OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Mr. SCHIFF. Mr. Speaker, I rise today to honor William J. Bogaard, who is retiring from his position as Mayor of the City of Pasadena, California. Well-known and well-respected on a local, state and national level as an outstanding leader and a man of great civility, impeccable character and immense integrity, Mayor Bogaard is the city's first directly elect-

ed mayor and has skillfully led Pasadena with distinction for over two decades.

Born in 1938, William Joseph "Bill" Bogaard was born and raised in Sioux City, Iowa. He majored in English at Loyola University, now Loyola Marymount University in California, and after serving as a Captain in the United States Air Force, he graduated from Michigan Law School. In 1961, Mr. Bogaard married Claire Whalen of San Francisco, and after residing in Morocco, Michigan and Los Angeles for nearly a decade, they moved with their family in the early 1970's to Pasadena, fully immersing themselves in the community, joining their neighborhood association and the local Parent Teacher Association. In 1978, Bill ran for the Pasadena City Council where he served for eight years, including a rotation into the mayoral position for two years.

Mayor Bogaard's many accomplishments include guiding the city through a major recession, overseeing the establishment of new arts institutions, investment in new housing, and major capital improvement projects at the Rose Bowl, Pasadena City Hall and the Colorado Street Bridge, and the construction of a new convention center. Mr. Bogaard was instrumental in leading the Gold Line light rail transit project, the preservation of Old Pasadena into a national role model for redevelopment and walkable live/work urban planning, making crucial investments in city personnel and police and fire resources, and establishing partnerships with Pasadena's schools, businesses, and arts organizations. In addition, Bill represented the city in many organizations, including the California League of Cities, where he served as President. With an impressive record of past community service, Mayor Bogaard is currently a member of the Gold Line Foothill Construction Authority and the Urban Land Institute, is Chair of the Pasadena Bioscience Collaborative, and serves on the President's Advisory Council for California State University Los Angeles and the Leadership Advisory Council of the Pasadena Educational Foundation. Mr. Bogaard has received the City of Pasadena's highest honor, the Arthur Noble Award, the University of Michigan's David B. Hermelin Volunteer Fundraising Leadership Award, and Loyola Marymount University's Distinguished Alumni Award.

In his professional career, Mr. Bogaard was in private law practice, served as Executive Vice President of First Interstate Bancorp and taught law at USC Law School and the University of Michigan. Married for fifty-four years, Bill and his wife Claire have four children, Michele, Jeannine, Joseph, and Matthew, and seven grandchildren.

Mayor Bill Bogaard has been an invaluable asset to the City of Pasadena and its residents. I ask all Members to join me in thanking Bill Bogaard for over two decades of dedicated public service.

RECOGNIZING THE SCHOOL DISTRICT OF SOUTH ORANGE AND MAPLEWOOD & THE LINDEN PUBLIC SCHOOLS MUSIC EDUCATION AWARD

HON. DONALD M. PAYNE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Monday, April 13, 2015

Mr. PAYNE. Mr. Speaker, I rise today to congratulate the School District of South Or-

ange and Maplewood and the Linden Public Schools for receiving recognition as one of the Best Communities for Music Education (BCME) from the National Association of Music Merchants (NAMM). This association only recognized 388 school districts around the nation this year and I am very proud of each district's achievement.

The National Association of Music Merchants (NAMM) gives its distinction for outstanding efforts by teachers, administrators, parents, students, and community leaders to emphasize the importance and accessibility that every child have to music education. The BCME program evaluates districts and schools based on funding, staffing of highly qualified teachers, commitment to standards, and access to music instruction.

Music education helps develop educational, cognitive, and social skills. Listening to music strengthens the ability to perceive speech within noise, pay attention, and develop memory abilities. Music exposure reveals different aspects of brain function and addresses language and learning difficulties, such as the neural timing precision between speech syllables.

The School District of South Orange and Maplewood and the Linden Public Schools have done an excellent job in promoting music education and in successfully exceeding any challenges and barriers that may have appeared along their pathway. I hope they continue empowering the community with their leadership and enthusiasm in music education.
