

## EXTENSIONS OF REMARKS

CONGRATULATING ARTHREX, INC.  
ON BEING NAMED A FORTUNE  
TOP 100 COMPANY TO WORK FOR

### HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. DIAZ-BALART. Mr. Speaker, I rise today to congratulate Arthrex, Inc. on being named a Fortune Top 100 company to work for, and to commend its exemplary service to the Naples community.

Arthrex is a global medical device company in Naples, FL. Their mission is to help surgeons treat their patients as best as possible, and they have more than surpassed that goal. The company is a leader in new product development and medical education in orthopedics. More than that, Arthrex is a pioneer in the field of arthroscopy and has developed more than 8,500 innovative products and surgical procedures to advance minimally invasive orthopedics worldwide.

Fortune uses an expert firm that has developed a methodology to evaluate workplace cultures, and a 58-question employee survey to measure trust. Two-thirds of a company's score is based on the employee survey, while one-third is based on a culture audit. Hundreds of companies apply to be on the list, making Arthrex's accomplishment that much more special. However, by looking at their company, it is clear to see why they made the list.

Under the leadership of Mr. Reinhold Schmieding, Arthrex continues to grow and thrive in the community. Having visited their facility in Naples, I saw firsthand the important work they are doing and the impact the company has in the area. Not only does Arthrex provide countless jobs, it also fosters a culture of personal and professional growth, with excellent benefits and services. These services include tuition reimbursement, internships, apprenticeships, and a comprehensive benefits package.

Mr. Speaker, I am honored to congratulate Arthrex, Inc. on their accomplishment, and I ask my colleagues to join me in recognizing their outstanding achievement.

IN RECOGNITION OF WILLIAM A.  
NACK

### HON. JACKIE SPEIER

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Ms. SPEIER. Mr. Speaker, I rise to honor William A. Nack for a life and career dedicated to hard work, justice and integrity. Bill Nack recently retired as the head of the Building and Construction Trades Council of San Mateo County, AFL-CIO after a long and successful career in union construction.

Bill left his mark all over the San Francisco Peninsula. Even people who don't know him see the results of his work every day. Some of the most prominent buildings in the county were developed during his tenure, including SFO, Mills Peninsula Hospital, Sequoia Hospital, Palo Alto Medical Center, Bay Meadows, San Mateo Public Library, San Mateo Union High School District, San Mateo Community College District, Millbrae BART Transit Village, Crossings in San Bruno, Redwood City Redevelopment, Brisbane Baylands Development, Genentech, Gilead and Facebook.

Even this breathtaking list is not complete. Bill negotiated a total of 45 Project Labor Agreements and Letters of Commitment representing more than \$16 billion of construction projects. For the last 16 years, he worked with developers, environmentalists, contractors and neighborhood groups advocating for environmentally responsible projects, good union wages and safe working conditions.

Bill was born in St. Louis, raised in San Francisco, and has lived on the Peninsula for the last 50 years. In 1966, he was hired by

United Airlines as an Aircraft Jet Engine Mechanic in Journeyman status. The following year he started his service in the U.S. Naval Reserve which he continued for six years, ably serving his country. While working for United, he earned an Associate Degree in Aeronautics and began his remarkable union career with Machinist Local Lodge 1781. He was the Union Shop Steward for 15 years fighting for the rights of his coworkers. He was elected to the Local's Executive Board, IAM Legislative Committee, and the Building Corporation. Bill was one of the people who founded a highly effective coalition between the machinists, flight attendants and pilots.

In 1987, Bill became the Assistant Business Manager for the Santa Clara and San Benito counties Central Labor Council. He developed and implemented a public policy program for 100 affiliated unions.

In 1989, he became Deputy Executive Officer for the Santa Clara and San Benito Building and Construction Trades Council where he was responsible for public policy, corporate research, and the monitoring of construction contractors and projects. Within a year, he was tapped for the top position at the Building and Construction Trades Council of San Mateo County and became Business Manager/Executive Officer. He was ideally qualified to advocate for environmentally and socially responsible projects utilizing top-quality labor, materials and construction methods. He led a vibrant council of 26 unions and 14,000 justifiably proud, middle-class workers.

In addition to his impressive achievements at the council, Bill is a man of enormous compassion and empathy, a fact demonstrated by his extensive community engagement. He serves on a long list of boards, including the Boy Scouts of America, United Way, Rebuilding Together, the Bay Area Air Quality Management District Advisory Council, the Metropolitan Transportation Commission Advisory Council, and the San Mateo County Housing Leadership Council. Bill is passionate about housing people, recognizing that the dignity of a person is nurtured by housing. It is sometimes said of a generous person that he would give someone the shirt off his back. Bill Nack has likely done that many times, and in addition he's directly and indirectly helped to place a roof over the heads of tens of thousands of people.

Bill was also appointed by the Governor to the Bay Conservation and Development Commission and to the Board of Directors of the Cow Palace.

As you may surmise from the diversity of issues that Bill is engaged in, he cares deeply about helping others and improving the quality of life for everyone. I can say without hesitation that his heart is in the right place and he gives of himself generously and freely. He is a devoted husband to Rayna Lehman, another great labor leader in San Mateo County. They raised two wonderful sons, Patrick and Benjamin, their most important life achievements.

Mr. Speaker, I ask the House of Representatives to rise with me to honor my friend and colleague of over 30 years William A. Nack on the occasion of his retirement as the leader of the Building and Construction Trades Council of San Mateo County. He leaves behind an impressive legacy of construction projects, compassion, and a ready smile that welcomes every honest man or woman to work with him in pursuit of a better America.

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 29, 2015*

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Paul Prouty for his accomplishments and distinguished career with the General Services Administration (GSA).

Paul began his 42-year career with the GSA in 1971 as a real estate intern and has since risen through the organization to become one of the most respected leaders. Paul's accomplishments include providing key strategic direction regarding design, construction, management and maintenance of federal and leased properties, including 18 million square feet of office, laboratory and warehouse space.

A key property in his portfolio is the Denver Federal Center located in Lakewood, Colorado—one of the largest concentrations of federal real estate property outside Washington D.C. Paul's vision for a more inclusive federal community led to major changes at the Denver Federal Center. Through Paul's leadership, the Denver Federal Center evolved into one of the most exciting campuses in the Denver metro area. The campus hosts the new St. Anthony's hospital, intermodal transportation hub and a focus on the campus becoming a sustainable federal and community center.

I extend my deepest congratulations on your retirement from federal service. Thank you for your dedication to our community.

HONORING MAKENNA SCHWAB

**HON. DAVID G. REICHERT**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 29, 2015*

Mr. REICHERT. Mr. Speaker, today I rise to honor a young girl, only 12 years old, who went above and beyond the call of duty for public service. Makenna Schwab, from East Wenatchee, Washington, set out to make a difference in her community by collecting toys and donations for kids at Seattle Children's Hospital. Last October, with the help of her friends at Wenatchee Pediatric Dentistry, she collected enough donations for 33 Radio Flyer wagons, 36 portable DVD players, and more than 1,300 toys and other goods for young boys and girls courageously battling disease at Seattle Children's.

Even more remarkable, Makenna was born with Larsen syndrome, a rare connective tissue disorder, and is a frequent patient herself at Seattle Children's Hospital. It was this experience that inspired her to want to give back to other kids going through similar experiences, and she did not let her disease stand in her way. This is Makenna's third Make a Difference Day campaign, and she is proving that one 12 year-old girl can make a lasting impact on the lives of her friends, family, and community members. On May 6th, Makenna will be recognized in Washington, D.C., as a National Make a Difference Day award recipient. She will receive a \$10,000 grant to further enable her passion for public service and
