4   **SEC. 101. CONGRESSIONAL FINDINGS.**

5       Section 302 (16 U.S.C. 1451) is amended—

6           (1) by redesignating subsections (a) through  
7           (m) as paragraphs (1) through (13), respectively;

8           (2) in paragraph (1), as redesignated, by strik-  
9           ing “in the effective management, beneficial use,  
10          protection, and development of the coastal zone” and  
11          inserting “in the effective management, beneficial  
12          use, protection, development, and resilience of the  
13          coastal zone and coastal natural resources”;

14           (3) in paragraph (3), as redesignated, by strik-  
15           ing “industry, commerce, residential development,  
16          recreation, extraction of mineral resources and fossil  
17          fuels, transportation and navigation, waste disposal,  
18          and harvesting of fish, shellfish, and other living ma-  
19          rine resources” and inserting “industry, commerce,  
20          development, tourism, recreation, extraction of min-  
21          eral resources, energy development, transportation  
22          and navigation, waste disposal, and harvesting of  
23          fish, shellfish, and other living marine resources”;

24           (4) in paragraph (6), as redesignated, by strik-  
25          ing the semicolon at the end and inserting a period;

1                 (5) in paragraphs (8) and (10), as redesignated, by striking “state” and inserting “State”;

2                 (6) in paragraph (9), as redesignated, by striking “states to” and all that follows through “vitally affected interests” and inserting “States to exercise their full authority over the lands and waters in the coastal zone by assisting the States, in cooperation with Federal agencies and with the participation of and coordination with local governments and other vitally affected interests”;

3                 (7) in paragraph (13), as redesignated—

4                     (A) by striking “by the active participation of coastal states in all Federal programs affecting such resources” and inserting “by the active participation and coordination in all Federal programs and activities affecting such resources”; and

5                     (B) by striking “state ocean” and inserting “State ocean”; and

6                 (8) by adding at the end the following:

7                     “(14) In turn, once a State ocean and coastal zone management plan has been approved by the Secretary of Commerce, Federal agencies should, to the maximum extent practicable, seek to conduct activities, invest, and authorize licenses or permits re-

1 lated to the coastal zone of that State in a manner  
2 consistent with that plan.”.

3 **SEC. 102. DEFINITIONS.**

4 Section 304 (16 U.S.C. 1453) is amended—

5 (1) by redesignating paragraphs (7) through  
6 (18) as paragraphs (8) through (19), respectively;

7 (2) by striking “(6a) The” and inserting “(7)  
8 The”;

9 (3) in paragraph (2), by striking “if any such  
10 area is determined by a coastal state to be of sub-  
11 stantial biological or natural storm protective value”  
12 and inserting “if any such area is determined by a  
13 coastal state, alone or in combination with other  
14 such areas, to be of substantial biological, research,  
15 geological, hydrological, natural, ecological, storm  
16 protective, water quality, or flood risk protective  
17 value”;

18 (4) in paragraph (5), by striking “any coastal  
19 state” each place it appears and inserting “any  
20 State”;

21 (5) by amending paragraph (6) to read as fol-  
22 lows:

23 “(6) The term ‘energy facilities’—

24 “(A) means any equipment or facility  
25 which is or will be used primarily—

1               “(i) in the exploration for, or the de-  
2 velopment, production, conversion, storage,  
3 transfer, processing, or transportation of,  
4 any energy resource; or  
5               “(ii) for the manufacture, production,  
6 or assembly of equipment, machinery,  
7 products, or devices which are involved in  
8 any activity described in clause (i); and  
9               “(B) includes—  
10               “(i) electric generating plants;  
11               “(ii) petroleum refineries and associ-  
12 ated facilities;  
13               “(iii) gasification plants;  
14               “(iv) facilities used for the transpor-  
15 tation, conversion, treatment, transfer, or  
16 storage of liquefied natural gas;  
17               “(v) uranium enrichment or nuclear  
18 fuel processing facilities;  
19               “(vi) oil and gas facilities, including  
20 platforms, assembly plants, storage depots,  
21 tank farms, crew and supply bases, and re-  
22 fining complexes;  
23               “(vii) facilities including deepwater  
24 ports, for the transfer of petroleum;

1                 “(viii) pipelines and transmission fa-  
2                 cilities; and

3                 “(ix) terminals which are associated  
4                 with any of the foregoing.”;

5                 (6) in paragraph (7), as redesignated, by strik-  
6                 ing “land and water uses” and inserting “land uses  
7                 and water uses”;

8                 (7) in paragraph (8), as redesignated, by strik-  
9                 ing “from land drainage” and inserting “from land  
10                 drainage, or where there is tidal influence without  
11                 regard to salinity”;

12                 (8) in paragraph (12), as redesignated, by  
13                 striking “state’s” and inserting “State’s”;

14                 (9) in paragraphs (13), (15), and (16), as re-  
15                 designated, by striking “state” each place it appears  
16                 and inserting “State”, and

17                 (10) by adding at the end the following:

18                 “(20) The term ‘working waterfront’ means wa-  
19                 terfront lands, waterfront infrastructure, and water-  
20                 ways that are used for a water-dependent commer-  
21                 cial activity.”.

22 **SEC. 103. COASTAL RESOURCE IMPROVEMENT PROGRAM.**

23                 Section 306A (16 U.S.C. 1455a) is amended—

24                 (1) in subsection (b)—

- 1                   (A) in the matter preceding paragraph (1),  
2        by striking “state in” and inserting “State in”,

9     “state” and inserting “State”;

10                            (3) in subsection (e)—

11                            (A) in paragraph (1)—

12                            (i) in subparagraph (A), by striking  
13     “land or water use or natural resource of  
14     the coastal zone” and inserting “land use  
15     or water use or natural resource of the  
16     coastal zone”, and

17                            (ii) in subparagraph (B), by striking  
18     “under subsection (h)” and inserting  
19     “under subsection (i)”;

20                            (B) in paragraph (2), by striking “a state”  
21     and inserting “a State”; and

22                            (C) in paragraph (3)—

23                            (i) by striking “state’s” each place it  
24     appears and inserting “State’s”;

1                             (ii) by striking “the state” each place  
2                             it appears and inserting “the State”;

3                             (iii) by striking “such state” each  
4                             place it appears and inserting “such  
5                             State”;

6                             (iv) in subparagraph (A), by striking  
7                             “that state” and inserting “that State”;

8                             (v) in subparagraph (B)(ii), by strik-  
9                             ing “federal” and inserting “Federal”; and

10                             (vi) in the matter following subpara-  
11                             graph (B)(iii), by striking “a state” and  
12                             inserting “a State”;

13                             (4) by inserting after subsection (d), the fol-  
14                             lowing:

15                             “(e) INTERSTATE AND REGIONAL COORDINATION.—

16                             “(1) The coastal states are encouraged—

17                                 “(A) to coordinate State coastal zone plan-  
18                             ning, policies, and programs with respect to  
19                             contiguous areas; shared resources; and inter-  
20                             state waters of such States;

21                                 “(B) to study, plan, and implement unified  
22                             coastal zone policies with respect to such areas;  
23                             and

24                                 “(C) to establish an effective mechanism,  
25                             and participate in mediation under subsection

1                     (i), to identify, examine, and cooperatively re-  
2                     solve mutual problems with respect to the ma-  
3                     rine and coastal areas which affect, directly or  
4                     indirectly, the coastal zone.

5                     “(2) Subject to paragraph (3), the coastal zone  
6                     activities described in this subsection may be con-  
7                     ducted pursuant to interstate or regional agreements  
8                     or compacts.

9                     “(3) Two or more coastal states may negotiate  
10                     and enter into any interstate or regional agreement  
11                     or compact to do the following unless the agreement  
12                     or compact conflicts with any law or treaty of the  
13                     United States:

14                     “(A) To develop and administer coordi-  
15                     nated coastal zone planning, policies, programs,  
16                     and dispute resolution.

17                     “(B) To establish executive instrumental-  
18                     ties or agencies that such States consider nee-  
19                     dary for the effective implementation of an  
20                     agreement or compact under this subsection.

21                     “(4) An agreement or compact under paragraph  
22                     (3) shall be binding and obligatory upon any State  
23                     or party thereto without further approval by Con-  
24                     gress.”;

25                     (5) in subsection (f), as redesignated—

1                   (A) by striking “or state” and inserting  
2                   “or State”; and

3                   (B) by striking “more states” each place it  
4                   appears and inserting “more States”;

5                   (6) in subsection (g), as redesignated, by strik-  
6                   ing “any state” and inserting “any State”;

7                   (7) in subsection (h), as redesignated, by strik-  
8                   ing “any state’s” and inserting “any State’s”; and

9                   (8) by amending subsection (i), as redesignated,  
10                  to read as follows:

11                  “(i) MEDIATION OF DISAGREEMENTS.—

12                  “(1) IN GENERAL.—The Secretary may mediate  
13                  a serious disagreement between any Federal agency  
14                  and a coastal state or between two or more willing  
15                  coastal states—

16                  “(A) in the development or the initial im-  
17                  plementation of a management program under  
18                  section 305;

19                  “(B) in the administration of a manage-  
20                  ment program approved under section 305; or

21                  “(C) in coordination and cooperation under  
22                  this section.

23                  “(2) COOPERATION.—The Secretary, with the  
24                  cooperation of the Executive Office of the President,

1 shall seek to mediate the differences involved in a  
2 disagreement described in paragraph (1).

3       **“(3) PUBLIC HEARINGS.**—Mediation under this  
4 subsection shall, with respect to any disagreement  
5 described in paragraph (1)(B), include public hearings  
6 in the local area concerned.”.

7       **(b) CONFORMING AMENDMENTS.—**

8       **(1) DEFINITIONS.**—Section 304(11) (16 U.S.C.  
9 1453(11)), as redesignated by section 102 of this  
10 Act, is amended by striking “section 307(g)” and in-  
11 serting “section 307(h)”.

12       **(2) COASTAL ZONE MANAGEMENT FUND.**—See-  
13 tion 308(b)(1) (16 U.S.C. 1456a(b)(1)) is amended  
14 by striking “section 307(i)(3)” and inserting “see-  
15 tion 307(j)(3)”.

16       **(e) RULE OF CONSTRUCTION.**—Nothing in this sec-  
17 tion, or the amendments made by this section, may be con-  
18 strued to affect any mediation that was commenced before  
19 the date of enactment of this Act.

20       **SEC. 105. COASTAL ZONE ENHANCEMENT GRANTS.**

21       **(a) IN GENERAL.**—Section 309(a) (16 U.S.C.  
22 1456b(a)) is amended—

23               **(1)** by amending paragraph (1) to read as fol-  
24 lows:

1           “(1) Protection, restoration, or enhancement of  
2 existing coastal wetlands, seagrass beds, coral reefs,  
3 oyster habitat, and marine habitat, or creation of  
4 new coastal wetlands.”;

5           (2) by amending paragraph (2) to read as fol-  
6 lows:

7           “(2) Increasing coastal resilience and pre-  
8 venting or reducing loss of life and property by lim-  
9 iting development and redevelopment in high-hazard  
10 areas, using natural and restoration approaches to  
11 reduce flood risk, or anticipating and managing the  
12 effects of potential sea level rise and Great Lakes  
13 level change.”;

14           (3) by amending paragraph (7) to read as fol-  
15 lows:

16           “(7) Planning for the use of ocean and Great  
17 Lakes resources.”; and

18           (4) by adding at the end the following:

19           “(10) Interstate water resource and coastal  
20 management planning to facilitate healthy and resil-  
21 ient coastal natural resources, land uses, and water  
22 uses, and to resolve water management conflict.

23           “(11) Identification and adoption of procedures  
24 and enforceable policies to ensure sufficient response  
25 capabilities at the State level to address the environ-

1       mental, economic, and social impacts of oil spills or  
2       other accidents resulting from Outer Continental  
3       Shelf energy activities with the potential to affect  
4       land or water use or natural resources of the coastal  
5       zone.”.

6       (b) EVALUATION OF STATE PROPOSALS BY SEC-  
7       RETARY.—Section 309(e) (16 U.S.C. 1456b(e)) is amend-  
8       ed by striking “and the overall merit of each proposal in  
9       terms of benefits to the public” and inserting “and are  
10      consistent with the rules and regulations promulgated  
11      under section 306”.

12       (c) RULE OF CONSTRUCTION.—Nothing in this sec-  
13      tion, or the amendments made by this section, may be con-  
14      strued to affect any grant made or funding awarded under  
15      section 309 of the Coast Zone Management Act of 1972  
16      (16 U.S.C. 1456b) before the date of enactment of this  
17      Act.

18 **SEC. 106. NATIONAL ESTUARINE RESEARCH RESERVE SYS-**  
19 **TEM.**

20       (a) IN GENERAL.—Section 315 (16 U.S.C. 1461) is  
21      amended—

22                  (1) in subsection (a)—  
23                          (A) by redesignating paragraphs (1) and  
24                          (2) as subparagraphs (A) and (B), respectively,  
25                          and indenting appropriately;

1                         (B) in the matter preceding subparagraph  
2                         (A), as redesignated, by inserting “(1) IN GEN-  
3                         ERAL—” before “There is” and indenting ap-  
4                         propriately;

5                         (C) in the matter following subparagraph  
6                         (B), as redesignated, by inserting “(2) NA-  
7                         TIONAL ESTUARINE RESERVES.” before  
8                         “Each estuarine” and indenting appropriately;

10                         striking “consists of—” and inserting “is a net-  
11                         work of areas designated to promote informed  
12                         management of the Nation’s estuarine and  
13                         coastal areas through interconnected programs  
14                         in resource stewardship, education and training,  
15                         monitoring, research, and scientific under-  
16                         standing consisting of—”, and

17                         (E) in paragraph (2), as redesignated, by  
18                         striking “paragraph (1)” and inserting “sub-  
19                         paragraph (A)”;

20                         (2) in subsection (b)(2)(C)—

21                         (A) by striking “public awareness and”  
22                         and inserting “State coastal management, pub-  
23                         lic awareness, and”; and

24                         (B) by striking “public education and in-  
25                         terpretation”; and inserting “education, inter-

1           pretation, training, and demonstration  
2           projects";

3           (3) by redesignating subsections (e) through (g)  
4           as subsections (d) through (h), respectively;

5           (4) by inserting after subsection (b) the fol-  
6           lowing:

7           “(e) EXPANSION OF NATIONAL ESTUARINE RE-  
8           SERVES.—

9           “(1) IN GENERAL.—Subject to paragraph (3),  
10          the Secretary shall periodically evaluate whether to  
11          expand the estuarine area of each national estuarine  
12          reserve.

13          “(2) CONSIDERATIONS.—In evaluating whether  
14          to expand the area described in paragraph (1), the  
15          Secretary shall consider—

16           “(A) the recommendations of prominent  
17          members of the estuarine research community,  
18          the Governor of the coastal state in which the  
19          area is located; the System; and the heads of  
20          relevant Federal agencies;

21           “(B) any changing environmental condi-  
22          tions, including increased pressure on the re-  
23          sources to be researched and potential adapta-  
24          tion benefits of the expansion; and

1               “(C) the impact to that national estuarine  
2               reserve and the System.

3               “(3) AUTHORIZATION.—The Secretary is au-  
4               thorized to expand the following:

5               “(A) The Guana-Tolomato Matanzas Na-  
6               tional Estuarine Research Reserve;

7               “(B) The Rookery Bay National Estuarine  
8               Research Reserve;

9               “(C) The Apalachicola National Estuarine  
10               Research Reserve.”;

11               (5) in subsection (f), as redesignated—

12               (A) in paragraph (1)(A)—

13               (i) in clause (i), by striking “reserve,”  
14               and inserting “reserve; and”;

15               (ii) in clause (ii), by striking “and  
16               constructing appropriate reserve facilities,  
17               or” and inserting “, including for resource  
18               stewardship activities and for constructing  
19               reserve facilities; and”; and

20               (iii) by striking clause (iii);

21               (B) by amending paragraph (1)(B) to read  
22               as follows:

23               “(B) to any coastal state or public or pri-  
24               vate person—

1               “(i) for purposes of supporting re-  
2 search and monitoring associated with a  
3 national estuarine reserve that are con-  
4 sistent with the research guidelines devel-  
5 oped under subsection (e); or

6               “(ii) for purposes of conducting edu-  
7 cational, interpretive, or training activities  
8 for a national estuarine reserve that are  
9 eonsistent with the research guidelines de-  
10 veloped under subsection (e).”; and

11 (C) by adding at the end the following:

12 “(4)(A) The Secretary may—

13               “(i) enter into cooperative agree-  
14 ments, financial agreements, grants, con-  
15 tracts, or other agreements with any non-  
16 profit organization, authorizing the non-  
17 profit organization to solicit donations to  
18 carry out the purposes and policies of this  
19 section; except for general administration  
20 of reserves or the System, and which are  
21 eonsistent with the purposes and policies of  
22 this section; and

23               “(ii) accept donations of funds and  
24 services for use in carrying out the pur-  
25 poses and policies of this section, except

1                   for general administration of reserves or  
2                   the System, and which are consistent with  
3                   the purposes and policies of this section.

4                 “(B) Donations accepted under this para-  
5                 graph shall be considered as a gift or bequest  
6                 to or for the use of the United States for the  
7                 purpose of carrying out this section.”; and

8                 (6) by amending subsection (g), as redesign-  
9                 ated, to read as follows:

10                 “(g) EVALUATION OF SYSTEM PERFORMANCE.—

11                 “(1) The Secretary shall periodically evaluate  
12                 the operation and management of the National Es-  
13                 tuarine Research Reserve System and each national  
14                 estuarine reserve, including coordination with other  
15                 State programs, education and interpretive activities,  
16                 and the research being conducted within the reserve.

17                 “(2) If an evaluation under paragraph (1) re-  
18                 veals that the operation, management, education, or  
19                 research conducted by the System as a whole is defi-  
20                 cient, the Secretary shall provide the System with  
21                 recommendations to improve the deficiencies.

22                 “(3) If an evaluation under paragraph (1) re-  
23                 veals that the operation and management of a re-  
24                 serve is deficient, or that the research being con-  
25                 ducted within the reserve is not consistent with the

1 research guidelines developed under subsection (e),  
2 the Secretary may suspend the eligibility of that re-  
3 serve for financial assistance under subsection (e)  
4 until the deficiency or inconsistency is remedied.

5 “(4) The Secretary may withdraw the designa-  
6 tion of an estuarine area as a national estuarine re-  
7 serve if an evaluation under paragraph (1) reveals  
8 that—

9               “(A) the basis for any one or more of the  
10 findings made under subsection (b)(2) regard-  
11 ing that area no longer exists; or

12               “(B) a substantial portion of the research  
13 conducted within the area, over a period of  
14 years, has not been consistent with the research  
15 guidelines developed under subsection (e).”.

16       (b) RULE OF CONSTRUCTION.—Nothing in this sec-  
17 tion, or the amendments made by this section, may be con-  
18 strued to affect any grant made or financial assistance  
19 provided under section 315 of the Coast Zone Manage-  
20 ment Act of 1972 (16 U.S.C. 1461) before the date of  
21 enactment of this Act.

22 **SEC. 107. COASTAL ZONE MANAGEMENT REPORTS.**

23       Section 316 (16 U.S.C. 1462) is amended—

24               (1) by amending subsection (a) to read as fol-  
25 lows:

## 1       “(a) REPORTS.—

2           “(1) IN GENERAL.—The Secretary shall—

3              “(A) consult with Congress on a regular  
4              basis concerning the administration of this title;  
5              and

6              “(B) submit to Congress a report summarizing the administration of this title during each period of 5 consecutive fiscal years.

7           “(2) CONTENTS.—Each report under paragraph (1) shall include—

8              “(A) an identification of the State programs approved under this title during the preceding Federal fiscal year and a description of those programs;

9              “(B) a list of the States participating in the provisions of this title and the status of each State's programs and accomplishments during the preceding Federal fiscal year;

10             “(C) an itemization of the allocation of funds to the various coastal states and a breakdown of the major projects and areas on which these funds were expended;

11             “(D) an identification of each State program that was reviewed and disapproved, including the reasons for the disapproval;

1               “(E) a summary of evaluation findings  
2 prepared in accordance with subsection (a) of  
3 section 312, and a description of any sanctions  
4 imposed under subsections (e) and (d) of that  
5 section;

6               “(F) a list of all activities and projects  
7 which, under the provisions of subsection (e) or  
8 subsection (d) of section 307, are not consistent  
9 with an applicable approved State management  
10 program;

11               “(G) a summary of the regulations issued  
12 by the Secretary or in effect during the pre-  
13 preceding Federal fiscal year;

14               “(H) a summary of a coordinated national  
15 strategy and program for the Nation's coastal  
16 zone, including identification and discussion of  
17 Federal, regional, State, and local responsibil-  
18 ities and functions therein;

19               “(I) a summary of outstanding problems  
20 arising in the administration of this title in  
21 order of priority;

22               “(J) a description of the economic, envi-  
23 ronmental, and social consequences of energy  
24 activity affecting the coastal zone and an eval-  
25 uation of the effectiveness of financial assist-

1           ance under section 308 in dealing with such  
2           consequences;

3           “(K) a description and evaluation of appli-  
4           able interstate and regional planning and co-  
5           ordination mechanisms developed by the coastal  
6           states;

7           “(L) a summary and evaluation of the re-  
8           search, studies, and training conducted in sup-  
9           port of coastal zone management; and

10           “(M) such other information as may be ap-  
11           propriate.”; and

12           (2) in subsection (b), by striking “deems” and  
13           inserting “considers”.

14 **SEC. 108. TECHNICAL AND CONFORMING AMENDMENTS.**

15           (a) **CONGRESSIONAL DECLARATION OF POLICY.—**

16 Section 303 (16 U.S.C. 1452) is amended—

18           (A) in the matter preceding subparagraph  
19           (A), by striking “states” and inserting  
20           “States”; and

21           (B) in subparagraph (B), by striking the  
22           period at the end and inserting a semicolon;  
23           and

24           (2) in paragraph (4), by striking “state” and  
25           inserting “State”.

1           (b)           ADMINISTRATIVE           GRANTS.—Section  
2 306(d)(10)(A) (16 U.S.C. 1455(d)(10)(A)) is amended by  
3 inserting a comma after “development”.

4           (e) AUTHORIZATION OF THE COASTAL AND ESTUA-  
5 RINE LAND CONSERVATION PROGRAM.—Section 307A  
6 (16 U.S.C. 1456-1) is amended—

7               (1) in subsection (f)(4)(A)(i), by striking “sec-  
8 tion 2(b)” and inserting “subsection (b)”; and

9               (2) in subsection (f)(4)(C), by striking “in (A)”  
10 and inserting “in subparagraph (A)”.

11           (d) REVIEW OF PERFORMANCE.—Section 312 (16  
12 U.S.C. 1458) is amended in subsections (a) and (e), by  
13 striking “the state” and inserting “the State”.

14           (e) COASTAL ZONE MANAGEMENT REPORTS.—Sec-  
15 tion 316(a) (16 U.S.C. 1462(a)) is amended—

16               (1) by striking “state” each place it appears  
17 and inserting “State”;

18               (2) by striking “the states” and inserting “the  
19 States”; and

20               (3) by striking “each state’s” and inserting  
21 “each State’s”.

22           (f) RULES AND REGULATIONS.—Section 317 (16  
23 U.S.C. 1463) is amended by striking “state agencies” and  
24 inserting “State agencies”.

1   **SEC. 109. AUTHORIZATION OF APPROPRIATIONS.**

2       Section 318(a) (16 U.S.C. 1464(a)) is amended to  
3   read as follows:

4       “(a) SUMS APPROPRIATED TO SECRETARY.—There  
5   is authorized to be appropriated to the Secretary, to re-  
6   main available until expended—

7           “(1) for grants under sections 306, 306A, and  
8   309, \$80,000,000 for each of fiscal years 2017  
9   through 2021; and

10          “(2) for grants under section 315, \$25,000,000  
11   for each of fiscal years 2017 through 2021.”.

12   **TITLE II—GULF OF MEXICO  
13   REGIONAL COORDINATION**

14   **SEC. 201. SENSE OF CONGRESS.**

15       It is the sense of Congress that the United States  
16   should encourage consistency and coordination of the pro-  
17   tection and restoration activities in the Gulf of Mexico eco-  
18   system in order to reduce duplication of efforts and maxi-  
19   mize efficiencies through a collaborative regional effort.

20   **SEC. 202. PURPOSES.**

21       The purposes of this title are—

22           (1) to expand and strengthen the cooperative  
23   voluntary efforts, including international efforts, of  
24   public and private stakeholders to protect and re-  
25   store the Gulf of Mexico; and

1                             (2) to coordinate Federal and State actions, in-  
2                             cluding education, relating to the management of the  
3                             Gulf of Mexico ecosystem with the cooperative vol-  
4                             untary efforts described in paragraph (1).

5 **SEC. 203. GULF OF MEXICO REGIONAL COORDINATION.**

6                             (a) IN GENERAL.—The Administrator of the Na-  
7                             tional Oceanic and Atmospheric Administration, in con-  
8                             sultation with the Council, may award grants to eligible  
9                             entities to conduct programs—

10                             (1) to develop strategies—

11                                 (A) for the protection and restoration of  
12                             the Gulf of Mexico ecosystem, including—

13                                 (i) improving the water quality;  
14                                 (ii) protecting nonregulated living re-  
15                             sources;  
16                                 (iii) increasing valuable habitats; and  
17                                 (iv) enhancing coastal resilience in the  
18                             Gulf of Mexico ecosystem; and

19                                 (B) for the input and participation of ap-  
20                             propriate Federal, State, and local agencies,  
21                             and other public and private stakeholders in the  
22                             protection and restoration of the Gulf of Mexico  
23                             ecosystem;

24                             (2) to coordinate, in the development of the  
25                             strategies under paragraph (1), relevant Federal,

1 State, and local government activities and resources  
2 to minimize duplication and maximize leveraging op-  
3 portunities; and

4 (3) to develop and implement specific action  
5 plans to carry out the strategies under paragraph  
6 (1).

7 (b) ACTION PLANS.—An action plan under sub-  
8 section (a)(3) may include the following activities:

9 (1) Monitoring the water quality and living re-  
10 sources of the Gulf of Mexico ecosystem.

11 (2) Researching the effects of natural and  
12 human-induced environmental changes on the water  
13 quality and living resources of the Gulf of Mexico  
14 ecosystem.

15 (3) Developing and implementing locally based  
16 protection and restoration programs or projects  
17 within a watershed, including the creation, restora-  
18 tion, protection, or enhancement of habitat associ-  
19 ated with the Gulf of Mexico ecosystem.

20 (4) Eliminating or reducing nonpoint sources  
21 that discharge pollutants that contaminate the Gulf  
22 of Mexico ecosystem, including activities to eliminate  
23 leaking septic systems and construct connections to  
24 local sewage systems.

1                 (5) Facilitating and promoting scientific, re-  
2 search, modeling, monitoring, data collection, and  
3 other activities that support the strategies under  
4 subsection (a)(1).

5                 (6) Fostering public stewardship of the living  
6 resources of the Gulf of Mexico ecosystem through  
7 information, education, engagement, and participa-  
8 tion.

9                 (7) Developing and making available, through  
10 publications, technical assistance, and other appro-  
11 priate means, information pertaining to the environ-  
12 mental quality and living resources of the Gulf of  
13 Mexico ecosystem.

14                 (8) Such other activities as the Administrator  
15 considers appropriate to carry out the strategies  
16 under subsection (a)(1).

17                 (e) ADMINISTRATIVE COSTS.—Administrative costs,  
18 such as salaries and overhead, or indirect costs for services  
19 provided and charged against programs or activities car-  
20 ried out using funds made available through a grant under  
21 this section may not exceed 25 percent of the amount of  
22 the grant.

23                 (d) REPORTS.—Not later than April 30, 2019, and  
24 every 5 years thereafter, the Administrator, in consulta-  
25 tion with the Council, shall—

1                   (1) assess the effectiveness of the programs  
2 under subsection (a) in coordinating regional prior-  
3 ities in the Gulf of Mexico ecosystem; and

4                   (2) submit to Congress a comprehensive report  
5 on the assessment under paragraph (1).

6                   (e) **DEFINITIONS.**—In this section:

7                   (1) **COUNCIL.**—The term “Council” means the  
8 Gulf Coast Ecosystem Restoration Council estab-  
9 lished under section 311(t)(2) of the Federal Water  
10 Pollution Control Act (33 U.S.C. 1321(t)(2)).

11                   (2) **ELIGIBLE ENTITY.**—The term “eligible enti-  
12 ty” means a consortium of four or more States that  
13 have a shoreline on the Gulf of Mexico.

14                   (3) **GULF OF MEXICO ECOSYSTEM.**—The term  
15 “Gulf of Mexico ecosystem” means the ecosystem of  
16 the Gulf of Mexico and its watershed.

17                   **SEC. 204. AUTHORIZATION OF APPROPRIATIONS.**

18                   There is authorized to be appropriated to the See-  
19 retary of Commerce to carry out this title \$5,000,000 for  
20 each of fiscal years 2017 through 2021, to remain avail-  
21 able until expended.
