

Mid-Manhattan branch of the NAACP for its unwavering commitment to our community. This branch provides vital mentoring and youth development programs and actively encourages activism in our community. Dedicating themselves to the five game changers—civic engagement, education, health, economic development and sustainability, and public safety and criminal justice, the Mid-Manhattan Branch continues to forge new victories ahead. I am proud of their many accomplishments and steadfast defense of the rights of all the people of New York City, because they are “All in for Justice and Equality!”

During Black History Month, it is essential that we recognize the significant contributions the NAACP has made to the Civil Rights movement. Recently, I cosponsored legislation honoring and praising the NAACP on the occasion of its 106th anniversary. America is stronger and more diverse today because of the NAACP's commitment to fighting for the rights of Black Americans.

TRIBUTE TO DOUGLAS MAGNON

HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2015

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to the remarkable Douglas Magnon who passed away on Wednesday, February 4, 2015 in California. Doug was a pillar of the community in Riverside, California and he will be deeply missed.

Doug was a man of many passions, most notably was for motor racing. Sparked early on in his childhood through accompanying his father, Raymond, to races at the Riverside International Raceway, Doug was inspired to launch the Riverside International Automotive Museum. By means of his active leadership and profound knowledge of automobiles, the museum quickly received resounding support from the greater racing community that still continues today. The Riverside International Automotive Museum is one of the most highly regarded racing collections in Northern America with its extensive collection of unmatched artifacts and materials from throughout racing history. However, Doug did not stop there. In 2013, with the support and partnership of friend Paul Kinsella, the two opened up Newport Italian, a motorcycle dealership specializing in Vespa, Moto Guzzi and Aprilia.

When not hitting high speeds, Doug could often be found honing his culinary skills and sharing his Italian recipes with the community. In 2012, Doug and his sister opened the family restaurant Magnone Trattoria & Market, for which Doug not only created the menus, but also served as executive chef.

As an avid supporter of the Riverside community, Doug also freely gave his time and talents to many local organizations such as the Riverside County Philharmonic and the University of California, Riverside. In addition to serving as a mentor to young and aspiring individuals, Doug would often inspire anyone he crossed paths through his generous heart and unabashed enthusiasm for life.

Doug was the loving husband to Evonne, son to Raymond and Elaine, brother to Deanna, Cheryl, Patti and Ryan, and devoted uncle to many nieces and nephews. On Sun-

day, February 15, 2015, a memorial service celebrating Doug's extraordinary life will be held. Doug will always be remembered for his incredible contributions to business, his work ethic, generosity, and love of family. The way in which Doug lived his life should serve as a reminder to others that the power of an individual with drive, perseverance and a strong work-ethic can do great things. His dedication to his work, family and community are a testament to a life lived well and a legacy that will continue. I extend my condolences to Doug's family and friends; although Doug may be gone, the light and goodness he brought to the world remains and will never be forgotten.

PAYING TRIBUTE TO DR. JAMES L. EDWARDS FOR HIS 25 YEARS OF OUTSTANDING SERVICE AS PRESIDENT OF ANDERSON UNIVERSITY

HON. SUSAN W. BROOKS

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2015

Mrs. BROOKS of Indiana. Mr. Speaker, I rise today to honor Dr. James L. Edwards on the occasion of his retirement. For 25 years Dr. Edwards has served as President of Anderson University. He is the longest serving president of a university in Indiana's history and has contributed so much to the community. The people of the Fifth Congressional District of Indiana are forever grateful for Dr. Edwards' contributions and commitment to Anderson University and the Hoosier community.

In 1990, Dr. Edwards became the fourth President of Anderson University since its establishment in 1917. He took office July 1, 1990, however his relationship with the school goes back decades before that. Dr. Edwards is a graduate of Anderson University, receiving his bachelor's degree from the school and later his master's degree from the Anderson University School of Theology. Prior to his tenure as President he held two positions with Anderson University, first as Director of Student Recruitment (1966–1970) and later as Director of Church and Alumni Relations (1972–1975).

Growing up as the son of a minister in Ohio, Dr. Edwards has a long history with the church. His expertise and contributions to the church are not limited to his time with Anderson University. After completing his undergraduate and graduate degrees from Anderson University, he went on to receive his Doctor of Philosophy in Educational Policy and Leadership at the Ohio State University. As an ordained minister he has more than 30 years of experience, most notably as Senior Pastor of the Meadow Park Church in Columbus, Ohio as well as other churches throughout Indiana and Michigan. He also served at the national level as President and CEO of Warner Press, a publishing house for the Church of God, where he directed the work of the largest religious publisher in Indiana.

During his tenure as President he presided over the Anderson School of Theology, a graduate program for the training of ministers, the same program from which he received his master's degree. He recognized the importance of resource development and led campaigns that raised more than \$205 million for

the school, which included the construction of several campus buildings. Dr. Edwards was not just involved locally, but also at state and national levels. At the state level, he served as chair of the board for Independent Colleges of Indiana and was a member of the Steering Committee of the Indiana Leadership Prayer Breakfast. He served at the national level on the Board of Directors of the Council for Christian Colleges and Universities as well as director of the board of the National Association of Independent Colleges and Universities.

Dr. Edwards' leadership was most evident at home. He showed extensive commitment to community at the local level in Anderson, Indiana. He has served on the board of directors for many groups, including the Madison County Community Foundation, the Corporation for Economic Development of Madison County, First Merchants Bank of Central Indiana, St. Vincent Anderson Regional Hospital, Citizens Banking Company, and the United Way. Additionally, he served on the Ministries Council of the Church of God and is a member of the Rotary Club of Anderson, where he was honored with the 2003 Community Image Award.

On behalf of the grateful constituents of Indiana's Fifth Congressional District, I congratulate Dr. Edwards on the occasion of his retirement. We congratulate him on his remarkable career and extend a huge thank you for all of the wonderful contributions he has made to the Hoosier community, to our state, and our nation. I wish the very best to Dr. Edwards, his wife, Deanna, his three children, and his six grandchildren as he enjoys a well-deserved retirement.

TRIBUTE TO MARTIN J. ZANINOVICH

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2015

Mr. MCCARTHY. Mr. Speaker, I rise today in recognition of a great American, a self-made man, a son of immigrants and founder of an agricultural colossus—Martin J. Zaninovich, who passed away on December 9, 2014 in Santa Barbara at the age of 91.

Martin's father John left Croatia on the eve of the First World War as the Austro-Hungarian Empire teetered toward dissolution. In California, John married Mary, another Yugoslavian émigré, and found in the San Joaquin Valley the familiar arid climate and rich soils of his Dalmatian homeland. On a small farm outside Porterville the Zaninovichs raised grapes
