21 shall be to determine whether such rules should be contin-  
22 ued without change, or should be amended or rescinded,  
23 consistent with the stated objectives of applicable statutes,  
24 to minimize any adverse significant economic impacts or  
25 maximize any beneficial significant economic impacts on

1 a substantial number of small entities. Such plan may be  
2 amended by the agency at any time by publishing the revi-  
3 sion in the Federal Register and subsequently placing the  
4 amended plan on the agency’s website.

5 “(b) The plan shall provide for the review of all such  
6 agency rules existing on the date of the enactment of this  
7 section within 10 years of the date of publication of the  
8 plan in the Federal Register and for review of rules adopt-  
9 ed after the date of enactment of this section within 10  
10 years after the publication of the final rule in the Federal  
11 Register. If the head of the agency determines that com-  
12 pletion of the review of existing rules is not feasible by  
13 the established date, the head of the agency shall so certify  
14 in a statement published in the Federal Register and may  
15 extend the review for not longer than 2 years after publi-  
16 cation of notice of extension in the Federal Register. Such  
17 certification and notice shall be sent to the Chief Counsel  
18 for Advocacy of the Small Business Administration and  
19 the Congress.

20 “(c) The plan shall include a section that details how  
21 an agency will conduct outreach to and meaningfully in-  
22 clude small businesses (including small business concerns  
23 owned and controlled by women, small business concerns  
24 owned and controlled by veterans, and small business con-  
25 cerns owned and controlled by socially and economically

1 disadvantaged individuals (as such terms are defined in  
2 the Small Business Act)) for the purposes of carrying out  
3 this section. The agency shall include in this section a plan  
4 for how the agency will contact small businesses and gath-  
5 er their input on existing agency rules.

6       “(d) Each agency shall annually submit a report re-  
7 garding the results of its review pursuant to such plan  
8 to the Congress, the Chief Counsel for Advocacy of the  
9 Small Business Administration, and in the case of agen-  
10 cies other than independent regulatory agencies (as de-  
11 fined in section 3502(5) of title 44) to the Administrator  
12 of the Office of Information and Regulatory Affairs of the  
13 Office of Management and Budget. Such report shall in-  
14 clude the identification of any rule with respect to which  
15 the head of the agency made a determination described  
16 in paragraph (5) or (6) of subsection (e) and a detailed  
17 explanation of the reasons for such determination.

18       “(e) In reviewing a rule pursuant to subsections (a)  
19 through (d), the agency shall amend or rescind the rule  
20 to minimize any adverse significant economic impact on  
21 a substantial number of small entities or disproportionate  
22 economic impact on a specific class of small entities, or  
23 maximize any beneficial significant economic impact of the  
24 rule on a substantial number of small entities to the great-  
25 est extent possible, consistent with the stated objectives

1 of applicable statutes. In amending or rescinding the rule,  
2 the agency shall consider the following factors:

3 “(1) The continued need for the rule.

4 “(2) The nature of complaints received by the  
5 agency from small entities concerning the rule.

6 “(3) Comments by the Regulatory Enforcement  
7 Ombudsman and the Chief Counsel for Advocacy of  
8 the Small Business Administration.

9 “(4) The complexity of the rule.

10 “(5) The extent to which the rule overlaps, du-  
11 plicates, or conflicts with other Federal rules and,  
12 unless the head of the agency determines it to be in-  
13 feasible, State, territorial, and local rules.

14 “(6) The contribution of the rule to the cumu-  
15 lative economic impact of all Federal rules on the  
16 class of small entities affected by the rule, unless the  
17 head of the agency determines that such calculations  
18 cannot be made and reports that determination in  
19 the annual report required under subsection (d).

20 “(7) The length of time since the rule has been  
21 evaluated or the degree to which technology, eco-  
22 nomic conditions, or other factors have changed in  
23 the area affected by the rule.

24 “(f) Each year, each agency shall publish in the Fed-  
25 eral Register and on its website a list of rules to be re-

1 viewed pursuant to such plan. The agency shall include  
2 in the publication a solicitation of public comments on any  
3 further inclusions or exclusions of rules from the list, and  
4 shall respond to such comments. Such publication shall  
5 include a brief description of the rule, the reason why the  
6 agency determined that it has a significant economic im-  
7 pact on a substantial number of small entities (without  
8 regard to whether it had prepared a final regulatory flexi-  
9 bility analysis for the rule), and request comments from  
10 the public, the Chief Counsel for Advocacy of the Small  
11 Business Administration, and the Regulatory Enforce-  
12 ment Ombudsman concerning the enforcement of the  
13 rule.”.
