A BILL

To limit the authority of States to tax certain income of employees for employment duties performed in other States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “Mobile Workforce State Income Tax Simplification Act of 2015”.

SEC. 2. LIMITATIONS ON STATE WITHHOLDING AND TAXATION OF EMPLOYEE INCOME.

(a) In General.—No part of the wages or other remuneration earned by an employee who performs employ-
ment duties in more than one State shall be subject to income tax in any State other than—

(1) the State of the employee’s residence; and

(2) the State within which the employee is present and performing employment duties for more than 30 days during the calendar year in which the wages or other remuneration is earned.

(b) WAGES OR OTHER REMUNERATION.—Wages or other remuneration earned in any calendar year shall not be subject to State income tax withholding and reporting requirements unless the employee is subject to income tax in such State under subsection (a). Income tax withholding and reporting requirements under subsection (a)(2) shall apply to wages or other remuneration earned as of the commencement date of employment duties in the State during the calendar year.

(c) OPERATING RULES.—For purposes of determining penalties related to an employer’s State income tax withholding and reporting requirements—

(1) an employer may rely on an employee’s annual determination of the time expected to be spent by such employee in the States in which the employee will perform duties absent—
(A) the employer’s actual knowledge of
fraud by the employee in making the determina-
tion; or

(B) collusion between the employer and the
employee to evade tax;

(2) except as provided in paragraph (3), if
records are maintained by an employer in the reg-
ular course of business that record the location of an
employee, such records shall not preclude an employ-
er’s ability to rely on an employee’s determination
under paragraph (1); and

(3) notwithstanding paragraph (2), if an em-
ployer, at its sole discretion, maintains a time and
attendance system that tracks where the employee
performs duties on a daily basis, data from the time
and attendance system shall be used instead of the
employee’s determination under paragraph (1).

(d) DEFINITIONS AND SPECIAL RULES.—For pur-
poses of this Act:

(1) DAY.—

(A) Except as provided in subparagraph
(B), an employee is considered present and per-
forming employment duties within a State for a
day if the employee performs more of the em-
ployee’s employment duties within such State than in any other State during a day.

(B) If an employee performs employment duties in a resident State and in only one non-resident State during one day, such employee shall be considered to have performed more of the employee’s employment duties in the non-resident State than in the resident State for such day.

(C) For purposes of this paragraph, the portion of the day during which the employee is in transit shall not be considered in determining the location of an employee’s performance of employment duties.

nence who perform services for wages or other remu-
neration on a per-event basis, provided that the
wages or other remuneration are paid to such person
for services provided at a discrete event, in the na-
ture of a speech, public appearance, or similar event.

(6) EMPLOYER.—The term “employer” has the

meaning given such term in section 3401(d) of the

the employee’s employment duties are performed, in
which case the State’s definition shall prevail.

(7) STATE.—The term “State” means any of
the several States.
(8) **TIME AND ATTENDANCE SYSTEM.**—The term “time and attendance system” means a system in which—
