A BILL

To amend the Patient Protection and Affordable Care Act to protect rights of conscience with regard to requirements for coverage of specific items and services, to amend the Public Health Service Act to prohibit certain abortion-related discrimination in governmental activities, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
 2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Health Care Con-
 5 science Rights Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) As Thomas Jefferson declared to New Lon-
 9 don Methodists in 1809, “[n]o provision in our Con-
 10 stitution ought to be dearer to man than that which
 11 protects the rights of conscience against the enter-
 12 prises of the civil authority”.

13 (2) Jefferson’s conviction on respect for con-
 14 science is deeply embedded in the history and tradi-
 15 tions of our Nation, and codified in numerous Fed-
 16 eral laws approved by congressional majorities and

1 Presidents of both parties, including in the Public
2 Health Service Act; the United States Leadership
3 Against HIV/AIDS, Tuberculosis, and Malaria Act;
4 the Religious Freedom Restoration Act; long-
5 standing provisions on respect for conscience rights
6 in the Federal Employees Health Benefits Program
7 and District of Columbia appropriations; and laws to
8 protect individuals from being forced to participate
9 in Federal executions or prosecutions.

10 (3) Following enactment of the Patient Protec-
11 tion and Affordable Care Act (Public Law 111–148,
12 in this section referred to as “PPACA”), the Fed-
13 eral Government has sought to impose specific re-
14 quirements that infringe on the rights of conscience
15 of those who offer or purchase health coverage.

16 (4) While PPACA provides an exemption for
17 some religious groups that object to participation in
18 health insurance generally, and exempts millions of
19 Americans from most of the Act’s provisions, includ-
20 ing the preventive services mandate, it fails to pro-
21 vide statutory protection for those seeking to offer
22 and purchase health coverage who have a religious
23 or moral objection only to specific items or services.

24 (5) Nurses and other health care providers have
25 increasingly been subjected to discrimination for

1 abiding by their conscience rather than providing,
2 paying for, or referring for abortion.

3 (6) Conscience rights protections for health care
4 providers are an important part of civil rights pro-
5 tections in Federal law and are indispensable to the
6 continued viability of the health care system in the
7 United States. The increasingly significant discrimi-
8 nation suffered by faith-based nonprofit health care
9 providers risks undermining access to high-quality
10 compassionate care for some of the most vulnerable
11 populations in our country.

12 **SEC. 3. APPLYING LONGSTANDING POLICY ON CON-**
13 **SCIENCE RIGHTS TO THE AFFORDABLE CARE**
14 **ACT.**

16 and Affordable Care Act (Public Law 111–148) is amend-

13 to such individual, individual health insurance cov-
14 erage that excludes such item or service;

15 “(2) require a sponsor (or, in the case of health
16 insurance coverage offered to students through an
17 institution of higher education, the institution of
18 higher education offering such coverage) to sponsor,
19 purchase, or provide any health benefits coverage or
20 group health plan that includes coverage of an abor-
21 tion or other item or service to which such sponsor
22 or institution, respectively, has a moral or religious

1 health insurance coverage that excludes such item or
2 service;

3 “(3) require an issuer of health insurance cov-

8 other governmental action that implements such pro-
9 vision or amendment or derives its authority there-
10 from.

11 “(d) AGGREGATE ACTUARIAL VALUE.—Nothing in
12 this section shall be construed to prohibit the Secretary
13 from issuing regulations or other guidance to ensure that
14 health insurance coverage or group health plans excluding
15 abortion or other items or services under this section shall
16 have an aggregate actuarial value at least equivalent to
17 that of health insurance coverage or group health plans
18 at the same level of coverage that do not exclude such
19 items or services.

20 “(e) CONTINUED APPLICATION OF NONDISCRIMINA-
21 TION RULES.—Nothing in this section shall be construed
