

EXTENSIONS OF REMARKS

CONGRATULATING ARTHREX, INC.
ON BEING NAMED A FORTUNE
TOP 100 COMPANY TO WORK FOR

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. DIAZ-BALART. Mr. Speaker, I rise today to congratulate Arthrex, Inc. on being named a Fortune Top 100 company to work for, and to commend its exemplary service to the Naples community.

Arthrex is a global medical device company in Naples, FL. Their mission is to help surgeons treat their patients as best as possible, and they have more than surpassed that goal. The company is a leader in new product development and medical education in orthopedics. More than that, Arthrex is a pioneer in the field of arthroscopy and has developed more than 8,500 innovative products and surgical procedures to advance minimally invasive orthopedics worldwide.

Fortune uses an expert firm that has developed a methodology to evaluate workplace cultures, and a 58-question employee survey to measure trust. Two-thirds of a company's score is based on the employee survey, while one-third is based on a culture audit. Hundreds of companies apply to be on the list, making Arthrex's accomplishment that much more special. However, by looking at their company, it is clear to see why they made the list.

Under the leadership of Mr. Reinhold Schmieding, Arthrex continues to grow and thrive in the community. Having visited their facility in Naples, I saw firsthand the important work they are doing and the impact the company has in the area. Not only does Arthrex provide countless jobs, it also fosters a culture of personal and professional growth, with excellent benefits and services. These services include tuition reimbursement, internships, apprenticeships, and a comprehensive benefits package.

Mr. Speaker, I am honored to congratulate Arthrex, Inc. on their accomplishment, and I ask my colleagues to join me in recognizing their outstanding achievement.
