6 2015”.

7 **SEC. 2. FINDINGS.**

8 The Congress finds the following:

1           (1) Kennesaw Mountain National Battlefield  
2           Park was authorized as a unit of the National Park  
3           System on June 26, 1935. Prior to 1935, parts of  
4           the park had been acquired and protected by Civil  
5           War veterans and the War Department.

6           (2) Kennesaw Mountain National Battlefield  
7           Park protects Kennesaw Mountain and Kolb’s  
8           Farm, which are battle sites along the route of Gen-  
9           eral Sherman’s 1864 campaign to take Atlanta.

10          (3) Most of the park protects Confederate posi-  
11          tions and strategy. The Wallis House is one of the  
12          few original structures remaining from the Battle of  
13          Kennesaw Mountain associated with Union positions  
14          and strategy.

15          (4) The Wallis House is strategically located  
16          next to a Union signal station at Harriston Hill.
