(A) require immediate replacement of project management with a management agent approved by the Secretary;

2015, without a single vote cast against the bill, and
the Consolidated Appropriations Act, 2016 include
the following amounts to be appropriated to the De-
partment of Veterans Affairs:

(A) $35,000,000 to make seismic corrections
to Building 208 at the West Los Angeles Medical
Center of the Department in Los Angeles, Cali-
ifornia, which, according to the Department, is a
building that is designated as having an excep-
tionally high risk of sustaining substantial dam-
age or collapsing during an earthquake.

(5) According to the United States Geological Survey—

(A) California has more than a 99 percent chance of experiencing an earthquake of magnitude 6.7 or greater in the next 30 years;

(B) even earthquakes of less severity than magnitude 6.7 can cause life threatening damage to seismically unsafe buildings; and
(C) in California, earthquakes of magnitude 6.0 or greater occur on average once every 1.2 years.

(6) On January 20, 2016, the Senate passed this legislation by unanimous consent as S. 2422, 114th Congress.

(b) AUTHORIZATION.—The Secretary of Veterans Affairs may carry out the following major medical facility projects, with each project to be carried out in an amount not to exceed the amount specified for that project:

App.), or to prevent or impede that Inspector General’s access to such records, documents, or other materials, under any provision of law, except a provision of law that expressly refers to the Inspect-

SEC. 267. None of the funds appropriated or otherwise made available in this title may be used by the Secretary of Veterans Affairs to enter into an agreement related to resolving a dispute or claim with an individual that would restrict in any way the individual from speaking to members of Congress or their staff on any topic not otherwise prohibited from disclosure by Federal law.
