

their carbon footprint. Stella also served as one of my appointees to the Tysons Land Use Task Force, a multi-year effort to re-envision the National Capital Region's second largest economic center as a transit-oriented, walkable, green city served by the new Silver Line rather than a collection of disjointed office parks reachable only by automobile. Today, thanks to the leadership of Stella and so many others, that vision is becoming a reality.

In addition to her work in our local community, Stella works on regional water quality issues. She has served on the Boards of the Center for Watershed Protection and the Potomac River Keeper, and as a Virginia appointee to the Citizens Advisory Committee of the Chesapeake Bay Council. Stella also is a founding member of the Fairfax League of Conservation Voters, which assesses the environmental agendas and records of candidates for local public office for endorsement. Her many accomplishments were recognized by the National Association of Biology Teachers' Outstanding Biology Teacher Award in 1989, the Virginia Wildlife Federation's Water Conservationist of the Year award in 1992, and the Fairfax County Park Authority's Sally Ormsby Environmental Stewardship Award, which was named for our late friend and fellow champion for the environment.

Mr. Speaker, I ask my colleagues to join me in congratulating Stella Koch on her retirement and thanking her for many years of dedicated and selfless service. Thankfully, she is only retiring from her professional duties. In fact, she'll now have even more time to continue sharing her expertise and advocating for our environmental agenda. Much like the saplings, stream restoration, conservation easements, and many other projects in which she has had a hand, our community will continue to benefit from Stella's handiwork for generations to come. On behalf of a truly grateful community, I wish her all the best in this semi-retirement.

TRIBUTE TO DR. DANE A. MILLER

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, February 12, 2015

Mr. MESSER. Mr. Speaker, I rise today to pay tribute to the life of Dr. Dane A. Miller, a pioneer in his field and a remarkable Hoosier.

Dane was a loving and devoted husband to his wife of 48 years, Mary Louise. Respected and beloved by his colleagues, Dane revolutionized the orthopedic industry when he co-founded Biomet. There, he served as the company's CEO for 29 years, increasing the number of Biomet employees from just eight to more than 6,000 during his tenure. In his spare time, Dane loved helping others and was able to give back to his community by serving both as Director of Kosciuszko Community Hospital and as a member of the President's Council for Grace College and Seminary.

Dane Miller was also my friend, and I am grateful for his support of my career. Like so many other elected leaders in Indiana over the last several decades, I could always count on Dane for wise counsel and a straight answer. He will be missed.

Today, it is my privilege to honor the life of Dane A. Miller. My thoughts and prayers go out to Dane's family, and may God comfort those he left behind with His peace and strength.
