□ 1430

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 2029) making appropriations for military construction, the Department of Veterans Affairs, and related agencies for the fiscal year ending September 30, 2016, and for other purposes, with Ms. ROS-LEHTINEN in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Pennsylvania (Mr. DENT) and the gentleman from Georgia (Mr. BISHOP) each will control 30 minutes.

The Chair recognizes the gentleman from Pennsylvania.

Mr. DENT. Madam Chair, I yield myself such time as I may consume.

Today, it is my honor and privilege to bring H.R. 2029, the fiscal year 2016 Military Construction and Veterans Affairs and Related Agencies Appropriations bill, to the House of Representatives.

I present this bill alongside my good friend and ranking member on the subcommittee, SANFORD BISHOP from Georgia, who has been an essential

partner all along the way. I greatly appreciate the participation and support of our committee members, both sides of the aisle, as we considered priorities and funding levels for the important programs in our bill.

We analyzed the budget request, developed questions, held oversight hearings to hear directly from members of all the services, the Department of Defense leadership, the Secretary of the VA, the VA inspector general, and the directors of four related agencies. We received over 700 requests from Members—again, from both sides of the aisle—and gave full consideration to each one. It has been a busy spring, and we did our best to accommodate those Member requests.

As we consider this bill, I can't proceed further without noticing that this subcommittee has a formidable level of support from the chair and ranking member of the full committee. Thank you, Chairman ROGERS and Mrs. LOWEY. Your attention to oversight and genuine care for the military and veterans has been inspiring.

To round out our team, we have some great support from our professional staff: Sue Quantius, Sarah Young, Tracey Russell, Maureen Holohan, and Matt Washington on the committee staff and Heather Smith, Drew Kent, and Sean Snyder on my personal staff. We couldn't do it without all of them.

H.R. 2029 demonstrates our firm commitment to fully supporting the Nation's veterans and servicemembers. Our investment of nearly \$77 billion for military construction and Veterans Affairs that is 6 percent—6 percent—over last year's level is unprecedented. This bill provides comprehensive support for servicemembers, military families, and veterans. It supports our troops with facilities and services necessary to maintain readiness and morale at bases here in the States and around the world.

It provides for Defense Department schools and health clinics that take care of our military families, and the bill funds our veterans health care systems to ensure that our promise to care for those who have sacrificed in defense of this great Nation continues as those men and women return home. We owe this to our veterans and are committed to sustained oversight so that programs deliver what they promise and taxpayers are well served by the investments we make.

On the military construction side, this bill provides a total of \$7.7 billion for military construction projects and family housing, including base and overseas contingency operations funding, an increase of \$904 million. That is nearly 12 percent above the enacted fiscal year 2015 level and \$755 million
