19 **SEC. 202. RECONCILIATION PROCEDURES.**

20 (a) ESTIMATING ASSUMPTIONS.—

21 (1) ASSUMPTIONS.—In the House, for purposes
22 of titles III and IV of the Congressional Budget Act
23 of 1974, the chair of the Committee on the Budget
24 shall use the baseline underlying the Congressional
25 Budget Office's Budget and Economic Outlook: 2015

1 to 2025 (January 2015) when making estimates of
2 any bill or joint resolution, or any amendment there-
3 to or conference report thereon. If adjustments to the
4 baseline are made subsequent to the adoption of this
5 concurrent resolution, then such chair shall determine
6 whether to use any of these adjustments when making
7 such estimates.

8 (2) *INTENT.*—The authority set forth in para-
9 graph (1) should only be exercised if the estimates
10 used to determine the compliance of such measures
11 with the budgetary requirements included in the con-
12 current resolution are inaccurate because adjustments
13 made to the baseline are inconsistent with the as-
14 sumptions underlying the budgetary levels set forth in
15 this concurrent resolution. Such inaccurate adjust-
16 ments made after the adoption of this concurrent reso-
17 lution may include selected adjustments for rule-
18 making, judicial actions, adjudication, and interpre-
19 tative rules that have major budgetary effects and are
20 inconsistent with the assumptions underlying the
21 budgetary levels set forth in this concurrent resolu-
22 tion.

23 (3) *CONGRESSIONAL BUDGET OFFICE ESTI-*
24 *MATES.*—Upon the request of the chair of the Com-
25 mittee on the Budget of the House for any measure,

1 *the Congressional Budget Office shall prepare an esti-*
2 *mate based on the baseline determination made by*
3 *such chair pursuant to paragraph (1).*

4 *(b) REPEAL OF THE PRESIDENT’S HEALTH CARE LAW*
5 *THROUGH RECONCILIATION.—In preparing their submis-*
6 *sions under section 201(a) to the Committee on the Budget,*
7 *the committees named in section 201(b) shall—*

8 *(1) note the policies described in the report ac-*
9 *companying this concurrent resolution on the budget*
10 *that repeal the Affordable Care Act and the health*
11 *care-related provisions of the Health Care and Edu-*
12 *cation Reconciliation Act of 2010; and*

13 *(2) determine the most effective methods by*
14 *which the health care laws referred to in paragraph*
15 *(1) shall be repealed in their entirety.*

16 *(c) REVISION OF BUDGETARY LEVELS.—*

17 *(1) SUBMISSION.—Upon the submission to the*
18 *Committee on the Budget of the House of a rec-*
19 *ommendation that has complied with its reconcili-*
20 *ation instructions solely by virtue of section 310(b) of*
21 *the Congressional Budget Act of 1974, the chair of the*
22 *Committee on the Budget may file with the House ap-*
23 *propriately revised allocations under section 302(a) of*
24 *such Act and revised functional levels and aggregates.*

1 (2) *CONFERENCE REPORT.*—Upon the submis-
2 sion to the House of a conference report recom-
3 mending a reconciliation bill or resolution in which
4 a committee has complied with its reconciliation in-
5 structions solely by virtue of this section, the chair of
6 the Committee on the Budget of the House may file
7 with the House appropriately revised allocations
8 under section 302(a) of such Act and revised func-
9 tional levels and aggregates.

10 (3) *REVISION.*—Allocations and aggregates re-
11 vised pursuant to this subsection shall be considered
12 to be allocations and aggregates established by the
13 concurrent resolution on the budget pursuant to sec-
14 tion 301 of such Act.

15 **SEC. 203. ADDITIONAL GUIDANCE FOR RECONCILIATION.**

16 (a) *GUIDANCE.*—In the House, the chair of the Com-
17 mittee on the Budget may develop additional guidelines
18 providing further information, budgetary levels and
19 amounts, and other explanatory material to supplement the
20 instructions included in this concurrent resolution pursu-
21 ant to section 310 of the Congressional Budget Act of 1974
22 and set forth in section 201.

23 (b) *PUBLICATION.*—In the House, the chair of the
24 Committee on the Budget may cause the material prepared
25 pursuant to subsection (a) to be printed in the Congres-

1 *sional Record on the appropriate date, but not later than*
 2 *the date set forth in this title on which committees must*
 3 *submit their recommendations to the Committee on the*
 4 *Budget in order to comply with the reconciliation instruc-*
 5 *tions set forth in section 201.*

6 **TITLE III—SUBMISSIONS FOR**
 7 **THE ELIMINATION OF WASTE,**
 8 **FRAUD, AND ABUSE**

9 **SEC. 301. SUBMISSIONS OF FINDINGS FOR THE ELIMI-**
 10 **NATION OF WASTE, FRAUD, AND ABUSE.**

11 *(a) SUBMISSIONS PROVIDING FOR THE ELIMINATION*
 12 *OF WASTE, FRAUD, AND ABUSE.—In the House, not later*
 13 *than October 1, 2015, the committees named in subsection*
 14 *(d) shall submit to the Committee on the Budget findings*
 15 *that identify changes in law within their jurisdictions that*
 16 *would achieve the specified level of savings through the*
 17 *elimination of waste, fraud, and abuse.*

18 *(b) RECOMMENDATIONS SUBMITTED.—After receiving*
 19 *those recommendations—*

20 *(1) the Committee on the Budget may use them*
 21 *in the development of future concurrent resolutions on*
 22 *the budget; and*

23 *(2) the chair of the Committee on the Budget of*
 24 *the House shall make such recommendations publicly*
 25 *available in electronic form and cause them to be*

1 *placed in the Congressional Record not later than 30*
2 *days after receipt.*

3 (c) *SPECIFIED LEVELS OF SAVINGS.*—*For purposes of*
4 *this section, a specified level of savings for each committee*
5 *may be inserted in the Congressional Record by the chair*
6 *of the Committee on the Budget.*

7 (d) *HOUSE COMMITTEES.*—*The following committees*
8 *shall submit findings to the Committee on the Budget of*
9 *the House of Representatives pursuant to subsection (a): the*
10 *Committee on Agriculture, the Committee on Armed Serv-*
11 *ices, the Committee on Education and the Workforce, the*
12 *Committee on Energy and Commerce, the Committee on Fi-*
13 *nancial Services, the Committee on Foreign Affairs, the*
14 *Committee on Homeland Security, the Committee on House*
15 *Administration, the Committee on the Judiciary, the Com-*
16 *mittee on Oversight and Government Reform, the Com-*
17 *mittee on Natural Resources, the Committee on Science,*
18 *Space, and Technology, the Committee on Small Business,*
19 *the Committee on Transportation and Infrastructure, the*
20 *Committee on Veterans' Affairs, and the Committee on*
21 *Ways and Means.*

22 (e) *REPORT BY THE GOVERNMENT ACCOUNTABILITY*
23 *OFFICE.*—*By August 1, 2015, the Comptroller General shall*
24 *submit to the Committee on the Budget of the House of Rep-*
25 *resentatives a comprehensive report identifying instances in*

1 *which the committees referred to in subsection (d) may*
 2 *make legislative changes to improve the economy, efficiency,*
 3 *and effectiveness of programs within their jurisdiction.*

4 ***TITLE IV—BUDGET***
 5 ***ENFORCEMENT***

6 ***SEC. 401. COST ESTIMATES FOR MAJOR LEGISLATION TO***
 7 ***INCORPORATE MACROECONOMIC EFFECTS.***

8 *(a) CBO ESTIMATES.—For purposes of the enforce-*
 9 *ment of this concurrent resolution, upon its adoption until*
 10 *the end of fiscal year 2016, an estimate provided by the*
 11 *Congressional Budget Office under section 402 of the Con-*
 12 *gressional Budget Act of 1974 for any major legislation con-*
 13 *sidered in the House or the Senate during fiscal year 2016*
 14 *shall, to the extent practicable, incorporate the budgetary*
 15 *effects of changes in economic output, employment, capital*
 16 *stock, and other macroeconomic variables resulting from*
 17 *such legislation.*

18 *(b) JOINT COMMITTEE ON TAXATION ESTIMATES.—*
 19 *For purposes of the enforcement of this concurrent resolu-*
 20 *tion, any estimate provided by the Joint Committee on Tax-*
 21 *ation to the Director of the Congressional Budget Office*
 22 *under section 201(f) of the Congressional Budget Act of*
 23 *1974 for any major legislation shall, to the extent prac-*
 24 *ticable, incorporate the budgetary effects of changes in eco-*

1 *conomic output, employment, capital stock, and other macro-*
2 *economic variables resulting from such legislation.*

3 (c) *CONTENTS.—Any estimate referred to in this sec-*
4 *tion shall, to the extent practicable, include—*

5 (1) *a qualitative assessment of the budgetary ef-*
6 *fects (including macroeconomic variables described in*
7 *subsections (a) and (b)) of such legislation in the 20-*
8 *fiscal year period beginning after the last fiscal year*
9 *of this concurrent resolution sets forth budgetary lev-*
10 *els required by section 301 of the Congressional Budg-*
11 *et Act of 1974; and*

12 (2) *an identification of the critical assumptions*
13 *and the source of data underlying that estimate.*

14 (d) *DEFINITIONS.—As used in this section—*

15 (1) *the term “major legislation” means any bill*
16 *or joint resolution—*

17 (A) *for which an estimate is required to be*
18 *prepared pursuant to section 402 of the Congres-*
19 *sional Budget Act of 1974 and that causes a*
20 *gross budgetary effect (before incorporating mac-*
21 *roeconomic effects) in any fiscal year over the*
22 *years of the most recently agreed to concurrent*
23 *resolution on the budget equal to or greater than*
24 *0.25 percent of the current projected gross domes-*

1 *tic product of the United States for that fiscal*
2 *year; or*

3 *(B) designated as such by the chair of the*
4 *Committee on the Budget for all direct spending*
5 *legislation other than revenue legislation or the*
6 *Member who is chair or vice chair, as applicable,*
7 *of the Joint Committee on Taxation for revenue*
8 *legislation; and*

9 *(2) the term “budgetary effects” means changes*
10 *in revenues, budget authority, outlays, and deficits.*

11 **SEC. 402. LIMITATION ON MEASURES AFFECTING SOCIAL**
12 **SECURITY SOLVENCY.**

13 *(a) IN GENERAL.—For purposes of the enforcement of*
14 *this concurrent resolution, upon its adoption until the end*
15 *of fiscal year 2016, it shall not be in order to consider in*
16 *the House or the Senate a bill or joint resolution, or an*
17 *amendment thereto or conference report thereon, that re-*
18 *duces the actuarial balance by at least .01 percent of the*
19 *present value of future taxable payroll of the Federal Old-*
20 *Age and Survivors Insurance Trust Fund established under*
21 *section 201(a) of the Social Security Act for the 75-year*
22 *period utilized in the most recent annual report of the*
23 *Board of Trustees provided pursuant to section 201(c)(2)*
24 *of the Social Security Act.*

1 (b) *EXCEPTION.*—Subsection (a) shall not apply to a
2 measure that would improve the actuarial balance of the
3 combined balance in the Federal Old-Age and Survivors In-
4 surance Trust Fund and the Federal Disability Insurance
5 Trust Fund for the 75-year period utilized in the most re-
6 cent annual report of the Board of Trustees provided pursu-
7 ant to section 201(c)(2) of the Social Security Act.

8 **SEC. 403. BUDGETARY TREATMENT OF ADMINISTRATIVE EX-**
9 **PENSES.**

10 (a) *IN GENERAL.*—Notwithstanding section 302(a)(1)
11 of the Congressional Budget Act of 1974, section 13301 of
12 the Budget Enforcement Act of 1990, and section 4001 of
13 the Omnibus Budget Reconciliation Act of 1989, the report
14 accompanying this concurrent resolution on the budget or
15 the joint explanatory statement accompanying the con-
16 ference report on any concurrent resolution on the budget
17 shall include in its allocation under section 302(a) of the
18 Congressional Budget Act of 1974 to the Committee on Ap-
19 propriations amounts for the discretionary administrative
20 expenses of the Social Security Administration and the
21 United States Postal Service.

22 (b) *SPECIAL RULE.*—For purposes of enforcing sec-
23 tions 302(f) and 311 of the Congressional Budget Act of
24 1974, estimates of the level of total new budget authority

1 *and total outlays provided by a measure shall include any*
 2 *discretionary amounts described in subsection (a).*

3 **SEC. 404. LIMITATION ON TRANSFERS FROM THE GENERAL**
 4 **FUND OF THE TREASURY TO THE HIGHWAY**
 5 **TRUST FUND.**

6 *For purposes of the Congressional Budget Act of 1974,*
 7 *the Balanced Budget and Emergency Deficit Control Act*
 8 *of 1985, or the rules or orders of the House of Representa-*
 9 *tives, a bill or joint resolution, or an amendment thereto*
 10 *or conference report thereon, that transfers funds from the*
 11 *general fund of the Treasury to the Highway Trust Fund*
 12 *shall be counted as new budget authority and outlays equal*
 13 *to the amount of the transfer in the fiscal year the transfer*
 14 *occurs.*

15 **SEC. 405. LIMITATION ON ADVANCE APPROPRIATIONS.**

16 *(a) IN GENERAL.—In the House, except as provided*
 17 *for in subsection (b), any bill or joint resolution, or amend-*
 18 *ment thereto or conference report thereon, making a general*
 19 *appropriation or continuing appropriation may not pro-*
 20 *vide for advance appropriations.*

21 *(b) EXCEPTIONS.—An advance appropriation may be*
 22 *provided for programs, projects, activities, or accounts iden-*
 23 *tified in the report to accompany this concurrent resolution*
 24 *or the joint explanatory statement of managers to accom-*
 25 *pany this concurrent resolution under the heading—*

1 (1) *GENERAL*.—“*Accounts Identified for Advance*
2 *Appropriations*”.

3 (2) *VETERANS*.—“*Veterans Accounts Identified*
4 *for Advance Appropriations*”.

5 (c) *LIMITATIONS*.—*The aggregate level of advance ap-*
6 *propriations shall not exceed—*

7 (1) *GENERAL*.—\$28,852,000,000 *in new budget*
8 *authority for all programs identified pursuant to sub-*
9 *section (b)(1).*

10 (2) *VETERANS*.—\$63,271,000,000 *in new budget*
11 *authority for programs in the Department of Veterans*
12 *Affairs identified pursuant to subsection (b)(2).*

13 (d) *DEFINITION*.—*The term “advance appropriation”*
14 *means any new discretionary budget authority provided in*
15 *a bill or joint resolution, or any amendment thereto or con-*
16 *ference report thereon, making general appropriations or*
17 *continuing appropriations, for the fiscal year following fis-*
18 *cal year 2016.*

19 **SEC. 406. FAIR VALUE CREDIT ESTIMATES.**

20 (a) *FAIR VALUE ESTIMATES*.—*Upon the request of the*
21 *chair or ranking member of the Committee on the Budget,*
22 *any estimate of the budgetary effects of a measure prepared*
23 *by the Director of the Congressional Budget Office under*
24 *the terms of title V of the Congressional Budget Act of 1974,*
25 *“credit reform” shall, as a supplement to such estimate, and*

1 *to the extent practicable, also provide an estimate of the*
2 *current actual or estimated market values representing the*
3 *“fair value” of assets and liabilities affected by such meas-*
4 *ure.*

5 *(b) FAIR VALUE ESTIMATES FOR HOUSING AND STU-*
6 *DENT LOAN PROGRAMS.—Whenever the Director of the Con-*
7 *gressional Budget Office prepares an estimate pursuant to*
8 *section 402 of the Congressional Budget Act of 1974 of the*
9 *budgetary effects which would be incurred in carrying out*
10 *any bill or joint resolution and if the Director determines*
11 *that such bill or joint resolution has a budgetary effect re-*
12 *lated to a housing, residential mortgage or student loan pro-*
13 *gram under title V of the Congressional Budget Act of 1974,*
14 *then the Director shall also provide an estimate of the cur-*
15 *rent actual or estimated market values representing the*
16 *“fair value” of assets and liabilities affected by the provi-*
17 *sions of such bill or joint resolution that result in such ef-*
18 *fect.*

19 *(c) ENFORCEMENT.—If the Director of the Congres-*
20 *sional Budget Office provides an estimate pursuant to sub-*
21 *section (a) or (b), the chair of the Committee on the Budget*
22 *may use such estimate to determine compliance with the*
23 *Congressional Budget Act of 1974 and other budgetary en-*
24 *forcement controls.*

1 **SEC. 407. LIMITATION ON LONG-TERM SPENDING.**

2 (a) *IN GENERAL.*—*In the House, it shall not be in*
3 *order to consider a bill or joint resolution reported by a*
4 *committee (other than the Committee on Appropriations),*
5 *or an amendment thereto or a conference report thereon,*
6 *if the provisions of such measure have the net effect of in-*
7 *creasing direct spending in excess of \$5,000,000,000 for any*
8 *period described in subsection (b).*

9 (b) *TIME PERIODS.*—*The applicable periods for pur-*
10 *poses of this section are any of the four consecutive ten fis-*
11 *cal-year periods beginning in the fiscal year following the*
12 *last fiscal year of this concurrent resolution.*

13 **SEC. 408. ALLOCATION FOR OVERSEAS CONTINGENCY OP-**
14 **ERATIONS/GLOBAL WAR ON TERRORISM.**

15 (a) *SEPARATE OCO/GWOT ALLOCATION.*—*In the*
16 *House, there shall be a separate allocation of new budget*
17 *authority and outlays provided to the Committee on Appro-*
18 *priations for the purposes of Overseas Contingency Oper-*
19 *ations/Global War on Terrorism.*

20 (b) *APPLICATION.*—*For purposes of enforcing the sepa-*
21 *rate allocation referred to in subsection (a) under section*
22 *302(f) of the Congressional Budget Act of 1974, the “first*
23 *fiscal year” and the “total of fiscal years” shall be deemed*
24 *to refer to fiscal year 2016. Section 302(c) of such Act shall*
25 *not apply to such separate allocation.*

1 (c) *DESIGNATIONS.*—*New budget authority or outlays*
 2 *counting toward the allocation established by subsection (a)*
 3 *shall be designated pursuant to section 251(b)(2)(A)(i) of*
 4 *the Balanced Budget and Emergency Deficit Control Act*
 5 *of 1985.*

6 (d) *ADJUSTMENTS.*—*For purposes of subsection (a) for*
 7 *fiscal year 2016, no adjustment shall be made under section*
 8 *314(a) of the Congressional Budget Act of 1974 if any ad-*
 9 *justment would be made under section 251(b)(2)(A)(i) of*
 10 *the Balanced Budget and Emergency Deficit Control Act*
 11 *of 1985.*

12 **SEC. 409. ADJUSTMENTS FOR IMPROVED CONTROL OF**
 13 **BUDGETARY RESOURCES.**

14 (a) *ADJUSTMENTS OF DISCRETIONARY AND DIRECT*
 15 *SPENDING LEVELS.*—*In the House, if a committee (other*
 16 *than the Committee on Appropriations) reports a bill or*
 17 *joint resolution, or offers any amendment thereto or submits*
 18 *a conference report thereon, providing for a decrease in di-*
 19 *rect spending (budget authority and outlays flowing there-*
 20 *from) for any fiscal year and also provides for an author-*
 21 *ization of appropriations for the same purpose, upon the*
 22 *enactment of such measure, the chair of the Committee on*
 23 *the Budget may decrease the allocation to such committee*
 24 *and increase the allocation of discretionary spending (budg-*
 25 *et authority and outlays flowing therefrom) to the Com-*

1 *mittee on Appropriations for fiscal year 2016 by an*
 2 *amount equal to the new budget authority (and outlays*
 3 *flowing therefrom) provided for in a bill or joint resolution*
 4 *making appropriations for the same purpose.*

5 **(b) DETERMINATIONS.**—*In the House, for the purpose*
 6 *of enforcing this concurrent resolution, the allocations and*
 7 *aggregate levels of new budget authority, outlays, direct*
 8 *spending, new entitlement authority, revenues, deficits, and*
 9 *surpluses for fiscal year 2016 and the period of fiscal years*
 10 *2016 through fiscal year 2025 shall be determined on the*
 11 *basis of estimates made by the chair of the Committee on*
 12 *the Budget and such chair may adjust applicable levels of*
 13 *this concurrent resolution.*

14 **SEC. 410. CONCEPTS, AGGREGATES, ALLOCATIONS AND AP-**
 15 **PLICATION.**

16 **(a) CONCEPTS, ALLOCATIONS, AND APPLICATION.**—*In*
 17 *the House—*

18 **(1)** *upon a change in budgetary concepts or defi-*
 19 *nitions, the chair of the Committee on the Budget*
 20 *may adjust any allocations, aggregates, and other*
 21 *budgetary levels in this concurrent resolution accord-*
 22 *ingly;*

23 **(2)** *any adjustments of the allocations, aggre-*
 24 *gates, and other budgetary levels made pursuant to*
 25 *this concurrent resolution shall—*

1 (A) apply while that measure is under con-
2 sideration;

3 (B) take effect upon the enactment of that
4 measure; and

5 (C) be published in the Congressional
6 Record as soon as practicable;

7 (3) section 202 of S. Con. Res. 21 (110th Con-
8 gress) shall have no force or effect for any reconcili-
9 ation bill reported pursuant to instructions set forth
10 in this concurrent resolution;

11 (4) the chair of the Committee on the Budget
12 may adjust the allocations, aggregates, and other ap-
13 propriate budgetary levels to reflect changes resulting
14 from the most recently published or adjusted baseline
15 of the Congressional Budget Office; and

16 (5) the term “budget year” means the most re-
17 cent fiscal year for which a concurrent resolution on
18 the budget has been adopted.

19 (b) *AGGREGATES, ALLOCATIONS AND APPLICATION.*—
20 In the House, for purposes of this concurrent resolution and
21 budget enforcement—

22 (1) the consideration of any bill or joint resolu-
23 tion, or amendment thereto or conference report there-
24 on, for which the chair of the Committee on the Budg-
25 et makes adjustments or revisions in the allocations,

1 *aggregates, and other budgetary levels of this concur-*
2 *rent resolution shall not be subject to the points of*
3 *order set forth in clause 10 of rule XXI of the Rules*
4 *of the House of Representatives or section 407 of this*
5 *concurrent resolution; and*

6 *(2) revised allocations and aggregates resulting*
7 *from these adjustments shall be considered for the*
8 *purposes of the Congressional Budget Act of 1974 as*
9 *allocations and aggregates included in this concurrent*
10 *resolution.*

11 **SEC. 411. RULEMAKING POWERS.**

12 *The House adopts the provisions of this title—*

13 *(1) as an exercise of the rulemaking power of the*
14 *House of Representatives and as such they shall be*
15 *considered as part of the rules of the House of Rep-*
16 *resentatives, and these rules shall supersede other*
17 *rules only to the extent that they are inconsistent with*
18 *other such rules; and*

19 *(2) with full recognition of the constitutional*
20 *right of the House of Representatives to change those*
21 *rules at any time, in the same manner, and to the*
22 *same extent as in the case of any other rule of the*
23 *House of Representatives.*

1 **TITLE V—RESERVE FUNDS**

2 **SEC. 501. RESERVE FUND FOR THE REPEAL OF THE PRESI-**
 3 **DENT'S HEALTH CARE LAW.**

4 *In the House, the chair of the Committee on the Budget*
 5 *may revise the allocations, aggregates, and other budgetary*
 6 *levels in this concurrent resolution for the budgetary effects*
 7 *of any bill or joint resolution, or amendment thereto or con-*
 8 *ference report thereon, that consists solely of the full repeal*
 9 *of the Affordable Care Act and the health care-related provi-*
 10 *sions of the Health Care and Education Reconciliation Act*
 11 *of 2010 or measures that make modifications to such law.*

12 **SEC. 502. DEFICIT-NEUTRAL RESERVE FUND FOR PRO-**
 13 **MOTING REAL HEALTH CARE REFORM.**

14 *In the House, the chair of the Committee on the Budget*
 15 *may revise the allocations, aggregates, and other budgetary*
 16 *levels in this concurrent resolution for the budgetary effects*
 17 *of any bill or joint resolution, or amendment thereto or con-*
 18 *ference report thereon, that promotes real health care re-*
 19 *form, if such measure would not increase the deficit for the*
 20 *period of fiscal years 2016 through 2025.*

21 **SEC. 503. DEFICIT-NEUTRAL RESERVE FUND RELATED TO**
 22 **THE MEDICARE PROVISIONS OF THE PRESI-**
 23 **DENT'S HEALTH CARE LAW.**

24 *In the House, the chair of the Committee on the Budget*
 25 *may revise the allocations, aggregates, and other budgetary*

1 *levels in this concurrent resolution for the budgetary effects*
 2 *of any bill or joint resolution, or amendment thereto or con-*
 3 *ference report thereon, that repeals all or part of the de-*
 4 *creases in Medicare spending included in the Affordable*
 5 *Care Act or the Health Care and Education Reconciliation*
 6 *Act of 2010, if such measure would not increase the deficit*
 7 *for the period of fiscal years 2016 through 2025.*

8 **SEC. 504. DEFICIT-NEUTRAL RESERVE FUND FOR THE**
 9 **STATE CHILDREN'S HEALTH INSURANCE PRO-**
 10 **GRAM.**

11 *In the House, the chair of the Committee on the Budget*
 12 *may revise the allocations, aggregates, and other budgetary*
 13 *levels in this concurrent resolution for any bill or joint reso-*
 14 *lution, or amendment thereto or conference report thereon,*
 15 *if such measure extends the State Children's Health Insur-*
 16 *ance Program, but only if such measure would not increase*
 17 *the deficit over the period of fiscal years 2016 through 2025.*

18 **SEC. 505. DEFICIT-NEUTRAL RESERVE FUND FOR GRAD-**
 19 **UATE MEDICAL EDUCATION.**

20 *In the House, the chair of the Committee on the Budget*
 21 *may revise the allocations, aggregates, and other budgetary*
 22 *levels in this concurrent resolution for any bill or joint reso-*
 23 *lution, or amendment thereto or conference report thereon,*
 24 *if such measure reforms, expands access to, and improves,*
 25 *as determined by such chair, graduate medical education*

1 *programs, but only if such measure would not increase the*
2 *deficit over the period of fiscal years 2016 through 2025.*

3 **SEC. 506. DEFICIT-NEUTRAL RESERVE FUND FOR TRADE**
4 **AGREEMENTS.**

5 *In the House, the chair of the Committee on the Budget*
6 *may revise the allocations, aggregates, and other budgetary*
7 *levels in this concurrent resolution for the budgetary effects*
8 *of any bill or joint resolution reported by the Committee*
9 *on Ways and Means, or amendment thereto or conference*
10 *report thereon, that implements a trade agreement, but only*
11 *if such measure would not increase the deficit for the period*
12 *of fiscal years 2016 through 2025.*

13 **SEC. 507. DEFICIT-NEUTRAL RESERVE FUND FOR REFORM-**
14 **ING THE TAX CODE.**

15 *In the House, if the Committee on Ways and Means*
16 *reports a bill or joint resolution that reforms the Internal*
17 *Revenue Code of 1986, the chair of the Committee on the*
18 *Budget may revise the allocations, aggregates, and other*
19 *budgetary levels in this concurrent resolution for the budg-*
20 *etary effects of any such bill or joint resolution, or amend-*
21 *ment thereto or conference report thereon, if such measure*
22 *would not increase the deficit for the period of fiscal years*
23 *2016 through 2025.*

1 **SEC. 508. DEFICIT-NEUTRAL RESERVE FUND FOR REVENUE**
2 **MEASURES.**

3 *In the House, the chair of the Committee on the Budget*
4 *may revise the allocations, aggregates, and other budgetary*
5 *levels in this concurrent resolution for the budgetary effects*
6 *of any bill or joint resolution reported by the Committee*
7 *on Ways and Means, or amendment thereto or conference*
8 *report thereon, that decreases revenue, but only if such*
9 *measure would not increase the deficit for the period of fis-*
10 *cal years 2016 through 2025.*

11 **SEC. 509. DEFICIT-NEUTRAL RESERVE FUND TO REDUCE**
12 **POVERTY AND INCREASE OPPORTUNITY AND**
13 **UPWARD MOBILITY.**

14 *In the House, the chair of the Committee on the Budget*
15 *may revise the allocations, aggregates, and other budgetary*
16 *levels in this concurrent resolution for any bill or joint reso-*
17 *lution, or amendment thereto or conference report thereon,*
18 *if such measure reforms policies and programs to reduce*
19 *poverty and increase opportunity and upward mobility, but*
20 *only if such measure would neither adversely impact job*
21 *creation nor increase the deficit over the period of fiscal*
22 *years 2016 through 2025.*

23 **SEC. 510. DEFICIT-NEUTRAL RESERVE FUND FOR TRANS-**
24 **PORTATION.**

25 *In the House, the chair of the Committee on the Budget*
26 *may revise the allocations, aggregates, and other budgetary*

1 *levels in this concurrent resolution for any bill or joint reso-*
2 *lution, or amendment thereto or conference report thereon,*
3 *if such measure maintains the solvency of the Highway*
4 *Trust Fund, but only if such measure would not increase*
5 *the deficit over the period of fiscal years 2016 through 2025.*

6 **SEC. 511. DEFICIT-NEUTRAL RESERVE FUND FOR FEDERAL**
7 **RETIREMENT REFORM.**

8 *In the House, the chair of the Committee on the Budget*
9 *may revise the allocations, aggregates, and other budgetary*
10 *levels in this concurrent resolution for any bill or joint reso-*
11 *lution, or amendment thereto or conference report thereon,*
12 *if such measure reforms, improves and updates the Federal*
13 *retirement system, as determined by such chair, but only*
14 *if such measure would not increase the deficit over the pe-*
15 *riod of fiscal years 2016 through 2025.*

16 **SEC. 512. DEFICIT-NEUTRAL RESERVE FUND FOR DEFENSE**
17 **SEQUESTER REPLACEMENT.**

18 *The chair of the Committee on the Budget may revise*
19 *the allocations, aggregates, and other budgetary levels in*
20 *this concurrent resolution for any bill or joint resolution,*
21 *or amendment thereto or conference report thereon, if such*
22 *measure supports the following activities: Department of*
23 *Defense training and maintenance associated with combat*
24 *readiness, modernization of equipment, auditability of fi-*
25 *nancial statements, or military compensation and benefit*

1 reforms, by the amount provided for these purposes, but
 2 only if such measure would not increase the deficit (without
 3 counting any net revenue increases in that measure) over
 4 the period of fiscal years 2016 through 2025.

5 **TITLE VI—ESTIMATES OF**
 6 **DIRECT SPENDING**

7 **SEC. 601. DIRECT SPENDING.**

8 (a) *MEANS-TESTED DIRECT SPENDING.*—

9 (1) *For means-tested direct spending, the average*
 10 *rate of growth in the total level of outlays during the*
 11 *10-year period preceding fiscal year 2016 is 6.8 per-*
 12 *cent.*

13 (2) *For means-tested direct spending, the esti-*
 14 *mated average rate of growth in the total level of out-*
 15 *lays during the 10-year period beginning with fiscal*
 16 *year 2016 is 4.6 percent under current law.*

17 (3) *The following reforms are proposed in this*
 18 *concurrent resolution for means-tested direct spend-*
 19 *ing:*

20 (A) *In 1996, a Republican Congress and a*
 21 *Democratic president reformed welfare by lim-*
 22 *iting the duration of benefits, giving States more*
 23 *control over the program, and helping recipients*
 24 *find work. In the five years following passage,*
 25 *child-poverty rates fell, welfare caseloads fell, and*

1 *workers' wages increased. This budget applies the*
2 *lessons of welfare reform to both the Supple-*
3 *mental Nutrition Assistance Program and Med-*
4 *icaid.*

5 *(B) For Medicaid, this budget assumes the*
6 *conversion of the Federal share of Medicaid*
7 *spending into flexible State allotments, which*
8 *States will be able to tailor to meet their unique*
9 *needs. Such a reform would end the misguided*
10 *one-size-fits-all approach that ties the hands of*
11 *State governments and would provide States*
12 *with the freedom and flexibility they have long*
13 *requested in the Medicaid program. Moreover,*
14 *this budget assumes the repeal of the Medicaid*
15 *expansions in the President's health care law, re-*
16 *lieving State governments of the crippling one-*
17 *size-fits-all enrollment mandates, as well as the*
18 *overwhelming pressure the law's Medicaid expan-*
19 *sion puts on an already-strained system.*

20 *(C) For the Supplemental Nutrition Assist-*
21 *ance Program, this budget assumes the conver-*
22 *sion of the program into a flexible State allot-*
23 *ment tailored to meet each State's needs. The al-*
24 *lotment would increase based on the Department*
25 *of Agriculture Thrifty Food Plan index and ben-*

1 *eficiary growth. Such a reform would provide in-*
2 *centives for States to ensure dollars will go to-*
3 *wards those who need them most.*

4 ***(b) NONMEANS-TESTED DIRECT SPENDING.—***

5 *(1) For nonmeans-tested direct spending, the av-*
6 *erage rate of growth in the total level of outlays dur-*
7 *ing the 10-year period preceding fiscal year 2016 is*
8 *5.4 percent.*

9 *(2) For nonmeans-tested direct spending, the es-*
10 *timated average rate of growth in the total level of*
11 *outlays during the 10-year period beginning with fis-*
12 *cal year 2016 is 5.5 percent under current law.*

13 *(3) The following reforms are proposed in this*
14 *concurrent resolution for nonmeans-tested direct*
15 *spending:*

16 *(A) For Medicare, this budget advances*
17 *policies to put seniors, not the Federal Govern-*
18 *ment, in control of their health care decisions.*
19 *Future retirees would be able to choose from a*
20 *range of guaranteed coverage options, with pri-*
21 *vate plans competing alongside the traditional*
22 *fee-for-service Medicare program. Medicare would*
23 *provide a premium-support payment either to*
24 *pay for or offset the premium of the plan chosen*
25 *by the senior, depending on the plan's cost. The*

1 Medicare premium-support payment would be
 2 adjusted so that the sick would receive higher
 3 payments if their conditions worsened; lower-in-
 4 come seniors would receive additional assistance
 5 to help cover out-of-pocket costs; and wealthier
 6 seniors would assume responsibility for a greater
 7 share of their premiums. Putting seniors in
 8 charge of how their health care dollars are spent
 9 will force providers to compete against each other
 10 on price and quality. This market competition
 11 will act as a real check on widespread waste and
 12 skyrocketing health care costs. As with previous
 13 budgets, this program will begin in 2024 and
 14 makes no changes to those in or near retirement.

15 (B) In keeping with a recommendation
 16 from the National Commission on Fiscal Re-
 17 sponsibility and Reform, this budget calls for
 18 Federal employees—including Members of Con-
 19 gress and congressional staff—to make greater
 20 contributions toward their own retirement.

21 **TITLE VII—RECOMMENDED**

22 **LONG-TERM LEVELS**

23 **SEC. 701. LONG-TERM BUDGETING.**

24 The following are the recommended revenue, spending,
 25 and deficit levels for each of fiscal years 2030, 2035, and

1 2040 as a percent of the gross domestic product of the
2 United States:

3 (1) *REVENUES.*—The budgetary levels of Federal
4 revenues are as follows:

5 *Fiscal year 2030: 18.7 percent.*

6 *Fiscal year 2035: 19.0 percent.*

7 *Fiscal year 2040: 19.0 percent.*

8 (2) *OUTLAYS.*—The budgetary levels of total
9 budget outlays are not to exceed:

10 *Fiscal year 2030: 18.4 percent.*

11 *Fiscal year 2035: 17.8 percent.*

12 *Fiscal year 2040: 16.9 percent.*

13 (3) *DEFICITS.*—The budgetary levels of deficits
14 are not to exceed:

15 *Fiscal year 2030: -0.3 percent.*

16 *Fiscal year 2035: -1.2 percent.*

17 *Fiscal year 2040: -2.1 percent.*

18 (4) *DEBT.*—The budgetary levels of debt held by
19 the public are not to exceed:

20 *Fiscal year 2030: 44.0 percent.*

21 *Fiscal year 2035: 32.0 percent.*

22 *Fiscal year 2040: 18.0 percent.*

1 **TITLE VIII—POLICY**
2 **STATEMENTS**

3 **SEC. 801. POLICY STATEMENT ON BALANCED BUDGET**
4 **AMENDMENT.**

5 (a) *FINDINGS.—The House finds the following:*

6 (1) *The Federal Government collects approxi-*
7 *mately \$3 trillion annually in taxes, but spends more*
8 *than \$3.5 trillion to maintain the operations of gov-*
9 *ernment. The Federal Government must borrow 14*
10 *cents of every Federal dollar spent.*

11 (2) *At the end of the year 2014, the national debt*
12 *of the United States was more than \$18.1 trillion.*

13 (3) *A majority of States have petitioned the Fed-*
14 *eral Government to hold a Constitutional Convention*
15 *for the consideration of adopting a Balanced Budget*
16 *Amendment to the United States Constitution.*

17 (4) *Forty-nine States have fiscal limitations in*
18 *their State Constitutions, including the requirement*
19 *to annually balance the budget.*

20 (5) *H.J. Res. 2, sponsored by Rep. Robert W.*
21 *Goodlatte (R-VA), was considered by the House of*
22 *Representatives on November 18, 2011, though it re-*
23 *ceived 262 aye votes, it did not receive the two-thirds*
24 *required for passage.*

1 (6) Numerous balanced budget amendment pro-
2 posals have been introduced on a bipartisan basis in
3 the House. Twelve were introduced in the 113th Con-
4 gress alone, including H.J. Res. 4 by Democratic
5 Representative John J. Barrow of Georgia, and H.J.
6 Res. 38 by Republican Representative Jackie
7 Walorski of Indiana.

8 (7) The joint resolution providing for a balanced
9 budget amendment to the United States Constitution
10 referred to in paragraph (5) prohibited outlays for a
11 fiscal year (except those for repayment of debt prin-
12 cipal) from exceeding total receipts for that fiscal
13 year (except those derived from borrowing) unless
14 Congress, by a three-fifths roll call vote of each cham-
15 ber, authorizes a specific excess of outlays over re-
16 ceipts.

17 (8) In 1995, a balanced budget amendment to
18 the United States Constitution passed the House with
19 bipartisan support, but failed of passage by one vote
20 in the United States Senate.

21 (b) *POLICY STATEMENT.*—It is the policy of this reso-
22 lution that Congress should pass a joint resolution incor-
23 porating the provisions set forth in subsection (b), and send
24 such joint resolution to the States for their approval, to

1 *amend the Constitution of the United States to require an*
2 *annual balanced budget.*

3 **SEC. 802. POLICY STATEMENT ON BUDGET PROCESS AND**
4 **BASELINE REFORM.**

5 *(a) FINDINGS.—*

6 *(1) In 1974, after more than 50 years of execu-*
7 *tive dominance over fiscal policy, Congress acted to*
8 *reassert its “power of the purse”, and passed the Con-*
9 *gressional Budget and Impoundment Control Act.*

10 *(2) The measure explicitly sought to establish*
11 *congressional control over the budget process, to pro-*
12 *vide for annual congressional determination of the*
13 *appropriate level of taxes and spending, to set impor-*
14 *tant national budget priorities, and to find ways in*
15 *which Members of Congress could have access to the*
16 *most accurate, objective, and highest quality informa-*
17 *tion to assist them in discharging their duties.*

18 *(3) Far from achieving its intended purpose,*
19 *however, the process has instituted a bias toward*
20 *higher spending and larger government. The behemoth*
21 *of the Federal Government has largely been financed*
22 *through either borrowing or taking ever greater*
23 *amounts of the national income through high tax-*
24 *ation.*

1 (4) *The process does not treat programs and*
2 *policies consistently and shows a bias toward higher*
3 *spending and higher taxes.*

4 (5) *It assumes extension of spending programs*
5 *(of more than \$50 million per year) scheduled to ex-*
6 *pire.*

7 (6) *Yet it does not assume the extension of tax*
8 *policies in the same way. consequently, extending ex-*
9 *isting tax policies that may be scheduled to expire is*
10 *characterized as a new tax reduction, requiring offsets*
11 *to “pay for” merely keeping tax policy the same even*
12 *though estimating conventions would not require*
13 *similar treatment of spending programs.*

14 (7) *The original goals set for the congressional*
15 *process are admirable in their intent, but because the*
16 *essential mechanisms of the process have remained the*
17 *same, and “reforms” enacted over the past 40 years*
18 *have largely taken the form of layering greater levels*
19 *of legal complexity without reforming or reassessing*
20 *the very fundamental nature of the process.*

21 (b) *POLICY STATEMENT.—It is the policy of this con-*
22 *current resolution on the budget that as the primary branch*
23 *of Government, Congress must:*

24 (1) *Restructure the fundamental procedures of*
25 *budget decision making.*

1 (2) *Reassert Congress’s “power of the purse”,*
2 *and reinforce the balance of powers between Congress*
3 *and the President, as the 1974 Act intended.*

4 (3) *Create greater incentives for lawmakers to do*
5 *budgeting as intended by the Congressional Budget*
6 *Act of 1974, especially adopting a budget resolution*
7 *every year.*

8 (4) *Encourage more effective control over spend-*
9 *ing, especially currently uncontrolled direct spending.*

10 (5) *Consider innovative fiscal tools such as: zero*
11 *based budgeting, which would require a department*
12 *or agency to justify its budget as if it were a new ex-*
13 *penditure; and direct spending caps to enhance over-*
14 *sight of automatic pilot spending that increases each*
15 *year without congressional approval.*

16 (6) *Promote efficient and timely budget actions,*
17 *so that lawmakers complete their budget actions by*
18 *the time the new fiscal year begins.*

19 (7) *Provide access to the best analysis of eco-*
20 *nomie conditions available and increase awareness of*
21 *how fiscal policy directly impacts overall economic*
22 *growth and job creation.*

23 (8) *Remove layers of complexity that have com-*
24 *plicated the procedures designed in 1974, and made*
25 *budgeting more arcane and opaque.*

1 (9) *Remove existing biases that favor higher*
2 *spending.*

3 (10) *Include procedures by which current tax*
4 *laws may be extended and treated on a basis that is*
5 *not different from the extension of entitlement pro-*
6 *grams.*

7 (c) *BUDGET PROCESS REFORM.—Comprehensive*
8 *budget process reform should also remove the bias in the*
9 *baseline against the extension of current tax laws in the*
10 *following ways:*

11 (1) *Permanent extension of tax laws should not*
12 *be used as a means to increase taxes on other tax-*
13 *payers.*

14 (2) *For those expiring tax provisions that are*
15 *proposed to be permanently extended, Congress should*
16 *use a more realistic baseline that does not require*
17 *them to be offset.*

18 (3) *Tax-reform legislation should not include tax*
19 *increases just to offset the extension of current tax*
20 *laws.*

21 (d) *LEGISLATION.—The Committee on the Budget in-*
22 *tends to draft legislation during the 114th Congress that*
23 *will rewrite the Congressional Budget and Impoundment*
24 *Control Act of 1974 to fulfill the goals of making the con-*

1 *gressional budget process more effective in ensuring tax-*
2 *payers' dollars are spent wisely and efficiently.*

3 **SEC. 803. POLICY STATEMENT ON ECONOMIC GROWTH AND**
4 **JOB CREATION.**

5 *(a) FINDINGS.—The House finds the following:*

6 *(1) Although the United States economy tech-*
7 *nically emerged from recession more than 5 years ago,*
8 *the subsequent recovery has felt more like a malaise*
9 *than a rebound. Real gross domestic product GDP*
10 *growth over the past 5 years has averaged slightly*
11 *more than 2 percent, well below the 3.2 percent histor-*
12 *ical trend rate of growth in the United States. Al-*
13 *though the economy has shown some welcome signs of*
14 *improvement of late, the Nation remains in the midst*
15 *of the weakest economic recovery of the modern era.*

16 *(2) Looking ahead, CBO expects the economy to*
17 *grow by an average of just 2.3 percent over the next*
18 *10 years. That level of economic growth is simply un-*
19 *acceptable and insufficient to expand opportunities*
20 *and the incomes of millions of middle-income Ameri-*
21 *cans.*

22 *(3) Sluggish economic growth has also contrib-*
23 *uted to the country's fiscal woes. Subpar growth*
24 *means that revenue levels are lower than they would*
25 *otherwise be while government spending (e.g. welfare*

1 *and income-support programs) is higher. Clearly,*
2 *there is a dire need for policies that will spark higher*
3 *rates of economic growth and greater, higher-quality*
4 *job opportunities.*

5 *(4) Although job gains have been trending up of*
6 *late, other aspects of the labor market remain weak.*
7 *The labor force participation rate, for instance, is*
8 *hovering just under 63 percent, close to the lowest*
9 *level since 1978. Long-term unemployment also re-*
10 *remains a problem. Of the roughly 8.7 million people*
11 *who are currently unemployed, 2.7 million (more*
12 *than 30 percent) have been unemployed for more than*
13 *6 months. Long-term unemployment erodes an indi-*
14 *vidual's job skills and detaches them from job oppor-*
15 *tunities. It also undermines the long-term productive*
16 *capacity of the economy.*

17 *(5) Perhaps most important, wage gains and in-*
18 *come growth have been subpar for middle-class Ameri-*
19 *cans. Average hourly earnings of private-sector work-*
20 *ers have increased by just 1.6 percent over the past*
21 *year. Prior to the recession, average hourly earnings*
22 *were tracking close to 4 percent. Likewise, average in-*
23 *come levels have remained flat in recent years. Real*
24 *median household income is just under \$52,000, one*
25 *of the lowest levels since 1995.*

1 (6) *The unsustainable fiscal trajectory has cast a*
2 *shadow on the country's economic outlook. investors*
3 *and businesses make decisions on a forward-looking*
4 *basis. they know that today's large debt levels are*
5 *simply tomorrow's tax hikes, interest rate increases,*
6 *or inflation and they act accordingly. This debt over-*
7 *hang, and the uncertainty it generates, can weigh on*
8 *growth, investment, and job creation.*

9 (7) *Nearly all economists, including those at the*
10 *CBO, conclude that reducing budget deficits (thereby*
11 *bending the curve on debt levels is a net positive for*
12 *economic growth over time. The logic is that deficit*
13 *reduction creates long-term economic benefits because*
14 *it increases the pool of national savings and boosts*
15 *investment, thereby raising economic growth and job*
16 *creation.*

17 (8) *CBO analyzed the House Republican fiscal*
18 *year 2016 budget resolution and found it would in-*
19 *crease real output per capita (a proxy for a country's*
20 *standard of living) by about \$1,000 in 2025 and*
21 *roughly \$5,000 by 2040 relative to the baseline path.*
22 *That means more income and greater prosperity for*
23 *all Americans.*

24 (9) *In contrast, if the Government remains on*
25 *the current fiscal path, future generations will face*

1 *ever-higher debt service costs, a decline in national*
2 *savings, and a “crowding out” of private investment.*
3 *This dynamic will eventually lead to a decline in eco-*
4 *nommic output and a diminution in our country’s*
5 *standard of living.*

6 *(10) The key economic challenge is determining*
7 *how to expand the economic pie, not how best to di-*
8 *vide up and re-distribute a shrinking pie.*

9 *(11) A stronger economy is vital to lowering def-*
10 *icit levels and eventually balancing the budget. Ac-*
11 *cording to CBO, if annual real GDP growth is just*
12 *0.1 percentage point higher over the budget window,*
13 *deficits would be reduced by \$326 billion.*

14 *(12) This budget resolution therefore embraces*
15 *pro-growth policies, such as fundamental tax reform,*
16 *that will help foster a stronger economy, greater op-*
17 *portunities and more job creation.*

18 *(b) POLICY ON ECONOMIC GROWTH AND JOB CRE-*
19 *ATION.—It is the policy of this resolution to promote faster*
20 *economic growth and job creation. By putting the budget*
21 *on a sustainable path, this resolution ends the debt-fueled*
22 *uncertainty holding back job creators. Reforms to the tax*
23 *code will put American businesses and workers in a better*
24 *position to compete and thrive in the 21st century global*
25 *economy. This resolution targets the regulatory red tape*

1 *and cronyism that stack the deck in favor of special inter-*
2 *ests. All of the reforms in this resolution serve as means*
3 *to the larger end of helping the economy grow and expand-*
4 *ing opportunity for all Americans.*

5 **SEC. 804. POLICY STATEMENT ON TAX REFORM.**

6 (a) *FINDINGS.—The House finds the following:*

7 (1) *A world-class tax system should be simple,*
8 *fair, and promote (rather than impede) economic*
9 *growth. The United States tax code fails on all three*
10 *counts: It is notoriously complex, patently unfair,*
11 *and highly inefficient. The tax code's complexity dis-*
12 *torts decisions to work, save, and invest, which leads*
13 *to slower economic growth, lower wages, and less job*
14 *creation.*

15 (2) *Over the past decade alone, there have been*
16 *4,107 changes to the tax code, more than one per day.*
17 *Many of the major changes over the years have in-*
18 *volved carving out special preferences, exclusions, or*
19 *deductions for various activities or groups. These*
20 *loopholes add up to more than \$1 trillion per year*
21 *and make the code unfair, inefficient, and highly*
22 *complex.*

23 (3) *In addition, these tax preferences are dis-*
24 *proportionately used by upper-income individuals.*

1 (4) *The large amount of tax preferences that pervade the code end up narrowing the tax base. A narrow tax base, in turn, requires much higher tax rates to raise a given amount of revenue.*

5 (5) *It is estimated that American taxpayers end up spending \$160 billion and roughly 6 billion hours a year complying with the tax code waste of time and resources that could be used in more productive activities.*

10 (6) *Standard economic theory shows that high marginal tax rates dampen the incentives to work, save, and invest, which reduces economic output and job creation. Lower economic output, in turn, mutes the intended revenue gain from higher marginal tax rates.*

16 (7) *Roughly half of United States active business income and half of private sector employment are derived from business entities (such as partnerships, S corporations, and sole proprietorships) that are taxed on a “pass-through” basis, meaning the income flows through to the tax returns of the individual owners and is taxed at the individual rate structure rather than at the corporate rate. Small businesses, in particular, tend to choose this form for Federal tax purposes, and the top Federal rate on such small business*

1 *income can reach nearly 45 percent. For these rea-*
2 *sons, sound economic policy requires lowering mar-*
3 *ginal rates on these pass-through entities.*

4 (8) *The United States corporate income tax rate*
5 *(including Federal, State, and local taxes) sums to*
6 *slightly more than 39 percent, the highest rate in the*
7 *industrialized world. Tax rates this high suppress*
8 *wages and discourage investment and job creation,*
9 *distort business activity, and put American businesses*
10 *at a competitive disadvantage with foreign competi-*
11 *tors.*

12 (9) *By deterring potential investment, the*
13 *United States corporate tax restrains economic*
14 *growth and job creation. The United States tax rate*
15 *differential with other countries also fosters a variety*
16 *of complicated multinational corporate behaviors in-*
17 *tended to avoid the tax, which have the effect of mov-*
18 *ing the tax base offshore, destroying American jobs,*
19 *and decreasing corporate revenue.*

20 (10) *The “worldwide” structure of United States*
21 *international taxation essentially taxes earnings of*
22 *United States firms twice, putting them at a signifi-*
23 *cant competitive disadvantage with competitors with*
24 *more competitive international tax systems.*

1 (11) *Reforming the United States tax code to a*
2 *more competitive international system would boost*
3 *the competitiveness of United States companies oper-*
4 *ating abroad and it would also greatly reduce tax*
5 *avoidance.*

6 (12) *The tax code imposes costs on American*
7 *workers through lower wages, on consumers in higher*
8 *prices, and on investors in diminished returns.*

9 (13) *Revenues have averaged about 17.4 percent*
10 *of the economy throughout modern American history.*
11 *Revenues rise above this level under current law to*
12 *18.3 percent of the economy by the end of the 10-year*
13 *budget window.*

14 (14) *Attempting to raise revenue through new*
15 *tax increases to meet out-of-control spending would*
16 *sink the economy and Americans' ability to save for*
17 *their retirement and their children's education.*

18 (15) *This resolution also rejects the idea of insti-*
19 *tuting a carbon tax in the United States, which some*
20 *have offered as a new source of revenue. Such a plan*
21 *would damage the economy, cost jobs, and raise prices*
22 *on American consumers.*

23 (16) *Closing tax loopholes to fund spending does*
24 *not constitute fundamental tax reform.*

1 (17) *The goal of tax reform should be to curb or*
2 *eliminate loopholes and use those savings to lower tax*
3 *rates across the board not to fund more wasteful Gov-*
4 *ernment spending. Washington has a spending prob-*
5 *lem, not a revenue problem.*

6 (18) *Many economists believe that fundamental*
7 *tax reform (i.e. a broader tax base and lower tax*
8 *rates) would lead to greater labor supply and in-*
9 *creased investment, which, over time, would have a*
10 *positive impact on total national output.*

11 (19) *Heretofore, the congressional scorekeepers*
12 *the Congressional Budget Office (CBO) and the Joint*
13 *Committee on Taxation (JCT).*

14 (20) *Static scoring implicitly assumes that the*
15 *size of the economy (and therefore key economic vari-*
16 *ables such as labor supply and investment) remains*
17 *fixed throughout the considered budget horizon. This*
18 *is an abstraction from reality.*

19 (21) *A new House rule was adopted at the begin-*
20 *ning of the 114th Congress to help correct this prob-*
21 *lem. This rule requires CBO and JCT to incorporate*
22 *the macroeconomic effects of major legislation into*
23 *their official cost estimates.*

24 (22) *This rule seeks to bridge the divide between*
25 *static estimates and scoring that incorporates eco-*

1 *conomic feedback effects by providing policymakers with*
2 *a greater amount of information about the likely eco-*
3 *nommic impact of policies under their consideration*
4 *while at the same time preserving traditional scoring*
5 *methods and reporting conventions.*

6 *(b) POLICY ON TAX REFORM.—It is the policy of this*
7 *resolution that Congress should enact legislation that pro-*
8 *vides for a comprehensive reform of the United States tax*
9 *code to promote economic growth, create American jobs, in-*
10 *crease wages, and benefit American consumers, investors,*
11 *and workers through fundamental tax reform that—*

12 *(1) simplifies the tax code to make it fairer to*
13 *American families and businesses and reduces the*
14 *amount of time and resources necessary to comply*
15 *with tax laws;*

16 *(2) substantially lowers tax rates for individuals*
17 *and consolidates the current seven individual income*
18 *tax brackets into fewer brackets;*

19 *(3) repeals the Alternative Minimum Tax;*

20 *(4) reduces the corporate tax rate; and*

21 *(5) transitions the tax code to a more competi-*
22 *tive system of international taxation in a manner*
23 *that does not discriminate against any particular*
24 *type of income or industry.*

1 **SEC. 805. POLICY STATEMENT ON TRADE.**

2 (a) *FINDINGS.*—*The House finds the following:*

3 (1) *Opening foreign markets to American exports*
4 *is vital to the United States economy and beneficial*
5 *to American workers and consumers. The Commerce*
6 *Department estimates that every \$1 billion of United*
7 *States exports supports more than 5,000 jobs here at*
8 *home.*

9 (2) *The United States can increase economic op-*
10 *portunities for American workers and businesses*
11 *through the expansion of trade, adherence to trade*
12 *agreement rules by the United States and its trading*
13 *partners, and the elimination of foreign trade bar-*
14 *riers to United States goods and services.*

15 (3) *Trade Promotion Authority is a bipartisan*
16 *and bicameral effort to strengthen the role of Congress*
17 *in setting negotiating objectives for trade agreements,*
18 *to improve consultation with Congress by the Admin-*
19 *istration, and to provide a clear framework for con-*
20 *gressional consideration and implementation of trade*
21 *agreements.*

22 (4) *Global trade and commerce is not a zero-sum*
23 *game. The idea that global expansion tends to “hollow*
24 *out” United States operations is incorrect. Foreign-*
25 *affiliate activity tends to complement, not substitute*
26 *for, key parent activities in the United States such as*

1 *employment, worker compensation, and capital in-*
2 *vestment. When United States headquartered multi-*
3 *nationals invest and expand operations abroad it*
4 *often leads to more jobs and economic growth at*
5 *home.*

6 (5) *Trade agreements have saved the average*
7 *American family of four more than \$10,000 per year,*
8 *as a result of lower duties. Trade agreements also*
9 *lower the cost of manufacturing inputs by removing*
10 *duties.*

11 (6) *American businesses and workers have shown*
12 *that, on a level playing field, they can excel and sur-*
13 *pass the international competition.*

14 (7) *When negotiating trade agreements, United*
15 *States laws on Intellectual Property (IP) protection*
16 *should be used as a benchmark for establishing global*
17 *IP frameworks. Strong IP protections have contrib-*
18 *uted significantly to the United States status as a*
19 *world leader in innovation across sectors, including*
20 *in the development of life-saving biologic medicines.*
21 *The data protections afforded to biologics in United*
22 *States law, including 12 years of data protection,*
23 *allow continued development of pioneering medicines*
24 *to benefit patients both in the United States and*
25 *abroad. To maintain the cycle of innovation and*

1 *achieve truly 21st century trade agreements, it is*
2 *vital that our negotiators insist on the highest stand-*
3 *ards for IP protections.*

4 (8) *The status quo of the current tax code also*
5 *undermines the competitiveness of United States busi-*
6 *nesses and costs the United States economy invest-*
7 *ment and jobs.*

8 (9) *The United States currently has an anti-*
9 *quated system of international taxation whereby*
10 *United States multinationals operating abroad pay*
11 *both the foreign-country tax and United States cor-*
12 *porate taxes. They are essentially taxed twice. This*
13 *puts them at an obvious competitive disadvantage. A*
14 *modern and competitive international tax system*
15 *would facilitate global commerce for United States*
16 *multinational companies and would encourage for-*
17 *ign business investment and job creation in the*
18 *United States.*

19 (10) *The ability to defer United States taxes on*
20 *their foreign operations, which some erroneously refer*
21 *to as a “tax loophole,” cushions this disadvantage to*
22 *a certain extent. Eliminating or restricting this pro-*
23 *vision (and others like it) would harm United States*
24 *competitiveness.*

1 (11) *This budget resolution advocates funda-*
2 *mental tax reform that would lower the United States*
3 *corporate rate, now the highest in the industrialized*
4 *world, and switch to a more competitive system of*
5 *international taxation. This would make the United*
6 *States a much more attractive place to invest and*
7 *stimulate business activity and would chip away at the*
8 *incentives for United States companies to keep their*
9 *profits overseas (because the United States corporate*
10 *rate is so high).*

11 **(b) POLICY ON TRADE.**—*It is the policy of this concur-*
12 *rent resolution to pursue international trade, global com-*
13 *merce, and a modern and competitive United States inter-*
14 *national tax system to promote job creation in the United*
15 *States. The United States should continue to seek increased*
16 *economic opportunities for American workers and busi-*
17 *nesses through the expansion of trade opportunities, adher-*
18 *ence to trade agreements and rules by the United States*
19 *and its trading partners, and the elimination of foreign*
20 *trade barriers to United States goods and services by open-*
21 *ing new markets and by enforcing United States rights. To*
22 *that end, Congress should pass Trade Promotion Authority*
23 *to strengthen the role of Congress in setting negotiating ob-*
24 *jectives for trade agreements, to improve consultation with*
25 *Congress by the Administration, and to provide a clear*

1 *framework for congressional consideration and implementa-*
2 *tion of trade agreements.*

3 **SEC. 806. POLICY STATEMENT ON SOCIAL SECURITY.**

4 *(a) FINDINGS.—The House finds the following:*

5 *(1) More than 55 million retirees, individuals*
6 *with disabilities, and survivors depend on Social Se-*
7 *curity. Since enactment, Social Security has served*
8 *as a vital leg on the “three-legged stool” of retirement*
9 *security, which includes employer provided pensions*
10 *as well as personal savings.*

11 *(2) The Social Security Trustees Report has re-*
12 *peatedly recommended that Social Security’s long-*
13 *term financial challenges be addressed soon. Each*
14 *year without reform, the financial condition of Social*
15 *Security becomes more precarious and the threat to*
16 *seniors and those receiving Social Security disability*
17 *benefits becomes more pronounced:*

18 *(A) In 2016, the Disability Insurance Trust*
19 *Fund will be exhausted and program revenues*
20 *will be unable to pay scheduled benefits.*

21 *(B) In 2033, the combined Old-Age and*
22 *Survivors and Disability Trust Funds will be ex-*
23 *hausted, and program revenues will be unable to*
24 *pay scheduled benefits.*

1 (C) *With the exhaustion of the Trust Funds*
2 *in 2033, benefits will be cut nearly 23 percent*
3 *across the board, devastating those currently in*
4 *or near retirement and those who rely on Social*
5 *Security the most.*

6 (3) *The recession and continued low economic*
7 *growth have exacerbated the looming fiscal crisis fac-*
8 *ing Social Security. The most recent Congressional*
9 *Budget Office (CBO) projections find that Social Se-*
10 *curity will run cash deficits of more than \$2 trillion*
11 *over the next 10 years.*

12 (4) *Lower income Americans rely on Social Se-*
13 *curity for a larger proportion of their retirement in-*
14 *come. Therefore, reforms should take into consider-*
15 *ation the need to protect lower income Americans' re-*
16 *tirement security.*

17 (5) *The Disability Insurance program provides*
18 *an essential income safety net for those with disabil-*
19 *ities and their families. According to the CBO, be-*
20 *tween 1970 and 2012, the number of people receiving*
21 *disability benefits (both disabled workers and their*
22 *dependent family members) has increased by more*
23 *than 300 percent from 2.7 million to over 10.9 mil-*
24 *lion. This increase is not due strictly to population*
25 *growth or decreases in health. David Autor and Mark*

1 *Duggan have found that the increase in individuals*
2 *on disability does not reflect a decrease in self-re-*
3 *ported health. CBO attributes program growth to*
4 *changes in demographics, changes in the composition*
5 *of the labor force and compensation, as well as Fed-*
6 *eral policies.*

7 *(6) If this program is not reformed, families who*
8 *rely on the lifeline that disability benefits provide will*
9 *face benefit cuts of up to 20 percent in 2016, dev-*
10 *astating individuals who need assistance the most.*

11 *(7) In the past, Social Security has been re-*
12 *formed on a bipartisan basis, most notably by the*
13 *“Greenspan Commission” which helped to address So-*
14 *cial Security shortfalls for more than a generation.*

15 *(8) Americans deserve action by the President,*
16 *the House, and the Senate to preserve and strengthen*
17 *Social Security. It is critical that bipartisan action*
18 *be taken to address the looming insolvency of Social*
19 *Security. In this spirit, this resolution creates a bi-*
20 *partisan opportunity to find solutions by requiring*
21 *policymakers to ensure that Social Security remains*
22 *a critical part of the safety net.*

23 *(b) POLICY ON SOCIAL SECURITY.—It is the policy of*
24 *this resolution that Congress should work on a bipartisan*

1 *basis to make Social Security sustainably solvent. This res-*
2 *olution assumes reform of a current law trigger, such that:*

3 (1) *If in any year the Board of Trustees of the*
4 *Federal Old-Age and Survivors Insurance Trust Fund*
5 *and the Federal Disability Insurance Trust Fund an-*
6 *nuual Trustees Report determines that the 75-year ac-*
7 *tuarial balance of the Social Security Trust Funds is*
8 *in deficit, and the annual balance of the Social Secu-*
9 *rity Trust Funds in the 75th year is in deficit, the*
10 *Board of Trustees should, no later than September 30*
11 *of the same calendar year, submit to the President*
12 *recommendations for statutory reforms necessary to*
13 *achieve a positive 75-year actuarial balance and a*
14 *positive annual balance in the 75th year. Rec-*
15 *ommendations provided to the President must be*
16 *agreed upon by both Public Trustees of the Board of*
17 *Trustees.*

18 (2) *Not later than 1 December of the same cal-*
19 *endar year in which the Board of Trustees submit*
20 *their recommendations, the President should promptly*
21 *submit implementing legislation to both Houses of*
22 *Congress including his recommendations necessary to*
23 *achieve a positive 75-year actuarial balance and a*
24 *positive annual balance in the 75th year. The Major-*
25 *ity Leader of the Senate and the Majority Leader of*

1 *the House should introduce the President's legislation*
2 *upon receipt.*

3 (3) *Within 60 days of the President submitting*
4 *legislation, the committees of jurisdiction to which the*
5 *legislation has been referred should report a bill,*
6 *which should be considered by the full House or Sen-*
7 *ate under expedited procedures.*

8 (4) *Legislation submitted by the President*
9 *should—*

10 (A) *protect those in or near retirement;*

11 (B) *preserve the safety net for those who*
12 *count on Social Security the most, including*
13 *those with disabilities and survivors;*

14 (C) *improve fairness for participants;*

15 (D) *reduce the burden on, and provide cer-*
16 *tainty for, future generations; and*

17 (E) *secure the future of the Disability In-*
18 *surance program while addressing the needs of*
19 *those with disabilities today and improving the*
20 *determination process.*

21 (c) *POLICY ON DISABILITY INSURANCE.—It is the pol-*
22 *icy of this resolution that Congress and the President should*
23 *enact legislation on a bipartisan basis to reform the Dis-*
24 *ability Insurance program prior to its insolvency in 2016*
25 *and should not raid the Social Security retirement system*

1 *without reforms to the Disability Insurance system. This*
 2 *resolution assumes reform that—*

3 (1) *ensure benefits continue to be paid to indi-*
 4 *viduals with disabilities and their family members*
 5 *who rely on them;*

6 (2) *prevents a 20 percent across-the-board benefit*
 7 *cut;*

8 (3) *makes the Disability Insurance program*
 9 *work better; and*

10 (4) *promotes opportunity for those trying to re-*
 11 *turn to work.*

12 (d) *POLICY ON SOCIAL SECURITY SOLVENCY.—Any*
 13 *legislation that Congress considers to improve the solvency*
 14 *of the Disability Insurance trust fund also must improve*
 15 *the long-term solvency of the combined Old Age and Sur-*
 16 *vivors Disability Insurance (OASDI) trust fund.*

17 **SEC. 807. POLICY STATEMENT ON REPEALING THE PRESI-**

18 **DENT'S HEALTH CARE LAW AND PROMOTING**

19 **REAL HEALTH CARE REFORM.**

20 (a) *FINDINGS.—The House finds the following:*

21 (1) *The President's health care law put Washing-*
 22 *ton's priorities first, and not patients'. The Affordable*
 23 *Care Act (ACA) has failed to reduce health care pre-*
 24 *miums as promised; instead, the law mandated bene-*
 25 *fits and coverage levels, denying patients the oppor-*

1 *tunity to choose the type of coverage that best suits*
2 *their health needs and driving up health coverage*
3 *costs. A typical family's health care premiums were*
4 *supposed to decline by \$2,500 a year; instead, accord-*
5 *ing to the 2014 Employer Health Benefits Survey,*
6 *health care premiums have increased by 7 percent for*
7 *individuals and families since 2012.*

8 (2) *The President pledged "If you like your*
9 *health care plan, you can keep your health care*
10 *plan." Instead, the nonpartisan Congressional Budget*
11 *Office now estimates 9 million Americans with em-*
12 *ployment-based health coverage will lose those plans*
13 *due to the President's health care law, further lim-*
14 *iting patient choice.*

15 (3) *Then-Speaker of the House, Pelosi, said that*
16 *the President's health care law would create 4 million*
17 *jobs over the life of the law and almost 400,000 jobs*
18 *immediately. Instead, the Congressional Budget Office*
19 *estimates that the reduction in hours worked due to*
20 *Obamacare represents a decline of about 2.0 to 2.5*
21 *million full-time equivalent workers, compared with*
22 *what would have occurred in the absence of the law.*
23 *The full impact on labor represents a reduction in*
24 *employment by 1.5 percent to 2.0 percent, while addi-*
25 *tional studies show less modest results. A recent study*

1 *by the Mercatus Center at George Mason University*
2 *estimates that Obamacare will reduce employment by*
3 *up to 3 percent, or about 4 million full-time equiva-*
4 *lent workers.*

5 *(4) The President has charged the Independent*
6 *Payment Advisory Board, a panel of unelected bu-*
7 *reaucrats, with cutting Medicare by an additional*
8 *\$20.9 billion over the next ten years, according to the*
9 *President's most recent budget.*

10 *(5) Since ACA was signed into law, the adminis-*
11 *tration has repeatedly failed to implement it as writ-*
12 *ten. The President has unilaterally acted to make a*
13 *total of 28 changes, delays, and exemptions. The*
14 *President has signed into law another 17 changes*
15 *made by Congress. The Supreme Court struck down*
16 *the forced expansion of Medicaid; ruled the individual*
17 *“mandate” could only be characterized as a tax to re-*
18 *main constitutional; and rejected the requirement that*
19 *closely held companies provide health insurance to*
20 *their employees if doing so violates these companies’*
21 *religious beliefs. Even now, almost five years after en-*
22 *actment, the Supreme Court continues to evaluate the*
23 *legality of how the President's administration has im-*
24 *plemented the law. All of these changes prove the folly*
25 *underlying the entire program health care in the*

1 *United States cannot be run from a centralized bu-*
2 *reaucracy.*

3 (6) *The President's health care law is*
4 *unaffordable, intrusive, overreaching, destructive, and*
5 *unworkable. The law should be fully repealed, allow-*
6 *ing for real, patient-centered health care reform: the*
7 *development of real health care reforms that puts pa-*
8 *tients first, that make affordable, quality health care*
9 *available to all Americans, and that build on the in-*
10 *novation and creativity of all the participants in the*
11 *health care sector.*

12 (b) *POLICY ON PROMOTING REAL HEALTH CARE RE-*
13 *FORM.—It is the policy of this resolution that the Presi-*
14 *dent's health care law should be fully repealed and real*
15 *health care reform promoted in accordance with the fol-*
16 *lowing principles:*

17 (1) *IN GENERAL.—Health care reform should en-*
18 *hance affordability, accessibility, quality, innovation,*
19 *choices and responsiveness in health care coverage for*
20 *all Americans, putting patients, families, and doctors*
21 *in charge, not Washington, DC. These reforms should*
22 *encourage increased competition and transparency.*
23 *Under the President's health care law, government*
24 *controls Americans' health care choices. Under true,*
25 *patient-centered reform, Americans would.*

1 (2) *AFFORDABILITY.*—*Real reform should be cen-*
2 *tered on ensuring that all Americans, no matter their*
3 *age, income, or health status, have the ability to af-*
4 *ford health care coverage. The health care delivery*
5 *structure should be improved, and individuals should*
6 *not be priced out of the health insurance market due*
7 *to pre-existing conditions, but nationalized health*
8 *care is not only unnecessary to accomplish this, it un-*
9 *dermines the goal. Individuals should be allowed to*
10 *join together voluntarily to pool risk through mecha-*
11 *nisms such as Individual Membership Associations*
12 *and Small Employer Membership Associations.*

13 (3) *ACCESSABILITY.*—*Instead of Washington out-*
14 *lining for Americans the ways they cannot use their*
15 *health insurance, reforms should make health coverage*
16 *more portable. Individuals should be able to own their*
17 *insurance and have it follow them in and out of jobs*
18 *throughout their career. Small business owners should*
19 *be permitted to band together across State lines*
20 *through their membership in bona fide trade or pro-*
21 *fessional associations to purchase health coverage for*
22 *their families and employees at a low cost. This will*
23 *increase small businesses' bargaining power, volume*
24 *discounts, and administrative efficiencies while giving*
25 *them freedom from State-mandated benefit packages.*

1 *Also, insurers licensed to sell policies in one State*
2 *should be permitted to offer them to residents in any*
3 *other State, and consumers should be permitted to*
4 *shop for health insurance across State lines, as they*
5 *are with other insurance products online, by mail, by*
6 *phone, or in consultation with an insurance agent.*

7 (4) *QUALITY.—Incentives for providers to deliver*
8 *high-quality, responsive, and coordinated care will*
9 *promote patient outcomes and drive down health care*
10 *costs. likewise, reforms that work to restore the pa-*
11 *tient-physician relationship by reducing administra-*
12 *tive burdens and allowing physicians to do what they*
13 *do best—care for patients.*

14 (5) *CHOICES.—Individuals and families should*
15 *be free to secure the health care coverage that best*
16 *meets their needs, rather than instituting one-size-fits-*
17 *all directives from Federal bureaucracies such as the*
18 *Internal Revenue Service, the Department of Health*
19 *and Human Services, and the Independent Payment*
20 *Advisory Board.*

21 (6) *INNOVATION.—Instead of stifling innovation*
22 *in health care technologies, treatments, medications,*
23 *and therapies with Federal mandates, taxes, and*
24 *price controls, a reformed health care system should*
25 *encourage research, development and innovation.*

1 (7) *RESPONSIVENESS.*—*Reform should return*
2 *authority to States wherever possible to make the sys-*
3 *tem more responsive to patients and their needs. In-*
4 *stead of tying States' hands with Federal require-*
5 *ments for their Medicaid programs, the Federal Gov-*
6 *ernment should return control of this program to the*
7 *States. Not only does the current Medicaid program*
8 *drive up Federal debt and threaten to bankrupt State*
9 *budgets, but States are better positioned to provide*
10 *quality, affordable care to those who are eligible for*
11 *the program and to track down and weed out waste,*
12 *fraud and abuse. Beneficiary choices in the State*
13 *Children's Health Insurance Program (SCHIP) and*
14 *Medicaid should be improved. States should make*
15 *available the purchase of private insurance as an op-*
16 *tion to their Medicaid and SCHIP populations*
17 *(though they should not require enrollment).*

18 (8) *REFORMS.*—*Reforms should be made to pre-*
19 *vent lawsuit abuse and curb the practice of defensive*
20 *medicine, which are significant drivers increasing*
21 *health care costs. The burden of proof in medical mal-*
22 *practice cases should be based on compliance with best*
23 *practice guidelines, and States should be free to im-*
24 *plement those policies to best suit their needs.*

1 **SEC. 808. POLICY STATEMENT ON MEDICARE.**

2 (a) *FINDINGS.—The House finds the following:*

3 (1) *More than 50 million Americans depend on*
4 *Medicare for their health security.*

5 (2) *The Medicare Trustees Report has repeatedly*
6 *recommended that Medicare’s long-term financial*
7 *challenges be addressed soon. Each year without re-*
8 *form, the financial condition of Medicare becomes*
9 *more precarious and the threat to those in or near re-*
10 *tirement becomes more pronounced. According to the*
11 *Medicare Trustees Report—*

12 (A) *the Hospital Insurance Trust Fund will*
13 *be exhausted in 2030 and unable to pay sched-*
14 *uled benefits;*

15 (B) *Medicare enrollment is expected to in-*
16 *crease by over 50 percent in the next two dec-*
17 *ades, as 10,000 baby boomers reach retirement*
18 *age each day;*

19 (C) *enrollees remain in Medicare three*
20 *times longer than at the outset of the program;*

21 (D) *current workers’ payroll contributions*
22 *pay for current beneficiaries;*

23 (E) *in 2013, the ratio was 3.2 workers per*
24 *beneficiary, but this falls to 2.3 in 2030 and con-*
25 *tinues to decrease over time;*

1 (F) *most Medicare beneficiaries receive*
2 *about three dollars in Medicare benefits for every*
3 *one dollar paid into the program; and*

4 (G) *Medicare spending is growing faster*
5 *than the economy and Medicare outlays are cur-*
6 *rently rising at a rate of 6.5 percent per year*
7 *over the next 10 years. According to the Congres-*
8 *sional Budget Office's 2014 Long-Term Budget*
9 *Outlook, spending on Medicare is projected to*
10 *reach 5 percent of gross domestic product (GDP)*
11 *by 2043 and 9.3 percent of GDP by 2089.*

12 (3) *Failing to address this problem will leave*
13 *millions of American seniors without adequate health*
14 *security and younger generations burdened with enor-*
15 *mous debt to pay for spending levels that cannot be*
16 *sustained.*

17 (b) *POLICY ON MEDICARE REFORM.—It is the policy*
18 *of this resolution to preserve the program for those in or*
19 *near retirement and strengthen Medicare for future bene-*
20 *ficiaries.*

21 (c) *ASSUMPTIONS.—This resolution assumes reform of*
22 *the Medicare program such that—*

23 (1) *current Medicare benefits are preserved for*
24 *those in or near retirement;*

1 (2) *permanent reform of the sustainable growth*
2 *rate is responsibly accounted for to ensure physicians*
3 *continue to participate in the Medicare program and*
4 *provide quality health care for beneficiaries;*

5 (3) *when future generations reach eligibility,*
6 *Medicare is reformed to provide a premium support*
7 *payment and a selection of guaranteed health cov-*
8 *erage options from which recipients can choose a plan*
9 *that best suits their needs;*

10 (4) *Medicare will maintain traditional fee-for-*
11 *service as a plan option;*

12 (5) *Medicare will provide additional assistance*
13 *for lower income beneficiaries and those with greater*
14 *health risks; and*

15 (6) *Medicare spending is put on a sustainable*
16 *path and the Medicare program becomes solvent over*
17 *the long-term.*

18 **SEC. 809. POLICY STATEMENT ON MEDICAL DISCOVERY, DE-**

19 **VELOPMENT, DELIVERY AND INNOVATION.**

20 (a) *FINDINGS.—The House finds the following:*

21 (1) *For decades, the Nation's commitment to the*
22 *discovery, development, and delivery of new treat-*
23 *ments and cures has made the United States the bio-*
24 *medical innovation capital of the world, bringing life-*

1 *saving drugs and devices to patients and well over a*
2 *million high-paying jobs to local communities.*

3 (2) *Thanks to the visionary and determined*
4 *leadership of innovators throughout America, includ-*
5 *ing industry, academic medical centers, and the Na-*
6 *tional Institutes of Health (NIH), the United States*
7 *has led the way in early discovery. The United States*
8 *leadership role is being threatened, however, as other*
9 *countries contribute more to basic research from both*
10 *public and private sources.*

11 (3) *The Organisation for Economic Development*
12 *and Cooperation predicts that China, for example,*
13 *will outspend the United States in total research and*
14 *development by the end of the decade.*

15 (4) *Federal policies should foster innovation in*
16 *health care, not stifle it. America should maintain its*
17 *world leadership in medical science by encouraging*
18 *competitive forces to work through the marketplace in*
19 *delivering cures and therapies to patients.*

20 (5) *Too often the bureaucracy and red-tape in*
21 *Washington hold back medical innovation and pre-*
22 *vent new lifesaving treatments from reaching pa-*
23 *tients. This resolution recognizes the valuable role of*
24 *the NIH and the indispensable contributions to med-*
25 *ical research coming from outside Washington.*

1 (1) *Excessive regulation at the Federal level has*
2 *hurt job creation and dampened the economy, slowing*
3 *the Nation's recovery from the economic recession.*

4 (2) *Since President Obama's inauguration in*
5 *2009, the administration has issued more than*
6 *468,500 pages of regulations in the Federal Register*
7 *including 70,066 pages in 2014.*

8 (3) *The National Association of Manufacturers*
9 *estimates the total cost of regulations is as high as*
10 *\$2.03 trillion per year. Since 2009, the White House*
11 *has generated more than \$494 billion in regulatory*
12 *activity, with an additional \$87.6 billion in regu-*
13 *latory costs currently pending.*

14 (4) *The Dodd-Frank financial services legislation*
15 *(Public Law 111-203) has resulted in more than \$32*
16 *billion in compliance costs and saddled job creators*
17 *with more than 63 million hours of compliance pa-*
18 *perwork.*

19 (5) *Implementation of the Affordable Care Act to*
20 *date has added 132.9 million annual hours of compli-*
21 *ance paperwork, imposing \$24.3 billion of compliance*
22 *costs on the private sector and an \$8 billion cost bur-*
23 *den on the States.*

24 (6) *The highest regulatory costs come from rules*
25 *issued by the Environmental Protection Agency*

1 (EPA); these regulations are primarily targeted at the
2 coal industry. In June 2014, the EPA proposed a rule
3 to cut carbon pollution from the Nation's power
4 plants. The proposed standards are unachievable with
5 current commercially available technology, resulting
6 in a de-facto ban on new coal-fired power plants.

7 (7) Coal-fired power plants provide roughly 40
8 percent of the United States electricity at a low cost.
9 Unfairly targeting the coal industry with costly and
10 unachievable regulations will increase energy prices,
11 disproportionately disadvantaging energy-intensive
12 industries like manufacturing and construction, and
13 will make life more difficult for millions of low-in-
14 come and middle class families already struggling to
15 pay their bills.

16 (8) Three hundred and thirty coal units are
17 being retired or converted as a result of EPA regula-
18 tions. Combined with the de-facto prohibition on new
19 plants, these retirements and conversions may further
20 increase the cost of electricity.

21 (9) A recent study by the energy market analysis
22 group Energy Ventures Analysis Inc. estimates the
23 average energy bill in West Virginia will rise \$750
24 per household by 2020, due in part to EPA regula-

1 *tions. West Virginia receives 95 percent of its elec-*
2 *tricity from coal.*

3 *(10) The Heritage Foundation found that a*
4 *phase-out of coal would cost 600,000 jobs by the end*
5 *of 2023, resulting in an aggregate gross domestic*
6 *product decrease of \$2.23 trillion over the entire pe-*
7 *riod and reducing the income of a family of four by*
8 *\$1,200 per year. Of these jobs, 330,000 will come from*
9 *the manufacturing sector, with California, Texas,*
10 *Ohio, Illinois, Pennsylvania, Michigan, New York,*
11 *Indiana, North Carolina, Wisconsin, and Georgia see-*
12 *ing the highest job losses.*

13 *(b) POLICY ON FEDERAL REGULATORY REFORM.—It*
14 *is the policy of this resolution that Congress should, in con-*
15 *sultation with the public burdened by excessive regulation,*
16 *enact legislation that—*

17 *(1) promotes economic growth and job creation*
18 *by eliminating unnecessary red tape and stream-*
19 *lining and simplifying Federal regulations;*

20 *(2) requires the implementation of a regulatory*
21 *budget to be allocated amongst Government agencies,*
22 *which would require congressional approval and limit*
23 *the maximum costs of regulations in a given year;*

24 *(3) requires congressional approval of all new*
25 *major regulations (those with an impact of \$100 mil-*

1 *lion or more) before enactment as opposed to current*
2 *law in which Congress must expressly disapprove of*
3 *regulation to prevent it from becoming law, which*
4 *would keep Congress engaged as to pending regulatory*
5 *policy and prevent costly and unsound policies from*
6 *being implemented and becoming effective;*

7 *(4) requires a three year retrospective cost-benefit*
8 *analysis of all new major regulations, to ensure that*
9 *regulations operate as intended;*

10 *(5) reinforces the requirement of regulatory im-*
11 *port analysis for regulations proposed by executive*
12 *branch agencies but also expands the requirement to*
13 *independent agencies so that by law they consider the*
14 *costs and benefits of proposed regulations rather than*
15 *merely being encouraged to do so as is current prac-*
16 *tice; and*

17 *(6) requires a formal rulemaking process for all*
18 *major regulations, which would increase transparency*
19 *over the process and allow interested parties to com-*
20 *municate their views on proposed legislation to agen-*
21 *cy officials.*

22 **SEC. 811. POLICY STATEMENT ON HIGHER EDUCATION AND**
23 **WORKFORCE DEVELOPMENT OPPORTUNITY.**

24 *(a) FINDINGS ON HIGHER EDUCATION.—The House*
25 *finds the following:*

1 (1) *A well-educated workforce is critical to economic, job, and wage growth.*

2
3 (2) *Roughly 20 million students are enrolled in American colleges and universities.*

4
5 (3) *Over the past decade, tuition and fees have been growing at an unsustainable rate. Between the 2004–2005 Academic Year and the 2014–2015 Academic Year—*

6
7
8
9 (A) *published tuition and fees at public 4-year colleges and universities increased at an average rate of 3.5 percent per year above the rate of inflation;*

10
11
12
13 (B) *published tuition and fees at public two-year colleges and universities increased at an average rate of 2.5 percent per year above the rate of inflation; and*

14
15
16
17 (C) *published tuition and fees at private nonprofit 4-year colleges and universities increased at an average rate of 2.2 percent per year above the rate of inflation.*

18
19
20
21 (4) *Federal financial aid for higher education has also seen a dramatic increase. The portion of the Federal student aid portfolio composed of Direct Loans, Federal Family Education Loans, and Per-*

1 *kins Loans with outstanding balances grew by 119*
2 *percent between fiscal year 2007 and fiscal year 2014.*

3 (5) *This spending has failed to make college*
4 *more affordable.*

5 (6) *In his 2012 State of the Union Address,*
6 *President Obama noted: “We can’t just keep sub-*
7 *sidizing skyrocketing tuition; we’ll run out of money”.*

8 (7) *American students are chasing ever-increas-*
9 *ing tuition with ever-increasing debt. According to the*
10 *Federal Reserve Bank of New York, student debt now*
11 *stands at nearly \$1.2 trillion. This makes student*
12 *loans the second largest balance of consumer debt,*
13 *after mortgage debt.*

14 (8) *Students are carrying large debt loads and*
15 *too many fail to complete college or end up defaulting*
16 *on these loans due to their debt burden and a weak*
17 *economy and job market.*

18 (9) *Based on estimates from the Congressional*
19 *Budget Office, the Pell Grant Program will face a fis-*
20 *cal shortfall beginning in fiscal year 2017 and con-*
21 *tinuing in each subsequent year in the current budget*
22 *window.*

23 (10) *Failing to address these problems will jeop-*
24 *ardize access and affordability to higher education for*
25 *America’s young people.*

1 **(b) POLICY ON HIGHER EDUCATION AFFORD-**
2 *ABILITY.—It is the policy of this resolution to address the*
3 *root drivers of tuition inflation, by—*

4 *(1) targeting Federal financial aid to those most*
5 *in need;*

6 *(2) streamlining programs that provide aid to*
7 *make them more effective;*

8 *(3) maintaining the maximum Pell grant award*
9 *level at \$5,775 in each year of the budget window;*
10 *and*

11 *(4) removing regulatory barriers in higher edu-*
12 *cation that act to restrict flexibility and innovative*
13 *teaching, particularly as it relates to non-traditional*
14 *models such as online coursework and competency-*
15 *based learning.*

16 **(c) FINDINGS ON WORKFORCE DEVELOPMENT.—The**
17 *House finds the following:*

18 *(1) 8.7 million Americans are currently unem-*
19 *ployed.*

20 *(2) Despite billions of dollars in spending, those*
21 *looking for work are stymied by a broken workforce*
22 *development system that fails to connect workers with*
23 *assistance and employers with trained personnel.*

24 *(3) The House Education and Workforce Com-*
25 *mittee successfully consolidated 15 job training pro-*

1 *grams in the recently enacted Workforce Innovation*
2 *and Opportunity Act.*

3 *(d) POLICY ON WORKFORCE DEVELOPMENT.—It is the*
4 *policy of this resolution to address the failings in the cur-*
5 *rent workforce development system, by—*

6 *(1) further streamlining and consolidating Fed-*
7 *eral job training programs; and*

8 *(2) empowering states with the flexibility to tai-*
9 *lor funding and programs to the specific needs of*
10 *their workforce, including the development of career*
11 *scholarships.*

12 **SEC. 812. POLICY STATEMENT ON DEPARTMENT OF VET-**
13 **ERANS AFFAIRS.**

14 *(a) FINDINGS.—The House finds the following:*

15 *(1) For years, there has been serious concern re-*
16 *garding the Department of Veterans Affairs (VA) bu-*
17 *reaucratic mismanagement and continuous failure to*
18 *provide veterans timely access to health care and ben-*
19 *efits.*

20 *(2) In 2014, reports started breaking across the*
21 *Nation that VA medical centers were manipulating*
22 *wait-list documents to hide long delays veterans were*
23 *facing to receive health care. The VA hospital scandal*
24 *led to the immediate resignation of then-Secretary of*
25 *Veterans Affairs Eric K. Shinseki.*

1 (3) *In 2015, for the first time ever, VA health*
2 *care was added to the “high-risk” list of the Govern-*
3 *ment Accountability Office (GAO), due to manage-*
4 *ment and oversight failures that have directly resulted*
5 *in risks to the timeliness, cost-effectiveness, and qual-*
6 *ity of health care.*

7 (4) *In response to the scandal, the House Com-*
8 *mittee on Veterans’ Affairs held several oversight*
9 *hearings and ultimately enacted the Veterans’ Access,*
10 *Choice and Accountability Act of 2014 (VACAA)*
11 *(Public Law 113–146) to address these problems.*
12 *VACAA provided \$15 billion in emergency resources*
13 *to fund internal health care needs within the depart-*
14 *ment and provided veterans enhanced access to pri-*
15 *vate-sector health care under the new Veterans Choice*
16 *Program.*

17 **(b) POLICY ON THE DEPARTMENT OF VETERANS AF-**
18 **FAIRS.**—*This budget supports the continued oversight ef-*
19 *forts by the House Committee on Veterans’ Affairs to ensure*
20 *the VA is not only transparent and accountable, but also*
21 *successful in achieving its goals in providing timely health*
22 *care and benefits to America’s veterans. The Budget Com-*
23 *mittee will continue to closely monitor the VA’s progress*
24 *to ensure resources provided by Congress are sufficient and*

1 *efficiently used to provide needed benefits and services to*
2 *veterans.*

3 **SEC. 813. POLICY STATEMENT ON FEDERAL ACCOUNTING**
4 **METHODOLOGIES.**

5 *(a) FINDINGS.—The House finds the following:*

6 *(1) Given the thousands of Federal programs*
7 *and trillions of dollars the Federal Government*
8 *spends each year, assessing and accounting for Fed-*
9 *eral fiscal activities and liabilities is a complex un-*
10 *dertaking.*

11 *(2) Current methods of accounting leave much to*
12 *be desired in capturing the full scope of government*
13 *and in presenting information in a clear and compel-*
14 *ling way that illuminates the best options going for-*
15 *ward.*

16 *(3) Most fiscal analysis produced by the Congres-*
17 *sional Budget Office (CBO) is conducted over a rel-*
18 *atively short time horizon: 10 or 25 years. While this*
19 *time frame is useful for most purposes, it fails to con-*
20 *sider the fiscal consequences over the longer term.*

21 *(4) Additionally, current accounting method-*
22 *ology does not provide an analysis of how the Federal*
23 *Government's fiscal situation over the long run affects*
24 *Americans of various age cohorts.*

1 (5) *Another consideration is how Federal pro-*
2 *grams should be accounted for. The “accrual method”*
3 *of accounting records revenue when it is earned and*
4 *expenses when they are incurred, while the “cash*
5 *method” records revenue and expenses when cash is*
6 *actually paid or received.*

7 (6) *The Federal budget accounts for most pro-*
8 *grams using cash accounting. Some programs, how-*
9 *ever, particularly loan and loan guarantee programs,*
10 *are accounted for using accrual methods.*

11 (7) *GAO has indicated that accrual accounting*
12 *may provide a more accurate estimation of the Fed-*
13 *eral Government’s liabilities than cash accounting for*
14 *some programs specifically those that provide some*
15 *form of insurance.*

16 (8) *Where accrual accounting is used, it is al-*
17 *most exclusively calculated by CBO according to the*
18 *methodology outlined in the Federal Credit Reform*
19 *Act of 1990 (FCRA). CBO uses fair value method-*
20 *ology instead of FCRA to measure the cost of Fannie*
21 *Mae and Freddie Mac, for example.*

22 (9) *FCRA methodology, however, understates the*
23 *risk and thus the true cost of Federal programs. An*
24 *alternative is fair value methodology, which uses dis-*
25 *count rates that incorporate the risk inherent to the*

1 *type of liability being estimated in addition to Treas-*
2 *ury discount rates of the proper maturity length.*

3 (10) *The Congressional Budget Office has con-*
4 *cluded that “adopting a fair-value approach would*
5 *provide a more comprehensive way to measure the*
6 *costs of Federal credit programs and would permit*
7 *more level comparisons between those costs and the*
8 *costs of other forms of federal assistance” than the*
9 *current approach under FCRA.*

10 (b) *POLICY ON FEDERAL ACCOUNTING METHODOLO-*
11 *GIES.—It is the policy of this resolution that Congress*
12 *should, in consultation with the Congressional Budget Of-*
13 *fice and the public affected by Federal budgetary choices,*
14 *adopt Government-wide reforms of budget and accounting*
15 *practices so the American people and their representatives*
16 *can more readily understand the fiscal situation of the Gov-*
17 *ernment of the United States and the options best suited*
18 *to improving it. Such reforms may include but should not*
19 *be limited to the following:*

20 (1) *Providing additional metrics to enhance our*
21 *current analysis by considering our fiscal situation*
22 *comprehensively, over an extended time horizon, and*
23 *as it affects Americans of various age cohorts.*

24 (2) *Expanding the use of accrual accounting*
25 *where appropriate.*

1 (3) *Accounting for certain Federal credit pro-*
2 *grams using fair value accounting as opposed to the*
3 *current approach under the Federal Credit Reform*
4 *Act of 1990.*

5 **SEC. 814. POLICY STATEMENT ON SCOREKEEPING FOR OUT-**
6 **YEAR BUDGETARY EFFECTS IN APPROPRIA-**
7 **TION ACTS.**

8 (a) *FINDINGS.—The House finds the following:*

9 (1) *Section 302 of the Congressional Budget Act*
10 *of 1974 directs the Committee on the Budget to pro-*
11 *vide an allocation of budgetary resources to the Com-*
12 *mittee on Appropriations for the budget year covered*
13 *by a concurrent resolution on the budget.*

14 (2) *The allocation of budgetary resources pro-*
15 *vided by the Committee on the Budget to the Com-*
16 *mittee on Appropriations covers a period of one fiscal*
17 *year only, which is effective for the budget year.*

18 (3) *An appropriation Act, joint resolution,*
19 *amendment thereto or conference report thereon may*
20 *contain changes to programs that result in direct*
21 *budgetary effects that occur beyond the budget year*
22 *and beyond the period for which the allocation of*
23 *budgetary resources provided by the Committee on the*
24 *Budget is effective.*

1 (4) *The allocation of budgetary resources pro-*
2 *vided to the Committee on Appropriations does not*
3 *currently anticipate or capture direct outyear budg-*
4 *etary effects to programs.*

5 (5) *Budget enforcement could be improved by*
6 *capturing the direct outyear budgetary effects caused*
7 *by appropriation Acts and using this information to*
8 *determine the appropriate allocations of budgetary re-*
9 *sources to the Committee on Appropriations when*
10 *considering future concurrent resolutions on the budg-*
11 *et.*

12 (b) *POLICY STATEMENT.—It is the policy of the House*
13 *of Representatives to more effectively allocate budgetary re-*
14 *sources and accurately enforce budget targets by agreeing*
15 *to a procedure by which the Committee on the Budget*
16 *should consider the direct outyear budgetary effects of*
17 *changes to mandatory programs enacted in appropriations*
18 *bills, joint resolutions, amendments thereto or conference re-*
19 *ports thereon when setting the allocation of budgetary re-*
20 *sources for the Committee on Appropriations in a concur-*
21 *rent resolution on the budget. The relevant committees of*
22 *jurisdiction are directed to consult on a procedure during*
23 *fiscal year 2016 and include recommendations for imple-*
24 *menting such procedure in the fiscal year 2017 concurrent*
25 *resolution on the budget.*

1 **SEC. 815. POLICY STATEMENT ON REDUCING UNNECES-**
2 **SARY, WASTEFUL, AND UNAUTHORIZED**
3 **SPENDING.**

4 (a) *FINDINGS.—The House finds the following:*

5 (1) *The Government Accountability Office (GAO)*
6 *is required by law to identify examples of waste, du-*
7 *plication, and overlap in Federal programs, and has*
8 *so identified dozens of such examples.*

9 (2) *In its report to Congress on Government Ef-*
10 *iciency and Effectiveness, the Comptroller General*
11 *has stated that addressing the identified waste, dupli-*
12 *cation, and overlap in Federal programs could “lead*
13 *to tens of billions of dollars of additional savings.”.*

14 (3) *In 2011, 2012, 2013, and 2014 the GAO*
15 *issued reports showing excessive duplication and re-*
16 *dundancy in Federal programs including—*

17 (A) *two hundred nine Science, Technology,*
18 *Engineering, and Mathematics education pro-*
19 *grams in 13 different Federal agencies at a cost*
20 *of \$3 billion annually;*

21 (B) *two hundred separate Department of*
22 *Justice crime prevention and victim services*
23 *grant programs with an annual cost of \$3.9 bil-*
24 *lion in 2010;*

25 (C) *twenty different Federal entities admin-*
26 *ister 160 housing programs and other forms of*

1 *Federal assistance for housing with a total cost*
2 *of \$170 billion in 2010;*

3 *(D) seventeen separate Homeland Security*
4 *preparedness grant programs that spent \$37 bil-*
5 *lion between fiscal years 2011 and 2012;*

6 *(E) fourteen grant and loan programs, and*
7 *three tax benefits to reduce diesel emissions;*

8 *(F) ninety-four different initiatives run by*
9 *11 different agencies to encourage “green build-*
10 *ing” in the private sector; and*

11 *(G) twenty-three agencies implemented ap-*
12 *proximately 670 renewable energy initiatives in*
13 *fiscal year 2010 at a cost of nearly \$15 billion.*

14 *(4) The Federal Government spends more than*
15 *\$80 billion each year for approximately 1,400 infor-*
16 *mation technology investments. GAO has identified*
17 *broad acquisition failures, waste, and unnecessary*
18 *duplication in the Government’s information tech-*
19 *nology infrastructure. experts have estimated that*
20 *eliminating these problems could save 25 percent or*
21 *\$20 billion.*

22 *(5) GAO has identified strategic sourcing as a*
23 *potential source of spending reductions. In 2011 GAO*
24 *estimated that saving 10 percent of the total or all*

1 *Federal procurement could generate more than \$50*
2 *billion in savings annually.*

3 (6) *Federal agencies reported an estimated \$106*
4 *billion in improper payments in fiscal year 2013.*

5 (7) *Under clause 2 of rule XI of the Rules of the*
6 *House of Representatives, each standing committee*
7 *must hold at least one hearing during each 120 day*
8 *period following its establishment on waste, fraud,*
9 *abuse, or mismanagement in Government programs.*

10 (8) *According to the Congressional Budget Office,*
11 *by fiscal year 2015, 32 laws will expire, possibly re-*
12 *sulting in \$693 billion in unauthorized appropri-*
13 *ations. Timely reauthorizations of these laws would en-*
14 *sure assessments of program justification and effec-*
15 *tiveness.*

16 (9) *The findings resulting from congressional*
17 *oversight of Federal Government programs should re-*
18 *sult in programmatic changes in both authorizing*
19 *statutes and program funding levels.*

20 (b) *POLICY ON REDUCING UNNECESSARY, WASTEFUL,*
21 *AND UNAUTHORIZED SPENDING.—*

22 (1) *Each authorizing committee annually should*
23 *include in its Views and Estimates letter required*
24 *under section 301(d) of the Congressional Budget Act*
25 *of 1974 recommendations to the Committee on the*

1 *Budget of programs within the jurisdiction of such*
 2 *committee whose funding should be reduced or elimi-*
 3 *nated.*

4 (2) *Committees of jurisdiction should review all*
 5 *unauthorized programs funded through annual ap-*
 6 *propriations to determine if the programs are oper-*
 7 *ating efficiently and effectively.*

8 (3) *Committees should reauthorize those pro-*
 9 *grams that in the committees' judgment should con-*
 10 *tinue to receive funding.*

11 (4) *For those programs not reauthorized by com-*
 12 *mittees, the House of Representatives should enforce*
 13 *the limitations on funding such unauthorized pro-*
 14 *grams in the House rules. If the strictures of the rules*
 15 *are deemed to be too rapid in prohibiting spending on*
 16 *unauthorized programs, then milder measures should*
 17 *be adopted and enforced until a return to the full pro-*
 18 *hibition of clause 2(a)(1) of rule XXI of the Rules of*
 19 *the House.*

20 **SEC. 816. POLICY STATEMENT ON DEFICIT REDUCTION**
 21 **THROUGH THE CANCELLATION OF UNOBLI-**
 22 **GATED BALANCES.**

23 (a) *FINDINGS.—The House finds the following:*

24 (1) *According to the most recent estimate from*
 25 *the Office of Management and Budget, Federal agen-*

1 *cies were expected to hold \$844 billion in unobligated*
2 *balances at the close of fiscal year 2015.*

3 *(2) These funds represent direct and discre-*
4 *tionary spending previously made available by Con-*
5 *gress that remains available for expenditure.*

6 *(3) In some cases, agencies are granted funding*
7 *and it remains available for obligation indefinitely.*

8 *(4) The Congressional Budget and Impoundment*
9 *Control Act of 1974 requires the Office of Manage-*
10 *ment and Budget to make funds available to agencies*
11 *for obligation and prohibits the Administration from*
12 *withholding or cancelling unobligated funds unless*
13 *approved by an Act of Congress.*

14 *(5) Greater congressional oversight is required to*
15 *review and identify potential savings from canceling*
16 *unobligated balances of funds that are no longer need-*
17 *ed.*

18 *(b) POLICY ON DEFICIT REDUCTION THROUGH THE*
19 *CANCELLATION OF UNOBLIGATED BALANCES.—Congres-*
20 *sional committees should through their oversight activities*
21 *identify and achieve savings through the cancellation or re-*
22 *scission of unobligated balances that neither abrogate con-*
23 *tractual obligations of the Government nor reduce or dis-*
24 *rupt Federal commitments under programs such as Social*

1 *Security, veterans' affairs, national security, and Treasury*
2 *authority to finance the national debt.*

3 (c) *DEFICIT REDUCTION.*—Congress, with the assist-
4 *ance of the Government Accountability Office, the Inspec-*
5 *tors General, and other appropriate agencies should con-*
6 *tinue to make it a high priority to review unobligated bal-*
7 *ances and identify savings for deficit reduction.*

8 **SEC. 817. POLICY STATEMENT ON AGENCY FEES AND**
9 **SPENDING.**

10 (a) *FINDINGS.*—Congress finds the following:

11 (1) *A number of Federal agencies and organiza-*
12 *tions have permanent authority to collect fees and*
13 *other offsetting collections and to spend these collected*
14 *funds.*

15 (2) *The total amount of offsetting fees and offset-*
16 *ting collections is estimated by the Office of Manage-*
17 *ment and Budget to be \$525 billion in fiscal year*
18 *2016.*

19 (3) *Agency budget justifications are, in some*
20 *cases, not fully transparent about the amount of pro-*
21 *gram activity funded through offsetting collections or*
22 *fees. This lack of transparency prevents effective and*
23 *accountable government.*

24 (b) *POLICY ON AGENCY FEES AND SPENDING.*—It is
25 *the policy of this resolution that Congress must reassert its*

1 *constitutional prerogative to control spending and conduct*
 2 *oversight. To do so, Congress should enact legislation requir-*
 3 *ing programs that are funded through fees, offsetting re-*
 4 *ceipts, or offsetting collections to be allocated new budget*
 5 *authority annually. Such allocation may arise from—*

6 (1) *legislation originating from the authorizing*
 7 *committee of jurisdiction for the agency or program;*
 8 *or*

9 (2) *fee and account specific allocations included*
 10 *in annual appropriation Acts.*

11 **SEC. 818. POLICY STATEMENT ON RESPONSIBLE STEWARD-**
 12 **SHIP OF TAXPAYER DOLLARS.**

13 (a) *FINDINGS.—The House finds the following:*

14 (1) *The budget for the House of Representatives*
 15 *is \$188 million less than it was when Republicans be-*
 16 *came the majority in 2011.*

17 (2) *The House of Representatives has achieved*
 18 *significant savings by consolidating operations and*
 19 *renegotiating contracts.*

20 (b) *POLICY ON RESPONSIBLE STEWARDSHIP OF TAX-*
 21 *PAYER DOLLARS.—It is the policy of this resolution that:*

22 (1) *The House of Representatives must be a*
 23 *model for the responsible stewardship of taxpayer re-*
 24 *sources and therefore must identify any savings that*
 25 *can be achieved through greater productivity and effi-*

1 *ciency gains in the operation and maintenance of*
2 *House services and resources like printing, con-*
3 *ferences, utilities, telecommunications, furniture,*
4 *grounds maintenance, postage, and rent. This should*
5 *include a review of policies and procedures for acqui-*
6 *sition of goods and services to eliminate any unneces-*
7 *sary spending. The Committee on House Administra-*
8 *tion should review the policies pertaining to the serv-*
9 *ices provided to Members and committees of the*
10 *House, and should identify ways to reduce any sub-*
11 *sidies paid for the operation of the House gym, barber*
12 *shop, salon, and the House dining room.*

13 *(2) No taxpayer funds may be used to purchase*
14 *first class airfare or to lease corporate jets for Mem-*
15 *bers of Congress.*

16 *(3) Retirement benefits for Members of Congress*
17 *should not include free, taxpayer-funded health care*
18 *for life.*

19 **SEC. 819. POLICY STATEMENT ON “NO BUDGET, NO PAY”.**

20 *It is the policy of this resolution that Congress should*
21 *agree to a concurrent resolution on the budget every year*
22 *pursuant to section 301 of the Congressional Budget Act*
23 *of 1974. If by April 15, a House of Congress has not agreed*
24 *to a concurrent resolution on the budget, the payroll admin-*
25 *istrator of that House should carry out this policy in the*

1 *same manner as the provisions of Public Law 113–3, the*
2 *No Budget, No Pay Act of 2013, and should place in an*
3 *escrow account all compensation otherwise required to be*
4 *made for Members of that House of Congress. Withheld com-*
5 *penensation should be released to Members of that House of*
6 *Congress the earlier of the day on which that House of Con-*
7 *gress agrees to a concurrent resolution on the budget, pursu-*
8 *ant to section 301 of the Congressional Budget Act of 1974,*
9 *or the last day of that Congress.*

10 **SEC. 820. POLICY STATEMENT ON NATIONAL SECURITY**

11 **FUNDING.**

12 (a) *FINDINGS.—The House finds the following:*

13 (1) *Russian aggression, the growing threats of*
14 *the Islamic State of Iraq and the Levant in the Mid-*
15 *dle East, North Korean and Iranian nuclear and*
16 *missile programs, and continued Chinese investments*
17 *in high-end military capabilities and cyber warfare*
18 *shape the parameters of an increasingly complex and*
19 *challenging security environment.*

20 (2) *All four current service chiefs testified that*
21 *the National Military Strategy could not be executed*
22 *at sequestration levels.*

23 (3) *The independent and bipartisan National*
24 *Defense Panel conducted risk assessments of force*
25 *structure changes triggered by the Budget Control Act*

1 of 2011 (BCA) and concluded that in addition to pre-
2 vious cuts to defense dating back to 2009, the seques-
3 tration of defense discretionary spending has “caused
4 significant shortfalls in U.S. military readiness and
5 both present and future capabilities”.

6 (4) *The President’s fiscal year 2016 budget irre-*
7 *responsibly ignores current law and requests a defense*
8 *budget \$38 billion above the caps for rhetorical gain.*
9 *By creating an expectation of spending without a*
10 *plan to avoid the BCA’s guaranteed sequester upon*
11 *breaching of its caps, the White House’s proposal*
12 *compounds the fiscal uncertainty that has affected the*
13 *military’s ability to adequately plan for future con-*
14 *tingencies and make investments crucial for the Na-*
15 *tion’s defense.*

16 (5) *The President’s budget proposes \$1.8 trillion*
17 *in tax increases, in addition to the \$1.7 trillion in*
18 *tax hikes the Administration has already imposed.*
19 *The President’s tax increases would further burden*
20 *economic growth and is not a realistic source for off-*
21 *sets to fund defense sequester replacement.*

22 (b) *POLICY ON FISCAL YEAR 2016 NATIONAL DEFENSE*
23 *FUNDING.—In fiscal year 2015, the House-passed budget*
24 *resolution anticipated \$566 billion for national defense in*
25 *the discretionary base budget for fiscal year 2016. With no*

1 *necessary statutory change yet provided by Congress, the*
2 *BCA statute would require limiting national defense discre-*
3 *tionary base funding to \$523 billion in fiscal year 2016.*
4 *However, in total with \$90 billion, the House Budget esti-*
5 *mate for Overseas Contingency Operations funding for the*
6 *Department of Defense, the fiscal year 2016 budget provides*
7 *over \$613 billion total for defense spending that is higher*
8 *than the President’s budget request for the fiscal year. This*
9 *concurrent resolution provides \$22 billion above the Presi-*
10 *dent’s Five Year Defense Plan and \$151 billion above the*
11 *10-year totals. This would also be \$387 billion above the*
