

Less than 2 years ago, a Metro-North Railroad engineer fell asleep as the train he was operating sped up to 82 miles an hour through a tight curve. The restriction for that section was only 30 miles an hour. As a result of the derailment, 4 people died, and 61 were injured. With tragic predictability, the NTSB investigation determined that positive train control could have prevented that tragedy as well.

How many more times does the NTSB need to repeat its recommendation before PTC is implemented?

There is no reason why this Congress should continue to ignore its responsibility to help passenger railroads implement the lifesaving technology as soon as possible.

I urge my colleagues to join me in supporting this amendment to provide the necessary funding to help passenger railroads implement PTC across the United States.

Let me be clear: this funding won't prevent every single accident. The fact that PTC will not prevent every accident should not—cannot—be an excuse for this Congress' failure to act.

Failure to act today on implementing positive train control is wrong. It is unworthy of a great country. A great country does not respond to crises with duct tape; a great country leads with action.

I ask all House Members to join me to vote for this amendment, and I yield back the balance of my time.

Mr. SHUSTER. Mr. Speaker, I wish to withdraw my reservation of a point of order.

The SPEAKER pro tempore. The reservation of a point of order is withdrawn.

Mr. SHUSTER. I rise in opposition to the motion.

The SPEAKER pro tempore. The gentleman from Pennsylvania is recognized for 5 minutes.

Mr. SHUSTER. Mr. Speaker, I oppose this motion. We certainly know of the tragedy that happened in Philadelphia, in my home State, but this really is not the place to address this.

We need to pass a clean extension. We have got to pass it and get it to the Senate, so we make sure that these vital programs keep people working, we keep projects moving forward, and that they don't shut down.

Again, this is a clean extension. We want it to be a clean extension because we know that time is of the essence to get this over to the Senate, as I said, and pass it. You are talking about 4,000 people in the government that will be furloughed and thousands of workers across America. Projects will stop, and they won't be working.

Again, we have an immediate need to extend the highway transit and safety programs. I am confident and remain committed to working with Chairman RYAN; but this is not the time to slow this down. This the time to get it done so that we can get it to the Senate as quickly as possible.

Again, I am opposed to this motion. I urge a "no" vote on the motion and

continue to ask my colleagues to support the underlying bill that gets the job done and gets us past this critical time.

I yield back the balance of my time.

The SPEAKER pro tempore. Without objection, the previous question is ordered on the motion to recommit.

There was no objection.

The SPEAKER pro tempore. The question is on the motion to recommit.

The question was taken; and the Speaker pro tempore announced that the yeas appeared to have it.

Ms. ESTY. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER. Pursuant to the order of the House of today, further proceedings on this question will be postponed.

MESSAGE FROM THE PRESIDENT

A message in writing from the President of the United States was communicated to the House by Mr. Brian Pate, one of his secretaries.

CONTINUATION OF THE NATIONAL EMERGENCY WITH RESPECT TO THE STABILIZATION OF IRAQ—MESSAGE FROM THE PRESIDENT OF THE UNITED STATES (H. DOC. NO. 114-40)

The SPEAKER pro tempore laid before the House the following message from the President of the United States; which was read and, together with the accompanying papers, referred to the Committee on Foreign Affairs and ordered to be printed:

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the stabilization of Iraq that was declared in Executive Order 13303 of May 22, 2003, is to continue in effect beyond May 22, 2015.

Obstacles to the orderly reconstruction of Iraq, the restoration and maintenance of peace and security in the country, and the development of political, administrative, and economic institutions in Iraq continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Accordingly, I have determined that it is necessary to continue the national emergency with respect to the stabilization of Iraq.

BARACK OBAMA.

THE WHITE HOUSE, May 19, 2015.

LEGISLATIVE BRANCH APPROPRIATIONS ACT, 2016

GENERAL LEAVE

Mr. GRAVES of Georgia. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days to revise and extend their remarks and to include extraneous material on consideration of H.R. 2250, and that I may include tabular material on the same.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Georgia?

There was no objection.

The SPEAKER pro tempore. Pursuant to House Resolution 271 and rule XVIII, the Chair declares the House in the Committee of the Whole House on the state of the Union for the consideration of the bill, H.R. 2250.

The Chair appoints the gentleman from Georgia (Mr. CARTER) to preside over the Committee of the Whole.

□ 1516

IN THE COMMITTEE OF THE WHOLE

Accordingly, the House resolved itself into the Committee of the Whole House on the state of the Union for the consideration of the bill (H.R. 2250) making appropriations for the Legislative Branch for the fiscal year ending September 30, 2016, and for other purposes, with Mr. CARTER of Georgia in the chair.

The Clerk read the title of the bill.

The CHAIR. Pursuant to the rule, the bill is considered read the first time.

The gentleman from Georgia (Mr. GRAVES) and the gentlewoman from Florida (Ms. WASSERMAN SCHULTZ) each will control 30 minutes.

The Chair recognizes the gentleman from Georgia.

Mr. GRAVES of Georgia. Mr. Chairman, I yield myself such time as I may consume.

When I joined the Appropriations Committee a little over 4 years ago, I said that I wanted this committee to be known as a place where taxpayer money was saved and not spent. In recent years, there has been a major change in the perception of this committee.

Thanks in large part to the leadership of Chairman ROGERS and the members of the committee, the process is open, and it is transparent, and this committee has made a priority of ensuring every taxpayer dollar is spent wisely.

In keeping with that trend, the bill that we are here to debate today holds the line on spending. It is a bill that honors and respects the taxpayer while preserving the beauty of the Capitol campus, providing essential security for visitors and staff, and ensuring that we are able to provide the services that our constituents expect and deserve.

This bill is a total of \$3.3 billion for the legislative branch, excluding all Senate items. The bill continues the freeze on funding for the House of Representatives, including leadership, committees, and Member office budgets. It also continues the Member pay freeze that was put in place in 2010.
