ANNOUNCEMENT BY THE ACTING CHAIR

The Acting CHAIR (during the vote).
 There is 1 minute remaining.

□ 1849

So the amendment was rejected.
 The result of the vote was announced
 as above recorded.

The Acting CHAIR. The Clerk will
 read.

The Clerk read as follows:

This Act may be cited as the “Military
 Construction and Veterans Affairs and Re-
 lated Agencies Appropriations Act, 2016”.

Mr. DENT. Mr. Chairman, I move
 that the Committee do now rise and re-
 port the bill back to the House with
 sundry amendments, with the rec-
 ommendation that the amendments be
 agreed to and that the bill, as amend-
 ed, do pass.

The motion was agreed to.

Accordingly, the Committee rose;
 and the Speaker pro tempore (Mr.
 HULTGREN) having assumed the chair,
 Mr. DOLD, Acting Chair of the Com-
 mittee of the Whole House on the state
 of the Union, reported that that Com-
 mittee, having had under consideration
 the bill (H.R. 2029) making appropria-
 tions for military construction, the De-
 partment of Veterans Affairs, and re-
 lated agencies for the fiscal year end-
 ing September 30, 2016, and for other
 purposes, directed him to report the
 bill back to the House with sundry
 amendments adopted in the Committee
 of the Whole, with the recommendation
 that the amendments be agreed to and
 that the bill, as amended, do pass.

The SPEAKER pro tempore. Under
 House Resolution 223, the previous
 question is ordered.

Is a separate vote demanded on any
 amendment reported from the Com-
 mittee of the Whole? If not, the Chair
 will put them en gros.

The amendments were agreed to.

The SPEAKER pro tempore. The
 question is on the engrossment and
 third reading of the bill.

The bill was ordered to be engrossed
 and read a third time, and was read the
 third time.

MOTION TO RECOMMIT

Mrs. KIRKPATRICK. Mr. Speaker, I
 have a motion to recommit at the
 desk.

The SPEAKER pro tempore. Is the
 gentlewoman opposed to the bill?

Mrs. KIRKPATRICK. I am opposed.

The SPEAKER pro tempore. The
 Clerk will report the motion to recom-
 mit.

The Clerk read as follows:

Mrs. Kirkpatrick moves to recommit the
 bill H.R. 2029 to the Committee on Appro-
 priations with instructions to report the
 same back to the House forthwith with the
 following amendment:

In the “Medical Services” account, on page
 27, line 9, after the dollar amount, insert
 “(increased by \$15,000,000)”.

In the “General Administration” account,
 on page 30, line 15, after the first dollar
 amount, insert “(reduced by \$15,000,000)”.

The SPEAKER pro tempore. The gen-
 tlewoman from Arizona is recognized for
 5 minutes.

Mrs. KIRKPATRICK. Mr. Speaker,
 this is the final amendment to the bill,
 which will not kill the bill or send it
 back to committee. If adopted, the bill
 will immediately proceed to final pas-
 sage, as amended.

As we witnessed last year during the
 VA’s patient access crisis, the VA does
 not have the resources it needs to care
 for our Nation’s veterans. Last year, I
 worked tirelessly with my colleagues
 to pass the Veterans Access, Choice,
 and Accountability Act, which estab-
 lished the VA Choice Program, allow-
 ing our veterans to seek care outside
 the VA when they live too far from a
 VA medical facility or cannot receive
 timely care.

While some improvements in the VA
 patient access have been made, I know
 from listening to the veterans in my
 district and from veterans service orga-
 nizations that veterans are still strug-
 gling to access care. This bill, in its
 current form, underfunds the VA by
 over a billion dollars—a billion dollars.
 The Arizona Department of Veterans’
 Services and the Arizona VFW and vet-
 erans groups all over Arizona and this
 country are opposed to these cuts.

This motion to recommit will pro-
 vide an additional \$15 million for vital
 medical services, long-term care, men-
 tal health treatment, assistance to
 homeless veterans, substance abuse
 treatment, and caregiver support. \$15
 million toward these essential services
 for our veterans is tiny in comparison
 to the drastic cuts to the VA’s budget
 in this bill. This \$15 million is paid for
 by a reduction in administrative ex-
 penses, so this money will go directly
 to providing care for veterans.

Mr. Speaker, I wish to remind my
 colleagues that the VA Choice Program
 will end next year. Whether or not vet-
 erans are given a choice where they
 may receive their care, the VA will
 still need adequate funding and re-
 sources to care for our veterans.

I would also like to remind my col-
 leagues that just 2 months ago we
 learned from another whistleblower
 that the Phoenix VA’s mental health

facility is significantly underresourced. Due to significant understaffing and mismanagement, veterans contemplating suicide and veterans seeking treatment for substance abuse will be unable to receive the immediate care they need. This is horrible and unacceptable.

While it is necessary that we continue to hold the VA accountable, address the VA's management issues, and prevent waste, we will not solve the VA's patient access problem without ensuring the VA has the resources it needs to provide timely and quality care. Veterans will continue to wait if the resources are not there.

If we do not address the lack of VA resources now, we will continue to hear heartbreaking stories from veterans who are unable to receive timely treatment. If the VA Choice Program ends without reauthorization and funding, those veterans will return to the VA, and veterans new to the VA will also need treatment. We will then face another patient access crisis, and this time it will be our fault.

Caring for veterans is a cost of war. Cuts to government spending should not be shouldered by the men and women we have chosen to place in harm's way. We have a moral obligation to ensure these brave Americans who have fought and sacrificed for us receive the health care and the benefits they have earned.

I yield back the balance of my time. Mr. DENT. Mr. Speaker, I rise in opposition to the motion to recommit.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. DENT. Mr. Speaker, as Members of Congress, we have a serious responsibility to exercise proper oversight. This bill has long enjoyed broad bipartisan support and was brought up through an open process that allowed all voices to be heard and all opinions to be considered.

Now, I was proud to work in a bipartisan manner with Ranking Member BISHOP on this bill. He is a good friend and a good man and a good partner. We considered, together, 715 Member requests while drafting this bill, of which 562 were from Democratic Members, and we did our best to accommodate the Members on both sides of the aisle. I believe we did. We were successful. We then considered 43 additional amendments, proposals yesterday and all last night. This motion to recommit could have been offered at anytime during this debate, but they chose to do it tonight.

By the way, I should let you know, too, the bill that we are going to be considering passed last year with all but one vote. The bill that we are going to be considering spends 6 percent more than the one last year.

I want to say something about the motion to recommit. It reflects the administration's continuing efforts to deflect their management failures at the VA on the Congress. And the gentle-

lady who just spoke said this bill cuts spending. Well, it does not.

□ 1900

It is a 6 percent increase over last year. It is not a cut.

Yes, I know the administration doesn't want us to talk about the \$930 million cost overrun at the Denver VA medical construction project, and there are others. I know they don't want us to discuss the pervasive neglect and mismanagement at the Philadelphia VA regional office, and of course, they don't want us to discuss the atrocious failure to serve countless veterans in Phoenix.

I know the administration doesn't want us to talk about the cost overruns in Denver, Orlando, or wherever else they may occur—New Orleans. They don't want us to talk about the problems in Philadelphia, where the inspector general, just 2 weeks ago, provided a laundry list of horrible failures.

Most of all, they don't want us to talk about or discuss the atrocious failure to serve countless veterans in Phoenix, many of whom, tragically, paid for the VA's mistakes with their own lives.

The Obama administration has controlled this government for 6 years. It is time that they take responsibility for the VA's failures and allow us to move forward with this bill to increase the services and resources available to our veterans and servicemembers.

For the administration to say they would veto this bill because we provided a 6 percent increase for the VA over enacted levels, instead of a 9 percent increase, is the sort of incendiary threat that can only make sense here in Washington.

Only here in Washington can a 6 percent increase be called a cut. Everywhere else in America, that is called an increase, 6 percent above last year. Congress should not be expected to behave like potted plants and simply accede to the President's request that does not adhere to the budget caps that he signed into law himself.

By the way, just for some numbers, the bill provides \$48.6 billion for VA medical services—\$3.4 billion above last year's level—plus we provide advance funding for fiscal year '17 at \$51.7 billion.

Our bill is a good bill in its current form. It targets the needs of homeless veterans, caregivers who sacrifice their time and livelihood to care for their injured servicemembers, and those veterans waiting too long for decisions on their disability claims.

In all these areas, the bill provides every dollar the administration requested, but that good news story apparently doesn't fit the gloom and doom narrative of this administration which, once again, doesn't want to acknowledge the management failures at the VA, and they are saying a 6 percent increase is a cut.

We know better. The American people know better. The veterans know

better. It is time that we reject this motion and support the underlying bill.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the noes appeared to have it.

RECORDED VOTE

Mrs. KIRKPATRICK. Mr. Speaker, I demand a recorded vote.

A recorded vote was ordered.

The SPEAKER pro tempore. Pursuant to clause 9 of rule XX, this 5-minute vote on the motion to recommit will be followed by a 5-minute vote on passage of the bill.

The vote was taken by electronic device, and there were—ayes 181, noes 236, not voting 14, as follows:
