HONORING WALTER GROTZ ON HIS 90TH BIRTHDAY

(Mr. EMMER asked and was given permission to address the House for 1 minute.)

Mr. EMMER. Mr. Speaker, I rise today to honor the 90th birthday of Walter Grotz of Delano, Minnesota.

Born on February 10, 1925, Walter is a World War II veteran with a remarkable life of service, both to his community and to his country.

Shortly after graduating from Delano High School in 1943, Walter was drafted into the U.S. Army Air Force. When his plane was shot down over Germany, he spent 6 months as a prisoner of war of the Nazis.

After surviving this brutal experience, Walter came back to Minnesota, serving as Delano's postmaster until his retirement 34 years later. “Freedom is a very special thing,” he reminds Delano students through his scholarship essay contest. “You take it for granted because it's always been there and always will be.” But will it?

Thank you for your service, Walter. Happy birthday.

SEND THE PRESIDENT A HOMELAND SECURITY APPROPRIATIONS BILL

(Mr. HOYER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HOYER. Mr. Speaker, the Congress has 5 legislative days left until February 27. We have 5 days to meet and send the President an appropriations bill that he can sign to keep the Department of Homeland Security from shutting down.

The Republican leader in the Senate says the House ought to act. The Speaker says the Senate ought to act. Somebody needs to act. Somebody needs to act like an adult. Somebody needs to fund the security and safety of the American people. Their own Senate colleagues disagree with their strategy of holding national security hostage to their political goals on immigration.

We face, as all of us know, very real threats, which is why we cannot let the Department's funding lapse. If Republicans want to debate immigration policy, then bring an immigration bill to the floor. Don't hold our security hostage.

I ask my Republican colleagues to end their games and instead work with us to keep America safe.

NATIONAL MARRIAGE WEEK

(Mr. HUELSKAMP asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HUELSKAMP. Mr. Speaker, this week marks National Marriage Week. This is the time for Americans to recognize, to celebrate, to honor this time-honored institution and the critical importance of a man and a woman committing to each other and to the children of their loving union.

The plain and simple truth is this: marriage is vital to our economic success, cultural well-being, and our children. And sadly, it is being trampled upon as we speak. Unelected judges from all across the country are forcing their personal feelings and biases against traditional marriage upon the American people. This judicial activism has thrown the social and legal status of marriage into chaos.

Since the question of marriage is now before the U.S. Supreme Court, Congress must act now to right this wrong. That is why today I am reintroducing the marriage protection amendment to

affirm the true meaning of marriage is between one man and one woman and to provide a clear policy for our Nation, especially for our children.

ANNIVERSARY OF CRASH OF FLIGHT 3407

(Mr. HIGGINS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HIGGINS. Mr. Speaker, today marks the sixth anniversary of the crash of Colgan Air Flight 3407 in western New York, which forever stole the lives of husbands and wives, sons and daughters, sisters and brothers.

Since that tragic day, the families and friends of those taken banded together as a new family to give others what their loved ones didn't have: a safe flight home. They descended in red by the dozens on Capitol Hill, turning pain into persistence, purpose, and progress.

They saw success in the passage of the Airline Safety and Federal Aviation Administration Extension Act, which establishes the “one level of safety” standard. This ensures that all commercial airlines, regardless of size, are held to the same high-quality training and rest requirements.

Still, there is no rest for the brave families. Last week, I joined them on Capitol Hill to support reauthorization of the Federal Aviation Administration bill and to speak out against recent industry pushback on safety qualifications.

With heavy hearts we remember the people of Flight 3407 and their courageous families. The flying public is safer today because of their work and persistence.

AMERICAN HEART MONTH

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, I rise today to remind every American that February is Heart Month.

According to the American Heart Association, heart disease is the most common form of mortality among both men and women. In fact, one out of every four deaths in this country is cardiac-related. And yet many of these deaths are preventable.

Small changes in diet and exercise can have an enormous and positive impact on your heart health and lifespan. We must not forget America's amazing medical researchers and practitioners who are also doing their part by pioneering innovative treatments that save lives every day.

So, please remember to love your heart this Valentine's Day, and every day.
