HIGHLIGHTING THE VITAL ROLE OF FORT POLK, LOUISIANA

(Mr. BOUSTANY asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOUSTANY. Mr. Speaker, I rise to highlight the vital role Fort Polk, Louisiana, plays in our Nation's strategic defense and to urge the U.S. Army to spare it from any cuts.

Fort Polk houses the Army's primary Joint Readiness Training Center, the Nation's premier combat training center.

Fort Polk is also home to the 3rd Battalion, 10th Mountain Division, Fort Polk's lone brigade combat team, a highly mobile, lethal, and flexible combat unit. This team was recognized as a superior brigade combat team, awarding it the Meritorious Unit Citation for its efforts in Operation Iraqi Freedom.

Any cuts to this award-winning unit would deal a devastating blow to the post, its surrounding communities, and Louisiana as a whole. The local community and State have invested money and donated land, demonstrating their commitment to this imperative post.

As the Army announces its troop realignment, Louisiana stands together to support the 3rd Battalion, 10th Mountain Division brigade combat team, the Fort Polk community, and the military excellence they represent.

PASS HIGHWAY TRANSPORTATION FUNDING

(Mr. KILDEE asked and was given permission to address the House for 1 minute.)

Mr. KILDEE. Mr. Speaker, on July 31, the highway and transit trust fund will expire.

So what does the expiration of the trust fund mean to America, to American families?

It means the potential loss of over 600,000 jobs. It means the cancelation of major infrastructure projects. In fact, I heard this morning that five States have already canceled or delayed major projects because of Congress' lack of ability to do its work.

My home State of Michigan, we know more than anyplace that if we invest in our roads and bridges and rails, we grow our economy.

Other nations, instead of planning months ahead, are planning years ahead and building infrastructure. China, for example, is spending 10 times what we are as a percentage of their GDP on infrastructure.

Meanwhile, back in May, instead of thinking about the decades to come and hundreds of thousands of jobs, this Congress passed a 2-month extension, a self-imposed, manmade crisis, governing crisis to crisis on every big issue that we deal with.

We can't let this happen. This Congress needs to do its job. We need to come together in a bipartisan way—we can do it—and pass an extension of the highway trust fund that invests in America and puts American workers back to work rebuilding this country.

If we don't do this, we cannot expect our economy to grow. Congress has to act.

JOE'S BBQ IN FANNIN COUNTY, GEORGIA

(Mr. COLLINS of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COLLINS of Georgia. Mr. Speaker, in the Ninth District of Georgia, there is something we like, and that is barbecue. Especially our office, our staff, and our interns know this well, and especially my ag intern, Casey, from Georgia, because we now can ascribe to Trip Advisory's latest pick of the Nation's best barbecue. And I am proud to announce Joe's BBQ was named number one barbecue in the country.

Joe's is located 90 miles north of Atlanta in Blue Ridge and was founded just 3 years ago by a former mortgage salesman, Joe Ray. Mr. Ray moved to Blue Ridge, Georgia, 10 years ago to pursue his career in mortgage banking, but he ended up doing barbecue. He calls it beginner's luck, but I think it is turning into a legacy and a tradition in north Georgia. You see, customers travel from hundreds of miles to experience the secret recipe at Joe's BBQ, and it has been named number one as proof of the fruits of their labor.

So now we have many coming to northeast Georgia to experience what we in the Ninth District always knew: the best barbecue is in north Georgia, the greatest place in world. And I just want to invite everybody to Joe's BBQ in Blue Ridge.

HUMANITARIAN CRISIS IN YEMEN

(Mrs. DINGELL asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Mrs. DINGELL. Mr. Speaker, I rise to bring to the attention of my colleagues a humanitarian crisis in Yemen. My district is home to many Yemenis who are deeply concerned, and many families have been in my office in total desperation and tears. This week, 45 civilians were killed after an airstrike hit a marketplace north of Aden.

Of real concern is the current outbreak of dengue fever. The World Health Organization estimates there are at least 3,000 cases of dengue fever in Yemen right now, and other groups are estimating it is twice that.

My constituents have family members who are suffering and have no access to medications, doctors, hospitals or, in many cases, even clean water. We must show U.S. leadership to help contain this outbreak.

Today I sent a letter to Secretary Kerry asking about plans the State Department is undertaking to combat this problem. I hope my colleagues will join me in a bipartisan manner to support real concrete action that is needed to help the Yemenis who are sick, desperate, and in critical need of assistance and leadership.

HONORING GRANITE STATE COMMUNITY LEADER DON MOORE

(Mr. GUINTA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GUINTA. Mr. Speaker, I rise today to honor a selfless Granite Stater who is paving the way for our mental health community and was recently awarded the Portsmouth Rotary Club's Humanitarian Award.

In 2014, Don Moore founded Seacoast Pathways in Portsmouth, New Hampshire, with the goals of providing those with mental illness resources to find a stable place to live, find a job, and opportunities for members to develop talents and interests to stay engaged in our community.

For far too long, the topic of mental health has been regarded as taboo and carries with it an undesired stigma. People like Don Moore are changing this negative perception and bringing about positive change for our communities.

In fact, the successes of the clubhouse model used by Seacoast Pathways are borrowed from another successful clubhouse in Manchester, New Hampshire, called Granite Pathways. This spring, I had the privilege of visiting both, meeting with their staffs and clubhouse members.

Seacoast Pathways' commitment to creating a community where members can reach their goals of work, education, and stable housing are absolutely commendable, and it is because of the selfless and dedicated folks like Don that our State remains a shining example of best practices in this area.

On behalf of the entire Granite State, congratulations to Don on receiving a well-deserved honor, and for working tirelessly on behalf of the mental health community.

HONORING THE LIFE OF KEVIN JOSEPH SUTHERLAND

(Mr. HIMES asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. HIMES. Mr. Speaker, 4 days ago, on July 4, a young man was murdered just a mile from here in broad daylight on a crowded subway. That young man was Kevin Joseph Sutherland, 24 years old. He was my campaign volunteer, my intern, and my friend.

Maybe that is unremarkable. Violence seems to be a part of who we are and all too present with us.

But I want to tell this House that Kevin was in Washington because he
