In this Act:

(a) COMMISSION.—The term “Commission” means the Nuclear Regulatory Commission.

(b) CHAIRMAN.—The term “Chairman” means the Chairman of the Commission.

TITLE I—REPLACEMENT OF REORGANIZATION PLAN

SEC. 101. GENERAL FUNCTIONS.

(a) FUNCTIONS VESTED IN THE COMMISSION.—

(1) IN GENERAL.—There shall remain vested in the Commission the functions of the Commission relating to—

(A) policy formulation;

(B) rulemaking, as described in section 553 of title 5, United States Code, except that the matters described in subsections (a)(2) and (b) of that section that do not pertain to policy
formulation orders or adjudications shall be reserved to the Chairman;

(C) orders and adjudications, as those terms are defined in paragraphs (6) and (7) of section 551 of title 5, United States Code, respectively; and

(D) approving the distribution of appropriated funds according to programs and purposes proposed by the Executive Director for Operations.

(2) VOTING; POLICY PROPOSALS.—

(A) IN GENERAL.—If there is a doubt as to whether a matter, action, question, or area of inquiry pertains to one of the functions described in paragraph (1), the Commission may make a determination with respect to the pertinence, by majority vote.

(B) REQUEST.—Any member of the Commission may—

(i) request a vote under subparagraph (A); and

(ii) propose a policy matter for consideration by the Commission.
(3) ACCESS TO INFORMATION.—All members of the Commission shall have full, unfettered, timely, and equal access to information of the Commission.

(4) DELEGATION OF FUNCTIONS.—The performance of any portion of the functions described in paragraph (1) may be delegated by the Commission to—

(A) a member of the Commission (including the Chairman); and

(B) the staff of the Commission.

(b) OFFICERS AND EMPLOYEES.—

(1) APPOINTMENT AND REMOVAL OF CERTAIN OFFICERS.—

(A) APPOINTMENT.—The Chairman shall initiate the appointment, subject to the approval of the Commission, of the officers or successor officers established by law or by the Commission described in subparagraph (C).

(B) REMOVAL.—The Chairman or a member of the Commission may initiate an action for removal, subject to the approval of the Commission, by majority vote, of the officers or successor officers established by law or by the Commission described in subparagraph (C).
(C) Description of Officers.—The officers referred to in subparagraphs (A) and (B) consist of the following:

(i) The Executive Director for Operations.

(vii) The Director of the Office of Congressional Affairs.

(viii) The Director of the Office of International Programs.

(ix) The Chief Administrative Judge and members of the Atomic Safety and Licensing Board Panel.

(D) Evaluations.—Any performance evaluation or rating of the officers described in subparagraph (C) shall be determined by a majority vote of the members of the Commission.

(E) Replacement of Officers.—
(i) IN GENERAL.—If there is a vac-
cancy in a position described in subpara-
graph (C), the Chairman may designate an
acting officer for a period of 60 days.

(ii) APPROVAL OF EXTENSION RE-
QUIRED.—The Chairman may only extend
the initial 60-day period under clause (i)
with the approval of the Commission.

(iii) FAILURE TO APPROVE.—If, at
the end of the 60-day period under clause
(i), the Chairman has not proposed a re-
placement or the Commission has not ap-
proved the appointment of an officer pro-
posed by the Chairman, any member of the
Commission may initiate the appointment,
subject to approval of the Commission.

(2) APPOINTMENT AND REMOVAL OF OTHER
OFFICERS.—

(A) APPOINTMENT.—The Chairman, after
consultation with the Executive Director for
Operations, shall initiate the appointment, sub-
ject to the approval of the Commission, of the
officers or successor officers established by law
or by the Commission described in subpara-
graph (C).
(B) REMOVAL.—The Chairman or a member of the Commission may initiate an action for removal, subject to the approval of the Commission, by majority vote, of the officers or successor officers established by law or by the Commission described in subparagraph (C).

(C) DESCRIPTION OF OFFICERS.—The officers referred to in subparagraphs (A) and (B) consist of the following:

(i) The Director of the Office of Nuclear Reactor Regulation.

(ii) The Director of the Office of Nuclear Material Safety and Safeguards.

(iii) The Director of the Office of Nuclear Regulatory Research.

(5) DELEGATION OF STAFF OF PANELS AND COMMITTEES.—The Commission shall delegate the functions of appointing, removing, and supervising the staff of the following panels and committee to the respective Chair of the panel or committee:

(A) The Atomic Safety and Licensing Board Panel.

(B) The Advisory Committee on Reactor Safeguards.

(c) COMMISSION MEMBER OFFICES.—Each member of the Commission shall continue to appoint, remove, and supervise the personnel employed in the immediate office of the member.

(d) PERFORMANCE OF FUNCTIONS.—Section 201(a)(1) of the Energy Reorganization Act of 1974 (42 U.S.C. 5841(a)(1)) shall apply to the Chairman in the performance of the functions of the Chairman as described in subsections (a) and (b).
SEC. 102. CHAIRMAN.

(a) TRANSFER OF FUNCTIONS.—Any function of the Commission not described in section 101(a)(1) is transferred to the Chairman.

(b) DUTIES.—The Chairman shall—

(1) be the official spokesman for the Commission, which includes representing the policies established by a majority of the members of the Commission;

(2) be the principal executive officer of the Commission;

(3) be responsible to the Commission for ensuring that the Executive Director for Operations and the staff of the Commission (other than the officers and staff referred to in subsections (b)(4) and (c) of section 101) are responsive to the requirements of the Commission in the performance of the functions of the Commission;

(4) determine the use and expenditure of funds of the Commission, in accordance with the distribution of appropriated funds according to programs and purposes approved by the Commission;

(5) present to the Commission, for consideration by the Commission, the proposals and estimates prepared under paragraph (6)(C); and
(6) be responsible for (which the Chairman shall delegate, subject to direction and supervision by the Chairman, to the Executive Director for Operations, unless otherwise provided by this Act)—

(A) administrative functions of the Commission;

(B) distribution of business among personnel, administrative units, and offices of the Commission;

(C) preparation of proposals for the reorganization of the major offices of the Commission; and

(D) appointing and removing, without any further action by the Commission, all officers and employees under the Commission other than the offices and employees, the appointment and removal of which are specifically provided for by subsections (b)(4) and (c) of section 101.

(e) Governing Principles.—

(1) In general.—The Chairman (as principal executive officer) and the Executive Director for Operations, shall be governed by—

(A) the general policies of the Commission; and
(B) any regulatory decisions, findings, and
determinations (including decisions, findings,
and determinations for reorganization pro-
posals, budget revisions, and the distribution of
appropriated funds) as the Commission may by
law be authorized to make.

(2) FULL AND CURRENT INFORMATION.—The
Chairman and the Executive Director for Operations
shall be jointly responsible for ensuring that the
Commission is fully and currently informed about
matters within the functions of the Commission.

(3) FAILURE TO ACT IN ACCORDANCE.—If a
majority of the members of the Commission deter-
mine that the Chairman has not acted in accordance
with paragraph (1) or (2), the members of the Com-
mission shall—

(A) submit to the President written notice
of the determination; and

(B) transmit to the Committee on Energy
and Commerce of the House of Representatives
and the Committee on Environment and Public
Works of the Senate copies of the notice sub-
mitted under subparagraph (A).
1 SEC. 103. EMERGENCY AUTHORITY.

(a) IN GENERAL.—Notwithstanding sections 101 and 102 and subject to subsection (b), the Chairman is authorized to exercise emergency authority of the Chairman in responding to, issuing orders respecting, advising United States civil authorities and the United States public about, and directing and coordinating actions relating to an emergency incident.

(b) LIMITATIONS.—

(1) EMERGENCY DECLARATION REQUIRED.—

(A) IN GENERAL.—The Chairman may not exercise emergency authority under subsection (a) until—

(i) the Chairman issues a declaration that a specific emergency exists; and

(ii) not later than 24 hours after the issuance of a declaration under subparagraph (A), the Chairman provides notice of the declaration—

(I) in writing to—

(aa) the Commission;

(bb) the Committee on Energy and Commerce of the House of Representatives; and
(ee) the Committee on Environment and Public Works of the Senate; and

(II) except as provided in subparagraph (B), to the public.

(B) PUBLIC NOTIFICATION.—Notwithstanding subclause (II) of subparagraph (A)(ii), public notification of a declaration under that subclause may be delayed beyond the 24-hour period specified in subparagraph (A)(ii) if the Chairman—

(i) determines that disclosing the declaration to the public at that time would constitute a risk to public health or safety; and

(ii) submits notice of the determination under clause (i) to—

(I) the Commission;

(II) the Committee on Energy and Commerce of the House of Representatives; and

(III) the Committee on Environment and Public Works of the Senate.
(2) AUTHORIZED EMERGENCIES.—The Chairman may only exercise emergency authority under subsection (a) in response to—

(A) an imminent safety threat pertaining to a facility or materials licensed or regulated by the Commission; or

(B) a determination of an imminent security threat to a facility or materials licensed or regulated by the Commission is made by—

(i) the Secretary of Homeland Security;

(ii) the Secretary of Energy;

(iii) the Secretary of Transportation;

(iv) the Director of the Federal Bureau of Investigation;

(v) the Director of the Central Intelligence Agency; or

(vi) the Director of National Intelligence.

(3) DURATION.—

(A) IN GENERAL.—The Chairman may only exercise emergency authority under subsection (a) for the fewer of—

(i) the duration of the emergency; or

(ii) 30 days.
(B) Extension.—The initial period established under subparagraph (A) may be extended by 30 days if the Commission—

(i) approves the extension; and

(ii) submits notice of the extension to—

(I) the public;

(II) the Committee on Energy and Commerce of the House of Representatives; and

(III) the Committee on Environment and Public Works of the Senate.

(e) Delegation.—

(1) To members.—The Chairman may delegate the authority to perform the emergency functions described in subsection (a), in whole or in part, to any of the other members of the Commission.

(2) To staff.—The authority to perform the emergency functions described in subsection (a) may be delegated or redelegated, in whole or in part, to the staff of the Commission.

(d) Consultation.—

(1) In general.—To the maximum extent practicable, the Chairman shall consult with the full Commission on any regulatory or policy actions
taken under the emergency authority provided under this section.

(2) Exemption.—A consultation under paragraph (1) shall be exempt from the requirements of section 552b of title 5, United States Code.

(e) Guidelines and Notice.—In acting under this section, the actions of the Chairman, or other member of the Commission delegated authority under subsection (c), shall conform to the policy guidelines of the Commission.

(f) Termination of Emergency.—On termination of the emergency, the Chairman shall immediately submit notice of the termination to—

(1) the Commission;
(2) the public;
(3) the Committee on Energy and Commerce of the House of Representatives; and
(4) the Committee on Environment and Public Works of the Senate.

(g) Report.—Not later than 30 days after the date on which the emergency is terminated under subsection (f), the Chairman, or the member of the Commission or staff member of the Commission delegated the emergency functions under subsection (c), shall submit a report that describes all actions taken during the emergency, includ-
ing a description of any actions taken using the authority
provided by this section, to—

(1) the Commission;

(2) the Committee on Energy and Commerce of
the House of Representatives; and

(3) the Committee on Environment and Public
Works of the Senate.

(h) COMMISSION PROCEDURES.—

(1) IN GENERAL.—Not later than 90 days after
the date of enactment of this Act, the Commission
shall revise the procedures of the Commission to
comply with the requirements of this section.

(2) REQUIREMENTS.—The revision under para-
graph (1) shall define the roles of the members of
the Commission during an emergency, including pro-
viding for—

(A) complete access to—

(i) records and information relating to
actions taken during the emergency;

(ii) Commission staff involved in the
management of the emergency; and

(iii) one or more locations at which
decisions are made during the emergency;

and
(B) to the extent practicable, participation
in decisions that may affect Commission actions
and policies beyond the response to a particular
emergency.

SEC. 104. REPORTING.

(a) Delegation; Reporting.—

(1) In general.—The Chairman may make
any delegations and provide for any reporting that
the Chairman determines to be necessary, subject to
applicable provisions of law.

(2) Direct communication.—Any officer or
employee under the Commission may communicate
directly to the Commission, or to any member of the
Commission, if the officer or employee determines
that a critical problem or matter of public health,
public safety, or common defense and security is not
being properly addressed.

(b) Executive Director for Operations.—

(1) In general.—The Executive Director for
Operations shall report all matters to the Chairman.

(2) Submission of reports to executive
director for operations.—The Directors of Nu-
clear Reactor Regulations, Nuclear Material Safety
and Safeguards, and Nuclear Regulatory Research
shall report to the Executive Director for Operations.

(c) Direct Reporting.—

(1) Submission of reports.—The heads of the Commission-level offices or successor offices of the following offices shall report directly to the Commission:

(A) The General Counsel.

(B) The Secretary of the Commission.

(C) The Office of Commission Appellate Adjudication.

(D) The Office of Congressional Affairs.

(E) The Office of Public Affairs.

(F) The Office of International Programs.

(G) The Atomic Safety and Licensing Board Panel.

(H) The Advisory Committee on Reactor Safeguards.

(2) Receipt of reports.—The Commission shall receive the reports submitted under paragraph (1).

SEC. 105. Rescission of Reorganization Plan Approval.

The approval of Reorganization Plan No. 1 of 1980 (45 Fed. Reg. 40561) (adopted pursuant to the Reorga-
nization Act Amendments of 1984 (5 U.S.C. 901 et seq.)) is rescinded.

TITLE II—MISCELLANEOUS

SEC. 201. CERTIFICATION OF DOCUMENTS TRANSMITTED TO CONGRESS.

A letter or other document transmitted by the Commission, on behalf of the full Commission, to a member of Congress in the capacity of the member as Chairman or Ranking Minority Member of a Committee of Congress, shall include a certification that the letter or document is being sent to the Chairman and Ranking Minority Member of that Committee, in accordance with established Commission procedures.

SEC. 202. TIME LIMITS FOR COMMISSION REVIEW OF ATOMIC SAFETY AND LICENSING BOARD DECISIONS.

(a) IN GENERAL.—In reviewing the decisions and actions of the Atomic Safety and Licensing Board, not later than 90 days after the date on which the Commission receives final briefs relating to the decision or action, each member of the Commission shall vote on the matter under review.

(b) NOTIFICATION OF NONVOTERS.—Once a majority position of the members of the Commission has been established by members voting under subsection (a), the
Secretary shall notify in writing any member of the Commission that has not voted in accordance with that subsection that a majority position has been established with respect to the matter under review.

(c) DEADLINE FOR VOTING.—A member of the Commission that receives notice under subsection (b)—

(1) shall have within 3 days of the date of the notice to vote on the matter under review; and

(2) shall be considered by the Secretary as not participating in the vote if the member does not vote by the deadline specified in paragraph (1).

(d) PUBLICATION.—The Commission shall publish any resulting decision of the Commission under this section, including adjudicatory orders and direction to agency staff—

(1) if a majority position is established with respect to the matter under review under this section, not later than 30 days after the date on which the majority position is established; or

(2) if a majority position is not established because of a tie vote of the participating members of the Commission, not later than 30 days after the date on which the voting is completed in accordance with this section.
SEC. 203. ALLEGATIONS OF WRONGDOING.

(a) Referral to Inspector General.—Not later than 90 days after the date of enactment of this Act, the Commission shall revise the procedures of the Commission to ensure that any allegation of wrongdoing on the part of the Chairman is immediately referred to the Inspector General of the Commission.

(b) Supervision of Inspector General.—During any period in which an investigation by the Inspector General of the Chairman is pending with respect to an allegation described in subsection (a), the Chairman shall delegate responsibility for supervising the Inspector General to a member of the Commission other than the Chairman, consistent with the Inspector General Act of 1978 (5 U.S.C. App.).

SEC. 204. APPROVAL OF TRAVEL.

(a) Authorization by Chairman.—The Chairman shall authorize all international travel requested by other members of the Commission for official business unless the Chairman submits a notice of disapproval to the full Commission specifying the basis for the disapproval by that is 5 days after the date on which the request is submitted to the Chairman.

(b) Request Considered To Be Approved.—If the Chairman fails to submit to the Commission the notice...
of disapproval by the deadline described in subsection (a),
the travel shall be considered to be approved.

SEC. 205. IMPLEMENTATION.

Except as otherwise specified in this Act, not later
than 180 days after the date of enactment of this Act,
the Commission shall revise the procedures of the Com-
mission to conform the procedures with this Act.
