

only school in the SWAC to defeat Coach Eddie Robinson's formidable Grambling University's teams. Under Coach Gorden, JSU won 28 straight SWAC football games, and his teams led the nation in attendance among 1-AA schools 11 of the 15 years he coached. By the end of his career, Gordens' teams won more than 70% of their games. But one of the most amazing victories for Gorden was having the highest SWAC graduation rate among football players in the entire state of Mississippi from 1980 to 1981.

Coach Gorden's feats have been honored and recognized by many; he was inducted into the SWAC Hall of Fame in 1994; the Mississippi Sports Hall of Fame in 1997; the College Hall of Fame in 2008; and the Black College Hall of Fame in 2015. Coach Gorden's legacy falls in line with Mississippi's tradition of athletic exceptionalism.

Mr. Speaker, I ask my colleagues to join me in recognizing W.C. Gorden for his exceptional strides in college football and his passion for producing excellence in the state of Mississippi.

HONORING COLONEL BILL BADGER

HON. RAÚL M. GRIJALVA

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. GRIJALVA. Mr. Speaker, I rise to honor Colonel Bill Badger, who passed away on March 11, 2015 at the age of seventy-eight.

Originally from South Dakota, Colonel Badger joined the National Guard as a high school junior and went on to enjoy a long, distinguished career as a United States Army pilot for thirty-seven years. A true patriot who served his country with honor and dignity, he served as Chief of the National Guard Bureau's Aviation Division at the Pentagon. Among his many professional accomplishments, he established the only two United States-based attack helicopter training sites: the Eastern Army Aviation Training Site in Pennsylvania and the Western Army Aviation Training Site in Marana, Arizona. Colonel Badger and his wife, Sallie, moved to Arizona in 1985 when Colonel Badger established the Marana site.

On the morning of January 8, 2011, Colonel Badger attended a Congress on your Corner event at a shopping center north of Tucson to meet then-Congresswoman Gabrielle Giffords. That fateful morning a gunman opened fire on the innocent attendees, brutally murdering six and seriously wounding thirteen, including Colonel Badger and Congresswoman Giffords. As the gunman was reloading his weapon, Colonel Badger, who was injured and bleeding from the head, ran toward the gunman and put him into a chokehold until the authorities arrived, thus stopping the deadly rampage. But for the valiant actions of Colonel Badger, the toll of those killed and wounded would have been much higher. "I don't consider myself a hero," he would later say, "I did what anybody would do." Colonel Badger was a beloved friend to the January 8, 2011 survivors. After this devastating event, this humble hero focused his efforts on keeping guns out of the hands of people like the January 8, 2011 gunman so as to prevent future similar tragedies. Colonel Badger and his wife embarked on a

three-year journey across the country to promote his mission.

Colonel Badger was a hero to many long before he became one in the eyes of our nation on January 8, 2011. He was a caring and devoted husband to his wife, Sallie, a nurturing and loving father to his son, Christian, the beloved Scout master of Troop 007, a guide and counselor to numerous young people, many of whom attribute their current success to Colonel Badger's mentoring, and a friend to countless others, including the members of the Southern Arizona Jaguar Car Club, which he served as President for a time.

On March 11, 2015, the citizens of Arizona lost a friend who placed the safety and well-being of others above his own and who truly represented the best traits of humanity, heroism and sacrifice and the spirit of service to others. The citizens of Arizona owe Colonel Badger an extraordinary debt of gratitude for his tremendous service to our country and state.

Dedicated to his family, Colonel Badger will be greatly missed by his beloved wife, Sallie Badger, and his son, Christian Badger.

HONORING DAVID ARMSTRONG WEST

HON. H. MORGAN GRIFFITH

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. GRIFFITH. Mr. Speaker, I submit these remarks to commemorate the life of David Armstrong West of Blacksburg, Virginia, who passed away on April 2, 2015 at the age of 81.

David was born in Beirut, Lebanon, where he spent much of his childhood. His father and grandfather both taught at the American University of Beirut, and his grandmother (who was born and raised in Damascus, Syria) also worked in Beirut.

In New York City in 1958, David married Lindsay Lattimore Butte, with whom I later worked while I was in the Virginia House of Delegates and she was with the Montgomery County Board of Supervisors. David attended Cornell University and studied ornithology, graduating in 1959 with a PhD.

David spent two years doing postdoctoral genetics research at Liverpool University in England before he began teaching in 1962 at Virginia Tech (Virginia Polytechnic Institute and State University) in Blacksburg. At Tech, David taught biology and genetics until he retired in 1998. He, Lindsay, and their family restored and lived in an 1840 brick house in town, and placed an historic and open space easement on their entire three-acre property in an effort to ensure it is preserved.

After he retired, David pursued interests in music, reading, travel, and the local mountains. Additionally, although we never went birding together, he and I shared an avid love for bird watching. David has written two books on 19th Century German naturalist Fritz Müller. The first is a biography entitled "A Naturalist in Brazil," and the second (recently completed) traces the development of Müller's ideas as well as his connections with other scientists such as Charles Darwin.

David is survived by his wife, Lindsay; sister, Elisabeth FitzHugh; brother, Allen; his son,

Peter and wife, Katherine Hood, of Brooklyn, New York; his son, Roger and wife, Deborah, of Silver Spring, Maryland; and his daughter, Susan West Marmagas and husband, William, of Blacksburg, Virginia. He is also survived by five grandchildren, Nicholas, Daniel and Tyler West and Anastasia and Elektra Marmagas.

David's contributions and his love for his family, neighbors, and community will long be remembered and cherished. My thoughts and prayers go out to David's family and loved ones. May God give them comfort during this time.

HONORING CAMBER CORPORATION

HON. ROBERT B. ADERHOLT

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. ADERHOLT. Mr. Speaker, I would like to honor Camber Corporation for twenty-five years of business, and for their service to the community of Huntsville, Alabama and to many other areas both in our great state and across the United States. I am pleased to recognize this company for its many accomplishments.

Camber Corporation, which is headquartered in Huntsville, Alabama, was established on April 2, 1990 with just three employees, including the company founder, Walter Batson. Today it has grown to over thirty offices, with personnel in many other locations across America and around the world. Over the years, the company has done widely varied work for a number of organizations, including the National Aeronautics and Space Administration (NASA), the Department of Transportation, the Department of Defense, the U.S. Army, Navy, Air Force, and Marines, the Department of Homeland Security, the U.S. Postal Service, U.S. Courts, the Department of State and United States Agency for International Development (USAID), and the Center for Civil and Military Affairs.

I know that no matter the company, this level of success is possible only with the efforts of many skilled professionals working together to achieve the organization's goals, and Camber Corporation is the first to recognize that its staff of over 2,000 employees is its greatest asset. These staff members can claim expertise in many vital areas including Engineering, Software Development, Information Technology, Training, Modeling and Simulation, Acquisition Management and Decision Support, and Operations. Due in great part to the service of these dedicated workers, Camber Corporation's products and projects now support both government and commercial customers throughout the world.

Camber Corporation has been selected for numerous professional organization and Chamber of Commerce awards, including Best Places to Work in both Huntsville and Northern Virginia. I am honored to add my commendations to those already received. As an Alabamian and as an American, I am pleased to congratulate this company on the service it has rendered to the United States over the past 25 years, and on the contributions it has made to its home state of Alabama. I wish them many, many more years of success in the future.

INTRODUCTION OF THE
“INNOVATION PROTECTION ACT”

HON. JOHN CONYERS, JR.

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. CONYERS. Mr. Speaker, the “Innovation Protection Act” responds to the single most important problem facing our patent system today—the diversion of patent fees. One of the most effective steps we can take in responding to abusive patent litigation is making sure poor quality patents are not issued to begin with. To do that we need to give our examiners the resources they need to review and analyze the hundreds of thousands of complex and interrelated patent applications they receive every year.

The current finding mechanism has failed the patent system. It did not prevent the diversion of nearly \$150 million in collected user fees in fiscal year 2013 due to the sequester. And this loss is on top of the estimated \$1 billion in fees diverted over the last two decades. In essence, there is a tax on innovation in this country, and this legislation would repeal it.

That is why I along with Representatives COLLINS, NADLER, FRANKS, LOFGREN, SENSENBRENNER, DEUTCH, ROHRBACHER, and JEFFRIES introduced today the “Innovation Protection Act.” This critical bill will ensure that the USPTO retains all of the user fees it collects.

Significant patent stakeholders, including the American Intellectual Property Law Association, BSA—The Software Alliance, the Coalition for 21st Century Patent Reform, the Intellectual Property Owners Association, and the Institute of Electrical and Electronics Engineers—USA, among others, support the legislation.

This bill would create a permanent, reliable mechanism to protect the USPTO from the unpredictability of the annual appropriations cycle, which severely hinders USPTO’s ability to engage in the kind of multi-year, business-like planning that is needed to manage our patent system. It would eliminate the tax on innovation.

Therefore, a permanent funding mechanism is essential to encourage innovation and to ensure that our patent system remains the envy of the world.

THANKING THE CAPITOL POLICE
FOR SERVICE DURING NEW MEMBER
ORIENTATION

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. BRADY of Pennsylvania. Mr. Speaker, in November of last year, the newly elected members of the House of Representatives came to Washington, D.C. for New Member Orientation. This weeklong event, organized by the Committee on House Administration, is designed to orient our new colleagues and their staffs to the various responsibilities they assume in the upcoming congress, as well as to educate the members and their staffs on the resources they have here to help them in their new roles. It is a comprehensive under-

taking, but fortunately safety was never a concern during the event due to the hard work and professionalism of the Capitol Police.

The Capitol Police did excellent work protecting our visitors, allowing them safe travel between destinations and providing a sense of security as they visited their new offices on Capitol Hill for the first time. I would like to extend my thanks and gratitude to the Capitol Police for their fine work in keeping our grounds secure and for their essential guidance, information and support.

HONORING DUKE MEN’S
BASKETBALL

HON. DAVID E. PRICE

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. PRICE of North Carolina. Mr. Speaker, I am thrilled to rise today to congratulate the Duke men’s basketball team on winning the 2015 NCAA Division I National Championship! I say this as a Member who, depending on the vagaries of redistricting, has represented the campus, but also as a proud on-leave faculty member and the father of two Duke alumni.

This Duke team’s combined talent, tenacity, and teamwork helped them to overcome a tough conference schedule and make one of the most memorable runs in recent NCAA tournament history. Both Duke and the University of Wisconsin Badgers deserve recognition for their excellent play in the tournament and throughout the year. But Duke’s thrilling victory over Wisconsin to clinch the national title was a fitting finish to an historic season that also saw its legendary head coach, Mike Krzyzewski, “Coach K”, notch his record 1,000th win.

The Duke Blue Devils have a long history of success in men’s basketball, and I am proud that this year’s team was able to add a fifth national men’s basketball title to its collection. Congratulations to the players, staff, and coaches, who will be remembered as one of the greatest Duke teams of all time. Blue Devil fans everywhere are proud of your remarkable season, the latest chapter in our storied basketball tradition!

INTRODUCTION OF FEDERAL PRO-
TECTIVE SERVICE PARITY ACT
OF 2015

HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. CARSON of Indiana. Mr. Speaker, today, I am pleased to introduce a bill to offer law enforcement retirement to Federal Protective Service (FPS) law enforcement officers. This bill provides retirement parity to FPS law enforcement officers with all other law enforcement officers within the Department of Homeland Security (DHS).

The lack of law enforcement retirement for FPS law enforcement officers has hurt morale and has contributed to a high rate of attrition of FPS law enforcement officers when compared to attrition rates of other law enforcement agencies within DHS. By providing these

enhanced retirement provisions to new hires within the Federal Protective Service, and crediting the service of current FPS law enforcement officers after enactment of the bill with the new provisions, we can begin to strengthen the morale and resolve of the Federal Protective Service.

FPS is responsible for delivering security and law enforcement services for the 8,700 assets that the General Services Administration (GSA) owns, controls, or leases across the country. The Federal Protective Service is part of the frontline defense for these Federal buildings, which include Federal courthouses, Social Security Administration buildings, Agency headquarters, and other buildings. FPS law enforcement officers are authorized to carry firearms and empowered to make arrests related to the protection of buildings, grounds, and property owned by the Federal government and persons on the property. Like other law enforcement officers within DHS, FPS officers receive the same training at the Federal Law Enforcement Training Center and often risk their lives in protection of the nearly 1 million Federal employees and visitors to Federal buildings.

As a former law enforcement officer I have a deep appreciation for their service and the sacrifices that FPS law enforcement officers make on a regular basis. By providing this retirement provision I believe it will help the Federal Protective Service thrive in its mission of protecting Federal facilities, their occupants, and visitors with superior law enforcement and protective security services.

I look forward to working with my colleagues to consider this legislation and pass it as soon as possible.

HONORING ERNIE PYLE

HON. LARRY BUCSHON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. BUCSHON. Mr. Speaker, I rise today to honor one of the greatest Hoosiers history has seen, who gave his life 70 years ago.

Ernie Pyle, a Hoosier journalist, became a household name as he told of the everyday lives—the trials and tribulations, the honor and dignity—of our soldiers in WWII.

Through his Pulitzer Prize winning column, Ernie Pyle brought the hard realities of war into the homes of families worldwide.

And he was an advocate for the common soldier—the guys he rightfully argued wars can’t be won without.

Generations of young journalists—especially those who’ve studied in his shadow at the Indiana University School of Journalism—have greatly benefited from his legacy.

Mr. Speaker, we should all be grateful for the sacrifice and service of great men like Ernest Taylor Pyle.

IN RECOGNITION OF BISHOP
VICTOR L. POWELL

HON. SANFORD D. BISHOP, JR.

OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 16, 2015

Mr. BISHOP of Georgia. Mr. Speaker, I rise today to honor an outstanding Man of God,
