506. The amount by which the applicable allocation of new budget authority made by the Committee on Appropriations of the House of Representatives under section 302(b) of the Congressional Budget Act of 1974 exceeds the amount of proposed new budget authority is $0.
Sec. 507. None of the funds made available by this Act may be used to transform the National Energy Technology Laboratory into a government-owned, contractor-operated laboratory, or to consolidate or close the National Energy Technology Laboratory.

Sec. 508. None of the funds made available in this Act under the heading "Defense Nuclear Nonproliferation" may be made available to enter into new contracts with, or new agreements for Federal assistance to the Islamic Republic of Iran except for contracts or agreements that require the Islamic Republic of Iran to cease the pursuit, acquisition, and development of nuclear weapons technology.

Sec. 509. None of the funds made available by this Act may be used by the Department of Energy, the Department of the Interior, or any other Federal agency to lease or purchase new light duty vehicles for any executive fleet, or for an agency's fleet inventory, except in accordance with Presidential Memorandum—Federal Fleet Performance, dated May 24, 2011.

Sec. 510. None of the funds made available by this Act may be used by the Department of Energy to finalize, implement, or enforce the proposed rule entitled "Standards Ceiling Fans and Ceiling Fan Light Kits" and identified by regulation identification number 1904–AC87.
Sec. 511. None of the funds made available in this Act may be used in contravention of section 2101 of the Water Resources Reform and Development Act of 2014 (33 U.S.C. 2238b) or section 210 of the Water Resources Development Act of 1986 (33 U.S.C. 2238).

Sec. 512. None of the funds made available by this Act may be used for the Cape Wind Energy Project on the Outer Continental Shelf off Massachusetts, Nantucket Sound.

Sec. 513. None of the funds made available in this Act may be used—

(1) to implement or enforce section 430.32(x) of title 10, Code of Federal Regulations; or

(2) to implement or enforce the standards established by the tables contained in section 325(i)(1)(B) of the Energy Policy and Conservation Act (42 U.S.C. 6295(i)(1)(B)) with respect to BPAR incandescent reflector lamps, BR incandescent reflector lamps, and ER incandescent reflector lamps.

Sec. 514. None of the funds made available by this Act may be used to implement, administer, carry out, modify, revise, or enforce Executive Order No. 13690 (entitled "Establishing a Federal Flood Risk Management
Standard and a Process for Further Soliciting and Considering Stakeholder Input’’).

Sec. 515. None of the funds made available by this Act for ‘‘Department of Energy—Energy Programs—Science’’ may be used in contravention of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.).

Sec. 516. None of the funds in this Act may be available for the purchase by the Department of Defense (and its departments and agencies) of welded shipboard anchor and mooring chain 4 inches in diameter and under unless the anchor and mooring chain are procured from a manufacturer that is part of the national technology and industrial base.

Sec. 517. None of the funds made available by this Act may be used for the removal of any federally owned or operated dam.

Sec. 518. None of the funds made available by this Act may be used to enter into a contract with any offeror or any of its principals if the offeror certifies, as required by Federal Acquisition Regulation, that the offeror or any of its principals—

(1) within a 3-year period preceding this offer has been convicted of or had a civil judgment rendered against it for: commission of fraud or a criminal offense in connection with obtaining, attempting
to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(2) are presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated above in paragraph (1); or

(3) within a 3-year period preceding this offer, has been notified of any delinquent Federal taxes in an amount that exceeds $3,000 for which the liability remains unsatisfied.

Sec. 519. None of the funds made available by this Act may be used to finalize, promulgate, or enforce the Department of Energy’s proposed rule entitled “Energy Conservation Program for Consumer Products: Energy Conservation Standards for Residential Furnaces” (80 Fed. Reg. 48: March 12, 2015).

Sec. 520. None of the funds made available by this Act may be used to continue the study conducted by the Army Corps of Engineers pursuant to section 5018(a)(1)

Sec. 521. For an additional amount for "Corps of Engineers—Civil—Department of the Army—Investigations", there is hereby appropriated, and the amount otherwise provided by this Act for "Department of Energy—Energy Programs—Departmental Administration" is hereby reduced by $2,500,000.

Sec. 522. None of the funds made available by this Act may be used by the Department of Energy to apply the report entitled "Life Cycle Greenhouse Gas Perspective on Exporting Liquefied Natural Gas from the United States", published in the Federal Register on June 4, 2014 (79 Fed. Reg. 32260), in any public interest determination under section 3 of the Natural Gas Act (15 U.S.C. 717b).

Sec. 523. None of the funds made available by this Act may be used for the Department of Energy's Climate Model Development and Validation program.

Sec. 524. None of the funds made available by this Act may be used to purchase water to supplement or enhance the instream flow requirements in the State of California that are mandated under the Endangered Species Act of 1973, the Central Valley Project Improvement Act, or the National Environmental Policy Act of 1969.
Sec. 525. None of the funds made available by this Act may be used to implement, administer, or enforce the requirement in section 323.4(a)(1)(ii) of title 33, Code of Federal Regulations, or section 232.3(e)(1)(ii)(A) of title 40, Code of Federal Regulations, that activities identified in paragraph (1)(A) of subsection (f) of section 404 of the Federal Water Pollution Control Act (33 U.S.C. 1344(f)(1)(A)) must be established or ongoing in order to receive an exemption under such subsection.

Sec. 526. None of the funds made available by this Act may be used to deliver water to the Trinity River above the minimum requirements of the Trinity Record of Decision or to supplement flows in the Klamath River. This Act may be cited as the “Energy and Water Development and Related Agencies Appropriations Act, 2016”.

That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for energy and water development and related agencies for the fiscal year ending September 30, 2016, and for other purposes, namely:
TITLE I

CORPS OF ENGINEERS—CIVIL

DEPARTMENT OF THE ARMY

Corps of Engineers—Civil

The following appropriations shall be expended under the direction of the Secretary of the Army and the supervision of the Chief of Engineers for authorized civil functions of the Department of the Army pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related efforts.

INVESTIGATIONS

For expenses necessary where authorized by law for the collection and study of basic information pertaining to river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related needs; for surveys and detailed studies, and plans and specifications of proposed river and harbor, flood and storm damage reduction, shore protection, and aquatic ecosystem restoration projects, and related efforts prior to construction; for restudy of authorized projects; and for miscellaneous investigations, and, when authorized by law, surveys and detailed studies, and plans and specifications of projects prior to construction, $109,000,000, to remain available until expended.
CONSTRUCTION

For expenses necessary for the construction of river and harbor, flood and storm damage reduction, shore protection, aquatic ecosystem restoration, and related projects authorized by law; for conducting detailed studies, and plans and specifications, of such projects (including those involving participation by States, local governments, or private groups) authorized or made eligible for selection by law (but such detailed studies, and plans and specifications, shall not constitute a commitment of the Government to construction); $1,641,000,000, to remain available until expended; of which such sums as are necessary to cover the Federal share of construction costs for facilities under the Dredged Material Disposal Facilities program shall be derived from the Harbor Maintenance Trust Fund as authorized by Public Law 104–303; and of which such sums as are necessary to cover one-half of the costs of construction, replacement, rehabilitation, and expansion of inland waterways projects shall be derived from the Inland Waterways Trust Fund, except as otherwise specifically provided for in law.

MISSISSIPPI RIVER AND TRIBUTARIES

For expenses necessary for flood damage reduction projects and related efforts in the Mississippi River alluvial valley below Cape Girardeau, Missouri, as authorized by
law, $330,000,000, to remain available until expended, of
which such sums as are necessary to cover the Federal share
of eligible operation and maintenance costs for inland har-
bors shall be derived from the Harbor Maintenance Trust
Fund.

OPERATION AND MAINTENANCE

For expenses necessary for the operation, maintenance,
and care of existing river and harbor, flood and storm dam-
age reduction, aquatic ecosystem restoration, and related
projects authorized by law; providing security for infra-
structure owned or operated by the Corps, including admin-
istrative buildings and laboratories; maintaining harbor
channels provided by a State, municipality, or other public
agency that serve essential navigation needs of general com-
merce, where authorized by law; surveying and charting
northern and northwestern lakes and connecting waters;
clearing and straightening channels; and removing obstruc-
tions to navigation, $2,909,000,000, to remain available
until expended, of which such sums as are necessary to cover
the Federal share of eligible operation and maintenance
costs for coastal harbors and channels, and for inland har-
bors shall be derived from the Harbor Maintenance Trust
Fund; of which such sums as become available from the spe-
cial account for the Corps of Engineers established by the
Land and Water Conservation Fund Act of 1965 shall be
derived from that account for resource protection, research, interpretation, and maintenance activities related to resource protection in the areas at which outdoor recreation is available; and of which such sums as become available from fees collected under section 217 of Public Law 104–303 shall be used to cover the cost of operation and maintenance of the dredged material disposal facilities for which such fees have been collected: Provided, That 1 percent of the total amount of funds provided for each of the programs, projects, or activities funded under this heading shall not be allocated to a field operating activity prior to the beginning of the fourth quarter of the fiscal year and shall be available for use by the Chief of Engineers to fund such emergency activities as the Chief of Engineers determines to be necessary and appropriate, and that the Chief of Engineers shall allocate during the fourth quarter any remaining funds which have not been used for emergency activities proportionally in accordance with the amounts provided for the programs, projects, or activities.

REGULATORY PROGRAM

For expenses necessary for administration of laws pertaining to regulation of navigable waters and wetlands, $200,000,000, to remain available until September 30, 2017.
FORMERLY UTILIZED SITES REMEDIAL ACTION PROGRAM

For expenses necessary to clean up contamination from sites in the United States resulting from work performed as part of the Nation’s early atomic energy program, $101,500,000, to remain available until expended.

FLOOD CONTROL AND COASTAL EMERGENCIES

For expenses necessary to prepare for flood, hurricane, and other natural disasters and support emergency operations, repairs, and other activities in response to such disasters as authorized by law, $28,000,000, to remain available until expended.

EXPENSES

For expenses necessary for the supervision and general administration of the civil works program in the headquarters of the Corps of Engineers and the offices of the Division Engineers; and for costs of management and operation of the Humphreys Engineer Center Support Activity, the Institute for Water Resources, the United States Army Engineer Research and Development Center, and the United States Army Corps of Engineers Finance Center allocable to the civil works program, $178,000,000, to remain available until September 30, 2017, of which not to exceed $5,000 may be used for official reception and representation purposes and only during the current fiscal year: Provided, That no part of any other appropriation provided in this
title shall be available to fund the civil works activities of
the Office of the Chief of Engineers or the civil works execu-
tive direction and management activities of the division of-
ices: Provided further, That any Flood Control and Coastal
Emergencies appropriation may be used to fund the super-
vision and general administration of emergency operations,
repairs, and other activities in response to any flood, hurri-
cane, or other natural disaster.

OFFICE OF THE ASSISTANT SECRETARY OF THE ARMY FOR
CIVIL WORKS

For the Office of the Assistant Secretary of the Army
for Civil Works as authorized by 10 U.S.C. 3016(b)(3),
$3,000,000, to remain available until September 30, 2017.

GENERAL PROVISIONS—CORPS OF ENGINEERS—
CIVIL

(INCLUDING TRANSFER AND RESCISSION OF FUNDS)

Sec. 101. (a) None of the funds provided in title I
of this Act, or provided by previous appropriations Acts
to the agencies or entities funded in title I of this Act that
remain available for obligation or expenditure in fiscal year
2016, shall be available for obligation or expenditure
through a reprogramming of funds that:

(1) creates or initiates a new program, project,
or activity;

(2) eliminates a program, project, or activity;
(3) increases funds or personnel for any program, project, or activity for which funds have been denied or restricted by this Act, unless prior approval is received from the House and Senate Committees on Appropriations;

(4) proposes to use funds directed for a specific activity for a different purpose, unless prior approval is received from the House and Senate Committees on Appropriations;

(5) augments or reduces existing programs, projects or activities in excess of the amounts contained in subsections 6 through 10, unless prior approval is received from the House and Senate Committees on Appropriations;

(6) INVESTIGATIONS.—For a base level over $100,000, reprogramming of 25 percent of the base amount up to a limit of $150,000 per project, study or activity is allowed: Provided, That for a base level less than $100,000, the reprogramming limit is $25,000: Provided further, That up to $25,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;

(7) CONSTRUCTION.—For a base level over $2,000,000, reprogramming of 15 percent of the base
amount up to a limit of $3,000,000 per project, study or activity is allowed: Provided, That for a base level less than $2,000,000, the reprogramming limit is $300,000: Provided further, That up to $3,000,000 may be reprogrammed for settled contractor claims, changed conditions, or real estate deficiency judgments: Provided further, That up to $300,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation for existing obligations and concomitant administrative expenses;

(8) OPERATIONS AND MAINTENANCE.—Unlimited reprogramming authority is granted in order for the Corps to be able to respond to emergencies: Provided, That the Chief of Engineers must notify the House and Senate Committees on Appropriations of these emergency actions as soon thereafter as practicable: Provided further, That for a base level over $1,000,000, reprogramming of 15 percent of the base amount a limit of $5,000,000 per project, study or activity is allowed: Provided further, That for a base level less than $1,000,000, the reprogramming limit is $150,000: Provided further, That $150,000 may be reprogrammed into any continuing study or activity that did not receive an appropriation;
(9) **Mississippi River and Tributaries.**—The same reprogramming guidelines for the Investigations, Construction, and Operation and Maintenance portions of the Mississippi River and Tributaries Account as listed above; and

(10) **Formerly Utilized Sites Remedial Action Program.**—Reprogramming of up to 15 percent of the base of the receiving project is permitted.

(b) **De Minimis Reprogrammings.**—In no case should a reprogramming for less than $50,000 be submitted to the House and Senate Committees on Appropriations.

(c) **Continuing Authorities Program.**—Subsection (a)(1) shall not apply to any project or activity funded under the continuing authorities program.

(d) Not later than 60 days after the date of enactment of this Act, the Corps of Engineers shall submit a report to the House and Senate Committees on Appropriations to establish the baseline for application of reprogramming and transfer authorities for the current fiscal year: Provided, That the report shall include:

(1) A table for each appropriation with a separate column to display the President’s budget request, adjustments made by Congress, adjustments due to enacted rescissions, if applicable, and the fiscal year enacted level;
(2) A delineation in the table for each appropriation both by object class and program, project and activity as detailed in the budget appendix for the respective appropriations; and

(3) An identification of items of special congressional interest.

SEC. 102. (a) Of the funds made available in prior appropriations Acts for water resources efforts under the headings “Corps of Engineers-Civil, Department of the Army, Construction” that remain unobligated as of the date of enactment of this Act, including amounts specified in law for particular projects, programs, or activities, $128,000,000 is rescinded.

(b) None of the funds under subsection (a) may be rescinded from amounts that the Congress designated as an emergency requirement pursuant to the Concurrent Resolution on the Budget or the Balanced Budget and Emergency Deficit Control Act of 1985, as amended.

SEC. 103. The Secretary of the Army may transfer to the Fish and Wildlife Service, and the Fish and Wildlife Service may accept and expend, up to $4,700,000 of funds provided in this title under the heading “Operation and Maintenance” to mitigate for fisheries lost due to Corps of Engineers projects.
SEC. 104. None of the funds made available in this or any other Act making appropriations for Energy and Water Development for any fiscal year may be used by the Corps of Engineers during the fiscal year ending September 30, 2016, to develop, adopt, implement, administer, or enforce any change to the regulations in effect on October 1, 2012, pertaining to the definitions of the terms “fill material” or “discharge of fill material” for the purposes of the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.).

PROJECT DEAUTHORIZATION

SEC. 105. (a) Not later than 180 days after the date of enactment of this Act, the Secretary shall execute a transfer agreement with the South Florida Water Management District for the project identified as the “Ten Mile Creek Water Preserve Area Critical Restoration Project”, carried out under section 528(b)(3) of the Water Resources Development Act of 1996 (110 Stat. 3768).

(b) The transfer agreement under subsection (a) shall require the South Florida Water Management District to operate the transferred project as an environmental restoration project to provide water storage and water treatment options.

(c) Upon execution of the transfer agreement under subsection (a), the Ten Mile Creek Water Preserve Area
Critical Restoration Project shall no longer be authorized as a Federal project.

SEC. 106. Section 5032(a)(2) of the Water Resources Development Act of 2007 (Public Law 110–114; 121 Stat. 1205) is amended by striking “15” and inserting “20”.

SEC. 107. (a) No funds made available in this Act or any prior Act shall be available to reallocate water within the Alabama-Coosa-Tallapoosa (ACT) river basin, or any study thereof, until the Corps of Engineers has executed a Partnering Agreement with Alabama and Georgia outlining the participation of each State in a water reallocation study for the ACT river basin.

(b) The prohibition in subsection (a) shall apply to the use of contributed or other non-Federal funds.

TITLE II

DEPARTMENT OF THE INTERIOR

CENTRAL UTAH PROJECT

CENTRAL UTAH PROJECT COMPLETION ACCOUNT

For carrying out activities authorized by the Central Utah Project Completion Act, $9,874,000, to remain available until expended, of which $1,000,000 shall be deposited into the Utah Reclamation Mitigation and Conservation Account for use by the Utah Reclamation Mitigation and Conservation Commission: Provided, That, of the amount provided under this heading, $1,350,000 shall be available
until September 30, 2017, for expenses necessary in carrying out related responsibilities of the Secretary of the Interior: Provided further, That, for fiscal year 2016, of the amount made available to the Commission under this Act or any other Act, the Commission may use an amount not to exceed $1,500,000 for administrative expenses.

BUREAU OF RECLAMATION

The following appropriations shall be expended to execute authorized functions of the Bureau of Reclamation:

WATER AND RELATED RESOURCES

(INCLUDING TRANSFERS OF FUNDS)

For management, development, and restoration of water and related natural resources and for related activities, including the operation, maintenance, and rehabilitation of reclamation and other facilities, participation in fulfilling related Federal responsibilities to Native Americans, and related grants to, and cooperative and other agreements with, State and local governments, federally recognized Indian tribes, and others, $988,131,000, to remain available until expended, of which $22,000 shall be available for transfer to the Upper Colorado River Basin Fund and $5,899,000 shall be available for transfer to the Lower Colorado River Basin Development Fund; of which such amounts as may be necessary may be advanced to the Colorado River Dam Fund: Provided, That such transfers may
be increased or decreased within the overall appropriation under this heading: Provided further, That, of the total appropriated, the amount for program activities that can be financed by the Reclamation Fund or the Bureau of Reclamation special fee account established by 16 U.S.C. 6806 shall be derived from that Fund or account: Provided further, That funds contributed under 43 U.S.C. 395 are available until expended for the purposes for which the funds were contributed: Provided further, That funds advanced under 43 U.S.C. 397a shall be credited to this account and are available until expended for the same purposes as the sums appropriated under this heading: Provided further, That, of the amounts provided herein, funds may be used for high-priority projects which shall be carried out by the Youth Conservation Corps, as authorized by 16 U.S.C. 1706.

CENTRAL VALLEY PROJECT RESTORATION FUND

For carrying out the programs, projects, plans, habitat restoration, improvement, and acquisition provisions of the Central Valley Project Improvement Act, $49,528,000, to be derived from such sums as may be collected in the Central Valley Project Restoration Fund pursuant to sections 3407(d), 3404(c)(3), and 3405(f) of Public Law 102–575, to remain available until expended: Provided, That the Bureau of Reclamation is directed to assess and collect the full
amount of the additional mitigation and restoration payments authorized by section 3407(d) of Public Law 102–575: Provided further, That none of the funds made available under this heading may be used for the acquisition or leasing of water for in-stream purposes if the water is already committed to in-stream purposes by a court adopted decree or order.

CALIFORNIA BAY-DELTA RESTORATION

(INCLUDING TRANSFERS OF FUNDS)

For carrying out activities authorized by the Water Supply, Reliability, and Environmental Improvement Act, consistent with plans to be approved by the Secretary of the Interior, $37,000,000, to remain available until expended, of which such amounts as may be necessary to carry out such activities may be transferred to appropriate accounts of other participating Federal agencies to carry out authorized purposes: Provided, That funds appropriated herein may be used for the Federal share of the costs of CALFED Program management; Provided further, That CALFED implementation shall be carried out in a balanced manner with clear performance measures demonstrating concurrent progress in achieving the goals and objectives of the Program.
POLICY AND ADMINISTRATION

For expenses necessary for policy, administration, and related functions in the Office of the Commissioner, the Denver office, and offices in the five regions of the Bureau of Reclamation, to remain available until September 30, 2017, $58,500,000, to be derived from the Reclamation Fund and be nonreimbursable as provided in 43 U.S.C. 377: Provided, That no part of any other appropriation in this Act shall be available for activities or functions budgeted as policy and administration expenses.

ADMINISTRATIVE PROVISION

Appropriations for the Bureau of Reclamation shall be available for purchase of not to exceed five passenger motor vehicles, which are for replacement only.

GENERAL PROVISIONS—DEPARTMENT OF THE INTERIOR

Sec. 201. (a) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—

(1) creates or initiates a new program, project, or activity;

(2) eliminates a program, project, or activity;

(3) increases funds for any program, project, or activity for which funds have been denied or restricted by this Act;
(4) restarts or resumes any program, project or activity for which funds are not provided in this Act, unless prior approval is received from the Committees on Appropriations of both Houses of Congress;

(5) transfers funds in excess of the following limits—

(A) 15 percent for any program, project or activity for which $2,000,000 or more is available at the beginning of the fiscal year; or

(B) $300,000 for any program, project or activity for which less than $2,000,000 is available at the beginning of the fiscal year;

(6) transfers more than $500,000 from either the Facilities Operation, Maintenance, and Rehabilitation category or the Resources Management and Development category to any program, project, or activity in the other category; or

(7) transfers, when necessary to discharge legal obligations of the Bureau of Reclamation, more than $5,000,000 to provide adequate funds for settled contractor claims, increased contractor earnings due to accelerated rates of operations, and real estate deficiency judgments.
(b) Subsection (a)(5) shall not apply to any transfer of funds within the Facilities Operation, Maintenance, and Rehabilitation category.

(c) For purposes of this section, the term “transfer” means any movement of funds into or out of a program, project, or activity.

(d) The Bureau of Reclamation shall submit reports on a quarterly basis to the Committees on Appropriations of both Houses of Congress detailing all the funds reprogrammed between programs, projects, activities, or categories of funding. The first quarterly report shall be submitted not later than 60 days after the date of enactment of this Act.

SEC. 202. (a) None of the funds appropriated or otherwise made available by this Act may be used to determine the final point of discharge for the interceptor drain for the San Luis Unit until development by the Secretary of the Interior and the State of California of a plan, which shall conform to the water quality standards of the State of California as approved by the Administrator of the Environmental Protection Agency, to minimize any detrimental effect of the San Luis drainage waters.

(b) The costs of the Kesterson Reservoir Cleanup Program and the costs of the San Joaquin Valley Drainage Program shall be classified by the Secretary of the Interior
as reimbursable or nonreimbursable and collected until fully repaid pursuant to the “Cleanup Program—Alternative Repayment Plan” and the “SJVDP—Alternative Repayment Plan” described in the report entitled “Repayment Report, Kesterson Reservoir Cleanup Program and San Joaquin Valley Drainage Program, February 1995”, prepared by the Department of the Interior, Bureau of Reclamation. Any future obligations of funds by the United States relating to, or providing for, drainage service or drainage studies for the San Luis Unit shall be fully reimbursable by San Luis Unit beneficiaries of such service or studies pursuant to Federal reclamation law.

SEC. 203. Section 9504(e) of the Secure Water Act of 2009 (42 U.S.C. 10364(e)) is amended by striking “$300,000,000” and inserting “$500,000,000”.

SEC. 204. Title I of Public Law 108–361 (the Calfed Bay-Delta Authorization Act) (118 Stat. 1681), as amended by section 210 of Public Law 111–85, is amended by striking “2016” each place it appears and inserting “2020”.

SEC. 205. The Reclamation Safety of Dams Act of 1978 is amended by—

(1) striking “Construction” and inserting “Except as provided in section 5B, construction” in section 3; and
(2) inserting after section 5A (43 U.S.C. 509a) the following:

“Sec. 5B. Notwithstanding section 3, if the Secretary, in her judgment, determines that additional project benefits, including but not limited to additional conservation storage capacity, are necessary and in the interests of the United States and the project and are feasible and not inconsistent with the purposes of this Act, the Secretary is authorized to develop additional project benefits through the construction of new or supplementary works on a project in conjunction with the Secretary’s activities under section 2 of this Act and subject to the conditions described in the feasibility study, provided the costs associated with developing the additional project benefits are allocated to the authorized purposes of the project that have a benefit, a cost share agreement related to the additional project benefits is reached among State and Federal funding agencies and repaid consistent with all provisions of Federal Reclamation law (the Act of June 17, 1902, 43 U.S.C. 371 et seq.) and acts supplemental to and amendatory of that Act.”.

Sec. 206. Section 5 of the Reclamation Safety of Dams Act of 1978 (43 U.S.C. 509) is amended in the first sentence—
(a) by inserting “and effective October 1, 2015, not to exceed an additional $1,100,000,000 (October 1, 2003, price levels),” after “(October 1, 2003, price levels),”;

(b) in the proviso—

(1) by striking “$1,250,000” and inserting “$20,000,000”; and

(2) by striking “Congress” and inserting “Committee on Natural Resources of the House of Representatives and the Committee on Energy and Natural Resources of the Senate”; and

(3) by adding at the end the following: “For modification expenditures between $1,800,000 and $20,000,000 (October 1, 2013, price levels), the Secretary of the Interior shall, at least 30 days before the date on which the funds are expended, submit written notice of the expenditures to the Committee on Natural Resources of the House of Representatives and Committee on Energy and Natural Resources of the Senate that provides a summary of the project, the cost of the project, and any alternatives that were considered.”.

Sec. 207. The Secretary of the Interior, acting through the Commissioner of Reclamation, shall—

(a) complete the feasibility studies described in clauses (i)(I) and (ii)(II) of section 103(d)(1)(A) of Public Law

(b) complete the feasibility study described in clause (i)(II) of section 103(d)(1)(A) of Public Law 108–361 and submit such study to the appropriate committees of the House of Representatives and the Senate not later than November 30, 2016;

(c) complete a publicly available draft feasibility study for the project described in clause (ii)(I) of section 103(d)(1)(A) of Public Law 108–361 and submit such study to the appropriate committees of the House of Representatives and the Senate not later than November 30, 2016;

(d) complete the feasibility study described in clause (ii)(I) of section 103(d)(1)(A) of Public Law 108–361 and submit such study to the appropriate committees of the House of Representatives and the Senate not later than November 30, 2017;

(e) complete the feasibility study described in section 103(f)(1)(A) of Public Law 108–361 (118 Stat. 1694) and submit such study to the appropriate committees of the House of Representatives and the Senate not later than December 31, 2017; and

(f) provide a progress report on the status of the feasibility studies referred to in paragraphs (1) through (3) to
the appropriate committees of the House of Representatives
and the Senate not later than 90 days after the date of the
enactment of this Act and each 180 days thereafter until
December 31, 2017, as applicable. The report shall include
timelines for study completion, draft environmental impact
statements, final environmental impact statements, and
Records of Decision.

Sec. 208. Notwithstanding any other provision of this
Act, funds provided by this Act for California Bay-Delta
Restoration may be used to deliver water to the Trinity
River above the minimum requirements of the Trinity
Record of Decision or to supplement flows in the Klamath
River.

Sec. 209. Notwithstanding any other provision of this
Act, funds made available by this Act for Central Valley
Project Restoration Fund may be used for all authorized
activities necessary to supplement or enhance the instream
flow requirements in the State of California that are man-
dated under the Endangered Species Act of 1973 and the
Central Valley Project Improvement Act.
TITLE III

DEPARTMENT OF ENERGY

ENERGY PROGRAMS

Energy Efficiency and Renewable Energy

(including transfer and rescission of funds)

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for energy efficiency and renewable energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $1,950,000,000, to remain available until expended: Provided, That, of such amount, $160,000,000 shall be available until September 30, 2017, for program direction: Provided further, That, of the amount provided under this heading, the Secretary may transfer up to $45,000,000 to the Defense Production Act Fund for activities of the Department of Energy pursuant to the Defense Production Act of 1950 (50 U.S.C. App. 2061, et seq.).

Electricity Delivery and Energy Reliability

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for electricity de-
livery and energy reliability activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $152,306,000, to remain available until expended: Provided, That, of such amount, $27,000,000 shall be available until September 30, 2017, for program direction.

**Nuclear Energy**

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for nuclear energy activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $950,161,000, to remain available until expended: Provided, That, of such amount, $80,000,000 shall be available until September 30, 2017, for program direction including official reception and representation expenses not to exceed $10,000: Provided, That, of such amount, $24,000,000 shall be derived from the Nuclear Waste Fund.
FOSSIL ENERGY RESEARCH AND DEVELOPMENT

For Department of Energy expenses necessary in carrying out fossil energy research and development activities, under the authority of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition of interest, including defeasible and equitable interests in any real property or any facility or for plant or facility acquisition or expansion, and for conducting inquiries, technological investigations and research concerning the extraction, processing, use, and disposal of mineral substances without objectionable social and environmental costs (30 U.S.C. 3, 1602, and 1603), $610,000,000, to remain available until expended: Provided, That, of such amount, $115,000,000 shall be available until September 30, 2017, for program direction.

NAVAL PETROLEUM AND OIL SHALE RESERVES

For Department of Energy expenses necessary to carry out naval petroleum and oil shale reserve activities, $17,500,000, to remain available until expended: Provided, That, notwithstanding any other provision of law, unobligated funds remaining from prior years shall be available for all naval petroleum and oil shale reserve activities.

STRATEGIC PETROLEUM RESERVE

For Department of Energy expenses necessary for Strategic Petroleum Reserve facility development and oper-
ations and program management activities pursuant to the 
Energy Policy and Conservation Act (42 U.S.C. 6201 et 
seq.), $200,000,000, to remain available until expended. 

NORTHEAST HOME HEATING OIL RESERVE 
For Department of Energy expenses necessary for 
Northeast Home Heating Oil Reserve storage, operation, 
and management activities pursuant to the Energy Policy 
and Conservation Act (42 U.S.C. 6201 et seq.), $7,600,000, 
to remain available until expended. 

ENERGY INFORMATION ADMINISTRATION 
For Department of Energy expenses necessary in car-
rying out the activities of the Energy Information Adminis-
tration, $122,000,000, to remain available until expended. 

NON-DEFENSE ENVIRONMENTAL CLEANUP 
For Department of Energy expenses, including the 
purchase, construction, and acquisition of plant and cap-
ital equipment and other expenses necessary for non-defense 
environmental cleanup activities in carrying out the pur-
poses of the Department of Energy Organization Act (42 
U.S.C. 7101 et seq.), including the acquisition or con-
demnation of any real property or any facility or for plant 
or facility acquisition, construction, or expansion, 
$244,000,000, to remain available until expended.
Uranium Enrichment Decontamination and Decommissioning Fund

Science

For Department of Energy expenses including the purchase, construction, and acquisition of plant and capital equipment, and other expenses necessary for science activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or facility or for plant or facility acquisition, construction, or expansion, and purchase of not more than 17 passenger motor vehicles for replacement only, including one ambulance and one bus, $5,143,877,000, to remain available until expended: Provided, That, of such amount,
$185,000,000 shall be available until September 30, 2017, for program direction.

**ADVANCED RESEARCH PROJECTS AGENCY—ENERGY**

For Department of Energy expenses necessary in carrying out the activities authorized by section 5012 of the America COMPETES Act (Public Law 110–69), $291,000,000, to remain available until expended: Provided, That, of such amount, $28,000,000 shall be available until September 30, 2017, for program direction.

**TITLE 17 INNOVATIVE TECHNOLOGY LOAN GUARANTEE PROGRAM**

Such sums as are derived from amounts received from borrowers pursuant to section 1702(b) of the Energy Policy Act of 2005 under this heading in prior Acts, shall be collected in accordance with section 502(7) of the Congressional Budget Act of 1974: Provided, That, for necessary administrative expenses to carry out this Loan Guarantee program, $42,000,000 is appropriated, to remain available until September 30, 2017: Provided further, That $25,000,000 of the fees collected pursuant to section 1702(h) of the Energy Policy Act of 2005 shall be credited as offsetting collections to this account to cover administrative expenses and shall remain available until expended, so as to result in a final fiscal year 2016 appropriation from the general fund estimated at not more than $17,000,000: Pro-
provided further, That fees collected under section 1702(h) in excess of the amount appropriated for administrative expenses shall not be available until appropriated: Provided further, That the Department of Energy shall not subordinate any loan obligation to other financing in violation of section 1702 of the Energy Policy Act of 2005 or subordinate any Guaranteed Obligation to any loan or other debt obligations in violation of section 609.10 of title 10, Code of Federal Regulations.

ADVANCED TECHNOLOGY VEHICLES MANUFACTURING

LOAN PROGRAM

For Department of Energy administrative expenses necessary in carrying out the Advanced Technology Vehicles Manufacturing Loan Program, $6,000,000, to remain available until September 30, 2017.

DEPARTMENTAL ADMINISTRATION

For salaries and expenses of the Department of Energy necessary for departmental administration in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), $248,142,000, to remain available until September 30, 2017, including the hire of passenger motor vehicles and official reception and representation expenses not to exceed $30,000, plus such additional amounts as necessary to cover increases in the estimated amount of cost of work for others notwithstanding the provisions of
the Anti-Deficiency Act (31 U.S.C. 1511 et seq.): Provided,

That such increases in cost of work are offset by revenue
increases of the same or greater amount: Provided further,
That moneys received by the Department for miscellaneous
revenues estimated to total $117,171,000 in fiscal year 2016
may be retained and used for operating expenses within this
account, as authorized by section 201 of Public Law 95–
238, notwithstanding the provisions of 31 U.S.C. 3302: Pro-
vided further, That the sum herein appropriated shall be
reduced as collections are received during the fiscal year
so as to result in a final fiscal year 2016 appropriation
from the general fund estimated at not more than
$130,971,000: Provided further, That, of the total amount
made available under this heading, $31,297,000 is for En-
ergy Policy and Systems Analysis.

Office of the Inspector General

For expenses necessary for the Office of the Inspector
General in carrying out the provisions of the Inspector Gen-
eral Act of 1978, $46,424,000, to remain available until
September 30, 2017.

Atomic Energy Defense Activities

National Nuclear Security Administration

Weapons Activities

For Department of Energy expenses, including the
purchase, construction, and acquisition of plant and cap-
ital equipment and other incidental expenses necessary for atomic energy defense weapons activities in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $8,882,364,000, to remain available until expended: Provided, That of such amount, $97,118,000 shall be available until September 30, 2017, for program direction.

**DEFENSE NUCLEAR NONPROLIFERATION**

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other incidental expenses necessary for defense nuclear nonproliferation activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construction, or expansion, $1,705,912,000, to remain available until expended.

**NAVAL REACTORS**

For Department of Energy expenses necessary for naval reactors activities to carry out the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition (by purchase, condemnation, construction, or otherwise) of real property, plant, and capital equip-
ment, facilities, and facility expansion, $1,300,000,000, to
remain available until expended: Provided, That of such
amount, $42,504,000 shall be available until September 30,
2017, for program direction.

FEDERAL SALARIES AND EXPENSES

For expenses necessary for Federal Salaries and Ex-
penses in the National Nuclear Security Administration,
$375,000,000, to remain available until September 30,
2017, including official reception and representation ex-
penses not to exceed $12,000.

ENVIRONMENTAL AND OTHER DEFENSE

ACTIVITIES

DEFENSE ENVIRONMENTAL CLEANUP

For Department of Energy expenses, including the
purchase, construction, and acquisition of plant and cap-
ital equipment and other expenses necessary for atomic en-
ergy defense environmental cleanup activities in carrying
out the purposes of the Department of Energy Organization
Act (42 U.S.C. 7101 et seq.), including the acquisition or
condemnation of any real property or any facility or for
plant or facility acquisition, construction, or expansion,
and the purchase of not to exceed one fire apparatus pump-
er truck and one armored vehicle for replacement only,
$5,180,000,000, to remain available until expended: Pro-
vided, That, of such amount, $281,951,000 shall be avail-
able until September 30, 2017, for program direction: Provided further, That the Office of Environmental Management shall not accept ownership or responsibility for clean-up of any National Nuclear Security Administration facilities or sites without funding specifically designated for that purpose in an Appropriations Act at the time of transfer.

DEFENSE URANIUM ENRICHMENT DECONTAMINATION AND DECOMMISSIONING

(INCLUDING TRANSFER OF FUNDS)

For an additional amount for atomic energy defense environmental cleanup activities for Department of Energy contributions for uranium enrichment decontamination and decommissioning activities, $614,000,000, to be deposited into the Defense Environmental Cleanup account which shall be transferred to the “Uranium Enrichment Decontamination and Decommissioning Fund”.

OTHER DEFENSE ACTIVITIES

For Department of Energy expenses, including the purchase, construction, and acquisition of plant and capital equipment and other expenses, necessary for atomic energy defense, other defense activities, and classified activities, in carrying out the purposes of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including the acquisition or condemnation of any real property or any facility or for plant or facility acquisition, construc-
tion, or expansion, $764,000,000, to remain available until expended: Provided, That, of such amount, $249,137,000 shall be available until September 30, 2017, for program direction.

**POWER MARKETING ADMINISTRATIONS**

**Bonneville Power Administration Fund**

Expenditures from the Bonneville Power Administration Fund, established pursuant to Public Law 93–454, are approved for the Shoshone Paiute Trout Hatchery, the Spokane Tribal Hatchery, the Snake River Sockeye Weirs and, in addition, for official reception and representation expenses in an amount not to exceed $5,000: Provided, That, during fiscal year 2016, no new direct loan obligations may be made.

**Operations and Maintenance, Southeastern Power Administration**

For expenses necessary for operations and maintenance of power transmission facilities and for marketing electric power and energy, including transmission wheeling and ancillary services, pursuant to section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), as applied to the southeastern power area, $6,900,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended: Provided, That, notwithstanding 31 U.S.C. 3302 and section
5 of the Flood Control Act of 1944, up to $6,900,000 collected by the Southeastern Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the Southeastern Power Administration: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $0: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $66,500,000 collected by the Southeastern Power Administration pursuant to the Flood Control Act of 1944 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

OPERATIONS AND MAINTENANCE, SOUTHWESTERN POWER ADMINISTRATION

For expenses necessary for operations and maintenance of power transmission facilities and for marketing
electric power and energy, for construction and acquisition
of transmission lines, substations and appurtenant facili-
ties, and for administrative expenses, including official re-
ception and representation expenses in an amount not to
exceed $1,500 in carrying out section 5 of the Flood Control
Act of 1944 (16 U.S.C. 825s), as applied to the South-
western Power Administration, $47,361,000, to remain
available until expended: Provided, That, notwithstanding
31 U.S.C. 3302 and section 5 of the Flood Control Act of
1944 (16 U.S.C. 825s), up to $35,961,000 collected by the
Southwestern Power Administration from the sale of power
and related services shall be credited to this account as dis-
cretionary offsetting collections, to remain available until
expended, for the sole purpose of funding the annual ex-
penses of the Southwestern Power Administration: Provided
further, That the sum herein appropriated for annual ex-
penses shall be reduced as collections are received during
the fiscal year so as to result in a final fiscal year 2016
appropriation estimated at not more than $11,400,000:
Provided further, That, notwithstanding 31 U.S.C. 3302,
up to $63,000,000 collected by the Southwestern Power Ad-
ministration pursuant to the Flood Control Act of 1944 to
recover purchase power and wheeling expenses shall be cred-
ited to this account as offsetting collections, to remain avail-
able until expended for the sole purpose of making purchase
power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

Construction, Rehabilitation, Operations and Maintenance, Western Area Power Administration

For carrying out the functions authorized by title III, section 302(a)(1)(E) of the Act of August 4, 1977 (42 U.S.C. 7152), and other related activities including conservation and renewable resources programs as authorized, $307,714,000, including official reception and representation expenses in an amount not to exceed $1,500, to remain available until expended, of which $302,000,000 shall be derived from the Department of the Interior Reclamation Fund: Provided, That, notwithstanding 31 U.S.C. 3302, section 5 of the Flood Control Act of 1944 (16 U.S.C. 825s), and section 1 of the Interior Department Appropriation Act, 1939 (43 U.S.C. 392a), up to $214,342,000 collected by the Western Area Power Administration from the sale of power and related services shall be credited to this account as discretionary offsetting collections, to remain available until expended, for the sole purpose of funding the annual expenses of the Western Area Power Administration: Provided further, That the sum herein appropriated
for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $93,372,000, of which $87,658,000 is derived from the Reclamation Fund: Provided further, That, notwithstanding 31 U.S.C. 3302, up to $352,813,000 collected by the Western Area Power Administration pursuant to the Flood Control Act of 1944 and the Reclamation Project Act of 1939 to recover purchase power and wheeling expenses shall be credited to this account as offsetting collections, to remain available until expended for the sole purpose of making purchase power and wheeling expenditures: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred (excluding purchase power and wheeling expenses).

**FALCON AND AMISTAD OPERATING AND MAINTENANCE FUND**

For operations, maintenance, and emergency costs for the hydroelectric facilities at the Falcon and Amistad Dams, $4,490,000, to remain available until expended, and to be derived from the Falcon and Amistad Operating and Maintenance Fund of the Western Area Power Administration, as provided in section 2 of the Act of June 18, 1954 (68 Stat. 255): Provided, That, notwithstanding the provi-
visions of that Act and of 31 U.S.C. 3302, up to $4,262,000 collected by the Western Area Power Administration from the sale of power and related services from the Falcon and Amistad Dams shall be credited to this account as discretionary offsetting collections, to remain available until expended for the sole purpose of funding the annual expenses of the hydroelectric facilities of these Dams and associated Western Area Power Administration activities: Provided further, That the sum herein appropriated for annual expenses shall be reduced as collections are received during the fiscal year so as to result in a final fiscal year 2016 appropriation estimated at not more than $228,000: Provided further, That, for purposes of this appropriation, annual expenses means expenditures that are generally recovered in the same year that they are incurred: Provided further, That, for fiscal year 2016, the Administrator of the Western Area Power Administration may accept up to $460,000 in funds contributed by United States power customers of the Falcon and Amistad Dams for deposit into the Falcon and Amistad Operating and Maintenance Fund, and such funds shall be available for the purpose for which contributed in like manner as if said sums had been specifically appropriated for such purpose: Provided further, That any such funds shall be available without further appropriation and without fiscal year limitation for use by the
Commissioner of the United States Section of the International Boundary and Water Commission for the sole purpose of operating, maintaining, repairing, rehabilitating, replacing, or upgrading the hydroelectric facilities at these Dams in accordance with agreements reached between the Administrator, Commissioner, and the power customers.

**Federal Energy Regulatory Commission**

**Salaries and Expenses**

For expenses necessary for the Federal Energy Regulatory Commission to carry out the provisions of the Department of Energy Organization Act (42 U.S.C. 7101 et seq.), including services as authorized by 5 U.S.C. 3109, official reception and representation expenses not to exceed $3,000, and the hire of passenger motor vehicles, $319,800,000, to remain available until expended: Provided, That, notwithstanding any other provision of law, not to exceed $319,800,000 of revenues from fees and annual charges, and other services and collections in fiscal year 2016 shall be retained and used for expenses necessary in this account, and shall remain available until expended: Provided further, That the sum herein appropriated from the general fund shall be reduced as revenues are received during fiscal year 2016 so as to result in a final fiscal year 2016 appropriation from the general fund estimated at not more than $0.
SEC. 301. (a) No appropriation, funds, or authority made available by this title for the Department of Energy shall be used to initiate or resume any program, project, or activity or to prepare or initiate Requests For Proposals or similar arrangements (including Requests for Quotations, Requests for Information, and Funding Opportunity Announcements) for a program, project, or activity if the program, project, or activity has not been funded by Congress.

(b)(1) Unless the Secretary of Energy notifies the Committees on Appropriations of both Houses of Congress at least 3 full business days in advance, none of the funds made available in this title may be used to—

(A) make a grant allocation or discretionary grant award totaling $1,000,000 or more;

(B) make a discretionary contract award or Other Transaction Agreement totaling $1,000,000 or more, including a contract covered by the Federal Acquisition Regulation;

(C) issue a letter of intent to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B); or
(D) announce publicly the intention to make an allocation, award, or Agreement in excess of the limits in subparagraph (A) or (B).

(2) The Secretary of Energy shall submit to the Committees on Appropriations of both Houses of Congress within 15 days of the conclusion of each quarter a report detailing each grant allocation or discretionary grant award totaling less than $1,000,000 provided during the previous quarter.

(3) The notification required by paragraph (1) and the report required by paragraph (2) shall include the recipient of the award, the amount of the award, the fiscal year for which the funds for the award were appropriated, the account and program, project, or activity from which the funds are being drawn, the title of the award, and a brief description of the activity for which the award is made.

(c) The Department of Energy may not, with respect to any program, project, or activity that uses budget authority made available in this title under the heading “Department of Energy—Energy Programs”, enter into a multiyear contract, award a multiyear grant, or enter into a multiyear cooperative agreement unless—

(1) the contract, grant, or cooperative agreement is funded for the full period of performance as anticipated at the time of award; or
(2) the contract, grant, or cooperative agreement includes a clause conditioning the Federal Government’s obligation on the availability of future year budget authority and the Secretary notifies the Committees on Appropriations of both Houses of Congress at least 3 days in advance.

(d) Except as provided in subsections (e), (f), and (g), the amounts made available by this title shall be expended as authorized by law for the programs, projects, and activities specified in the “Bill” column in the “Department of Energy” table included under the heading “Title III—Department of Energy” in the report of the Committee on Appropriations accompanying this Act.

(e) The amounts made available by this title may be reprogrammed for any program, project, or activity, and the Department shall notify the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program, project, or activity funding level to increase or decrease by more than $5,000,000 or 10 percent, whichever is less, during the time period covered by this Act.

(f) None of the funds provided in this title shall be available for obligation or expenditure through a reprogramming of funds that—
(1) creates, initiates, or eliminates a program, project, or activity;

(2) increases funds or personnel for any program, project, or activity for which funds are denied or restricted by this Act; or

(3) reduces funds that are directed to be used for a specific program, project, or activity by this Act.

(g) (1) The Secretary of Energy may waive any requirement or restriction in this section that applies to the use of funds made available for the Department of Energy if compliance with such requirement or restriction would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Secretary of Energy shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver.

SEC. 302. The unexpended balances of prior appropriations provided for activities in this Act may be available to the same appropriation accounts for such activities established pursuant to this title. Available balances may be merged with funds in the applicable established accounts
and thereafter may be accounted for as one fund for the same time period as originally enacted.

**SEC. 303. Funds appropriated by this or any other Act, or made available by the transfer of funds in this Act, for intelligence activities are deemed to be specifically authorized by the Congress for purposes of section 504 of the National Security Act of 1947 (50 U.S.C. 414) during fiscal year 2016 until the enactment of the Intelligence Authorization Act for fiscal year 2016.**

**SEC. 304. None of the funds made available in this title shall be used for the construction of facilities classified as high-hazard nuclear facilities under 10 CFR Part 830 unless independent oversight is conducted by the Office of Independent Enterprise Assessments to ensure the project is in compliance with nuclear safety requirements.**

**SEC. 305. None of the funds made available in this title may be used to approve critical decision-2 or critical decision-3 under Department of Energy Order 413.3B, or any successive departmental guidance, for construction projects where the total project cost exceeds $100,000,000, until a separate independent cost estimate has been developed for the project for that critical decision.**

**SEC. 306. (a) DEFINITIONS.—In this section:**

(1) **AFFECTED INDIAN TRIBE.—** The term “affected Indian tribe” has the meaning given the term

(2) **HIGH-LEVEL RADIOACTIVE WASTE.**—The term “high-level radioactive waste” has the meaning given the term in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101).

(3) **NUCLEAR WASTE FUND.**—The term “Nuclear Waste Fund” means the Nuclear Waste Fund established under section 302(c) of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10222(c)).

(4) **SECRETARY.**—The term “Secretary” means the Secretary of Energy.

(5) **SPENT NUCLEAR FUEL.**—The term “spent nuclear fuel” has the meaning given the term in section 2 of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101).

(b) **PILOT PROGRAM.**—Notwithstanding any provision of the Nuclear Waste Policy Act of 1982 (42 U.S.C. 10101 et seq.), the Secretary is authorized, in the current fiscal year and subsequent fiscal years, to conduct a pilot program, through 1 or more private sector partners, to license, construct, and operate 1 or more government or privately owned consolidated storage facilities to provide interim storage as needed for spent nuclear fuel and high-level radioactive waste, with priority for storage given to spent nu-
clear fuel located on sites without an operating nuclear reactor.

(c) REQUESTS FOR PROPOSALS.—Not later than 120 days after the date of enactment of this Act, the Secretary shall issue a request for proposals for cooperative agreements—

(1) to obtain any license necessary from the Nuclear Regulatory Commission for the construction of 1 or more consolidated storage facilities;

(2) to demonstrate the safe transportation of spent nuclear fuel and high-level radioactive waste, as applicable; and

(3) to demonstrate the safe storage of spent nuclear fuel and high-level radioactive waste, as applicable, at the 1 or more consolidated storage facilities pending the construction and operation of deep geologic disposal capacity for the permanent disposal of the spent nuclear fuel.

(d) CONSENT-BASED APPROVAL.—Prior to siting a consolidated storage facility pursuant to this section, the Secretary shall enter into an agreement to host the facility with—

(1) the Governor of the State;
(2) each unit of local government within the jurisdiction of which the facility is proposed to be located; and

(3) each affected Indian tribe.

(e) APPLICABILITY.—In executing this section, the Secretary shall comply with—

(1) all licensing requirements and regulations of the Nuclear Regulatory Commission; and

(2) all other applicable laws (including regulations).

(f) PILOT PROGRAM PLAN.—Not later than 120 days after the date on which the Secretary issues the request for proposals under subsection (c), the Secretary shall submit to Congress a plan to carry out this section that includes—

(1) an estimate of the cost of licensing, constructing, and operating a consolidated storage facility, including the transportation costs, on an annual basis, over the expected lifetime of the facility;

(2) a schedule for—

(A) obtaining any license necessary to construct and operate a consolidated storage facility from the Nuclear Regulatory Commission;

(B) constructing the facility;

(C) transporting spent fuel to the facility;

and
(D) removing the spent fuel and decommissioning the facility; and

(3) an estimate of the cost of any financial assistance, compensation, or incentives proposed to be paid to the host State, Indian tribe, or local government;

(4) an estimate of any future reductions in the damages expected to be paid by the United States for the delay of the Department of Energy in accepting spent fuel expected to result from the pilot program;

(5) recommendations for any additional legislation needed to authorize and implement the pilot program; and

(6) recommendations for a mechanism to ensure that any spent nuclear fuel or high-level radioactive waste stored at a consolidated storage facility pursuant to this section shall move to deep geologic disposal capacity, following a consent-based approval process for that deep geologic disposal capacity consistent with subsection (d), within a reasonable time after the issuance of a license to construct and operate the consolidated storage facility.

(g) PUBLIC PARTICIPATION.—Prior to choosing a site for the construction of a consolidated storage facility under this section, the Secretary shall conduct 1 or more public
hearings in the vicinity of each potential site and in at
least 1 other location within the State in which the site
is located to solicit public comments and recommendations.

(h) Use of Nuclear Waste Fund.—The Secretary
may make expenditures from the Nuclear Waste Fund to
carry out this section, subject to appropriations.

Sec. 307. (a) Notification of Strategic Petroleum Reserve Drawdown.—None of the funds made
available by this Act or any prior or subsequent Act, or
funds made available in the SPR Petroleum Account, may
be used in this fiscal year or each subsequent fiscal year,
to conduct a drawdown (including a test drawdown) and
sale or exchange of petroleum products from the Strategic
Petroleum Reserve unless the Secretary of Energy provides
notice, in accordance with subsection (b), of such exchange,
or drawdown (including a test drawdown) to the Commit-
tees on Appropriations of both Houses of Congress.

(b)(1) Content of notification.—The notification
required under subsection (a) shall include at a min-
imum—

(A) the justification for the drawdown or ex-
change, including—

(i) a specific description of any obligation
under international energy agreements; and
(ii) in the case of a test drawdown, the specific aspects of the Strategic Petroleum Reserve to be tested;
(B) the provisions of law (including regulations) authorizing the drawdown or exchange;
(C) the number of barrels of petroleum products proposed to be withdrawn or exchanged;
(D) the location of the Strategic Petroleum Reserve site or sites from which the petroleum products are proposed to be withdrawn;
(E) a good faith estimate of the expected proceeds from the sale of the petroleum products;
(F) an estimate of the total inventories of petroleum products in the Strategic Petroleum Reserve after the anticipated drawdown;
(G) a detailed plan for disposition of the proceeds after deposit into the SPR Petroleum Account; and
(H) a plan for refilling the Strategic Petroleum Reserve, including whether the acquisition will be of the same or a different petroleum product.

(2) TIMING OF NOTIFICATION.—The Secretary shall provide the notification required under subsection (a)—
(A) in the case of an exchange or a drawdown, as soon as practicable after the exchange or drawdown has occurred; and

(B) in the case of a test drawdown, not later than 30 days prior to the test drawdown.

(c) POST-SALE NOTIFICATION.—In addition to reporting requirements under other provisions of law, the Secretary shall, upon the execution of all contract awards in this fiscal year and each subsequent fiscal year associated with a competitive sale of petroleum products, notify the Committees on Appropriations of both Houses of Congress of the actual value of the proceeds from the sale.

(d)(1) NEW REGIONAL RESERVES.—The Secretary may not establish any new regional petroleum product reserve unless funding for the proposed regional petroleum product reserve is explicitly requested in advance in an annual budget submission and approved by the Congress in an appropriations Act.

(2) The budget request or notification shall include—

(A) the justification for the new reserve;

(B) a cost estimate for the establishment, operation, and maintenance of the reserve, including funding sources;
(C) a detailed plan for operation of the reserve, including the conditions upon which the products may be released;
(D) the location of the reserve; and
(E) the estimate of the total inventory of the reserve.

SEC. 308. (a) Unobligated balances available from appropriations for fiscal years 2005 through 2010 are hereby permanently rescinded from the following accounts of the Department of Energy in the specified amounts:

(2) “Energy Programs—Electricity Delivery and Energy Reliability”, $900,000.
(3) “Energy Programs—Nuclear Energy”, $1,665,000.
(4) “Energy Programs—Fossil Energy Research and Development”, $12,064,000.
(6) “Power Marketing Administrations—Construction, Rehabilitation, Operation and Maintenance, Western Area Power Administration”, $4,832,000.

(b) No amounts may be rescinded by this section from amounts that were designated by Congress as an emergency
requirement pursuant to a concurrent resolution on the budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

SEC. 309. (a) Unobligated balances available from appropriations are hereby permanently rescinded from the following accounts of the Department of Energy in the specified amounts:

(b) No amounts may be rescinded by this section from amounts that were designated by Congress as an emergency requirement pursuant to a concurrent resolution on the budget or the Balanced Budget and Emergency Deficit Control Act of 1985.

SEC. 310. Of the amounts made available by this Act for “National Nuclear Security Administration—Weapons Activities”, up to $50,000,000 may be reprogrammed with-
in such account for Domestic Uranium Enrichment, subject
to the notice requirements in section 301.

TECHNICAL CORRECTION

SEC. 311. (a) CONTRACTS FOR STORAGE.—Notwith-
standing any other provision of law and subject to the
availability of appropriations, the Secretary is authorized,
in this year and each subsequent fiscal year, to enter into
contracts to store spent nuclear fuel and high-level radio-
active waste, as applicable, to which the Secretary holds the
title or has a contract to accept title, at any facility licensed
by the Nuclear Regulatory Commission for such storage.

(b) TRANSFER OF TITLE.—Delivery, and acceptance
by the Secretary, of any spent nuclear fuel or high-level ra-
dioactive waste for storage under this section shall con-
stitute a transfer of title to the Secretary of such spent fuel
or waste.

(c) CONTRACT MODIFICATION.—The Secretary is au-
thorized to enter into new contracts or modify existing con-
tracts with any person who generates or holds title to high-
level radioactive waste or spent nuclear fuel, of domestic
origin for the acceptance of title, subsequent transportation,
and storage of such high-level radioactive waste or spent
nuclear fuel at a facility described under subsection (a).

SEC. 312. Notwithstanding any other provision of law,
the provisions of 40 U.S.C. 11319 shall not apply to funds
appropriated in this title to Federally Funded Research and Development Centers sponsored by the Department of Energy.

Waste Fund, to remain available until September 30, 2017.

GENERAL PROVISIONS—INDEPENDENT
AGENCIES

Sec. 401. (a) The amounts made available by this title for the Nuclear Regulatory Commission may be reprogrammed for any program, project, or activity, and the Commission shall notify the Committees on Appropriations of both Houses of Congress at least 30 days prior to the use of any proposed reprogramming that would cause any program funding level to increase or decrease by more than $500,000 or 10 percent, whichever is less, during the time period covered by this Act.

(b)(1) The Nuclear Regulatory Commission may waive the notification requirement in (a) if compliance with such requirement would pose a substantial risk to human health, the environment, welfare, or national security.

(2) The Nuclear Regulatory Commission shall notify the Committees on Appropriations of both Houses of Congress of any waiver under paragraph (1) as soon as practicable, but not later than 3 days after the date of the activity to which a requirement or restriction would otherwise have applied. Such notice shall include an explanation of the substantial risk under paragraph (1) that permitted such waiver and shall provide a detailed report to the Com-
mittees of such waiver and changes to funding levels to pro-
grams, projects, or activities.

(c) None of the funds provided for the Nuclear Regu-
latory Commission shall be available for obligation or ex-
penditure through a reprogramming of funds that increases
funds or personnel for any program, project, or activity for
which funds are denied or restricted by this Act.

(d) The Commission shall provide a monthly report
to the Committees on Appropriations of both Houses of Con-
gress, which includes the following for each program,
project, or activity, including any prior year appropria-
tions—

(1) total budget authority;

(2) total unobligated balances; and

(3) total unliquidated obligations.

SEC. 402. The Nuclear Regulatory Commission shall
comply with the July 5, 2011, version of Chapter VI of its
Internal Commission Procedures when responding to Con-
gressional requests for information.

SEC. 403. Public Law 105–277, division A, section
101(g) (title III, section 329(a), (b)) is amended by insert-
ing, in subsection (b), after “State law” and before the pe-
riod the following: “or for the construction and repair of
barge mooring points and barge landing sites to facilitate
pumping fuel from fuel transport barges into bulk fuel storage tanks.”

TITLE V

GENERAL PROVISIONS

Sec. 501. None of the funds appropriated by this Act may be used in any way, directly or indirectly, to influence congressional action on any legislation or appropriation matters pending before Congress, other than to communicate to Members of Congress as described in 18 U.S.C. 1913.

Sec. 502. (a) None of the funds made available in title III of this Act may be transferred to any department, agency, or instrumentality of the United States Government, except pursuant to a transfer made by or transfer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the report of the Committee on Appropriations accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(b) None of the funds made available for any department, agency, or instrumentality of the United States Government may be transferred to accounts funded in title III of this Act, except pursuant to a transfer made by or trans-
fer authority provided in this Act or any other appropriations Act for any fiscal year, transfer authority referenced in the report of the Committee on Appropriations accompanying this Act, or any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality.

(c) The head of any relevant department or agency funded in this Act utilizing any transfer authority shall submit to the Committees on Appropriations of both Houses of Congress a semiannual report detailing the transfer authorities, except for any authority whereby a department, agency, or instrumentality of the United States Government may provide goods or services to another department, agency, or instrumentality, used in the previous 6 months and in the year-to-date. This report shall include the amounts transferred and the purposes for which they were transferred, and shall not replace or modify existing notification requirements for each authority.

SEC. 503. None of the funds made available by this Act may be used to implement, administer, carry out, modify, revise, or enforce Executive Order 13690 (entitled “Establishing a Federal Flood Risk Management Standard and a Process for Further Soliciting and Considering Stakeholder Input”).
This Act may be cited as the “Energy and Water Development and Related Agencies Appropriations Act, 2016”.
