“(2) ACCESS TO PROGRAMS.—The institution is
encouraged—
“(A) to provide access to the programs re-

during each academic year; and

this training and demonstrate knowledge of the require-

"SEC. 163. ROLE OF LAW ENFORCEMENT AGENCIES IN IN-
VESTIGATION OF ALLEGATIONS OF SEXUAL VIOLENCE.

“(a) Referral of Allegations.—

“(1) Referral.—Except as provided in para-
graph (2), if an institution of higher education which
is subject to this part receives a covered allegation,
along with written consent to proceed from the al-
leged victim, the institution shall report and refer
the allegation to the law enforcement agency of the
unit of local government with jurisdiction to respond
to such allegations in the location of the institution
immediately, but not later than 48 hours after re-
ceiving written consent from the alleged victim.

“(2) Confidentiality Exception.—

“(A) In general.—Paragraph (1) does
not apply if the individual who is the alleged
victim of an act of sexual violence included in
the covered allegation provides a written notifi-
cation to the institution that the individual does
not want the allegation to be investigated by a
law enforcement agency.
“(B) Effect of notification of confidentiality.—If an individual provides a notification to the institution under this paragraph with respect to an allegation, the institution may not initiate or otherwise carry out any institutional disciplinary proceeding with respect to the allegation, including imposing interim measures described in subsection (c), but only if the individual includes in the notification a statement that the individual understands the effect under this subparagraph of providing the notification.

“(b) Restrictions on institutional disciplinary proceedings during period of law enforcement investigation.—

“(1) In general.—During the period in which a law enforcement agency is investigating a covered allegation reported by an institution under subsection (a), the institution may not initiate or otherwise carry out any institutional disciplinary proceeding with respect to the allegation, except to the extent that the institution may impose interim sanctions under subsection (c).

“(2) Period of law enforcement investigation described.—For purposes of this sub-
section and subsection (c), the period in which a law
enforcement agency is investigating an allegation re-
ported under subsection (a) shall be considered—

“(A) the 30-day period beginning on the
date on which the institution reported the alle-
gation to the agency, together with

“(B) any subsequent 30-day period for
which the agency notifies the institution that it
is continuing to investigate the allegation and
that the public interest is best served by pre-
venting the institution from beginning its own
investigation and disciplinary proceeding.

“(3) TOLLING.—For purposes of satisfying any
federally prescribed time period for an institution to
complete an adjudication of an allegation to which
this subsection applies, the time period shall be
deemed to begin upon the expiration of the period in
which the law enforcement agency is investigating
the allegation, in accordance with this subsection.

“(4) PERMITTING INVOLVEMENT OF ACCRED-
ITED CAMPUS PUBLIC SAFETY DEPARTMENTS.—Not-
withstanding paragraph (1), if an institution of
higher education operates an accredited public safety
department that employs sworn officers, such de-
partment may carry out investigative functions with
respect to an allegation provided to a law enforcement agency under subsection (a) if authorized to do so by the law enforcement agency.

“(c) Permitting Institution To Impose Interim Sanctions.—

“(1) In General.—During the period in which a law enforcement agency is investigating a covered allegation reported by an institution under subsection (a), the institution may impose interim sanctions against the subject of the allegation with respect to the allegation (including temporary suspensions, no contact orders, adjustments of class schedules, or changes in housing assignments) and carry out investigations and adjudications with respect to the imposition of such sanctions, but only if the institution determines that the imposition of such a sanction is a reasonable measure to promote campus safety and student well-being.

“(2) Special Rules for Duration of Periods of Temporary Suspensions.—

“(A) Students.—Subject to paragraph (3), if the subject of an allegation is a student, an institution may impose a temporary suspension for a period of not more than 15 days as an interim sanction under this subsection, and
may extend the suspension for additional periods of not more than 30 days per period if, pursuant to a hearing held in accordance with the requirements of section 164 for each such additional period, the institution finds that extension is necessary because the student poses an immediate threat to campus safety and student well-being.

“(B) Student organizations.—If the subject of an allegation is a student organization, an institution may impose a temporary suspension for a period of not more than 10 days on the operations of the organization as an interim sanction under this subsection, but only if the institution determines that the organization has engaged in activity that presents a significant risk to the health and physical safety of campus community members, and that the imposition of the suspension is not done merely for punitive purposes.

“(3) Period in which interim sanction is in effect.—An interim sanction imposed under this subsection with respect to an allegation shall terminate upon the expiration of the period in which a law enforcement agency is investigating the allegation.
tion (as described in subsection (b)), except that if an indictment has been issued with respect to the allegation and the subject of the allegation is a student, the institution may continue the sanction, including a temporary suspension the duration of which would otherwise be limited under paragraph (2)(A), until the completion of the case or the completion of any sentence imposed.

“(4) Prohibiting imposition of interim sanctions upon joint request of alleged victim and law enforcement.—In addition to the period described in subsection (b)(2), an institution may not impose an interim sanction under this subsection with respect to a covered allegation during any period for which the alleged victim and the law enforcement agency which is investigating the allegation submit a joint request to the institution to not impose such an interim sanction.

“(d) Safe Harbors.—

“(1) Institutions.—No institution of higher education which is subject to this part shall be considered to have violated any provision of title IX of the Education Amendments of 1972 (20 U.S.C. 1681 et seq.) or any policy or regulation implementing any such provision on the grounds that the
institution did not investigate or adjudicate a covered allegation, or did not impose any sanction with respect to a covered allegation, to the extent that the institution was prohibited under this section from initiating or carrying out any institutional disciplinary proceeding with respect to the allegation.

“(2) Students.—An institution of higher education which is subject to this part may not impose a sanction on a student who is a victim of, or a bystander witness to, an act of sexual violence on the grounds that the student engaged in conduct prohibited under the institution’s code of conduct (other than violent conduct) if the institution learned that the student engaged in such conduct as part of a report of a covered allegation which was made in good faith by the student to an agent of the institution.

“(e) Privacy.—It shall not be a violation of section 444 of the General Education Provisions Act (commonly known as the ‘Family Educational Rights and Privacy Act of 1974’) (20 U.S.C. 1232g) for an institution of higher education to report an allegation to a law enforcement agency under subsection (a).

“(f) No Effect on Civil Remedies.—Nothing in this section may be construed to limit the authority of any
person to seek a civil remedy in a court of competent juris-
diction with respect to any covered allegation.

"SEC. 164. DUE PROCESS REQUIREMENTS FOR INSTITU-
TIONAL DISCIPLINARY PROCEEDINGS."

“(a) DUE PROCESS RIGHTS.—Each institution of
higher education which is subject to this part may not im-
pose any sanction on any person, including a student orga-
nization, in response to a covered allegation unless the
sanction is imposed under a formal hearing or similar ad-
judicatory proceeding, in accordance with institutional dis-
ciplinary proceedings that meet each of the following re-
quirements:

“(1) The institution shall provide all parties to
the proceeding with adequate written notice of the
allegation not later than 2 weeks prior to the start
of any formal hearing or similar adjudicatory pro-
ceeding, and shall include in such notice a descrip-
tion of all rights and responsibilities under the pro-
ceeding, a statement of all relevant details of the al-
legation, and a specific statement of the sanctions
which may be imposed.

“(2) The institution shall provide each person
against whom the allegation is made with a mean-
ingful opportunity to admit or contest the allegation.
“(3) The institution shall ensure that all parties to the proceeding have access to all material evidence, including both inculpatory and exculpatory evidence, not later than one week prior to the start of any formal hearing or similar adjudicatory proceeding. Such evidence may include but is not limited to complainant statements, third-party witness statements, electronically stored information, written communications, social media posts, and demonstrative evidence.

“(4) The institution shall permit each party to the proceeding to be represented, at the sole expense of the party, by an attorney or other advocate for the duration of the proceeding, including during the investigation of the allegation and other preliminary stages prior to a formal hearing or similar adjudicatory proceeding, and shall permit the attorney or other advocate to ask questions in the proceeding, file relevant papers, examine evidence, and examine witnesses (subject to paragraph (5)).

“(5) The institution shall permit each party to the proceeding to safely confront witnesses, including the complainant, in an appropriate manner, including by submitting written questions to be asked by the person serving as the adjudicator in any for-
mal hearing or similar adjudicatory proceeding, except that it shall be presumptively improper for any person to make any inquiry about the sexual history of the individual reporting the covered allegation (other than an inquiry made by the individual against whom the allegation is made, or such individual’s counsel or advocate, about the sexual history between such individual and the individual reporting the covered allegation).

“(6) The institution shall ensure that the proceeding is carried out free from conflicts of interest by ensuring that there is no commingling of administrative or adjudicative roles. For purposes of this paragraph, an institution shall be considered to commingle such roles if any individual carries out more than one of the following roles with respect to the proceeding:

“(A) Victim counselor and victim advocate.
“(B) Investigator.
“(C) Prosecutor.
“(D) Adjudicator.
“(E) Appellate adjudicator.

“(b) STANDARD OF PROOF.—An institution of higher education may establish and apply such standard of proof as it considers appropriate for purposes of any adjudica-
tion carried out as part of an institutional disciplinary proceeding under this section.

“(c) Judicial Review.—

“(1) Private right of action.—Any individual who is aggrieved by a decision to impose a sanction under an institutional disciplinary proceeding under this section may bring a civil action in an appropriate district court of the United States, but only if the action is brought not later than 1 year after the date on which the individual received final notice of the sanction imposed on the individual under the proceeding.

“(2) Standard for review.—In any action brought under this subsection, the court may find for the plaintiff only if the court finds that the imposition of the sanction was arbitrary, capricious, or contrary to law.

“(3) Records.—As soon as practicable after a civil action is filed under this subsection, the institution of higher education involved shall forward the administrative record of the institutional disciplinary proceeding to the court.

“(4) Damages and prevailing party fees.—In any civil action under this subsection, the court may award the prevailing party (other than
the institution of higher education) compensatory
damages, reasonable court costs, attorney fees, in-
cluding expert fees, and any other relief in equity or
law that the court deems appropriate.

“(d) Publication in Student Handbook.—Each
institution of higher education which is subject to this part
shall publish annually in the institution’s Student Hand-
book (or equivalent publication) a statement of the proce-
dures applicable to institutional disciplinary proceedings
under this section, and shall publish such statement in the
form of a contract between the institution and its students
and student organizations.

“(e) No Right to Paid Advocate.—Nothing in
this section shall be construed to create a right for any
individual to be represented by an attorney or other advo-
cate at an institution of higher education’s expense.

“SEC. 165. PRESERVATION OF SINGLE-SEX EXEMPTION FOR
STUDENT ORGANIZATIONS.

“(a) Restatement of Congressional Position
on Title IX and Single-Sex Organizations.—Con-
gress finds as follows:

“(1) The enactment of title IX of the Education
Amendments of 1972 (commonly known as ‘title
IX’) continues to be a vital element of ensuring all
Americans have equal access to higher education.
“(2) The exemption under title IX that allows single-sex organizations to continue to flourish at institutions of higher education is still essential to developing a wide range of enrichment opportunities for students to learn and grow.

“(3) While title IX has done much to provide opportunities for women and men alike, the single-sex exemption is a part of that tapestry of opportunities, and institutions of higher education may not take actions that undermine this single-sex exemption.

“(b) Prohibiting Institutions From Requiring Single-Sex Student Organizations To Waive Title IX Protections.—An institution of higher education which is subject to this part may not—

“(1) require a student organization which is authorized under section 901(a)(6)(A) of the Education Amendments of 1972 (20 U.S.C. 1681(a)(6)(A)) to limit its membership to individuals of one sex to admit individuals as members who do not meet the organization’s membership requirements;

“(2) compel a student organization or the governing body of a student organization that is itself comprised of single-sex organizations to accept orga-
nizations or individuals that do not meet the organization’s or governing body’s membership qualifications; or

“(3) require an organization which is covered by section 901(a)(6)(A) of the Education Amendments of 1972 (20 U.S.C. 1681(a)(6)(A)) to waive its coverage under such section as a disciplinary or punitive measure.”.

(b) EFFECTIVE DATE.—The amendments made by this Act shall apply with respect to allegations made on or after the expiration of the 1-year period that begins on the date of the enactment of this Act.
