

United Airlines as an Aircraft Jet Engine Mechanic in Journeyman status. The following year he started his service in the U.S. Naval Reserve which he continued for six years, ably serving his country. While working for United, he earned an Associate Degree in Aeronautics and began his remarkable union career with Machinist Local Lodge 1781. He was the Union Shop Steward for 15 years fighting for the rights of his coworkers. He was elected to the Local's Executive Board, IAM Legislative Committee, and the Building Corporation. Bill was one of the people who founded a highly effective coalition between the machinists, flight attendants and pilots.

In 1987, Bill became the Assistant Business Manager for the Santa Clara and San Benito counties Central Labor Council. He developed and implemented a public policy program for 100 affiliated unions.

In 1989, he became Deputy Executive Officer for the Santa Clara and San Benito Building and Construction Trades Council where he was responsible for public policy, corporate research, and the monitoring of construction contractors and projects. Within a year, he was tapped for the top position at the Building and Construction Trades Council of San Mateo County and became Business Manager/Executive Officer. He was ideally qualified to advocate for environmentally and socially responsible projects utilizing top-quality labor, materials and construction methods. He led a vibrant council of 26 unions and 14,000 justifiably proud, middle-class workers.

In addition to his impressive achievements at the council, Bill is a man of enormous compassion and empathy, a fact demonstrated by his extensive community engagement. He serves on a long list of boards, including the Boy Scouts of America, United Way, Rebuilding Together, the Bay Area Air Quality Management District Advisory Council, the Metropolitan Transportation Commission Advisory Council, and the San Mateo County Housing Leadership Council. Bill is passionate about housing people, recognizing that the dignity of a person is nurtured by housing. It is sometimes said of a generous person that he would give someone the shirt off his back. Bill Nack has likely done that many times, and in addition he's directly and indirectly helped to place a roof over the heads of tens of thousands of people.

Bill was also appointed by the Governor to the Bay Conservation and Development Commission and to the Board of Directors of the Cow Palace.

As you may surmise from the diversity of issues that Bill is engaged in, he cares deeply about helping others and improving the quality of life for everyone. I can say without hesitation that his heart is in the right place and he gives of himself generously and freely. He is a devoted husband to Rayna Lehman, another great labor leader in San Mateo County. They raised two wonderful sons, Patrick and Benjamin, their most important life achievements.

Mr. Speaker, I ask the House of Representatives to rise with me to honor my friend and colleague of over 30 years William A. Nack on the occasion of his retirement as the leader of the Building and Construction Trades Council of San Mateo County. He leaves behind an impressive legacy of construction projects, compassion, and a ready smile that welcomes every honest man or woman to work with him in pursuit of a better America.

Mr. PERLMUTTER. Mr. Speaker, I rise today to recognize and applaud Paul Prouty for his accomplishments and distinguished career with the General Services Administration (GSA).

Ron served in the United States Army from 1955 to 1957. He graduated from Claremont Men's College with a Bachelor of Arts degree in Business Administration, and was a successful businessman with real estate offices in Upland, Rancho Cucamonga, Ontario, and Pomona.

HONORING MAKENNA SCHWAB

HON. DAVID G. REICHERT

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 29, 2015

Mr. REICHERT. Mr. Speaker, today I rise to honor a young girl, only 12 years old, who went above and beyond the call of duty for public service. Makenna Schwab, from East Wenatchee, Washington, set out to make a difference in her community by collecting toys and donations for kids at Seattle Children's Hospital. Last October, with the help of her friends at Wenatchee Pediatric Dentistry, she collected enough donations for 33 Radio Flyer wagons, 36 portable DVD players, and more than 1,300 toys and other goods for young boys and girls courageously battling disease at Seattle Children's.

Even more remarkable, Makenna was born with Larsen syndrome, a rare connective tissue disorder, and is a frequent patient herself at Seattle Children's Hospital. It was this experience that inspired her to want to give back to other kids going through similar experiences, and she did not let her disease stand in her way. This is Makenna's third Make a Difference Day campaign, and she is proving that one 12 year-old girl can make a lasting impact on the lives of her friends, family, and community members. On May 6th, Makenna will be recognized in Washington, D.C., as a National Make a Difference Day award recipient. She will receive a \$10,000 grant to further enable her passion for public service and

charitable work. Makenna's selfless actions and commitment to public service is an inspiration to all of us, and for that we honor her.
