IN RECOGNITION OF DR. GLENN D. STEELE, JR. ON THE OCCASION OF HIS RETIREMENT FROM GEISINGER HEALTH SYSTEM

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 16, 2015

Mr. BARLETTA. Mr. Speaker, I am honored to recognize Dr. Glenn D. Steele, Jr. on the occasion of his retirement. Dr. Steele is the

President and Chief Executive Officer of Geisinger Health System, an integrated health services organization within my congressional district that is widely admired for its development of innovative care models and its advances in the use of electronic health records and telemedicine.

After receiving his bachelor's degree in history and literature from Harvard University, Dr. Steele went on to graduate with his medical degree from New York University School of Medicine and his PhD in microbiology from Lund University in Sweden. He has served as the Chairman of the American Board of Surgery, as well as the President and Chief Executive Officer of Deaconess Professional Practice Group.

An influential academic, Dr. Steele has contributed immensely to advances in the areas of gastrointestinal cancer, pre-cancer, and, most recently, healthcare delivery and financing. In fact, he is the author or co-author of more than 483 scientific and professional articles, an impressive feat in and of itself.

In 2001, Dr. Steele assumed his role as Chief Executive Officer of Geisinger Health System. Under his direction, the organization has grown from 7,000 employees to 23,500; all of whom provide valuable healthcare services to citizens both in my congressional district, the Commonwealth, and across the nation. Dr. Steele has also overseen Geisinger's growth and development into nine hospital campuses, two research centers, and a 467,000-member health plan. Combined, these entities leverage an estimated \$7.7 billion, revenue that has strongly impacted Pennsylvania's economy for the better.

Furthermore, national accolades have repeatedly been bestowed upon Geisinger for its work in integration, quality, and service—accomplishments that Dr. Steele has played an integral role in facilitating. Geisinger's patient care mission is second to none, and Dr. Steele has taken the organization one step further in developing a commitment to medical education, research, and community service.

Mr. Speaker, I am pleased to congratulate Dr. Steele as he celebrates the culmination of an impressive, impactful career. Though his daily influence within Geisinger will be missed, his legacy will inevitably carry on. I hope that he finds this new chapter of his life to be as exciting as the last, and that he enjoys this occasion in the company of family and friends.

community. The Society has immeasurably enriched the lives of many in the Western New York area through its song and commitment to the arts.

Founded 50 years ago in 1966 by Robert F. Schulz, the Society has expanded to include a diverse group of over 100 singers drawn from within the Buffalo community. Led by conductor Marcia A. Giambone who enters her 27th season with the choir, the Buffalo Choral Arts Society sings a full schedule of concerts throughout the year breathing life into music as diverse as Bach, pop and Broadway for the enjoyment of its audience.

As ambassadors of Buffalo and Western New York as well as the United States of America as a whole, the Buffalo Choral Arts Society has travelled widely throughout both the nation and the world. Domestically they have performed in such esteemed venues as Carnegie Hall, the National Cathedral and the John F. Kennedy Center for the Performing Arts as well as in local Buffalo treasures such as the Historic Riviera Theatre.

Whilst abroad, the Society has had the honor of performing as part of the 50th Anniversary of the D-Day Invasion at the American Cemetery and Memorial in Normandy, as well as having toured throughout Europe and Canada, participating in important cultural exchange while showcasing the American choral tradition to a wide international audience.

Voted "Best Vocal Ensemble" in each of the last four years in the Artvoice Best of Buffalo contest, the Buffalo Choral Arts Society continues to strive for excellence and to bring its sound to a wider audience. It will travel to New York City in early July to perform a series of concerts over the Independence Day weekend there.

Mr. Speaker, thank you for allowing me a few moments to honor and recognize the Buffalo Choral Arts Society. I ask that my colleagues join me in congratulating the Buffalo Choral Arts Society on an accomplished history of choral music, and to commend it for the exemplary work it has done to enrich the communities of Western New York.

Mr. LAMBORN. Mr. Speaker, I rise today to honor one of the most distinguished citizens in the history of Colorado Springs, Mr. William Hybl.

Bill has not only served Colorado Springs with his successful business and non-profit careers, he has served our nation and globally represented us as well. From his service in the United States Air Force, to his term as the President of the United States Olympic Committee, to his time representing us in the United Nations, and, particularly, to his distinguished tenure as the Chairman of the U.S. Commission on Public Diplomacy, Bill exemplifies the notion of selfless service for the betterment of our nation.

That's why I am delighted that Bill is being honored by the Japanese Government with the Imperial Decoration of the Order of the Rising Sun, Gold Rays with Neck Ribbon. This distinguished award is one of the highest hon-

THE COMMENCEMENT OF DIRECT FLIGHTS BETWEEN HOUSTON'S GEORGE BUSH INTERNATIONAL AIRPORT AND TAIWAN'S TAOYUAN INTERNATIONAL AIRPORT

HON. SHEILA JACKSON LEE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 16, 2015

Ms. JACKSON LEE. Mr. Speaker, I rise today to celebrate a significant milestone achievement, the commencement of direct flights between Houston's George Bush International Airport (IAH) and Taiwan's Taoyuan International Airport.

The arrival of EVA Airways Flight #52, which is scheduled to arrive at George Bush International Airport from Taipei on June 19, 2015, at 4:30 p.m., will mark the first direct flight from Taipei.

Houston and Taipei are sister cities, having begun a friendship in 1961 that has for more than 50 years provided mutual benefits in the areas of business, culture and education, as has brought significant direct foreign investment to Houston and Texas.

Taiwan is the United States' 10th largest trading partner and the United States is Taiwan's largest foreign investor.

Our people-to-people exchanges are flourishing, with over 20,000 Taiwanese students studying in the United States each year.

In 2012, the first year that Taiwan was eligible to participate in the Visa Waiver Program, travel from Taiwan to the United States increased 35 percent.

EVA Airway's direct flight between Houston and Taipei will facilitate continuous prosperity and cooperation between the U.S. and Taiwan.

As the airline also connects major cities in East and Southeast Asia, the direct flight service is expected to facilitate more business, tourism and leisure travel between not only Houston and Taipei but Houston and the entire region as well.

Mr. Speaker, it is an honor to recognize and congratulate Houston's George Bush International Airport and EVA Airways on their bold, exciting, and mutually beneficial new venture of direct air travel between Houston and Taipei.
