5           “(13) describe the data-sharing agreement or  
6           agreements that the eligible recipient agency has en-  
7           tered into with other agencies and organizations so  
8           as to provide for shared access to information on  
9           student progress and success (consistent with the re-  
10          quirements of subpart 4 of part C of the General  
11          Education Provisions Act), integrated planning and  
12          joint review of the data, and coordinated adjust-  
13          ments in program strategies and activities in re-  
14          sponse to changes in student needs or to new chal-  
15          lenges;

16          “(14) describe how the eligible recipient will  
17          carry out its program under this part in partnership  
18          with one or more community partners, including  
19          through joint planning and implementation, shared  
20          professional development designed to improve the ef-  
21          fectiveness of eligible recipient and community part-  
22          ner staff, development and implementation of shared  
23          data systems that support program improvement  
24          and the improvement of program outcomes, and the  
25          alignment and coordination of eligible recipient and

1 community partner goals, activities, and training;  
2 and

3 “(15) a description of how the eligible recipient  
4 will carry out its program under this part with the  
5 involvement of one or more intermediary organiza-  
6 tions that will assist the eligible entity by training  
7 staff, providing technical assistance that is designed  
8 to ensure continuous improvement, helping to ensure  
9 accountability for results, and helping to ensure that  
10 program funds flow quickly and effectively to effec-  
11 tive service providers and activities.”.

12 (c) LOCAL USE OF FUNDS.—Section 135(b) of the  
13 Carl D. Perkins Career and Technical Education Act of
