If the Presiding Officer so sustains the point of order as to some of the provisions (including provisions of an amendment, motion, or conference report) against which the Senator raised the point of order, then only those provisions (including provision of an amendment, motion, or conference report) against which the Presiding Officer sustains the point of order shall be deemed stricken pursuant to this section.  6 a further amendment, as the case may be, which further
 7 amendment shall consist of only that portion of the con-
 8 ference report or House amendment, as the case may be,
 9 not so stricken. Any such motion shall be debatable. In
