

history of the Nevada National Guard. Colonel Farris assumed command of the 991st Multi-Functional Brigade, overseeing more than 700 soldiers, including the Nevada Army Guard's aviation assets. It gives me great pleasure to recognize her achievement in this historic moment.

Colonel Farris joined the Guard over 25 years ago as a private first class and was later commissioned from the University of Nevada, Reno ROTC Program in 1991. She then continued her studies and earned her master's from Clayton College in 2004, the same year she graduated from the Commander and General Staff College. She is currently working towards completion of her second year of War College and is scheduled to graduate this summer.

Colonel Farris formerly commanded the 1-69th Press Camp Headquarters, which deployed to Bosnia in 1999. She also served as command information officer for the State of Nevada, 1-421st Regional Training Institute executive officer, Joint Force Headquarters commander, and as the Nevada Guard State family program director. In 2011, she deployed to Afghanistan with the 401st Army Field Support Brigade.

I extend my deepest gratitude to Colonel Farris for her courageous contributions to the United States of America. Her unwavering dedication to her career is commendable, and she stands as a role model to future generations of heroes. Colonel Farris' service to her country and her bravery earn her a place among the outstanding men and women who have valiantly defended our Nation.

As a member of the Senate Veterans' Affairs Committee, I recognize that Congress has a responsibility not only to honor these brave individuals who serve our Nation but also to ensure they are cared for when they return home. Equally as important, it is crucial that female servicemembers and veterans have access to their specific health care needs. There are countless distinguished women who have made sacrifices beyond measure and deserve nothing but the best treatment. I remain committed to upholding this promise for our veterans and servicemembers in Nevada and throughout the Nation and will continue to fight until this becomes a reality.

During her tenure, Colonel Farris has demonstrated professionalism, commitment to excellence, and dedication to the highest standards of the Nevada Guard. I am both humbled and honored by her service and am proud to call her a fellow Nevadan. Today, I ask my colleagues to join me in recognizing Colonel Joanne Farris for all of her accomplishments and wish her well in all of her future endeavors.●

TRIBUTE TO JODY SHERVANICK

● Mr. HELLER. Mr. President, today, I wish to recognize Jody Shervanick for her tireless efforts in supporting Nevada's veterans, active military mem-

bers, and their families. Ms. Shervanick volunteers 7 days a week to give back to the brave men and women who defend our freedom and their families. She has contributed greatly to the Las Vegas military community and to the greater good of the Silver State.

Having grown up as a military child, Ms. Shervanick understands the trials of a military family. She stands as a shining example of someone who has devoted her life to the betterment of others, selflessly serving to bring happiness to our Nation's heroes each day. It is important to thank not only the men and women serving this great Nation, but also their families who make so many sacrifices. Her service to these families is invaluable.

Ms. Shervanick helps with care for veterans and military members with mental illness, such as post-traumatic stress, and aids in times of uncertainty for military families, providing food, financial aid, and childcare. She hosts special events for families stationed at Creech and Nellis Air Force Bases. Ms. Shervanick coordinates the "World's Largest Baby Shower," for wives of active military or female members stationed at Creech and Nellis Air Force Bases, puts on multiple Christmas parties for the children at Nellis Air Force Base, spearheads an annual Easter party for the children at Nellis Air Force Base, and will be putting on a "Mom"ster and Son Halloween bash in October. I have had the opportunity to attend one of Ms. Shervanick's Operation Showers of Appreciation Military Baby Showers in Las Vegas, and I know firsthand the positive impact her efforts have on military families. She works with volunteers to make pillow slips for deployed military members with pictures of their children. Her commitment to these families is without limit. She is truly a role model to all Nevadans.

Ms. Shervanick's hard work has not gone without notice. She received "Citizen of the Month" from Mayor Carolyn Goodman of the city of Las Vegas in December 2014, a plaque recognizing her service from Governor Brian Sandoval, and has been recognized by News 3 KSNV, 8 News Now KLAS, and FOX 5 KVVU for her service to veterans and military families. I extend my deepest gratitude to Ms. Shervanick for her noble contributions to the Las Vegas military community. Her service to Nevada places her among the outstanding men and women of the State and her accolades are well deserved.

Today, I ask my colleagues and all Nevadans to join me in recognizing Ms. Shervanick and her work with active military members, veterans, and their families. Her efforts are both honorable and necessary. I wish her the best of luck in all of her future endeavors.●

RECOGNIZING LOUISIANA'S LEMONADE DAY

● Mr. VITTER. Mr. President, Saturday, May 2, 2015, marks the fifth an-

nual Louisiana Lemonade Day during which thousands of children across the Pelican State will start their own small business—a lemonade stand. This free, statewide program is dedicated to teaching children how to start, own, and operate their own business, and in the last 5 years, Lemonade Day has provided more than 50,000 children across Louisiana with the opportunity to become entrepreneurs.

On Lemonade Day, thousands of children will open their own lemonade stands and learn the crucial lessons of salesmanship, competition, and marketing. They will be introduced to crucial business skills, like supply and demand, critical thinking and problem solving, and civic responsibility. Lemonade Day encourages young entrepreneurs to save one-third of their profits, share one-third of their profits, and spend one-third of their profits. They are even urged to open a youth savings account. These simple, yet important lessons will shape future generations of business leaders, and hopefully, instill some good money-managing practices that will help them later in life.

The secret to America's success lies within the innovation and creativity of American entrepreneurs. Urging our Nation's youth to develop their big ideas is critical for securing the future of our country's economic stability. On its fifth anniversary, I would like to recognize Louisiana's Lemonade Day and the role it plays in fostering entrepreneurial spirits in the lives of our Nation's youths.●

MESSAGES FROM THE PRESIDENT

Messages from the President of the United States were communicated to the Senate by Mr. Pate, one of his secretaries.

EXECUTIVE MESSAGES REFERRED

As in executive session the Presiding Officer laid before the Senate messages from the President of the United States submitting sundry nominations which were referred to the appropriate committees.

(The messages received today are printed at the end of the Senate proceedings.)

PRESIDENTIAL MESSAGE

REPORT TO THE UNITED STATES CONGRESS SUPPORTING THE UNDERLYING OBJECTIVES OF THE RECOMMENDATIONS FROM THE MILITARY COMPENSATION AND RETIREMENT MODERNIZATION COMMISSION (THE "COMMISSION")—PM 15

The PRESIDING OFFICER laid before the Senate the following message from the President of the United States which was referred to the Committee on Armed Services:

To the Congress of the United States:

My Administration fully supports the underlying objectives of the recommendations that the Military Compensation and Retirement Modernization Commission (the "Commission") offered in January. These recommendations represent an important step forward in protecting the long-term viability of the All-Volunteer Force, improving quality-of-life for service members and their families, and ensuring the fiscal sustainability of the military compensation and retirement systems.

As I directed in my letter of March 30, my team has worked with the Commission to further analyze the recommendations and identify areas of agreement. At this time I am prepared to support specific proposals for 10 of the Commission's 15 recommendations, either as proposed or with modifications that have been discussed among the Department of Defense, other agencies, and the Commission. These include the following:

- Survivor Benefit Plan
- Financial Education
- Medical Personnel Readiness
- Department of Defense and Department of Veterans Affairs Collaboration
- Child Care
- Service Member Education
- Transition Assistance
- Nutritional Financial Assistance
- Dependent Space-Available Travel
- Report on Military Connected Dependents

In some instances, the Department of Defense is already taking actions to implement these recommendations, and I will direct the Department to develop plans to complete this implementation. In those areas where legislation is required, I expect the Secretary of Defense to transmit to the Congress on my behalf the relevant legislative proposals, which I recommend be enacted without delay.

With respect to the remaining recommendations, given their complexity and our solemn responsibility to ensure that any changes further the objectives above, we will continue working with the Commission to understand how the following proposals would affect the All-Volunteer Force:

- Blended Retirement System
- Reserve Component Duty Statuses
- Exceptional Family Member's Support
- Commissary and Exchange Consolidation

I believe there is merit in all of these recommendations and that they deserve careful consideration and study. I will ensure that the Congress is kept apprised of this ongoing work.

Finally, I agree with the Commission that we need to continue to improve the military health care system. The health care reforms proposed in my Fiscal Year 2016 Budget are a good first step and offer service members, retirees, and their families more control and choice over their health care decisions. This remains a critical issue, and my Administration will work with the

Commission and interested Members of Congress in the coming months to develop additional reform proposals for consideration as part of my Fiscal Year 2017 Budget.

BARACK OBAMA.
