NATIONAL INFRASTRUCTURE WEEK

(Mr. WESTERMAN asked and was given permission to address the House for 1 minute.)

Mr. WESTERMAN. Mr. Speaker, with this being National Infrastructure Week, I want to call attention to the crisis facing the Federal highway trust fund.

In my home State of Arkansas, the highway and transportation department has canceled several projects due to the depletion of the trust fund. It is vital that we find a solution to this crisis that finances the trust fund for the long term and keeps our roads and highways safe for travel and commerce.

This is why, next week, I plan to file legislation to plug the \$15 billion deficit in the trust fund without raising taxes. It will be commonsense legislation that Members on both sides of the aisle should get behind in order to prioritize funding for our critical infrastructure construction and maintenance and to avoid these crisis deadlines in the future.

INFRASTRUCTURE WEEK AND INVESTMENTS

(Ms. EDWARDS asked and was given permission to address the House for 1 minute.)

Ms. EDWARDS. Mr. Speaker, once among the world leaders in quality infrastructure, now, we rank just 16th, according to the World Economic Forum. According to the American Society of Civil Engineers, the overall assessment of our Nation's infrastructure ranks the United States at a whopping D-plus.

We have just 4 legislative days until the highway trust fund expires. As we wait for the majority party to end their dysfunction and come to some—any—kind of agreement on extending the highway trust fund, 660,000 jobs hang in the balance.

I know now that in Maryland, 5,305 bridges are in complete disrepair. That is nearly 27 percent of the bridges in our State. Just a few months ago, a woman was driving down the highway, minding her own business, when a chunk of cement fell down because it is in disrepair.

I am not really sure how many lives the majority party is prepared to lose to dysfunctional and underfunded infrastructure. I am not sure how much economic insecurity we are willing to cause the American people, but it is time for us to invest in our Nation's infrastructure, create good-paying jobs, \$1 billion, 35,000 jobs all across the economy.

Let's get moving. Extend the highway trust fund. Invest in our infrastructure, our long-term infrastructure. Create jobs for the 21st century.

CONGRATULATIONS TO THE NEWSOME HIGH SCHOOL SOFTBALL TEAM

(Mr. ROONEY of Florida asked and was given permission to address the House for 1 minute.)

Mr. ROONEY of Florida. Mr. Speaker, I rise today to congratulate the Newsome High School softball team, from Lithia, Florida, for winning the Class 8A State championship title. With a 5-1 victory over Coral Reef on Saturday, the Wolves secured their first State title in the history of Newsome High.

In the championship game, the Wolves were led by lockdown pitching and power hitting from Cassidy Davis, a clutch performance in relief from Claire Feldman, and runs from Maddy Lyn, Hannah Pridemore, and Livia Chandler.

The Wolves worked hard all year, playing a tough schedule in Hillsborough County. That helped them prepare for the playoffs, and it showed them and their opponents that they had what it takes to win it all.

I am proud to represent these great student athletes in Florida, and I look forward to watching them repeat again next year.
