STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. FLAKE (for himself and Mr. MCCAIN):

S. 1592. A bill to clarify the description of certain Federal land under the Northern Arizona Land Exchange and Verde River Basin Partnership Act of 2005 to include additional land in the Kaibab National Forest; to the Committee on Energy and Natural Resources.

Mr. MCCAIN. Mr. President, I am pleased to cosponsor legislation introduced by my colleague, Senator JEFF FLAKE, that would fix a mapping error involving the transfer of Forest Service land to Young Life's Lost Canyon Camp in northern Arizona.

The bill, S. 1592, would amend the Northern Arizona Land Exchange and Verde River Basin Partnership Act of 2005, P.L. 109-110, to clarify that Congress intended that Young Life could purchase at fair market value a full 237.5 acres of national forest land in the Kaibab National Forest as Congress intended. The Forest Service says there is an error in the Forest Service map referenced in the 2005 Act that has omitted about 25 acres from the land conveyance. This error appears to be preventing the Forest Service and Young Life from finalizing the transfer. Each year, nearly 5,000 young campers spend their summer at the Lost Canyon Camp, and this land conveyance is needed to expand the camp and create a buffer zone around the camp. I urge my colleagues to pass this clarifying legislation.

By Mr. WYDEN (for himself and Mr. HELLER):

S. 1595. A bill to describe the authority under which Federal entities may use mobile aerial-view devices to surveil, protect individual and collective privacy against warrantless governmental intrusion through the use of mobile aerial-view devices, and for other purposes; to the Committee on the Judiciary.

Mr. WYDEN. Mr. President, I rise today to introduce legislation to further protect American's privacy, while providing clear guidance for Federal law enforcement for information collection using the newest technologies. I
